# Memorandum

**Date:** March 3, 2015

**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor 

**Subject:** Contract Termination and Settlement Agreement between Miami-Dade County and Florida SE, Inc. for Payment of \$1,129,431.00 to the County and Mutual Termination of Agreement

---

## Recommendation

It is recommended that the Board of County Commissioners (Board) approve a Contract Termination and Settlement Agreement (Settlement Agreement) between Miami-Dade County (County) and Florida SE, Inc., a subsidiary of Darden Restaurants, Inc. (Darden) for Darden's payment of \$1,129,431.00 to the County and agreement for a mutual termination of the contract.

## Scope

Haulover Park is located at 10800 Collins Avenue, Miami Beach, FL, 33154 in County Commission District 4, which is represented by Commissioner Sally A. Heyman; however, the park is an asset of regional significance. Haulover Park includes the Bill Bird Marina and a designated area for a marina restaurant.

## Fiscal Impact/Funding Source

The total fiscal impact from this Agreement is a \$1,129,431.00 payment from Darden to the County. The funds will be placed into the Coastal Park and Marina Enterprise trust fund index code PRR600940074 for use at Haulover Park for construction of the Bayside Promenade.

## Track Record/Monitor

This Settlement Agreement (Attachment A) will be monitored by the Parks, Recreation and Open Spaces Department's (PROS) Contract Manager Jon Seaman.

## Background

Pursuant to a competitive solicitation, which sought to select a reputable company to develop, lease and operate a marina restaurant at Haulover Park, the County approved a contract with Darden on December 4, 2012 via Resolution No. R-1018-12 ("Contract") listed as Attachment B. The Contract between the County and Darden was for a ten-year initial term, with four, five-year options to renew and required Darden to construct a Seasons 52 restaurant, restroom and other improvements to the Park to be owned by the County and estimated to cost almost \$6.3 million, exclusive of architectural, permitting, due diligence and impact fee expenses.

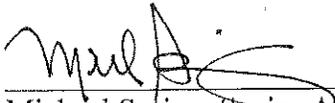

The County estimated that during the initial ten-year term of the Contract, it would receive approximately \$1.7 million in rent. If all renewal options were exercised, it would receive an additional \$5.76 million in rent. In accordance with the terms of the Contract, Darden commenced paying the initial rent of \$500.00 a month to the County, and commenced the development and design of the restaurant and associated improvements.

In mid-2014, as a result of a restructuring, Darden informed the County that it no longer wished to develop and operate a Seasons 52 restaurant at the Park, and requested that the parties amicably terminate the Contract and negotiate a termination payment to the County. The County and Darden have agreed to terminate all of their rights and obligations towards one another arising out of the Contract and to resolve any claims that they may have against the other, subject to the terms and conditions set forth in the Agreement.

To date, Darden has (1) paid \$72,780.00 in rent, project management fees and security deposit, (2) contributed \$13,185.00 to Art in Public Places, and (3) will give all testing, architectural and engineering documents to the County, valued at approximately \$125,000.00. PROS is working on developing the future use of the area for a replacement restaurant and other park patron amenities.

One of the key components related to the Seasons 52 restaurant development is the Bayside Promenade, a pedestrian corridor from Haulover cut north through Haulover Marina. In the absence of future Seasons 52 restaurant revenues to design and build this promenade, the settlement payment will be dedicated to this important project, which will create more opportunities to attract a quality restaurant operator.

The Darden's failure to execute the project represents the third County restaurant request for proposals to fail at Haulover Park. Article 7 of the County Charter restricts the initial contract term to 10 years for competitively bid marina facilities. The Bayside Promenade construction will increase public access and serve as an incentive for developing a successful restaurant at Haulover Park.

This Contract Termination Agreement (the "Agreement") is entered into this \_\_\_ day of \_\_\_\_\_ 2015 ("Effective Date") by and between Miami-Dade County (the "County"), a political subdivision of the State of Florida, and Florida SE, Inc., a subsidiary of Darden Restaurants, Inc. ("Darden" and, collectively with the County, the "Parties").

**WHEREAS**, the County, through its Park, Recreation and Open Spaces Department ("PROS") owns and operates Haulover Park, public park property, which includes the Bill Bird Marina and a designated area for a marina restaurant located at 10800 Collins Avenue, Miami Beach, FL 33154 (the "Park"); and

**WHEREAS**, pursuant to a competitive solicitation which sought to select a reputable company to develop, lease and operate a marina restaurant at the Park, the County approved a contract with Darden on December 4, 2012 via Resolution No. R-1018-12 as more particularly set forth in that certain Lease Agreement dated January 1, 2013, as amended and all documents referenced therein ("Contract"); and

**WHEREAS**, the Contract between the County and Darden was for a ten-year initial term, with four, five-year options to renew and required Darden to construct a Seasons 52 restaurant, restrooms, and other improvements to the Park, all to be owned by the County, and estimated to cost almost \$6.3 million, exclusive of architectural, permitting, due diligence and impact fee expenses; and

**WHEREAS**, further, the County estimated that, during the initial ten-year term of the Contract, it would receive approximately \$1.7 million in rent and, if all renewal options were exercised, it would receive an additional \$5.76 million in rent; and

**WHEREAS**, in accordance with the terms of the Contract, Darden commenced paying initial rent of \$500.00 a month to the County and commenced the development and design of the restaurant and associated improvements; and

**WHEREAS**, however, in mid-2014 Darden informed the County that it no longer wished to develop and operate a Seasons 52 restaurant at the Park and requested that the parties amicably terminate the Contract and negotiate a termination payment to the County; and

**WHEREAS**, the Parties desire to terminate all of their rights and obligations towards one another arising out of the Contract and to resolve any claims that the Parties may have against the other arising out of the Contract, on the terms and conditions set forth in this Agreement,

**NOW, THEREFORE**, in consideration of the promises, and other good and valuable consideration, and the mutual covenants set forth herein, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Incorporation of Recitals.** The Parties agree that the above recitals are true and correct and that those recitals are incorporated by reference into this Agreement and form a part of this Agreement.

2. **Effective Date.** The Effective Date of this Agreement is set forth on the first page of this Agreement. Notwithstanding the foregoing, Darden's covenant not to withdraw its approval of this Agreement, as set forth in § 3 of this Agreement, shall be effective upon its execution of this Agreement.

3. **BCC Approval.** Darden acknowledges that before the County may settle any claims or enter into any binding contractual obligations pursuant to this Agreement, the approval of the Board of County Commissioners of Miami-Dade County ("BCC") is required; additionally, if the County Mayor vetoes any legislation approving this Agreement, an override of the County Mayor's veto by the BCC is necessary ("BCC Approval"). County agrees to notify Darden of the date of the BCC Approval (including the expiration of any mayoral veto period).

(a) **BCC Approval Window.** Darden acknowledges that the County shall have until March 1, 2015, by which to obtain BCC Approval (the "BCC Approval Window"). During the BCC Approval Window, Darden agrees that it shall not withdraw or modify the terms of its settlement with the County, as presented in this Agreement.

(b) **County's Obligations Before BCC Approval.** The County shall not be required to file any document compromising any claims it may have against Darden and shall not be deemed to have released Darden from any claims and liabilities until obtaining BCC Approval.

(c) **Consequence Upon Failure to Obtain BCC Approval.** To the extent the BCC does not approve of this Agreement, the Parties shall return to the status quo existing before the Parties' preparation of this Agreement, and the fact that the County and Darden sought to negotiate a mutual termination of the Contract via this Agreement and all discussions and correspondence (including electronic correspondence) shall be inadmissible for all reasons and shall not prejudice any of the Parties' rights and remedies as against the other party or any other person or entity.

4. **Agreement to Terminate Contract and Settle Claims; No Admission of Liability.** Subject to the terms and conditions of this Agreement, Darden and the County hereby agree to the mutual termination of the Contract, without any liability towards each other, and with both Parties relinquishing all rights and obligations under Contract, including any rights of Darden to possess the real property that is the subject of the Contract. Darden and the County understand and agree that all sums paid by Darden to the County prior to the Effective Date are the property of the County and shall be retained by the County. It is understood that the terms of this Agreement, the payment of any moneys, or any other action taken pursuant to this Agreement, in no way constitutes an admission of liability or acknowledgement of the validity of any allegation, finding, or conclusion by Darden or the County, but rather are made as a contractual settlement and not a mere recital by way of compromise to avoid the expense and uncertainty of future litigation.

5. **Payment Obligations and Terms.** As a material inducement to and in consideration for the Parties' entry into this Agreement, Darden agrees to pay the County one million, one hundred and twenty-nine thousand, four hundred thirty-one dollars (\$1,129,431.00)

("Termination Payment") exclusive of any amounts already paid or to be paid by Darden to County as of the date of the BCC Approval. The Termination Payment shall be due within three (3) business days of Darden's receipt of notice of the final BCC Approval (including the expiration of any mayoral veto period). Darden shall make payment of the Termination Payment either via wire transfer pursuant to written instructions sent by the County or by check made payable to Miami-Dade County, and delivered via FedEx to PROS, attn.: Jon Seaman, Contract Management Section, 275 N.W. 2<sup>nd</sup> Street, 5<sup>th</sup> Floor, Miami, FL 33128, or as otherwise instructed in writing by the County. Darden shall continue to pay initial rent under the contract up to the date of the BCC Approval.

6. **Ownership and Possession of Tests, Studies and Design Documents.** As a material inducement to and in consideration for the Parties' entry into this Agreement, and to the extent not already provided by Darden to the County, upon the BCC Approval, Darden agrees to turn over copies of its geotechnical studies and tests, and design plans and last revised set of building plans in CADD file format for all disciplines developed and/or produced in performance of the Contract and/or relating to the Park ("Tests, Studies and Design Documents"). Darden shall have no responsibility or liability for the correctness or accuracy of any such Tests, Studies or Design Documents and shall have no responsibility for proper engineering, safety, design of facilities or compliance with all applicable governing codes and regulations. Darden agrees, and shall cause the design professionals of record and other design or engineering professionals to agree, that all such Tests, Studies and Design Documents shall be the sole property of the Owner, including all rights therein of whatever kind, without restrictions or limitations and without the payment of any sums whatsoever to Darden, to the design professional of record or to any other third party.

7. **Darden's Release of the County.** For the consideration and promises made herein, Darden releases and forever discharges the County, and its officers, employees, agents, successors, assigns, attorneys and instrumentalities from any and all claims, causes of action, demands, disputes and rights of whatever nature and kind, known or unknown, past or future, related in any way to the Contract that Darden has or claims to have against County, and its employees, officers, agents, successors and assigns, attorneys, or otherwise, with the exception of claims and obligations arising out of this Agreement. Such release and discharge is made by Darden in its respective right and for its successors, executors, agents, employees, assigns, subcontractors, sureties, suppliers, and any and all other persons, firms, corporations, or other entities who may claim by or through Darden. Darden agrees that it will not, and that its legal representatives and assigns shall not, hereafter file in any court any action relating to the Contract, with the exception of any action to enforce this Agreement, and that to any such action (other than an action to enforce this Agreement) which nevertheless may hereafter be brought, this Agreement shall be a complete and conclusive defense.

8. **County's Release of Darden.** For the consideration and promises made herein, the County releases and forever discharges Darden from any and all claims, causes of action, demands, disputes and rights of whatever nature and kind, known or unknown, past or future, related in any way to the Contract that the County has or claims to have against Darden, and its employees, officers, agents, successors and assigns, attorneys, or otherwise, with the exception of claims and obligations arising out of this Agreement. Such release and discharge is made by the County in its respective right and for its successors, executors, agents, employees, assigns,

subcontractors, sureties, suppliers, and any and all other persons, firms, corporations, or other entities who may claim by or through the County. The County agrees that it will not, and that its legal representatives and assigns shall not, hereafter file in any court any action relating to the Contract, with the exception of any action to enforce this Agreement, and that to any such action (other than an action to enforce this Agreement) which nevertheless may hereafter be brought, this Agreement shall be a complete and conclusive defense.

9. **Sovereign Rights.** It is expressly understood that notwithstanding any provisions of this Agreement and the County's status as a party to this Agreement,

(a) the County retains all of its sovereign prerogatives and rights and regulatory authority (quasi-judicial or otherwise) as a county or city under Florida law and shall in no way be estopped from or be liable for withholding or refusing to issue any approvals of applications for building, zoning, planning or development under present or future laws and regulations of whatever nature, which laws or regulations are or might be applicable to the planning, design, construction, development, or operation of any project by Darden;

(b) the County shall not by virtue of this Agreement be obligated to grant any approvals of applications for building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development, or operation of any project by Darden; and

(c) notwithstanding and prevailing over any contrary provision in this Agreement, any County covenant or obligation that may be contained in this Agreement shall not bind the Board, the County's Planning and Zoning Department, DERM, or their successor entities, or any other County, Federal or State department or authority, committee or agency to grant or leave in effect any zoning changes, variances, permits, waivers, contract amendments, or any other approvals that may be granted, withheld or revoked in the discretion of the County or other applicable governmental agencies in the exercise of its police power.

10. **Each Party to Bear its Own Costs and Fees.** Each party shall bear their own attorneys' fees and costs in any action, including through all stages of appellate review, relating to or arising out of enforcement of the terms of this Agreement.

11. **Governing Law/Venue.** This Agreement shall be governed by, and construed in accordance with, the laws of the State of Florida. Venue for any action or proceeding to enforce this Agreement shall lie exclusively in the courts located in Miami-Dade County, Florida.

12. **Entire Agreement; Modification.** This Agreement together with all documents required to be executed hereunder constitutes the entire agreement and understanding between the parties to this Agreement. No supplement, modification, or amendment of this Agreement shall be binding unless it is executed in writing by the parties.

13. **No Third-Party Beneficiaries.** This Agreement is a documentation of an agreement between the County and Darden only, and the Parties do not intend for any third-party to claim a right or benefit as a third-party beneficiary to this Agreement.

14. **Modification.** This Agreement cannot be terminated, modified, or waived orally.

No modification or waiver of any provision of this Agreement, nor consent to any departure therefrom, shall in any event be effective unless the same shall be in writing and signed by both Parties and then such modification, waiver, or consent shall be effective only in the specific instance and for the specific purpose for which given.

15. **Rule of Construction; Opportunity to Review.** The Parties represent and agree that they have participated equally in the negotiation of the terms and provisions set forth in this Agreement and that no presumptions or inference shall apply against any party hereto to its construction. The Parties declare that they have completely read the terms of this Agreement, that they have discussed the terms of the Agreement with legal counsel of their choice, and that they fully understand and voluntarily accept the terms for the purpose of making a full and final compromise, adjustment and settlement of claims.

16. **Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, representatives, agents, attorneys, employees, officers, directors, predecessors, affiliates, successors or assigns in connection with any legal action arising out of the agreement.

17. **Authority to Execute.** By executing this Agreement, the undersigned warrant and represent that they are authorized to enter into this Agreement and empowered to bind their respective parties to its terms. Further, the parties represent that they have not assigned their rights or claims subject of this Agreement to any third party.

18. **Severability.** The Parties have attempted to create an Agreement that is lawful and enforceable in all respects. The validity of this Agreement shall not be affected by any subsequent changes in federal, state, or county law, whether through legislation or judicial interpretation, which create, eliminate or change the rights and obligations of the parties. However, if any provision of this Agreement is held to be invalid, void or unenforceable, the balance of the provisions shall, nevertheless, remain in full force and effect and shall in no way be affected, impaired or invalidated.

Memorandum

Date: December 4, 2012  
To: Honorable Vice Chairwoman Audrey M. Edmonson  
and Members, Board of County Commissioners  
From: Carlos A. Gimenez  
Mayor  
Subject: Recommendation for Approval to Award: Bill Bird Marina Restaurant at Haulover Park

Agenda Item No. 8(H)(3)

Resolution No. R-1018-12

This substitute differs from the original in that Subsections D and E were added to Paragraph No. 72 on page 29 of 68 of the attached Contract No. RFP763.

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) award a contract to Florida SE, Inc. for the development, lease, and operation of the Bill Bird Marina Restaurant at Haulover Park.

- CONTRACT NUMBER: RFP763
- CONTRACT TITLE: Bill Bird Marina Restaurant at Haulover Park
- TERM: Ten years with four, five-year options-to-renew
- APPROVAL TO ADVERTISE: March 24, 2011
- METHOD OF AWARD: To the responsive and responsible proposer whose offer results in the best value to the County.
- PREVIOUS CONTRACT AMOUNT: There is no current contract for these services.
- CONTRACT AMOUNT: \$1,716,000 estimated revenue to the County for the initial ten year term. If the County exercises the four, five-year options-to-renew, the cumulative value will be \$7,480,000.

BACKGROUND

A Request for Proposals was issued under full and open competition to acquire the services of a reputable firm to develop and operate a restaurant at Haulover Park's Bill Bird Marina. Two proposals were received in response to the solicitation, and both were rated and ranked by an Evaluation/Selection Committee. The highest ranked firm, Florida SE, Inc. (FSE), a subsidiary of Darden Restaurants Inc. (Darden), is being recommended for award. Darden owns and operates over 1,800 restaurants nationwide, including more than 130 restaurants in Florida that are owned and operated by FSE. FSE is the entity which owns and operates all of the Bahama Breeze Restaurants, and a majority of the Red Lobster, Olive Garden, and Seasons 52 restaurants located in Florida. The proposal submitted by FSE/Darden exhibited the best approach for the designated restaurant site, which faces the west side of the park with the view of the Intercoastal. FSE/Darden has proposed to develop and operate a Seasons 52 restaurant on the site. The Seasons 52 concept is a seasonally inspired menu that changes four times a year.

The negotiation process was complex, as the County and the proposer worked through multiple issues involving design guidelines and contractual provisions. The solicitation and subsequent negotiations resulted in a best value contract that includes the following:

1. The proposer will develop a Seasons 52 restaurant, a \$6.3 million investment, at no cost to the County.
2. The proposer will develop a separate public restroom facility and enhance the existing parking area (to include landscaping, employee parking, and valet parking) adjacent to the restaurant for use by Bill Bird Marina/Haulover Park patrons, as part of the firm's \$6.3 million investment.
3. The distinctive restaurant design concept of the proposer was modified so the restaurant architecture would be complimentary with Haulover Park's established "Streamline Moderne" Art Deco design guidelines.
4. The County negotiated an increase of \$739,000 in revenue from the original proposal for the initial ten year lease term. This represents a total increase in revenue of \$2,791,000, if the County exercises the four, five-year options-to-renew, from the original proposal.

This award recommendation is consistent with the County's goal of partnering with an experienced and capable firm to design, construct, and operate a restaurant at Bill Bird Marina. The restaurant will enhance the atmosphere at Haulover Park and attract patrons from around the County, as well as tourists visiting the area.

Lessee shall use the Premises and the Restaurant only for the use permitted. The Lessee shall not conduct any business nor provide any services nor sell any item or product without the prior written approval of Landlord, and any sales by the Lessee of services or items not specifically authorized in writing by Landlord may constitute a default. Lessee shall conduct its business at all times in accordance with this Lease Agreement.

The Restaurant within Haulover Park is located at 10800 Collins Avenue, Miami Beach, FL. 33154. The Restaurant Area is expected to not exceed 11,900 square feet. The Restaurant Area is to be used solely for the purpose of providing food service to Park patrons who are residents and visitors to the County. The Demised Area of the Lease which is larger than the Restaurant Area, shall be used to construct a Seasons 52 restaurant, inclusive of additional landscaping, buffer and back of house spaces immediately in support of this foodservice function, as is illustrated in the Site Plan (Exhibit B) and described in the Legal Description (Exhibit C).

(b) **Parking Area.** In support of the Restaurant, the County grants to Lessee a license for (i) the non-exclusive use of certain parking areas and spaces immediately adjacent to the Premises ("Non-Exclusive Spaces") and (ii) during the hours of operations of Lessee, the exclusive use of certain other parking areas consisting of 108 parking spaces immediately adjacent to the Premises ("Valet/Employee Parking Area"), both as shown on Exhibit B as the Valet/Employee Parking Spaces and the Non-Exclusive Spaces. The license granted herein is non-revocable by the County during the term of this Lease and any options to renew to the extent exercised by Tenant. The Parking Area described in this subsection is not part of the Leased Premises. The County has the express authority to institute and manage a parking charge in the area of the Non-Exclusive Spaces, which shall not constitute any diminishment of use by the Lessee; subject

however to the limitations set forth in Appendix A as to parking after 5:00 p.m. The Lessee may make parking improvements to these areas that do not adversely impact Landlord's operations, all at the prior written approval of the Landlord and at the sole expense of the Lessee.

**(c) Promenade.** The Promenade Area is that 22 foot wide concrete paved walking area immediately between the Demised Area and the seawall. The Lessee shall have a license for the non-exclusive use of the promenade for its patrons, but shall not use or extend foodservice operations into the Promenade without the advance written approval of the County. The Promenade Area described in this subsection is not part of the Leased Premises. The license granted herein is non-revocable by the County during the term of this Lease and any options to renew to the extent exercised by Tenant.

**(d) Common Areas.** In addition to the foregoing, Lessee shall have a non-exclusive license for itself and its guests and employees to use the common areas of the Park, which common areas shall include but not be limited to the non-exclusive parking areas, access drives, sidewalks, promenade and such other public areas of the Park generally available to the public (hereinafter the "Common Area"). The license granted herein is non-revocable by the County during the term of this Lease and any options to renew to the extent exercised by Tenant.

3. **Operations:** Except when and to the extent that the Restaurant may be untenable by reason of damage by hurricane, fire or other casualty, Lessee shall continuously and uninterruptedly use, occupy and operate for purposes outlined herein all of the Restaurant other than such minor portions thereof as are reasonably required for storage and office purposes, and such storage and office space shall only be used in connection with the business conducted by Lessee in the Restaurant; and will have on the premises adequately trained uniformed personnel for efficient service to customers.
4. **Limitations on Use:** Subject to Lessee's right to use the Restaurant for the purposes specified in this Lease Agreement, Lessee shall not suffer or permit the Restaurant or any part thereof or any part of the Premises to be used in any manner, or anything to be done therein, or suffer or permit anything to be brought into or kept therein, which would in any way (i) violate any legal requirements or insurance requirements; (ii) cause structural injury to the Restaurant or any part thereof; (iii) constitute a public or private nuisance; (iv) impair the appearance of the Restaurant; (v) materially impair or interfere with the proper and economic cleaning, heating, ventilating or air-conditioning of the Restaurant or the proper and economic functioning of any other common service facility or common utility of the Restaurant; (vi) impair or interfere with the physical convenience of any of the occupants of the Restaurant; or (vii) impair any of the Lessee's other obligations under this Lease Agreement.
5. **Governmental Approvals:** If any governmental license, approval or permit shall be required for the proper and lawful conduct of Lessee's business in the Restaurant, or any part thereof, Lessee, at its expense, shall duly procure and thereafter maintain such license, approval or permit and submit the same to inspection by the County. Lessee shall at all times comply with the terms and conditions of each license and permit required for the proper and lawful conduct of Lessee's business in the Restaurant.

**(a) Sovereign Rights:**

It is expressly understood that notwithstanding any provisions of this Lease Agreement and the County's status hereunder:

- i. The County retains all of its sovereign prerogatives and rights and regulatory authority (quasi-judicial or otherwise) as a county or city under State law and shall in no way be stopped from withholding or refusing to issue any approvals of applications for building, zoning, planning or development under present or future laws and regulations whatever nature applicable to the planning, design, construction and development of Haulover Park and the Restaurant or the operation thereof, or be liable for the same; and,
- ii. The County shall not by virtue of this Lease Agreement be obligated to grant any approvals of applications for building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development and/or operation of Haulover Park and the Restaurant; .
- iii. Notwithstanding and prevailing over any contrary provision in this Lease Agreement, any County covenant or obligation that may be contained in this Lease Agreement shall not bind the Board, the County's Planning and Zoning Department, DERM, or any other County, Federal or State Department or authority, committee or agency to grant or leave in effect any zoning changes, variances, permits, waivers, contract amendments, or any other approvals that may be granted, withheld or revoked in the discretion of the County or other applicable governmental agencies in the exercise of its police power

**(b) Public Meeting**

Immediately after the County Mayor Issues his recommendation of contract award, but prior to the Lease being presented to the Board of County Commissioners for approval, the Lessee will participate in a public meeting designed to present the proposed design of the Restaurant to the public, in a form reflective of Exhibit E, as one in a series of Haulover Park General Plan implementations. The presentation at the public meeting is not part of any required governmental approvals, but it will be scheduled by the County to advance the public's knowledge of the project.

6. **Non-Exclusivity:** This Lease Agreement is non-exclusive in character and in no way prevents the Landlord from authorizing or offering competitive services, products or items by other vendors or others in other premises owned and operated by the Landlord or from authorizing other unrelated concession services within the Park. The Lessee shall have no rights to any other location that may be made available by the Landlord. Notwithstanding the foregoing, Landlord agrees during the term of this Lease Agreement not to permit the operation of any full-service casual or fine dining restaurant in that part of the Bill Bird Marina area of the Park identified on Exhibit B attached hereto as the "Exclusive Area."
7. **Proposal Incorporated:** The Lessee acknowledges that it has submitted to the County a proposal ("Lessee's Proposal") that was the basis for the award of this Lease Agreement and upon which the County has relied.
8. **Order of Precedence:** If there is a conflict between or among the provisions of this Lease Agreement, the order of precedence is as follows: 1) these terms and conditions, 2) Appendices to these terms and conditions (the Scope of Services, Development Rider and Price Schedule) 3) the Miami-Dade County's RFP No. 763 and any associated addenda and attachments thereof, and 4) the Lessee's Proposal.

Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written. It is further agreed that any oral representations or modifications concerning this Lease Agreement shall be of no force or effect, and that this Lease Agreement may be modified, altered or amended only by a written amendment duly executed by both parties hereto or their authorized representatives.

The Lessee shall provide the services set forth in the Scope of Services, and render full and prompt cooperation with the County in all aspects of the Services performed hereunder.

B. The Lessee acknowledges that this Lease Agreement requires the performance of all things necessary for or incidental to the effective and complete performance of all Services under this Lease Agreement. All things not expressly mentioned in this Lease Agreement but necessary to carrying out its intent are required by this Lease Agreement, and the Lessee shall perform the same as though they were specifically mentioned, described and delineated.

C. The Lessee shall furnish all labor, materials, tools, supplies, and other items required to complete the Scope of Services in accordance with Appendix A and the Development Rider that are necessary for the completion of the construction of the Restaurant and this Lease Agreement. All Services addressed by the Development Rider (Exhibit F) shall be accomplished in coordination and to the satisfaction of the County's Project Manager.

11. **Term:** The County hereby grants a Lease Agreement to develop, manage, and operate for an initial term of ten (10) years, the Premises described in this Lease Agreement to be used and operated as a Restaurant, but which Restaurant structure itself shall not exceed 11,900 square feet. The term and commencement date of this Lease Agreement, herein referred to as the Lease Agreement Effective Date, shall begin on the date indicated in the first page of this Agreement, and shall end ten (10) years thereafter.

12. **Option to Renew:** This Lease Agreement may be renewed for four (4) - five (5) year periods as follows: Provided that there has been no default of the Lease Agreement by the Lessee, which default is continuing past any applicable cure period provided herein, the Lessee may by written notice to, and upon approval by, the Department at least six (6) months before the end of the then current term but in no event earlier than one year prior to the end of the then current term, renew the Lease Agreement for additional five (5) year periods. All renewal periods shall run consecutively so as to make this Agreement continuous in its operation, from beginning to its termination, for a period up to thirty years.

The County reserves the right to exercise its option to extend this Lease Agreement for up to one hundred-eighty (180) calendar days beyond the current Lease Agreement period and will notify the Lessee in writing of the extension no later than one hundred-fifty (150) calendar days beyond the end of the then current term. This Lease Agreement may be extended beyond the initial one hundred-eighty (180) calendar day extension period by mutual agreement between the County and the Lessee, upon approval by the Board of County Commissioners.

13. **Security Deposit:** Prior to the Effective Date of the Lease Agreement, the Lessee shall furnish a Security Deposit in cash or cashier's check payable to the Board of County Commissioners, equal to three (3) months Guaranteed Monthly Rent. Such Security Deposit is eligible to be redeemed at the expiration of the Lease Agreement except for such conditions or events that warrant the County drawing upon a portion or all of the Security Deposit as provided in this Lease or under applicable law. If the Landlord must draw upon any amount of the Security Deposit owed to the Landlord for this Lease Agreement, Lessee hereby agrees to restore the Security Deposit to its original amount within seven (7) days of receiving notice by the Landlord that the Security Deposit was drawn upon. In the event the Lessee abandons its performance, the Landlord will retain the security deposit.

14. **Initial Rent:** Lessee, in consideration of the use of the land does hereby covenants and agrees to pay to the County without deduction or set off of any kind the sum of \$500.00 per month as the Initial Rent for a period of time commencing on the first day of each month beginning with the first full month after the Effective Date, without billing. The obligation to pay the Initial Rent shall commence on the Lease Effective Date and shall terminate upon the Date of Beneficial Occupancy, as defined in the Guaranteed Monthly Rent Article.

15. **Guaranteed Monthly Rent:** In consideration of the use of the Restaurant, Lessee does hereby covenant and agree to pay to the County without deduction or set off of any kind the sum of \$110,000.00 per year or \$9,166.67 per month as Guaranteed Monthly Rent. Payment of the Guaranteed Monthly Rent shall commence on the Date of Beneficial Occupancy which shall be, as determined by the County, the date on which substantial completion of the Restaurant has occurred and the appropriate code enforcement agency has issued a Certificate of Occupancy (CO) or a Temporary Certificate of Occupancy (TCO) that enables the Lessee to occupy or utilize the Restaurant in a manner for its intended use.

Failure of the Tenant to attain the Date of Beneficial Occupancy before the end of the Third Lease Agreement Year shall be deemed a breach of this Lease Agreement. The County Mayor or Mayor's designee has the authority to extend the aforementioned deadline by up to one (1) year for events of force majeure.

The Guaranteed Monthly Rent shall be adjusted upward on the first day of each new Lease Operations Year by 2.5% annually, including each year during any renewal period pursuant to Section 12 of this Lease.

**16. Percentage of Monthly Gross Receipts - Percentage Fee:** In addition to the Guaranteed Monthly Rent, Lessee agrees to pay to the Landlord, monthly, an amount described in the table below based on monthly Gross Receipts hereinafter referred to as "Percentage Fee" within ten (10) days following the end of each month during the term of this Lease Agreement, which payment is to commence immediately after the Date of Beneficial Occupancy:

**Initial Annual Breakpoint:** \$6,100,000.00. The Breakpoint shall increase by 3% on the first day of the 6<sup>th</sup> Lease Operations Year and again by 3% on the first day of the 11<sup>th</sup>, 16<sup>th</sup>, 21<sup>st</sup>, and 26<sup>th</sup> Lease Operations Year.

**Percentage Fee Calculations**

| <u>Lease Operations Year:</u> | <u>Percentage Fee</u>  |
|-------------------------------|--|
| 1 - 3:                        | 1% of Gross Receipts up to Breakpoint plus<br>2% of Gross Receipts over Breakpoint     |
| 4 - Termination:              | 1.5% of Gross Receipts up to Breakpoint plus<br>2.0% of Gross Receipts over Breakpoint |

**17. Sales Tax:** The Lessee shall be liable for the prevailing State of Florida Sales and Use Tax imposed on rent (currently at the rate of 7%) on the amounts payable to the Landlord, including the Guaranteed Monthly Rent and Percentage Fee payments, under this Lease Agreement. This Sales and Use Tax shall be payable to the Landlord, when applicable rent is due. The Landlord will remit same, less authorized handling deductions, to the State.

**18. Additional Taxes:** If at any time during the term of this Lease Agreement or any renewal thereof, under the laws of the State of Florida, or any political subdivision thereof, a tax, charge (if applicable), capital levy, or excise on rents (fixed minimum or additional) or percentage fees, or other tax (except income tax), however described, against the Landlord on account of the rent or percentage fees payable herein, such tax, charge, capital levy, or excise on rents or other taxes shall be deemed to constitute real estate taxes on the Restaurant and the premises for the purposes of this Paragraph and Lessee shall be liable for payment thereof.

**19. Taxes on Lessee's Property:** Under current law, and as County-owned land, the land underlying the Leased Premises is immune from ad valorem real property taxes. However, Lessee shall be responsible for, and shall pay before delinquency, all municipal, county, or state taxes assessed against any lease improvements, occupancy interest and/or personal property of any kind, owned by or placed in, upon or about the Restaurant by Lessee and other costs assessed against its leasehold interest in the Leased Premises and in connection with its operations under this Lease Agreement (collectively, the "Impositions"). Provided, however, that Lessee shall not be deemed to be in default of its obligations under this Lease Agreement for failure to pay such Impositions pending the outcome of any legal proceedings instituted to determine the validity of such taxes and/or other costs.

**20. Late Payment Charge:** In the event that the Lessee fails to make any payments on time, by the due date, as required to be paid under the provisions of this Lease Agreement, a late payment charge of \$100.00 per month shall be assessed. The right of the County to require payment of such late payment charge and the obligation of the Lessee to pay same shall be in addition to and not in lieu of the Landlord's rights to enforce other provisions herein, including termination of this Lease Agreement, or to pursue other remedies provided by law.

21. **PM Fee Payment:** The Lessee shall remit to the County a fee for the Capital Project Management costs of 1.5% of the Total Development Cost of the Facility provided that such fee shall in no event exceed \$60,000.00 (the "PM Fee Payment"). The Total Development Cost of the Facility is projected to approximate \$ 6,270,000 plus soft costs. The PM Fee Payment shall begin following the date of execution of the Lease Agreement and be paid on a uniform pro-rata monthly basis over the course of the Development Schedule as set forth in Exhibit "I" up to \$60,000.00 and be subject to an adjustment at the end of construction or upon Termination of the Lease Agreement, whichever occurs first, when the actual Total Development Cost is confirmed. Upon completion of construction, Lessee shall provide Landlord with an affidavit of project cost signed by an officer of Lessee.
22. **Application of Payments:** Payments are applied to any unpaid balance in the following manner: Any accrued late fees are first deducted from the payment; The remaining payment balance is then applied proportionately to the Guaranteed Monthly Rent, then Percentage Fee, including the associated sales and use tax. Any remaining balance in the payment will be applied to any other balance due.
23. **Worthless Check or Draft:** In the event that the Lessee delivers a dishonored check or draft to the Landlord in payment of any obligation arising under this Lease Agreement, the Landlord shall incur and pay a service charge of \$10.00 or five percent (5%) of the face amount of the check, whichever is greater. For each such dishonored check, such payment shall be made within not more than five (5) days from written notice of such default. Further, in such event, Landlord may require that future payments required pursuant to this Lease Agreement be made by cashier's check or other means acceptable to Landlord. A second such occurrence of dishonored check during the Lease Agreement term will be a breach of contract and, at the Landlord's option, will constitute a default allowing termination.
24. **Payment of Fees:** The Guaranteed Monthly Rent and Percentage Fee as well as other amounts payable by Lessee to the Landlord, under the terms of this Lease Agreement, shall be paid promptly when due, without notice for any reason whatsoever and without abatement. Guaranteed Monthly Rent and Percentage Fee and all other payments provided for in this Lease Agreement shall be paid or mailed to:

26. **Interpretations:** This Lease Agreement and the Attachments hereto, and other documents specifically referred to herein, constitute the entire, fully integrated Lease Agreement between the parties with respect to the subject matter hereof and supersede all prior or contemporaneous verbal or written Lease Agreements between the parties with respect thereto, excepting any past or contemporaneous written or verbal Agreements expressly and clearly incorporated by reference within the four corners of this Lease Agreement. This Lease Agreement may be amended only by written document, properly authorized, executed, and delivered by both parties hereto. For the County, appropriate authorization shall be construed to mean the County Mayor (or designee) or the Contract Manager (or designee) within this Lease Agreement shall have approval authority or the Board of County Commissioners (as applicable). For the Lessee, appropriate authorization shall be construed to mean an officer of the Lessee. This Lease Agreement shall be interpreted as a whole unit and paragraph headings are for convenience only. The Lease Agreement shall not be construed in favor of one party or the other. All matters involving the Lease Agreement shall be governed by laws of the State of Florida.
27. **Accord and Satisfaction:** No payment by Lessee or receipt by Landlord of a lesser amount than any payment of Guaranteed Monthly Rent or Percentage Fee herein stipulated shall be deemed to be other than on account of the earliest stipulated Guaranteed Monthly Rent or Percentage Fee then due and payable, nor shall any endorsement or statement on any check or any letter accompanying any check or payment for Guaranteed Monthly Rent or Percentage Fee be deemed an accord and satisfaction. The Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such Guaranteed Monthly Rent or Percentage Fee or pursue any other remedy provided in this Lease

Agreement, at law or in equity. No covenant, term, or condition of this Lease Agreement shall be deemed to have been waived by Landlord, unless such waiver be in writing by Landlord, nor shall there be any accord and satisfaction unless expressed in writing and signed by both Landlord and Lessee.

**28. Gross Receipts:**

A. **Gross Receipts Defined:** "Gross Receipts" means all monthly receipts collected by the Lessee from the sale of services or merchandise by Lessee, concessionaires of Lessee and sub-Lessee(s) of Lessee, sold in, upon or from the Restaurant, including such sales as shall in good faith be credited by Lessee, its concessionaires, and sub-Lesseees in the regular course of its or their business to personnel employed at the time of sale at the Restaurant, including sub-concession Agreements or contract employee payments to the Lessee and mail and telephone orders received at the Restaurant and off-premises sales and valet services (excluding tips or compensation received by employees of the valet services) on the Premises; but shall not be deemed to mean or include the following: amounts credited by Lessee or its concessionaires or sub-concessionaires for returned or defective merchandise; sales, excise and similar taxes; or the proceeds of sales of Lessee's trade fixtures, operating equipment or other property used by Lessee or its concessionaires in the operation of its business and not acquired or held by it for the purpose of sale. Sales shall be deemed to have been made when services or merchandise has been served, shipped or delivered or when charged against the purchaser on the books of Lessee; or its concessionaires, whichever of such events shall first occur.

B. **Lessee's Certification of Receipts:** Lessee shall submit to Landlord on or before the 10th business day following the end of each month during the term of this Lease Agreement and on or before the 10th business day following the expiration or earlier termination of this Lease Agreement, a written statement, signed by Lessee and certified by it to be true and correct, showing the amount of Gross Receipts during the preceding month. The statement referred to herein shall be in such form and style and contain such details and breakdowns as Landlord may reasonably determine or require.

C. **Examination of Lessee's Books and Records:** Such books and records as are necessary to determine the amount of any Percentage Fee payable to Landlord shall be subject to examination by the County or its authorized representatives at reasonable times during Lessee's business hours, and in such manner as not to interfere unreasonably with the conduct of Lessee's business; provided, however, Landlord acknowledges the original financial records for the Restaurant will be maintained at Lessee's restaurant support center in Orlando, Florida and made available at such offices or electronically for the Landlord, whichever the County selects. All information obtained by the County or its authorized representatives from Lessee's books and records shall be kept confidential by the County and all such representatives except in connection with any mortgage or assignment of this Lease Agreement for financing purposes or if subject to the requirements of Florida Public Records Act.

D. **Lessee's Receipts Records:** For the purpose of computing and verifying the Percentage Fee due hereunder, Lessee shall prepare and keep, for a period of not less than three (3)

years following the end of each Lease Agreement Year, adequate books and records, including but not limited to those relating to inventories, purchases, and receipts of merchandise, and all sales and other pertinent transactions by Lessee. Such records shall subsequently conform to Generally Accepted Accounting Principles requirements, as applicable, and shall only address those transactions related to this Lease Agreement. Lessee shall record at the time of sale each receipt from sales or other transactions, whether for cash or on credit, in one or more sealed cash register or registers having a cumulative total. Lessee shall keep, for at least three (3) years following the end of each Lease Agreement Year, all pertinent original sales records, which records shall include (i) cash register tapes; (ii) serially-numbered sales slips; (iii) mail order; (iv) telephone orders; (v) settlement report sheets of transactions with subtenants, concessionaires, and licensees; (vi) records showing that merchandise returned by customers was purchased by such customers; (vii) receipts or other records of merchandise taken out on approval; (viii) income and sales tax returns; and (ix) such other records which would normally be examined and required to be kept by an independent accountant pursuant to generally accepted auditing standard in performing an audit of Lessee's Gross Receipts.

**65. Manner of Performance:**

A. The Lessee agrees to defend, hold harmless and indemnify the Landlord and shall be liable and responsible for any and all claims, suits, actions, damages and costs (including attorney's fees and court costs) made against the Landlord, occurring on account of, arising from or in connection with the removal and replacement of any Lessee's personnel performing services hereunder at the behest of the Landlord. Removal and replacement of any Lessee's personnel as used in this Paragraph shall not require the termination and or demotion of such Lessee's personnel.

B. The Lessee agrees that at all times it will employ, maintain and assign to the performance of the Services a sufficient number of competent and qualified professionals and other personnel to meet the requirements to which reference is hereinafter made. The Lessee agrees to adjust its personnel staffing levels or to replace any of its personnel if so directed upon reasonable request from the Landlord, should the Landlord make a determination, in its sole discretion, that said personnel staffing is inappropriate or that any individual is not performing in a manner consistent with the requirements for such a position.

C. The Lessee warrants and represents that its personnel have the proper skill, training, background, knowledge, experience, rights, authorizations, integrity, character and licenses as necessary to perform the Services described herein, in a competent and professional manner.

D. The Lessee shall at all times cooperate with the Landlord and coordinate its respective work efforts to most effectively and efficiently maintain the progress in performing the Services.

E. The Lessee shall comply with all provisions of all Federal, State and local laws, statutes, ordinances, and regulations that are applicable to the performance of this Lease Agreement.

**66. Severability:**

If this Lease Agreement contains any provision found to be unlawful, the same shall be deemed to be of no effect and shall be deemed stricken from this Lease Agreement without affecting the binding force of this Lease Agreement as it shall remain after omitting such

provision.

67. **Termination by Landlord:** The occurrence of any of the following may cause, this Lease Agreement to be terminated by the Landlord upon the terms and conditions also set forth below.

- A. Automatic Termination upon written notice by the Landlord if any of the following occurs:
- i. Institution of proceedings in voluntary bankruptcy or reorganization by the Lessee.
  - ii. Institution of proceedings in involuntary bankruptcy against the Lessee if such proceedings continue for a period of ninety (90) days.
  - iii. Assignment by Lessee for the benefit of creditors. Abandonment or discontinuation of operations for more than a 24 hour period without prior written approval from the Landlord.
  - iv. The discovery of any misstatement in the Lessee's Proposal leading to award of this Lease Agreement, which in the determination of the Landlord significantly affects the Lessee's qualifications to perform under the Lease Agreement
  - v. Unapproved change of ownership interest in Lessee and/or failure to submit the ownership list within 24 hours upon the request of the Landlord.
  - vi. Failure to cease any activity which may cause limitation of Landlord's use of The Park as provided in this Lease.
  - vii. A final determination in a court of law in favor of the Landlord in litigation instituted by the Lessee against the Landlord or brought by the Landlord against Lessee.
- B. Termination after seven (7) calendar days written notice by the Landlord by certified or registered mail to any known address of Lessee set forth in this Lease Agreement hereof for doing any of the following:
- i. Non-payment of any sum or sums due hereunder after the due date for such payments; provided, however, that such termination shall not be effective if Lessee makes the required payment(s) during the seven (7) calendar day period following mailing of the written notice. Additionally, the Landlord may sue for Guaranteed Monthly Rent and Percentage Fee for the unexpired term of this Lease Agreement.
  - ii. Notice of any condition posing a threat to health or safety of the public or patrons and not remedied within the seven (7) calendar day period from receipt of written notice. Abandonment or discontinuation of the design phase for a period of more than ninety (90) days. - C. Termination after fourteen (14) days from receipt by Lessee of written notice by certified or registered mail to the address of the Lessee set forth in this Lease Agreement:
- i. Non-performance of any covenant of this Lease Agreement other than non-payment of rent or performance fees and others listed in A and B above, and failure of the Lessee to remedy such breach within the fourteen (14) calendar day period from receipt of the written notice.
- D. Revenue Control and Audit Defaults: The inability or failure of the Lessee to provide the Landlord with an unqualified certified statement of Gross Sales, or to strictly adhere to the revenue control procedures established in this Lease Agreement shall constitute a non-curable default and in such event the Landlord shall have the right to terminate this Lease Agreement upon seven (7) calendar days written notice to the Lessee. In addition to termination for such default, the Landlord shall be entitled to collect damages in the full

amount of the payments of the security deposit required in this Lease Agreement.

E. Habitual Default: Notwithstanding the foregoing, in the event that the Lessee has repetitively defaulted or breached four (4) times within a 12 month period, in the performance of or breached any of the terms, covenants and conditions required herein to be kept and performed by the Lessee, regardless of whether the Lessee has cured each individual condition of breach or default as provided herein above, the Lessee may be determined by the Landlord to be an "habitual violator". At the time that such determination is made, Landlord shall issue to the Lessee a written notice advising of such determination and citing the circumstances therefore. Such notice shall also advise the Lessee that there shall be no further notice or grace periods to correct any subsequent breaches or defaults and that any subsequent breach(es) or default(s), of whatever nature, taken with all previous breaches and defaults, shall be considered cumulative and, collectively, shall constitute a condition of non-curable default and grounds for immediate termination of this Lease Agreement. In the event of any such subsequent breach or default, Landlord may cancel this Lease Agreement upon the giving of written notice of termination to the Lessee, such cancellation to be effective upon the tenth (10th) day following the date of receipt thereof and all payments due hereunder shall be payable to said date, and the Lessee shall have no further rights hereunder. Immediately upon receipt of said notice of termination, the Lessee shall discontinue its operations at the Restaurant, and proceed to remove all its personal property in accordance with this Lease Agreement.

In the event that the Landlord terminates this Lease Agreement by operation of any of the provisions as stated in this Lease Agreement, then in addition to other rights and remedies available to the Landlord under the law, the Landlord may accelerate the rental payments under this Lease Agreement, whereupon the entire balance owed by the Lessee under this Lease Agreement shall become immediately due and payable without further notice or demand.

**68. Event of Default:**

A. An Event of Default shall mean a breach of this Lease Agreement by the Lessee. Without limiting the generality of the foregoing and in addition to those instances referred to herein as a breach, an Event of Default, shall include the following:

- I. the Lessee has not delivered Work on a timely basis;
- ii. the Lessee has refused or failed, except in case for which an extension of time is provided, to supply enough properly skilled personnel to operate the Restaurant;
- iii. the Lessee has failed to make prompt payment to subcontractors or suppliers for any Services;
- iv. the Lessee has become insolvent (other than as interdicted by the bankruptcy laws), or has assigned the proceeds received for the benefit of the Lessee's creditors, or the Lessee has taken advantage of any insolvency statute or debtor/creditor law or if the Lessee's affairs have been put in the hands of a receiver;
- v. the Lessee has failed to obtain the approval of the Landlord where required by this Lease Agreement;
- vi. the Lessee has failed to provide "adequate assurances" as required under section "B" below;
- vii. the Lessee has failed in the representation of any warranties stated herein.

B. When, in the opinion of the Landlord, reasonable grounds for uncertainty exist with respect to the Lessee's ability to perform the Services or any portion thereof, the Landlord may request that the Lessee, within the timeframe set forth in the Landlord's request, provide adequate assurances to the Landlord, in writing, of the Lessee's ability to perform in accordance with terms of this Lease Agreement. Until the Landlord receives such assurances the Landlord may request an adjustment to the compensation received by the Lessee for portions of the Services which the Lessee has not performed. In the event that the Lessee fails to provide to the Landlord the requested assurances within the prescribed time frame, the Landlord may:

- i. treat such failure as a repudiation of this Lease Agreement;
- ii. resort to any remedy for breach provided herein or at law, including but not limited to, taking over the performance of the Services or any part thereof either by itself or through others.

C. In the event the Landlord shall terminate this Lease Agreement for default, the Landlord or its designated representatives, may immediately take possession of all applicable equipment, materials, products, documentation, reports and data.

69. **Notice of Default – Opportunity to Cure:** If an Event of Default occurs, in the determination of the Landlord, the Landlord may so notify the Lessee ("Default Notice"), specifying the basis for such default, and advising the Lessee that such default must be cured immediately or this Lease Agreement with the Landlord may be terminated as provided in Section 67 and 68 above. Notwithstanding, the Landlord may, in its sole discretion, allow the Lessee to rectify the default to the Landlord's reasonable satisfaction within a thirty (30) day period. The Landlord may grant an additional period of such duration as the Landlord shall deem appropriate without waiver of any of the Landlord's rights hereunder, so long as the Lessee has commenced curing such default and is effectuating a cure with diligence and continuity during such thirty (30) day period or any other period which the Landlord prescribes. The default notice shall specify the date the Lessee shall discontinue the Services upon the Termination Date.

70. **Remedies in the Event of Default:** If an Event of Default occurs, the Lessee shall be liable for all damages resulting from the default as well as subject to any equitable relief available to the Landlord, including but not limited to:

A. lost revenues;

B. the difference between the cost associated with procuring Services hereunder and the amount actually expended by the Landlord for procurement of Services, including procurement and administrative costs; and,

C. All costs associated with securing the facility, and any additional costs to secure the construction site and return the "Premises" to its original condition, at the sole discretion of the Landlord, if construction of the Restaurant has not been completed.

D. Such other direct damages.

The Lessee shall also remain liable for any liabilities and claims related to the Lessee's default. The Landlord may also bring any suit or proceeding for specific performance or for an injunction.

**71. Termination and Suspension of Work:**

A. The Landlord may immediately terminate this Lease Agreement if an individual or corporation or other entity attempts to meet its contractual obligation with the Landlord through fraud, misrepresentation or material misstatement.

B. The Landlord may, as a further sanction, terminate or cancel any other contract(s) that such individual or corporation or other entity has with the Landlord and that such individual, corporation or other entity shall be responsible for all direct and indirect costs associated with such termination or cancellation, including attorney's fees.

C. The foregoing notwithstanding, any individual, corporation or other entity which attempts to meet its contractual obligations with the Landlord through fraud, misrepresentation or material misstatement may be debarred from County contracting for up to five (5) years in accordance with the County debarment procedures. The Lessee may be subject to debarment for failure to perform and all other reasons set forth in Section 10-38 of the County Code.

D. In the event that the Landlord exercises its right to terminate this Lease Agreement pursuant to this Paragraph the Lessee will be compensated as stated in the payment Paragraphs, herein, for the:

- i. portion of the Services completed in accordance with the Lease Agreement up to the Effective termination date; and
- ii. non-cancelable deliverables that are not capable of use except in the performance of this Lease Agreement and has been specifically developed for the sole purpose of this Lease Agreement but not incorporated in the Services.

E. All compensation pursuant to this Paragraph is subject to audit.

Following the termination of this Lease Agreement the Lessee, within fifteen (15) calendar days, or earlier if determined by the Landlord, shall forthwith remove all of its personal property not acquired under the terms of this Lease Agreement. Any personal property of Lessee not removed in accordance with this paragraph may be removed by the Landlord for storage at the cost of the Lessee or shall constitute a gratuitous transfer of title thereof to the Landlord for whatever disposition is deemed to be in the best interests of the Landlord. The Landlord shall not be liable to Lessee for the safekeeping of Lessee's personal property during or after termination of this Lease Agreement. Subject to the other provisions in this Section, the Lessee shall not remove any of the Landlord's equipment, supplies, or fixtures from the Restaurant at any time without pre-approval in writing from the Landlord. Lessee shall be liable for any expenses incurred by the Landlord in prosecuting any action against Lessee following unapproved item removal described above. Lessee shall also be liable to the Landlord for any expenses incurred by the Landlord in replacing any items wrongfully removed by Lessee. It is the intention of the parties to this Lease Agreement that all furnishings and equipment purchased or leased by the Lessee except those permanently affixed to buildings, as defined under the laws of the State of Florida, shall be the personal property of the Lessee.

72. **Termination by Lessee:** Lessee shall have the right upon thirty (30) calendar days from receipt of written notice to the Landlord by certified or registered mail to the address set forth in this Lease Agreement to terminate this Lease Agreement at any time after the occurrence of one or more of the following events:

A. A breach by the Landlord of any of the terms, covenants or conditions contained in this Lease Agreement and the failure of the Landlord to remedy such breach for a period of ninety (90) calendar days after receipt of written notice sent by registered or certified mail, return receipt requested, from the Lessee, of the existence of such breach.

B. The assumption by the United States Government or any authorized agency thereof, or any other governmental agency, of the operation, control, or use of The Park, or any substantial part, or parts, thereof in such a manner as substantially to restrict Lessee's operations for a period of ninety (90) calendar days or more.

C. Lessee has found, within the forty-five (45) day period to conduct due diligence (including environmental and title review) and inspect the Premises to determine the suitability of the Premises for the construction and operation of the Restaurant (the "Due Diligence Period") has, at its sole discretion, determined the Premises are not suitable for its use.

D. Notwithstanding anything contained in this Agreement to the contrary, if at the time that the Lessee:

1. Has completed and received approval on its Final Plans; and
2. Has obtained all required development approvals and permits necessary to commence construction of the Restaurant and other required improvements within Haulover Park; and
3. Is otherwise ready to commence construction on the Restaurant and other required improvements within Haulover Park, but for the existence of the lawsuit described below,

(such time being referred to herein as "Construction Ready"),

the Landlord has not received and provided to Lessee reasonable evidence and/or a final non-appealable order and/or judgment in all civil actions pending with the former tenant or its affiliates, where the prior tenant has waived, or lost by court order, any rights of injunctive relief and/or claims of possession of the Premises or Restaurant against Lessee or Landlord which could result in injunctive relief or possession of the Premises or Restaurant in favor of the prior tenant and/or damages against Lessee (the "Lawsuit Resolution"). In the event that Lessee elects to terminate this Agreement at the time it is Construction Ready, pursuant to this Subsection 72 D., Landlord agrees to compensate and reimburse Lessee for Actual Expenses incurred by Lessee as of the date of termination in developing the Restaurant and other contractually required improvements within Haulover Park, but in no event shall the Landlord be required to reimburse the Lessee an amount in excess of \$150,000.00. For purposes of this Subsection 72 D., the term "Actual Expenses Incurred" shall mean only those expenditures incurred and paid for by Lessee after the Effective Date until the date of termination for the planning, design and permitting of the Restaurant and the other contractually required improvements within Haulover Park, and in no event shall any compensation or reimbursement include any costs incurred prior to the Effective Date, any consequential damages, and/or any claims for lost profits. Landlord shall pay the foregoing reimbursement to Lessee within forty-five (45) days of Landlord's receipt of reasonable evidence of the Actual Expenses Incurred. The obligation to make the foregoing payment shall survive a termination of this Agreement pursuant to this Subsection 72 D.

E. Rather than exercising its right of termination, Lessee shall have the right, but not the obligation, prior to such termination to meet with Landlord in order to discuss, negotiate and

document in writing signed by Landlord and Lessee further terms, conditions or protections that would address Lessee's concerns in electing to proceed with construction or to give Landlord additional time to resolve the litigation prior to Lessee's commencement of construction while still preserving the foregoing termination right. However, absent (i) such written agreement, or (ii) Lessee's termination of the Lease pursuant to this Subsection 72(D.), or (iii) the Lawsuit Resolution or (iv) Lessee's waiver of such termination right the Lease shall automatically terminate on the three hundred sixty-fifth (365<sup>th</sup>) day after the date Lessee is Construction Ready.

73. **Surrender of Restaurant:** At the expiration or earlier termination of the term of this Lease Agreement, Lessee shall peaceably surrender the Restaurant in as good a condition, as the Restaurant were on the Date of Beneficial Occupancy of this Lease Agreement, ordinary wear and tear and damage by condemnation, fire or other casualty excepted. Lessee shall deliver all keys for the Restaurant to the Landlord at the place then fixed for the payment of rent, and shall notify the Landlord in writing of all combinations of locks, safes and vaults, if any, in the Restaurant. Ordinary wear and tear shall be deemed not to include damage or injury caused by moving Lessee's property or trade fixtures into or out of the Restaurant. Lessee's obligation to observe and perform the covenants set forth in this paragraph shall survive the expiration or earlier termination of the term of this Lease Agreement.
74. **Termination of Contract:** Following the termination of this Lease Agreement the Lessee, within fifteen (15) calendar days, or earlier if determined by the Landlord, shall forthwith remove all of its personal property not acquired under the terms of this Lease Agreement. Any personal property of Lessee not removed in accordance with this paragraph may be removed by the Landlord for storage at the cost of the Lessee or shall constitute a gratuitous transfer of title thereof to the Landlord for whatever disposition is deemed to be in the best interests of the County. The Landlord shall not be liable to Lessee for the safekeeping of Lessee's personal property during or after termination of this Lease Agreement. The Landlord shall have the senior interest in the Lessee's personal property. Lessee shall not remove any equipment, supplies in bulk, or fixtures within the Restaurant at any time without pre-approval in writing from the Landlord. Lessee shall be liable to the Landlord for the fair market value of any equipment, supplies in bulk, or fixtures removed without Landlord pre-approved written permission. Lessee shall also be liable for any expenses incurred by the Landlord in prosecuting any action against Lessee following unapproved item removal described above. Lessee shall also be liable to the Landlord for any expenses incurred by the Landlord in replacing any items wrongfully removed by Lessee. It is the intention of the parties to this Lease Agreement that all furnishings and equipment purchased or leased by the Lessee except those permanently affixed to buildings, as defined under the laws of the State of Florida, shall be the personal property of the Lessee. Upon the termination of this Lease Agreement and the removal of all personal property by Lessee, the Lessee shall deliver said premises to the Landlord in the condition set forth in this Paragraph. The Landlord reserves the right to avail itself of all remedies and procedures contained in Chapter 83 of the Florida Statutes regarding County/Tenant provisions for eviction and Chapter 51 of Florida Statutes regarding summary proceeding.
75. **Holding Over:** If Lessee continues to use and operate the Restaurant after the expiration of the term of this Lease Agreement, or any option period, without a new Lease Agreement reduced to writing and duly executed and delivered (even if Lessee shall have paid, and Landlord shall have accepted, payment in respect to such unauthorized operations), Lessee shall be deemed to be operating and using the Restaurant only from month-to-month, subject to all covenants, conditions, and agreements of this Lease Agreement. If Lessee fails to

surrender the Restaurant upon the termination of this Lease Agreement, then Lessee, in addition to any liabilities to Landlord accruing there from, shall indemnify and hold harmless the Landlord and its assigns and agents from loss or liability resulting from such failure, including, without limiting the generality of the foregoing, any claims made by any succeeding Lessee on such failure.

76. **Mechanics', Materialmen's and Other Lien:** Lessee agrees that it will not permit any mechanic's, materialmen's or other liens to stand against the Restaurant for work or materials furnished to Lessee; it being provided, however, that Lessee shall have the right to contest the validity thereof. Lessee shall immediately pay any judgment or decree rendered against Lessee, with all proper costs and charges, and shall cause any such lien to be released off record without cost to County.
77. **Lien:** The Landlord shall have a lien upon all personal property of the Lessee on the Restaurant to secure the payment to the Landlord of any unpaid money accruing to the Landlord under the terms of this Lease Agreement.
78. **Limiting Legislative or Judicial Action:** In the event that any municipal, county, state, or federal body of competent jurisdiction passes any law, ordinance, or regulation in any way restricting or prohibiting the use of The Park for the purposes of this Lease Agreement, this Lease Agreement will be null and void and unenforceable by any party to this Lease Agreement and the Landlord shall have no further liability under this Lease Agreement. In the event that a referendum vote of the electorate of the Landlord in any way restricts or prohibits the use of the Restaurant for the purposes of this Lease Agreement, this Lease Agreement will be null and void and unenforceable by any party to this Lease Agreement and the Landlord shall have no further liability under this Lease Agreement. If the Landlord deems the Lease Agreement null and void by function of this Paragraph, the Landlord will not be liable to the Lessee for damages arising there from and the Landlord shall have no further liability under this Lease Agreement.
79. **Non-Discrimination:** Lessee does hereby for itself, its personal representatives, successors in interest, and assigns, as part of the consideration hereof, covenant and agree that:
- A. No person on the ground of race, color, religion, national origin, sex, sexual orientation, age, residency within or outside Miami-Dade County, or handicap shall be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the use of said Restaurant, except as provided by law.
- B. In the construction of any improvements on, over, or under such land and the furnishings of services thereon, no person on the ground of race, color, religion, national origin, sex, sexual orientation, age, residency within or outside Miami-Dade County, or handicap shall be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination, except as provided by law.
- C. The Lessee shall use the premises in compliance with all other requirements imposed by or pursuant to Title 45, Code of Federal Regulations, Article 80, Non-discrimination under programs receiving Federal Assistance through the County of Health, Education and Welfare - Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.
- D. In the event of breach of any of the above non-discrimination covenants, the Landlord

shall have the right to terminate the Lease Agreement and re-enter and repossess said Restaurant thereon and hold the same as if said Lease Agreement had never been made or issued. This provision shall not be effective, where applicable, until the procedures of Title 45, Code of Federal Regulations, Part 80, are followed and completed including exercise or expiration of appellate rights.

E. The Lessee shall not discriminate against any employee or applicant for employment in the performance of the Lease Agreement with respect to hiring; tenure, terms, conditions, or privileges of employment because of age, sex or physical handicap (except where based on a bona fide occupational qualification); or because of marital status, color, religion, national origin, or ancestry.

80. **Conflict of Interest:** The Lessee represents that:

A. No officer, director, employee, agent, or other consultant of the Landlord or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the grant of this Lease Agreement.

B. There are no undisclosed persons or entities interested with the Lessee in this Lease Agreement. This Lease Agreement is entered into by the Lessee without any connection with any other entity or person making a proposal for the same purpose, and without collusion, fraud or conflict of interest. No elected or appointed officer or official, director, employee, agent or other consultant of the Landlord, or of the State of Florida (including elected and appointed members of the legislative and executive branches of government), or a member of the immediate family or household of any of the aforesaid:

- i) is interested on behalf of or through the Lessee directly or indirectly in any manner whatsoever in the execution or the performance of this Lease Agreement, or in the services, supplies or work, to which this Lease Agreement relates or in any portion of the revenues; or
- ii) is an employee, agent, advisor, or consultant to the Lessee or to the best of the Lessee's knowledge any subcontractor or supplier to the Lessee.

C. Neither the Lessee nor any officer, director, employee, agency, parent, subsidiary, or affiliate of the Lessee shall have an interest which is in conflict with the Lessee's faithful performance of its obligation under this Lease Agreement; provided that the Landlord, in its sole discretion, may consent in writing to such a relationship, provided the Lessee provides the Landlord with a written notice, in advance, which identifies all the individuals and entities involved and sets forth in detail the nature of the relationship and why it is in the Landlord's best interest to consent to such relationship.

D. The provisions of this Paragraph are supplemental to, not in lieu of, all applicable laws with respect to conflict of interest. In the event there is a difference between the standards applicable under this Lease Agreement and those provided by statute, the stricter standard shall apply.

E. In the event Lessee has no prior knowledge of a conflict of interest as set forth above and acquires information which may indicate that there may be an actual or apparent violation of any of the above, Lessee shall promptly bring such information to the attention of the Landlord's Project Manager. Lessee shall thereafter cooperate with the Landlord's review and investigation of such information, and comply with the instructions Lessee receives from the

Landlord's Project Manager in regard to remedying the situation.

81. **Press Release or Other Public Information:** Under no circumstances shall the Lessee without the express written consent of the Landlord:

A. Issue or permit to be issued any press release, advertisement or literature of any kind which refers to the Landlord, or the Services being performed hereunder, unless the Lessee first obtains the written approval of the Landlord. Such approval may be withheld if for any reason the Landlord believes that the publication of such information would be harmful to the public interest or is in any way undesirable; and

B. Except as may be required by law, the Lessee and its employees, agents, subcontractors and suppliers will not represent, directly or indirectly, that any product or service provided by the Lessee or such parties has been approved or endorsed by the Landlord.

82. **No Waiver of Right to Enforce:** The waiver by Landlord of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or any subsequent breach of the same or any other term, covenant, or condition herein contained. The subsequent acceptance of Guaranteed Monthly Rent and Percentage Fee hereunder by Landlord shall not be deemed to be a waiver of any preceding breach by Lessee of any term, covenant, or condition of this Lease Agreement, other than the failure of Lessee to pay the particular Guaranteed Monthly Rent and Percentage Fee so accepted, regardless of Landlord's knowledge of such preceding breach at the time of acceptance of such Guaranteed Monthly Rent and Percentage Fee.

83. **Rules and Regulations:** The Lessee will observe, obey, and comply with all rules and regulations reasonably adopted by the Landlord provided the same do not unreasonably conflict with the rights and benefits of Lessee otherwise set forth in this Lease. The Lessee will also observe, obey, and comply with all laws, ordinances and/or rules and regulations of other governmental units and agencies having lawful jurisdiction, which may be applicable to Lessee's operations under this Lease Agreement. Failure to do so will constitute a breach of the Lease Agreement.

84. **Bankruptcy:** The Landlord reserves the right to terminate this Lease Agreement, if, during the term of any contract the Lessee has with the Landlord, the Lessee becomes involved as a debtor in a bankruptcy proceeding, or becomes involved in a reorganization, dissolution, or liquidation proceeding, or if a trustee or receiver is appointed over all or a substantial portion of the property of the Lessee under federal bankruptcy law or any state insolvency law.

85. **Authority Of The Landlord's Project Manager:**

A. The Lessee hereby acknowledges that the Landlord's Project Manager will determine in the first instance all questions of any nature whatsoever arising out of, under, or in connection with, or in any way related to or on account of, this Lease Agreement including without limitations: questions as to the value, acceptability and fitness of the Services; questions as to either party's fulfillment of its obligations under the Lease Agreement; negligence, fraud or misrepresentation before or subsequent to acceptance of the Lessee's Proposal; questions as to the interpretation of the Scope of Services; and claims for damages, compensation and losses.

B. The Lessee shall be bound by all determinations or orders and shall promptly obey and follow every order of the Landlord's Project Manager, including the withdrawal or modification of any previous order and regardless of whether the Lessee agrees with the Landlord's

Project Manager's determination or order. Where orders are given orally, they will be issued in writing by the Landlord's Project Manager as soon thereafter as is practicable.

C. The Lessee must, in the final instance, seek to resolve every difference concerning the Lease Agreement with the Landlord's Project Manager. In the event that the Lessee and the Landlord's Project Manager are unable to resolve their difference, the Lessee may initiate a dispute in accordance with the procedures set forth in this Paragraph. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.

D. In the event of such dispute, the parties to this Lease Agreement authorize the County Mayor or designee, who may not be the Landlord's Project Manager or anyone associated with this project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Lease Agreement (including but not limited to claims in the nature of breach of the Lease Agreement, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each with respect to matters within the Manager's purview as set forth above shall be conclusive, final and binding on parties. Any such dispute shall be brought, if at all, before the County within 10 days of the occurrence, event or act out of which the dispute arises.

E. The County Mayor may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether Lessee's performance or any Deliverable meets the requirements of this Lease Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the County Mayor participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Lease Agreement. All such disputes shall be submitted in writing by the Lessee to the County Mayor for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. Whenever the County Mayor is entitled to exercise discretion or judgment or to make a determination or form an opinion pursuant to the provisions of this Paragraph, such action shall be fair and impartial when exercised or taken. The County Mayor, as appropriate, shall render a decision in writing and deliver a copy of the same to the Lessee. Except as such remedies may be limited or waived elsewhere in the Lease Agreement, Lessee reserves the right to pursue any remedies available under law after exhausting the provisions of this Paragraph.

**86. Mutual Obligations:**

A. Nothing in this Lease Agreement shall be construed for the benefit, intended or otherwise, of any third party that is not a parent or subsidiary of a party or otherwise related (by virtue of ownership control or statutory control) to a party.

B. In those situations where this Lease Agreement imposes an indemnity obligation on the Lessee, the Landlord may, at its expense, elect to participate in the defense if the Landlord should so choose. Furthermore, the Landlord may at its own expense defend or settle any such claims if the Lessee fails to diligently defend such claims, and thereafter seek indemnity for costs from the Lessee.

**87. Rights Reserved to Landlord:** All rights not specifically granted to the Lessee by this Lease Agreement are reserved to the Landlord. The designation of any particular remedy for the Landlord is without prejudice to any other relief available in law or equity, and all such relief is

reserved to the Landlord.

88. **Waiver:** Invalidation of any portion of this Agreement shall not automatically invalidate the entire Agreement.
89. **No Partnership or Agency:** The County and the Lessee are independent entities and the officers, employees, and agents of one are not, and shall not represent themselves to be, officers, employees, or agents of the other. This Lease Agreement does not constitute and shall not be represented to constitute a partnership between the Landlord and the Lessee.
90. **Choice of Venue and Law:** Any litigation between the Landlord and the Lessee relating in any way to this Lease Agreement shall be brought and presented exclusively in a Court located in Miami-Dade County, Florida, and governed by the laws of Florida.
91. **Audits:** Pursuant to County Ordinance No. 03-2, the Lessee will grant access to the Commission Auditor to all financial and performance related records, property, and equipment purchased in whole or in part with government funds. The Lessee agrees to maintain an accounting system that provides accounting records that are supported with adequate documentation, and adequate procedures for determining the allowability and allocability of costs.
92. **Local, State and Federal Compliance Requirements:**  
Lessee agrees to comply, subject to applicable professional standards, with the provisions of any and all applicable Federal, State and County orders, statutes, ordinances, rules and regulations which may pertain to the Services required under this Lease Agreement, including but not limited to:
- A. Equal Employment Opportunity (EEO), in compliance with Executive Order 11246 as amended and applicable to this Contract.

EXHIBIT F  
DEVELOPMENT RIDER

Bill Bird Marina Restaurant at Haulover Park

This Development Rider is attached to and hereby made a part of the Lease Agreement shall govern the development of the Restaurant at Haulover Park (the "Facility") within the site set forth Exhibit B-- Restaurant Site Plan). Words and phrases used in this Development Rider shall have the same meaning as in the Lease Agreement unless specifically provided otherwise. If there is any conflict between the provisions of this Development Rider and the provisions of the terms and conditions of the Lease Agreement, the terms and conditions of the Development Rider will prevail.

A Capital Project Manager ("PM") shall be temporarily assigned by the Miami-Dade County Parks, Recreation and Open Spaces Department (the "Department") to represent Miami-Dade County during design, permitting and construction phases of the project. The PM shall monitor compliance with the terms and conditions of the Scope of Services and the Development Rider; coordinate reviews, comments and approvals; attend design phase and construction meetings; and provide periodic inspections to monitor compliance with the scope of services, schedule during design, construction, and close-out of the Facility.

Lessee's requests for modifications to the Plans and/or schedule during any phase of the development process must be submitted in writing to the PM with sufficient documentation to justify said request. The Department will consider the information provided and any mitigating circumstances prior to approving or rejecting said requests.

#### LESSEE'S OBLIGATIONS TO DEVELOP THE FACILITY SITE

The improvements the Lessee develops at the Facility Site shall be designed and constructed in accordance with the provisions of the Lease Agreement. The design, atmosphere, and the type of restaurant contemplated is as set forth on the conceptual plans attached to the Lease Agreement as Exhibit E, which plans Landlord has approved (the "Conceptual Plans"). The restaurant and public restrooms design shall be guided by the design parameters and building requirements in the Haulover Park Design Guidelines ("HPDG"). Lessee shall complete all improvements pursuant to the design and construction defined in Lessee's Proposal and as approved by the County.

Lessee understands and agrees that all costs associated with the design development, permitting, construction and close-out of the Facility, and any off-site improvements, shall be the sole responsibility of the Lessee, unless otherwise specifically set forth in the Lease Agreement and the attachments and exhibits thereto as Landlord's responsibility. Prior to commencing construction, the Lessee shall provide proof, in a manner sufficient to satisfy the County, that the Lessee has the necessary funds to complete the approved Facility.

The Lessee shall maintain all files, records, accounts of expenditures for the Facility and improvements, including improvements performed by Lessee's subcontractor's, at the Restaurant during construction or at Lessee's restaurant support center in Orlando Florida during and after construction, which shall be made available at the County's request. The County shall have access to such records as provided in the Lease Agreement.

The restaurant shall have a total footprint area of not more than 11,900 square feet at total build-out as depicted in Exhibit B and shall include restrooms for patrons that comply with ADA and all applicable Building Codes and a separate public restroom component of approximately 700 square feet (as shown on Exhibit B) that also complies with ADA and all applicable Building Codes.

The Lessee shall, upon execution of the Lease Agreement, and prior to preparing the Final Plans (as defined elsewhere in this document) and specifications, submit a schedule for the entire scope for the development of the Facility and receive approval from the County. Such approval from the County shall not be unreasonably withheld or delayed. The schedule shall be updated and submitted to the County with the Conceptual, Preliminary and Final Plans and as otherwise requested by the County. The terms and conditions of this Development Rider in its entirety, shall apply to each phase.

The Lessee shall incorporate into the Restaurant and Public Restroom design as many features of the Leadership in Energy and Environmental Design for New Construction, minimum LEED Silver, (LEED-NC) Green Building Rating System, as are possible but shall not be required to seek or obtain LEED certification. The Lessee shall cooperate and shall cause its consultants and contractors to cooperate with the County's Sustainability Manager incorporating green building practices into the planning and design of the Facility, pursuant to County Ordinance Number 07-65 concerning the County's Sustainable Buildings Program. The Lessee shall include in its contracts for services associated with this Project a provision that each subcontractor shall comply with all requirements of the County's Sustainable Building Program.

The Lessee shall, upon execution of the Lease Agreement, and prior to preparing the Final Plans (as defined elsewhere in this document) and specifications, through the Department, initiate contact and confer with the Art in Public Places Representative to review the applicability of an art component to the Facility. Should Art in Public Places determine that the installation of an art component is applicable to this Facility based on the provisions of Section 2-11.15 of the Miami-Dade County Code and subsequent amendments and guidelines, and should it decide to pursue said installation, the Lessee shall further confer with the Arts in Public Places Representative to develop a concept for art appropriate to the Facility, and the Art in Public Places Professional Advisory Committee as to the type(s) of art, location(s) and possible artist(s). The Director of the Arts in Public Places program shall approve the final concept and location. The Art in Public Places Trust will make the final choice of the artist(s), upon recommendation of the Art in Public Places Professional Advisory Committee. As part of its Master Plan, Art in Public Places encourages and will give preference to collaborative projects between artist(s) and the Lessee to promote the integration of artwork and site. Such collaborative efforts shall include the active involvement of both the Lessee and the artist(s) during design development of the Project. The Lessee shall coordinate the installation of anchorages, special lighting, or plumbing or other utility or installation and connections as required for the proper installation of the artwork in accordance with the artist's concept(s) as part of the services under this Lease Agreement.

Should the Art in Public Places fee be assessed against this Lease Agreement, the Lessee shall at its sole cost expend one-and-a-half-percent (1.5%) of the cumulative design and construction cost for the refurbishment of existing works of art at the Facility and/or for the commissioning of new works of art. All aspects concerning the acquisition of new works of art or the removal and/or relocation of existing works of art located within the Facility shall comply with the Art in Public Places (APP) ordinance and the program Master Plan & Implementation Guidelines as are appropriate in the determination of the County. The Lessee may be requested to assign a representative to act as a liaison with APP for purposes of implementing the requirements set

forth herein. The County reserves the right to make final determination on how the funds appropriated for APP are expended.

1. **Site Conditions.** The Lessee accepts complete responsibility for all conditions encountered at the Facility Site, including, without limitation unforeseen site conditions, subsurface or otherwise concealed physical conditions which differ materially from those indicated or assumed in any of the construction plans, unknown physical conditions of an unusual nature which differ materially from those ordinarily found to exist and generally recognized as inherent in the type of construction involved in the project, and any dewatering activities necessary to construct the facility. The Lessee shall be responsible for the permitting and removal or relocation of man-made obstructions, abandoned foundations, utilities, and natural obstructions required for the completion of the Facility. The Lessee shall also be responsible for any and all site conditions, including environmental conditions caused, disturbed, or exacerbated by the construction and agrees to be responsible for and pay for all environmental permitting and remediation work that is required to be performed resulting from the construction of the Facility. The Lessee further agrees not to initiate any claims or suits against the County relating to any site condition, including environmental conditions, and to indemnify, defend and hold harmless the County from and against any claims arising from an environmental condition caused or exacerbated by the Lessee in the construction of the Facility.

2. **Time of the Essence.** The timely completion of all activities set forth below, and the milestones set forth in the Development Schedule for each phase is of the essence. A material failure to meet those deadlines, as the same may be extended by written agreement of the parties, shall be a breach of this agreement. Any extension relating to a delay in the critical path, and any extension reasonably likely to result in a delay to the date of beneficial occupancy of the project, may require the express approval of the Board of County Commissioners. Otherwise, said delay may be construed as an abandonment and may lead to termination as described in the Lease Agreement.

**A. Conceptual Plans.** Attached to the Lease as Exhibit E are rendered elevations for the aesthetics, design, construction of the Facility (hereinafter referred to as the "Photo simulation of Property upon Construction"), and any Floor plan, signage and related design improvements (the "Conceptual Plans") all of which the Landlord has approved. The Conceptual Plans shall not be modified in any way by Lessee or Landlord, unless one or more elements of the Conceptual Plans are expressly disapproved of by, or a modification is expressly required by, any governmental or regulatory body or authority with jurisdiction over the planning, development, zoning, construction, and/or operation of the Facility in the exercise of its police powers. Any such required modification to the Conceptual Plans shall preserve the original intent underlying the Conceptual Plans to the greatest extent possible, and may be approved or disapproved by the Landlord in the exercise of its reasonable discretion.

**B. Due Diligence.** Commencing upon execution of the Lease Agreement, Lessee shall have a period of forty-five (45) days to conduct due diligence (including environmental and title review) and inspect the Premises to determine the suitability of the Premises for the construction and operation of the Restaurant (the "Due Diligence Period"). If for any reason in its sole discretion Lessee determines the Premises are not suitable for its use, Lessee may terminate the Lease Agreement by written notice to Landlord prior to the expiration of the Due Diligence Period.

**C. Preliminary Plans and Specifications.** Prior to commencing the development of the Preliminary Plans described below, the Lessee shall schedule and coordinate a kick-off meeting with the PM to review the Development Schedule including start and completion dates as well as major milestones and the Total Development Cost estimate. Within 30 calendar days after the expiration of the Due Diligence Period, unless a written request for extension has been received

and approved by the PM, Lessee, at its cost, shall prepare and deliver to the Department an updated CPM schedule and five (5) sets of preliminary plans and a CADD file (in accordance with the Department's CADD Standards, see Exhibit G) for the construction of the Facility prepared by an architect and/or engineer licensed to practice as such in the State of Florida (hereinafter referred to as "Preliminary Plans"). The Preliminary Plans shall include the Total Development Cost Estimate and updated Development Schedule and show, without limitation; renderings, elevations, site plans; architectural, structural, mechanical, electrical, landscape and plumbing plans; preliminary grading and drainage plans; soil tests; utilities, sewer and service connections; vehicular and pedestrian traffic circulation plans including locations of ingress and egress to and from the Park, curbs, gutters and parkways; lighting; locations for outdoor signs; and storage areas; all sufficient to enable reasonably accurate cost estimates and to enable the Department to make an informed judgment about the design and quality of construction and about any effect the Facility shall have on the Park. Such Preliminary Plans shall be based on Conceptual Plans previously submitted by Lessee as approved by the Department. Additionally, such Preliminary Plans of the improvements shall be in strict adherence to Article 7 of the Miami-Dade County Home Rule Charter. Within 30 days after the Department receives the Preliminary Plans as required in the preceding paragraph, the Department shall either approve of them or deliver to Lessee specific corrective comments. The Department shall not be unreasonable in exercising its approval rights hereunder and in no event shall the Department or Landlord have any right to object to any element of the Preliminary Plans to the extent they are consistent with the Conceptual Plans or Simulated Construction. Lessee shall resolve all comments and requests for modifications by the Department to the Preliminary Plans and obtain written approval from the Department prior to proceeding with the development of the Final Plans.

If the parties are unable to resolve any objections by the Department to the Preliminary Plans within 60 days after Lessee has received the Department's objections, the Department or Lessee shall have the right to terminate the Lease Agreement upon notice to the Lessee, the parties being thereafter relieved of any liability hereunder and under the Lease Agreement.

D. Final Plans. Within 90 days after the Preliminary Plans and specifications are approved by the Department, the Lessee, at its cost, shall prepare and deliver an updated CPM schedule and five (5) sets of Final Plans, one CADD file (in accordance with the Department's CADD Standards, see Exhibit G), and specifications comprising the Final Plans for the Facility, which Final Plans must be consistent with the approved Preliminary Plans and signed and sealed by an architect and/or engineer licensed to practice as such in the State of Florida to the Department. The Final Plans and all associated addenda and attachments shall be incorporated to the Lease Agreement by reference.

The Final Plans shall be considered 100% construction documents and include an updated Total Development Cost Estimate and updated CPM schedule and show, without limitation; renderings, elevations, site plans; architectural, structural, mechanical, electrical, landscape and plumbing plans; grading and drainage plans; soil tests; utilities, sewer and service connections; vehicular and pedestrian traffic circulation plans including locations of ingress and egress to and from the Park, curbs, gutters and parkways; lighting; locations for outdoor signs; storage areas; and off-site improvements. Completed technical specifications shall be included in the Final Plans.

Within 45 days after the Department receives Final Plans as required in the preceding paragraph, the Department shall either approve of them or deliver to Lessee specific corrective comments. The Department shall not be unreasonable in exercising its approval rights hereunder and in no event shall the Department or Landlord have any right to object to any element of the Final Plans to the extent they are consistent with the Preliminary Plans. Lessee shall resolve all comments

and requests for modifications by the Department to the Final Plans and obtain written approval from the Department prior to proceeding with the permitting.

E. Permits. Not later than the date that Lessee receives the Department's written approval of the Final Plans for each phase, Lessee shall commence seeking from all governmental agencies having jurisdiction over the Park and the Facility all such required permits, and Lessee shall exercise due diligence in attempting to obtain such permits.

The Lessee shall keep the PM informed of the progress during the permitting phase and coordinate with the Department to ensure that permitting requirements are acceptable to the Department when said requirements will modify the scope or aesthetics of the Facility or its location within the Park. The Lessee shall invite the PM to meetings with the permitting agencies as necessary or as requested by the PM. The Final Plans shall not be changed and/or modified without the Department's approval, which approval shall not be unreasonably withheld or delayed. The Department's approval shall not be deemed as a substitute for approval from any agency which issues permits and whose approval of modifications may be required.

Subject to the timing requirements contained in the next paragraph, the obtaining of any such permits shall not be considered as complete until any review and/or appeal is final by the highest body authorized to determine same or until the time for such appeal or review has expired, whichever date is later. If suit or other proceedings are brought to invalidate any permit, the obtaining of the permits shall not be considered as complete until final judgment, decree, or other appropriate decision has been entered and the time for appeal therefrom shall have expired, or if any appeal has been taken, until the appeal has final determinations.

If Lessee is unable to obtain such permits within 180 days from the date Lessee receives the Department's approval of the Final Plans, the County and the Lessee shall have the right to terminate the Lease Agreement upon notice to the other. The County shall have the right, in its sole discretion and only for good cause shown, to extend the time within which Lessee must obtain such permits. However, the County shall be under no obligation to grant such extensions of time.

When Lessee obtains all such permits it shall deliver copies of them to the Department.

F. Commencement and Completion of Construction of the Project. Within 30 days from the date that the Lessee obtains all permits required to begin construction of the Facility, the Lessee shall submit copies of all permits, updated Total Development Cost Estimate, proof that funding is available for construction a Schedule of Values (SOV) for construction, and updated CPM schedule indicating construction and close-out start and completion dates as well as major milestones of the Facility, including the opening date. Within 15 days after the Department receives copies of all permits, updated Total Development Cost Estimate, proof that funding is available, SOV, and schedule, the Department shall either approve of them or deliver to Lessee specific corrective comments. The Department shall not be unreasonable in exercising its approval rights hereunder. Lessee shall resolve all comments and requests for modifications by the Department. Once all comments have been satisfactorily addressed by the Lessee, the Department shall issue a Notice-to-Proceed - 1 (NTP-1) to the Lessee.

The Lessee shall have 15 days from the date of the NTP-1 to submit all required insurances and bonds to the Department prior to commencing construction. Once the County reviews and approves the insurances and bonds it will issue a Notice-to-Proceed - 2 (NTP-2) and Authorization to Occupy the site to the Lessee after the pre-construction meeting.

The Lessee shall schedule a Pre-Construction meeting with the PM prior to mobilization. The pre-construction meeting shall serve to review the plans, SOV, schedule, site conditions and discuss the upcoming construction activities and its impact to Park operations. Upon agreement by the PM to all construction work activities and the associated logistics and timing, an NTP-2 and Authorization to Occupy the Site shall be issued turning over possession of the Site to the Lessee. The Lessee shall, without delay, pursue commencement of construction and diligently pursue completion thereof. The construction of the Facility shall be in accordance with the Final Plans.

The Final Plans shall not be changed and/or modified without the Department's approval, which approval shall not be unreasonably withheld or delayed. The Department's approval shall not be deemed as a substitute for approval from any agency which issues permits and whose approval of modifications may be required. All requests for changes shall be coordinated through the PM. The PM will be provided sufficient notice and information (impact to scope, budget and schedule; materials; performance, etc.) to provide timely responses. All work in connection with the construction of the Facility shall be performed in conformity with the Final Plans and shall comply with all applicable governmental permits, authorizations and laws. Lessee will allow unobstructed inspection by the Department's staff to determine compliance with the approved plans and specifications throughout construction. The Lessee shall be responsible to provide any temporary facilities needed in support of its construction of the Facility.

Unless the Lessee notifies the County of construction delays associated with the Restaurant project, construction of the Facility is expected to be completed within 12 months of the date of the NTP - 2 for construction.

Upon completion of construction of the Facility, Lessee shall, at its cost, obtain a survey of the Facility and surrounding impacted areas and deliver said survey to the Department along with one copy of the "as built" drawings, and a CADD file (in accordance with the Department's CADD Standards, see Exhibit G), accurately reflecting the constructed Facility, its supporting infrastructure and off-site improvements at the Park. A new Exhibit B based on the as-built information showing the exact location of the Facility at the Park shall be incorporated into the Lease Agreement and provided by the County to the Lessee.

G. Provisions Applicable during each phase of the Construction of the Facility. In addition to the other provisions of the Lease Agreement, the following provisions shall be applicable during the period of time that Lessee constructs Project:

1. All construction shall be performed by licensed contractors approved by the Department, such approval not to be unreasonably withheld. Lessee shall furnish the Department with a true copy of Lessee's contract with the general contractor showing a breakdown of costs.
2. During the construction of the Facility, the PM shall attend weekly/monthly construction meetings and periodically inspect and review the progress of construction to ensure adequate performance and conformity with the approved plans.
3. In addition to the weekly/monthly construction meetings, the Lessee shall schedule and coordinate a pre-construction meeting, a 50% progress meeting, a 75% progress meeting and a 100% substantial completion walk-thru meeting with the PM.

4. The PM or appropriate designee shall provide input to the construction punch-list items and shall issue a Final Acceptance of the Facility once all work has been completed and all permits have been approved and closed by all agencies having jurisdiction. Upon issuance of Final Acceptance, the facility may be occupied and opened for its desired intent.
5. Within 30 days after the specified one (1) year warranty period, the Lessee shall schedule a walk-thru of the Facility with the PM and its contractor, to inspect all construction systems and ensure it's intended functionally and expected workmanship. The "warranty period" warrants the work under the construction improvements, defined in the Lease Agreement, to be free from faulty materials and workmanship for a period of not less than one (1) year from the date of final acceptance. This one year period shall be covered by the Surety Performance Bond as required by this development Rider. After the warranty inspection is completed with satisfactory results as determined by the PM, the close-out period is concluded except as provided for under Florida Statute 95.11 (3) (c).

H. Bonds and Insurance:

1. The Lessee shall have 15 days from the date of NTP-1 to submit all required insurances, pursuant to the Lease Agreement, and bonds to the Department prior to any construction work on the Facility Site, and prior to the purchase of any materials, equipment or supplies for construction. The Lessee shall deliver to the County and record in the public records of Miami-Dade County, Florida, a performance and payment bond which satisfies the requirements of Section 255.05 of the Florida Statutes with a surety insurer authorized to do business in the State of Florida as a surety in the full amount of the construction cost of the Facility. Such bond shall be submitted in a form acceptable to the County, and shall name the Lessee as the principal and the County as the obligee.
2. Surety Bond Qualifications: The following specifications shall apply to bid, performance, payment, maintenance, and all other types of bonds.
  - A. All bonds shall be written through surety insurers authorized to do business in the State of Florida as surety, with the following qualifications as to management and financial strength according to the latest edition of Best's Insurance Guide, published by A.M. Best Company, Oldwick, New Jersey:

| <u>Bond Amount</u>      | <u>Best's Rating</u> |
|-------------------------|----------------------|
| 500,001 to 1,500,000    | B V                  |
| 1,500,001 to 2,500,000  | A VI                 |
| 2,500,001 to 5,000,000  | A VII                |
| 5,000,001 to 10,000,000 | A VIII               |
| Over 10,000,000         | A IX                 |

On bond amount of 500,000 or less, the provisions of Section 287.0935, Florida Statutes (1985) shall be in effect and surety companies not otherwise qualifying with this paragraph may optionally qualify by:

1. Providing evidence that the surety has twice the minimum surplus and capital required by the Florida Insurance Code at the time the invitation to bid is issued,
2. Certifying that the surety is otherwise in compliance with the Florida Insurance Code, and
3. Providing a copy of the currently valid Certificate of Authority issued by the United States Department of the Treasury under ss. 31 U.S.C. 9304-9308.

B. Surety insurers shall be listed in the latest Circular 570 of the U.S. Department of the Treasury entitled "Surety Companies Acceptable on Federal Bonds", published annually. The bond amount shall not exceed the underwriting limitations as shown in this circular.

C. The attorney-in-fact or other officer who signs a Contract Bond for a surety company must file with such bond a certified copy of his power of attorney authorizing him to do so. The Contract bond must be countersigned by the surety's resident Florida Agent.

The Lessee may in lieu of a surety bond, submit a cash bond, conditioned upon the faithful performance of the work in strict accordance with the Lease Agreement and with the Plans and Specifications and the completion of the same free from all liens and within the time limit herein specified; said bond shall be so worded as to make the Lease Agreement a part thereof and shall contain a clause providing the right of suit or action for whose benefit said bond shall be executed as disclosed by the text of said bond and Lease Agreement to the same extent as if he or they were the obligee or obligee therein specifically mentioned, and all such persons shall be held or deemed to be obligee thereof.

Florida Statutes 255.05 provide for the following conditions to be made in all Performance and Payment Bonds relating to public projects:

"A claimant, except a laborer, who is not in privity with the Principal and who has not received payment for his labor, materials, or supplies shall, within forty-five (45) days after beginning to furnish labor, materials, or supplies for the prosecution of the work, furnish the Principal with a notice that he intends to look to the bond for protection."

"A claimant who is not in privity with the Principal and who has not received payment for his labor, materials, or supplies shall, within ninety (90) days after performance of the labor or after complete delivery of the materials or supplies, deliver to the Principal and to the Surety written notice of the performance of the labor or delivery of the materials or supplies and of the non-payment."

"No action for the labor, materials, or supplies may be instituted against the Principal or the Surety unless both notices have been given. No action shall be instituted against the Principal or the Surety on the bond after one (1) year from the performance of the labor or completion of delivery of the materials or supplies."

3. The bonds shall provide the following, without limitation:
  - a. That a payment bond in an amount not less than one-hundred percent (100%) the cost of construction of the Facility is obtained that is conditioned to secure the completion of the Facility free from all liens and claims of contractors, subcontractors, mechanics, laborers and material men in a County approved bond form to be provide by Lessee;
  - b. That a performance bond in an amount not less than one-hundred percent (100%) the cost of construction of the Facility is obtained that insures that the construction work shall be effected by the general contractor or, on their default, the surety in a County approved bond form to be provide by Lessee; and,
  - c. That the surety will defend and indemnify Miami-Dade County and Lessee against all loss, cost, damage, expense and liability arising out of or connected with the construction of the Facility, up to the maximum bond requirement amount.
4. In the event that, for any reason, either or both of the Lessee's Performance and Payment bonds lapse or are held to be no longer valid or enforceable before the satisfaction of any and all claims by material men, laborers, subcontractors, or any suppliers of any kind, the Lessee shall pay all such claims, and indemnify, defend, and hold the County harmless against such claims.
5. If no specific periods of warranty are stated in the Agreement or elsewhere in this Development Rider, for any particular item or work, material or equipment, the warranty shall be deemed to be a period of one (1) year from the date of final acceptance from the County. This Bond does not limit the County's ability to pursue directly with the Lessee or its contractor seeking damages for latent defects in materials or workmanship, such actions being subject to the limitations found in Section 95.11 (3) (c), Florida Statutes.

I. Prior to the commencement of construction. Lessee shall provide or cause its subcontractors to provide an original policy for Builders Risk/Installation Floater on an "All Risk" basis in an amount not less than one hundred percent (100%) of the insurable value of the building(s) or structure(s) or material(s). The policy shall be in the name of Miami-Dade County and the Lessee as their interests may appear. This insurance shall be maintained until substantial completion of the work, as determined by the Department.

*(This insurance is in addition to the insurance required elsewhere.)*

1. No liens shall be attached to the Park or any part thereof.
2. Prior to the commencement of any work, Lessee shall demonstrate to the Department's satisfaction that all construction financing is in place.
3. Lessee shall work closely with the Department in scheduling and engaging in Lessee's construction activity so as not to disrupt Park events, including but not limited to Special Events. Where conflict may occur, the Department shall solely

make the determination as to Lessee's right to continue work and the desirability of temporarily halting or continuing activity by Lessee.

4. Lessee shall be liable for any damage, loss, action, costs (including costs to defend any action) caused by Lessee's failure to cease work after written notice from the Department.

## II. THE COUNTY'S CONSTRUCTION OBLIGATIONS

A. Conditions of Facility Site. The County shall deliver physical possession of the Facility Site to Lessee in an "as is" condition so that Lessee may commence construction.

The areas within the Park to be occupied by the Lessee during the execution of the work shall be delineated in the construction documents plans as agreed to between the County and Lessee. The limits of the work shall be sufficient to properly undertake the necessary construction of the Facility and off-site improvements within the Park site so long as normal operations are not impeded.

B. Reasonable Access. The County shall provide reasonable access to allow Lessee to have utilities brought to the Facility Site and to have constructed the approved improvements described in the Lease Agreement.
