Memorandum

MIAMI-DADE COUNTY

Agenda Item No. 8(N)(1)

Date: June 2, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Resolution Approving the First Amendment to the Public Transportation Service Interlocal Agreement Between Miami-Dade County and The Town of Miami Lakes for the Provision of Public Transportation Service

---

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the execution of the first amendment of the Public Transportation Services Interlocal Agreement (Agreement) between Miami-Dade County (County) and the Town of Miami Lakes (Town) for the purpose of combining two (2) existing routes into one new route re-branded as the Miami Lakes "Moover" Route.

SCOPE

This Agreement has a direct impact on Commissioner Esteban L. Bovo, Jr.'s District 13. However, due to the connection of service with other Miami-Dade Transit (MDT) routes, the impact of this service benefits the public, and is therefore countywide.

FISCAL IMPACT

There is no fiscal impact to the County for this Agreement. The Town is responsible for all operating and maintenance costs of the service and will use its annual Charter County Transportation Surtax proceeds for the operation and maintenance of this service.

TRACK RECORD/MONITOR

This agenda item is amending the current Agreement. The project manager for this Agreement is Gerald E. Bryan, MDT Section Chief of Transit Service Planning and Scheduling.

BACKGROUND

The Public Transportation Service Interlocal Agreement was approved by the Board on September 4, 2012 (R-706-12). The current Agreement is for five (5) years, with two (2) five-year renewals. The Town is requesting an amendment to the Agreement for the purpose of merging the two (2) prior "East" and "West" routes into one (1) new route which largely mirrors the two (2) prior routes (Exhibit A). The merging of the routes has allowed the Town to dramatically reduce headways, thereby improving service.

Since the route adjustment was implemented on September 1, 2014 and the Town held the public hearing on January 7, 2015 at the Miami-Lakes Town Hall to seek public input regarding this change, the Town is seeking retroactive approval from the County. See the Composite Exhibit to this memorandum, which includes the resolution from the Town, the map route, and the public hearing notice from the Town.

Key provisions of this Amendment include:

- The Miami Lakes "Moover" will no longer operate two (2) routes, but will now operate one (1) new route that will circulate throughout the Town.
- The "Moover" buses will arrive approximately every 25 minutes.

All other terms and conditions of the Agreement remain the same.

Deputy Mayor

Two Miami Lakes schools receive A+ Flags for 2014 grades

Miami Lakes K-8 Center and Bob Graham Education Center were recently presented with A+ Flags by State Representative Manny Diaz Jr. and Miami Lakes Councilmembers. This state honor has been bestowed on both schools for several years – Miami Lakes K-8 Center has been an A+ school for 15 consecutive years, while Bob Graham Education Center has earned the honor for the past 11 years.

"It takes a large effort by the staff, administration, students and parents to be an A+ school," said Diaz. "These A+ schools are helping our students in Miami Lakes prepare for a brighter future."

"It is very important to acknowledge the students for all their hard work," said Councilmember Nelson Rodriguez. "Their commitment, along with that of the teachers and school administrators, earned the schools their A+ honor."
