

Memorandum

Date: June 9, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gímenez
Mayor

Subject: FY 2014-15 Mid-Year Budget Supplement

SPAGO
Agenda Item No. 3F

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached supplemental budgets in accordance with the Home Rule Charter and Section 129.06 of the Florida Statutes. These supplements will align the County's FY 2014-15 Adopted Budget with projected end-of-year expenditures.

Scope

The impact of this item is countywide.

Fiscal Impact/Funding Source

Detailed below.

Background

A supplemental budget is required by the Miami-Dade County Charter and State law when expenditures exceed budgeted appropriations. Supplemental budgets for various funds will be needed to reflect either extraordinary or unplanned expenditures that occurred since the FY 2014-15 Budget was adopted.

The revisions incorporated in this supplemental budget include adjustments to reflect increased General Fund carryover revenue and increased expenses due to higher than anticipated inmate detention costs (Miami-Dade Corrections and Rehabilitation), required convention development tax payments, and amendments to certain capital budgets.

General Fund

The General Fund (Fund GF 010, Subfund 010) requires a supplemental budget \$11.254 million. Funding will be provided from higher than anticipated prior year general fund carryover (\$4.601 million), improved current year sales tax receipts (\$4.699 million), and excess countywide revenue sharing revenues (\$1.954 million). In addition, savings projected in the non-departmental budget of the general fund related to lower than budgeted property damage insurance costs (\$1.705 million) may be reallocated.

The prior year unexpended balances for the Board of County Commissioners' offices and its divisions that will be allocated to the respective offices and/or divisions of the Board totals \$3.019 million. The Corrections and Rehabilitation Department requires an increase of \$8.5 million to fund higher than anticipated overtime costs associated with the actions taken to comply with the United States Department of Justice Settlement Agreement. In addition, the General Fund requires an adjustment to increase the allocation to the YWCA Court Care program to provide services at the new Children's Courthouse (\$40,000). An adjustment is also needed to reflect the creation of the Liberty City Summer Youth Employment Program (\$1 million) that will provide summer jobs for teens who reside in the Liberty Square area, administered by CareerSource South Florida, an allocation of \$250,000 to the

Technology Foundation of the Americas for the e-Merge Americas conference taking place in May 2015, and \$150,000 (administered by Regulatory and Economic Resources Department) to address the immediate threat to the County's avocado industry caused by Laurel Wilt Disease. This disease has killed more than 6,500 avocado trees in the county to date. This one-time funding will be used to mitigate the spread of the disease through the removal of infected trees and the application of approved biological and fungicidal controls. This will help minimize the impact of this disease to our local agriculture economy and assist in slowing the spread as further research is completed.

Regulatory and Economic Resources

The Regulatory and Economic Resources department requires a budget supplement of \$8,000 (Fund GF 030, Subfund 065) for expenses associates with the plans review process funded by additional planning revenues. In addition, a correction is needed in Fund GF 030 subfunds 032 and 065 to correct the countywide general fund transfers to the department (\$56,000).

Miami-Dade Transit

The Miami-Dade County Transit department requires a budget supplement of \$402,000 (ET 412 Subfund various) to correct a scrivener's error in the Capital Improvement Local Option Gas Tax Program fund (CO 337, Subfund 337) which inadvertently reflected lower than estimated gas tax revenue which is used to support preventive maintenance costs. This revenue must reflect a 1.5 percent growth from the prior year as required in the Transit maintenance of effort.

Tourist Taxes

The Convention Development Tax (CDT) Fund (Fund ST 160, Subfund 162) requires a budget supplement of \$3.527 million to distribute additional CDT revenues collected in FY 2013-14 to the City of Miami Beach (\$3.144 million) as required under the Interlocal Agreement between the City and the County as amended, and to the Performing Arts Center Trust Operations (\$383,000) for occupancy costs including, but not limited to, security and utility expenses, as a result of additional Omni Community Redevelopment Area incremental revenues used to pay debt service obligations related to the Adrienne Arsht Performing Arts Center in accordance with the priority set forth in under Resolution No. R-52-10 approved by the Board on January 21, 2010.

Building Better Communities General Obligation Bond (BBC GOB)

Fund CB 320 requires an amendment to move \$6.5 million Question 1 "Water, Sewer, and Flood Control" and \$2.7 million in Question 6 "Public Service and Outreach Facilities" from future years funding to two projects in FY 2014-15. The first amendment is to provide funding to the Village of Bal Harbour for the improvement to the municipal collection system that will help control peak flows coming to the County's regional system within northeast Miami-Dade County and the Village of Bal Harbour, a key component of the County's regional sanitary sewer system. The second amendment is to advance funding for Little Havana Social Service, Inc., a subsidiary of Little Havana Activities and Nutrition Centers of Dade County Inc., the grantee authorized to receive these BBC GOB funds pursuant to Resolution R-122-15, to secure federal funds to complete the construction of a multi-use facility. This impacts projects numbers 962830, 964350, 969830, 115530, and 9810960 references in Volume 3 pages 118,120,125, 286 and 324, respectively.
