RESOLUTION NO. _____

RESOLUTION URGING THE FLORIDA DEPARTMENT OF TRANSPORTATION TO INCLUDE THE UNDERLINE, THE LUDLAM TRAIL, THE BISCAYNE-EVERGLADES GREENWAY AND BLACK CREEK TRAIL IN THE FLORIDA SHARED-USE NONMOTORIZED TRAIL NETWORK PROGRAM, AS WELL AS FUNDING FOR THESE TRAILS IN THE 2015-16 STATE FISCAL YEAR BUDGET

WHEREAS, during the recent 2015 Special Session A, the Florida Legislature enacted Chapter No. 2015-22B Laws of Florida (Senate Bill 2514-A), which established the Florida Shared-Use Nonmotorized Trail (“SunTrail”) network and provided for the annually recurring allocation of \$25 million to fund SunTrail projects; and

WHEREAS, the SunTrail network provides nonmotorized transportation opportunities for bicyclists and pedestrians statewide; and

WHEREAS, Florida Governor Rick Scott vetoed all of Miami-Dade County’s trail projects in the fiscal year 2015-16 state budget; and

WHEREAS, this Board urges that \$6.7 million of the \$25 million SunTrail fund be directed to Miami-Dade County trail projects in the 2015-16 fiscal year in the following amounts: \$2 million for the Underline, \$3 million for the Ludlam Trail, \$1.5 million for the Biscayne-Everglades Greenway, and \$200,000 for the Black Creek Trail; and

WHEREAS, in 2008 Miami-Dade County’s Parks and Open Space System Master Plan (OSMP) was approved by the Board of County Commissioners by Resolution No. R-171-08; and

WHEREAS, the vision of the OSMP includes Great Parks, Great Public Spaces, Great Natural and Cultural places, Great Streets, and a Great Network of Connected Greenway Trails and Water Trails; and

WHEREAS, the Miami-Dade trail network consists of nonmotorized trails which allow bicyclists and pedestrians to access a variety of origins and destinations with limited exposure to motorized vehicles, and which connect or it is anticipated will be connected to the SunTrail network; and

WHEREAS, the Miami-Dade trail network includes multiuse trails that by virtue of design, location, extent of connectivity or potential connectivity and allowable uses, provides nonmotorized transportation opportunities for bicyclists and pedestrians to communities, conservation areas, parks, beaches, and other natural or cultural attractions for a variety of travel purposes including work, school, shopping and other personal business, as well as social, recreational and personal fitness purposes; and

WHEREAS, the Miami-Dade County trail network seeks to connect communities, improve pedestrian and bicyclist safety, provide an accessible space for exercise, attract development along the trail's path, and generate a positive economic impact; and

WHEREAS, this Board has long supported projects geared towards enhancing the livelihood of Miami-Dade County residents while improving the environmental footprint and economic impact of our County; and

WHEREAS, Miami-Dade is one of the most dangerous places to walk and bike in the country—the fourth most dangerous in the country for pedestrians and the most dangerous place in the state for bicyclists.

WHEREAS, funding of these projects will improve biking and walking safety and increase mobility and recreation alternatives for residents and visitors, enhance economic prosperity, enrich residents' quality of life, and reflect responsible environmental stewardship,
