# Memorandum

**Date:** September 16, 2015

**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor 

**Subject:** North Miami Community Redevelopment Agency FY 2014-15 Budget

---

## **Recommendation**

It is recommended that the Board of County Commissioners (Board) consider the attached resolution approving the North Miami Community Redevelopment Agency's (Agency) FY 2014-15 Budget totaling \$2,272,286.00.

## **Scope**

The North Miami Community Redevelopment Area (Area) lies within Commission Districts 1, 2, 3, and 4, which are represented by Commissioner Barbara J. Jordan, Chairman Jean Monestime, Commissioner Audrey M. Edmonson, and Commissioner Sally A. Heyman, respectively.

## **Fiscal Impact / Funding Source**

The Agency's main revenue source is generated through the incremental growth within the Area of ad valorem revenues beyond an established base year, tax increment financing, as defined in Section 163.387 of the Florida Statutes. Miami-Dade County's (County) tax increment financing revenue payment into the Agency's Trust Fund for FY 2014-15 is \$233,289.00 and the City of North Miami's (City) tax increment financing revenue payment into the Trust Fund is \$621,904.00.

The County and the City will continue to make annual payments to the Agency through 2016, which is when the Agency will sunset.

## **Track Record / Monitor**

This item does not provide for contracting with any specific entity and only approves the Agency's FY 2014-15 Budget of \$2,272,286.00 (Exhibit A).

## **Background**

On July 13, 2004, the Board adopted Resolution No. R-837-04, which approved the Finding of Necessity and established the Agency. On June 7, 2005, the Board adopted Resolution No. R-610-05 approving the Redevelopment Plan (Plan) and Interlocal Cooperation Agreement (Interlocal Agreement). The Board approved the funding of the Plan when it enacted Ordinance No. 05-109 on June 7, 2005, which created the Agency's Trust Fund. The Interlocal Agreement among the County, City and Agency requires, among other things, that the Agency shall refund the County's tax increment financing payment for the redevelopment area west of Biscayne Boulevard and that the Agency shall submit for County approval an annual budget for the implementation of the Plan prior to expending any funds.

The Agency's FY 2014-15 budget totaling \$2,272,286.00 was approved by the Agency and the City on March 10, 2015. The budget includes revenue sources of County and City's tax increment financing revenue payments totaling \$621,904.00, and \$233,289.00, respectively; carryover from prior years totaling \$1,344,107.00; an adjustment to the County refund totaling \$69,986.00, and interest earnings totaling \$3,000.00.

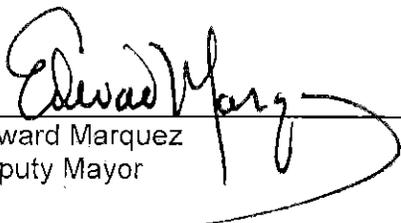

As previously noted, the County should be receiving a refund from the Agency totaling the County's tax increment financing payment for the portion of the Area west of Biscayne Boulevard. The County adjusts each year's payment for any prior year final tax roll. Because of an adjustment to the Agency's final 2012 tax roll, the amount of the refund to the County was greater than it should have been; therefore, the County will not receive a refund for the area for FY 2014-15 and will pay the Agency \$69,986.00 to address the tax roll adjustment.

Administrative expenditures total \$72,766.00, excluding the 1.5 percent County Administrative Charge (\$3,499.00), and represent 3.2 percent of total expenditures, which satisfies the 20 percent cap in administrative expenditures required by the Interlocal Agreement.

Operating expenditures total \$2,196,021.00 and are broken down as follows:

1. \$1,498,521.00 for building construction and improvements that include the:
  - Contribution towards a public/private partnership for the construction of a of a \$7.5 million mixed use seven story parking garage in downtown North Miami (\$1,000,000.00);
  - Streetscape projects along 123 Street, 124 Street and Downtown to include landscaping, sidewalk replacement or repairs, drainage and streetlights (\$371,521.00);
  - Upgrade four traffic circles located on NE 139 Street and 7 Avenue, NE 139 Street and 9 Avenue, NE 141 Street and 7 Avenue and NE 141 Street and 9 Avenue to include irrigation, landscaping and lighting (\$77,000.00); and
  - Art in public places that includes placing an artistic wrap on 143 utility boxes (\$50,000.00).
2. \$511,500.00 for commercial rehabilitation and beautification grants that include the:
  - Commercial Rehabilitation Program that assists property owners in attracting new businesses to their respective properties, the grant pays 50 percent of the improvements up to \$80,000.00 (\$200,000.00);
  - Commercial Beautification Program that funds improvements up to \$15,000.00 to businesses that enhance the visibility of the business (\$100,000.00); and
  - Carryover funding for projects that were not completed in FY 2013-14 as part of the Commercial Rehabilitation Program \$180,000.00, Commercial Beautification \$6,500.00 and Streetscape \$25,000.00 (\$211,500.00).
3. \$120,000.00 for professional services to hire a consultant for a Plan update.
4. \$66,000.00 for other operating expenses that include the:
  - Operating personnel costs for the Agency Coordinator (\$26,000.00);

## **NORTH MIAMI COMMUNITY REDEVELOPMENT AGENCY**

On July 13, 2004 the Board of County Commissioners adopted Resolution R-937-04, which approved the Finding of Necessity and established the North Miami Community Redevelopment Agency. On June 7, 2005, the Board of County Commissioners adopted Resolution R-610-05 approving the Redevelopment Plan and the Interlocal Agreement, and the funding of the Plan when it enacted Ordinance No. 05-109, creating the Agency's Trust Fund. The Interlocal Agreement between Miami Dade County (County), the City of North Miami (City) and the North Miami Community Redevelopment Agency (Agency) requires, among other things, that the Agency refund the County's TIF payment for the redevelopment area west of Biscayne Boulevard and that the Agency is to submit for County approval an annual budget for the implementation of the Plan prior to expending any funds. The City of North Miami City Council approved the Findings of Necessity, the CRA boundaries, and created the North Miami Community Redevelopment Agency in June, 2004 by the passage of Resolution R-2004-3. The Community Redevelopment Agency approved the Redevelopment Plan, pursuant to the Redevelopment Act in March, 2005, by Resolution R-3-2005-1. The City of North Miami approved the Redevelopment Plan in March, 2005, by Resolution R-2005-15.

## **NMCRA ACCOMPLISHMENTS**

Since its inception the North Miami Community Redevelopment Agency has invested in economic development programs, commercial corridor improvements, neighborhood beautification and cultural community events totaling over \$3,000,000.

In addition, the NMCRA provided the funds for the Downtown Redevelopment Master Plan, which will be the blueprint for the City's downtown area and major corridors. The Plan intends to guide future development and redevelopment within the downtown core and major corridors, work in concert with the various City regulations, and provide visual guidelines to assist City staff to portray the potential for development and redevelopment. In December 2014, the City of North Miami received the Award of Excellence from the Gold Coast Section of the American Planning Association. The Plan was recognized for its effort to implement the Comprehensive Plan vision and create a vibrant, attractive downtown district.

The City of North Miami recently made changes within its administration enhancing its management and that of the NMCRA. A new City Manager was appointed in April 2014. In addition, the North Miami Community Redevelopment Agency changed staffing, which has impacted the FY2013-2014 Budget and Annual Plan. The changes provide greater oversight and a new CRA Coordinator has been hired to manage day to day operations. Moving forward the NMCRA intends to hire a redevelopment consultant to assist in amending the CRA Plan and negotiating the extension of the life of the CRA, which expires October 1, 2016.
