Subject: License Agreement with City of Homestead, for the use of the parking located at Harris Field Park located at 1034 NE 8 St, Homestead, FL 33030

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached License Agreement between Miami-Dade County (County), and the City of Homestead (City) and authorize the County Mayor or Mayor's designee to execute same. More specifically, the resolution does the following:

- Authorizes the use of approximately seventy (70) feet of the rear parking lot which is located near the baseball fields of the City of Homestead, Harris Field Park in order for the County to locate a double wide trailer which is approximately sixty (60) feet by twenty-four (24) feet, including a four (4) foot wide handicap ramp. The trailer will be utilized by the County as a spay/neuter clinic.
- Authorizes a license term of three (3) years, plus a six (6) month renewal option period.

Scope

The property is located in County Commission District 8, which is represented by Commissioner Daniella Levine Cava.

Fiscal Impact/Funding Source

The County will pay to the City \$1.00 annually for the use of a portion of the parking lot during the initial term, and the license fee for the renewal option period shall be determined at that time by the City. The fiscal impact for this License Agreement alone is \$3.00.

The fiscal impact to the County for the operation of the spay/neuter clinic at this location will be a total of \$900,000.00 for the three years following the effective date of this Agreement (\$400,000.00 during the first year and \$250,000.00 for each of the following two years). This funding will come from the General Fund under various existing expenditure line items that include the allocations needed to fund this project. The fee for these services will be nominal.

Track Record/Monitor

The County has no record of negative performance issues with the City of Homestead. Danny Borges, of the Real Estate Development Division in the Internal Services Department, will monitor this License Agreement.

Delegation Authority

Authorizes the County Mayor, or the County Mayor's designee, to execute the attached License Agreement and to exercise the renewal and cancellation provisions contained therein.

Background

As part of the County's No Kill Plan, Miami-Dade County Animal Services Department (ASD) would like to offer low-cost spay/neuter services, surgeries and other related services for Miami-Dade County residents in an effort to reduce stray and abandoned pets throughout the County. Accessibility to these services for residents in the southern portion of the County is limited due to the distance to other

similar services provided and funded by Miami-Dade County. The services will be provided in a portable trailer that can be stationed in the City of Homestead, in the parking lot of Harris Field Park, to allow better accessibility to residents. The City will be responsible for the water, sewer and electrical monthly costs.

Additional details are as follows:

TERM: Three (3) years, plus an additional six (6) month renewal option period. The contract may be cancelled upon written notice six (6) months prior to the cancellation date.

EFFECTIVE DATES: Commencing upon the first day of the next calendar month following the effective date of the resolution by the Board of County Commissioner approving this Agreement.

LICENSE FEE: The annual license Fee for the proposed License Agreement will be \$1.00 for the initial term of the License Agreement. The license fee for the renewal option period shall be determined by the City of Homestead.

CONDITIONS OF USE: ASD responsibility includes the maintenance of the exterior and interior of the trailer, including air conditioning, plumbing, roof, fire equipment, janitorial and custodial services and inspection and trash disposal and for the initial costs of the water, sewer and electrical connections. The City of Homestead's responsibilities includes the maintenance of the land around the trailer along with the monthly utility costs for the water, sewer, and electrical. The City of Homestead is also responsible to host and provide, as part of its recreational activities at the site, and in coordination with the County, one (1) or more annual recreation events or festivals at the site involving dogs or other pets permitted by the City.

The City shall be responsible for maintaining the Site and all of the property surrounding the Facility, at its sole cost and expense. The County, at its sole cost and expense, shall be responsible for all maintenance, repair and upkeep of the Premises and the Facility, as is necessary to keep same in a good, safe, clean and code compliant condition at all times, including without limitation: (a) maintenance and repair of fences and gates along the perimeter of or located within the Premises, if any such fences and/or gates are installed by the County, (b) maintenance and repair of all utilities servicing the Premises, including, without limitation, lighting, water and sewer

servicing the Premises if installed by the County, (c) maintenance and repair of all improvements placed on the Premises by the County, including, without limitation, trailers, ramps, walking surfaces, restrooms, etc., and (d) general maintenance and cleaning of the Premises, including trash and litter pick-up and removal. The County shall maintain the Premises, at all time, in good order and repair and in as good or better condition as existed on the Commencement Date of this Agreement, ordinary wear and tear, or damage by fire, windstorm or other Acts of God, excepted.

7. **DOG-RELATED RECREATIONAL ACTIVITIES.** The City agrees to host and provide, as part of its recreational activities at the Site, and in coordination with the County, one or more annual recreation event(s) or festival(s) at the Site involving dogs and/or other pets permitted by the City. 8. **COMPLIANCE WITH LAWS.** In using the Premises and operating the Facility, including the installation or placement of any property or improvements, the County shall comply with all applicable laws, rules, regulations, ordinances and codes of all governmental authorities, including, without limitation, the Florida Building Code, and the Americans with Disabilities Act, as the same may be further amended from time to time, and to the extent such is required by applicable law.

17. **DAMAGE AND DESTRUCTION.** Other than damage or destruction caused by the City, in the event the Premises or Facility should be destroyed or so damaged by fire, windstorm or other casualty to the extent the Premises are rendered untenable or unfit for the purposes intended, the County may, at the County's sole option, either cancel this Agreement by giving written notice to the City, or repair or replace the damaged/destroyed Facility, at the County's expense. If the County opts to repair or replace the damaged/destroyed facilities, then the County shall cause the

Should the damaged/destroyed facilities not be repaired and rendered tenantable within the aforementioned, agreed-upon time period, then the City may, at its sole option, terminate this Agreement and require the County to remove everything from the Premises within sixty (60) days. Any damage or destruction sustained to the Premises as a result of the County's actions shall be repaired by the County at the County's sole cost and expense.
