RESOLUTION NO. _____

RESOLUTION URGING THE FLORIDA LEGISLATURE TO
PASS LEGISLATION PROVIDING A PUBLIC RECORDS
EXEMPTION FOR VIDEO FOOTAGE OBTAINED FROM
POLICE OFFICER BODY-WORN CAMERAS WHEN
NECESSARY TO PROTECT PRIVACY RIGHTS

WHEREAS, on December 2, 2014, this Board passed Resolution No. R-1078-14, directing the Mayor or designee to conduct a study and prepare a report on the benefits and concerns associated with police officer body-worn cameras specifically as they pertain to Miami-Dade County; and

WHEREAS, Senate Bill (“SB 248”) and House Bill 57 (“HB 57”), both entitled the “Police and Citizen Protection Act,” have been filed for consideration during the 2015 session of the Florida Legislature by Senator Chris Smith (D – Fort Lauderdale) and Representative Shevrin D. “Shev” Jones (D – West Park), respectively; and

WHEREAS, SB 248 and HB 57 would require all uniformed Florida law enforcement officers primarily assigned to patrol duties to be equipped with body-worn cameras while performing their duties; and

WHEREAS, some footage recorded by police officer body-worn cameras could fall under Florida’s Public Records Law, Florida Statute section 119.011, and be subject to disclosure to the public; and

WHEREAS, when Florida’s Public Records Law was enacted in 1909, the Legislature may not have contemplated the advances in technology that would allow for police officers to be equipped with body-worn cameras; and

WHEREAS, the Office of Community Oriented Policing Services in the United States Department of Justice released a report entitled Police Officer Body-Worn Cameras: Assessing the Evidence (“DOJ Report”), analyzing the perceived benefits and concerns related to officer body-worn cameras; and

WHEREAS, a perceived concern identified in the DOJ report is that body-worn cameras create privacy issues, both for police officers and civilians; and

WHEREAS, due to the nature of police work, police officer body-worn cameras might record video inside civilians’ homes, where there is a heightened expectation of privacy; and

WHEREAS, police officer body-worn cameras might record civilians engaging in activities unrelated to a police investigation, but involving sensitive privacy issues, such as medical emergencies; and

WHEREAS, unlike many traditional surveillance methods, body-worn cameras can simultaneously record both audio and video and capture close-up images that allow for the potential use of facial recognition technology; and

WHEREAS, the possibility of the news media possessing and dispensing such sensitive footage magnifies the privacy concerns associated with that footage being subject to public disclosure; and

WHEREAS, as civilians become aware of these privacy issues, witnesses and victims could become reluctant to cooperate with police investigations; and

WHEREAS, the cooperation of witnesses and victims with police officers is of the utmost importance in ensuring the safety of the public and providing an effective criminal justice system; and

WHEREAS, the residents of Miami-Dade County and this state would be best served if Florida's Public Records Law was amended to properly balance the legitimate interest of government transparency with the protection of privacy rights,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board:

Section 1. Urges the Florida Legislature to pass legislation providing a public records exemption for video footage obtained from police officer body-worn cameras when necessary to protect privacy rights.

Section 2. Directs the Clerk of the Board to transmit a certified copy of this resolution to the Governor, Senate President, House Speaker and the Chair and Members of the Miami-Dade State Legislative Delegation.

Section 3. Directs the County's state lobbyists to advocate for the passage of the legislation as set forth in Section 1 above, and authorizes and directs the Office of Intergovernmental Affairs to amend the 2015 State Legislative Package previously approved by the Board to include this item.

The Prime Sponsor of the foregoing resolution is Commissioner Sally A. Heyman. It was offered by Commissioner _____, who moved its adoption. The motion was seconded by Commissioner _____ and upon being put to a vote, the vote was as follows:
