Memorandum

Date: April 21, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Declaring as Surplus 166 County-Owned Real Properties and Authorizing their Sale to the Highest Bidder through the County's Competitive Bidding Process

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution, which authorizes the following actions:

- Declares as surplus 166 County-owned real properties listed in Exhibit "A" and authorizes their sale to the highest bidder through the County's competitive bidding process for no less than either: (a) 75 percent of the assessed market value according to the Office of the Property Appraiser for properties valued at less than \$50,000, or (b) 75 percent of appraised value as determined by an independent State certified appraiser (no greater than six (6) months old), for those properties with assessed market values greater than \$50,000; and
- Waives Administrative Order 8-4 as it relates to the review by the Planning Advisory Board because all of the properties are located within a municipality.

A separate item with properties in the unincorporated municipal service area will be presented to the Board for consideration in the future.

Scope

The properties are located in various Commission Districts. Below is a table that summarizes the number of properties by Commission District.

District	Properties
1 - Commissioner Barbara J. Jordan	16
3 - Commissioner Audrey M. Edmonson	100
5 - Commissioner Bruno A. Barreiro	4
6 - Commissioner Rebeca Sosa	5
7 - Commissioner Xavier L. Suarez	9
8 - Commissioner Daniella Levine Cava	4
9 - Commissioner Dennis C. Moss	27
13 - Commissioner Esteban L. Bovo, Jr.	1
Total	166

Fiscal Impact/Funding Source

The sale of these properties will eliminate the County's obligation to maintain them, which costs approximately \$93,500 per year for all 166 properties. If all 166 properties are placed back on the tax roll, they will generate approximately \$96,050 in annual ad valorem taxes. If all of these 166 properties are sold, the estimated value would total \$4,185,114. Costs to the County are estimated at \$35,000 for appraisals and \$16,700 for title services.

Track Record/Monitoring

Barry Kent of the Internal Services Department's Real Estate Development Division is managing the sale of these properties.

Delegation of Authority

This resolution authorizes the County Mayor or the County Mayor's designee to sell the properties to the highest bidder at no less than 75 percent of the value, hire appraisers from the County's list of approved appraisers to establish the fair market value for those properties with assessed market values of \$50,000 or greater; perform necessary title work and due diligence to confirm that liens, encumbrances, or any other obstacles to such sale do not exist prior to selling the 166 properties, take all actions necessary to accomplish the sale of the properties, and authorizes the Chairperson or Vice-Chairperson of the Board to execute the County Deeds for such purpose.

Background

The 166 County-owned properties listed in Exhibit "A" are from the County's inventory of properties that are not in use. Of the 166 properties, 51 were obtained over multiple years by either purchase or conveyance, but the majority (115 properties) escheated to the County for non-payment of taxes. Over the past few years, the County has experienced a significant increase in the number of properties escheating to the County for non-payment of ad valorem taxes. The Internal Services Department circulated the 166 properties to all County departments to determine whether the County has a present or future need for the properties, and no need was reported. Additionally, none of the properties were deemed suitable for the County's infill housing program and County staff notified the respective municipalities that the parcels were being considered for surplus designation and no request was made for conveyance by those municipalities. In an effort to minimize maintenance expenses and add the properties back to the tax roll, it is recommended that the properties listed in Exhibit A be declared surplus and sold through competitive bidding. The surplus properties listed in Exhibit A include 119 parcels of vacant land that may have development potential, 35 parcels of undevelopable vacant land, and 12 parcels with both land and a structure.

In order to encourage the sale of these properties so that the amount of money spent on maintenance is minimized, staff is recommending that the minimum bid amount be set at 75 percent of the Property Appraiser's assessed market value at the time they are offered for sale, or 75 percent of appraised value (no greater than six (6) months old) as determined by a State certified appraiser for those properties with assessed market values greater than \$50,000.

It is anticipated that the more desirable properties will likely sell for more than the minimum bid of 75 percent of their value. Sale of these properties is in furtherance of the County's efforts to minimize its portfolio of properties that are of no use to the County. Staff is in the process of evaluating approximately 300 other properties that are currently not in use to determine whether they can be declared surplus. Those properties that are not needed for County purposes will be brought to the Board for similar action at upcoming Board meetings.
