

Memorandum

Date: October 20, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

Agenda Item No. 8(A)(1)

From: Carlos A. Gimenez
Mayor

Subject: Request to Advertise a Request for Proposals for Wi-Fi System and Services RFP No. MDAD-04-14

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve a Request to Advertise a Request for Proposals (RFP) for public Wi-Fi System and Services at Miami International Airport (MIA). A copy of the RFP is attached in a substantially completed form.

SCOPE

MIA is located primarily within Commissioner Rebeca Sosa's District 6; however, the impact of this item is countywide in nature as MIA is a regional asset.

FISCAL IMPACT/FUNDING SOURCE

It is estimated that the agreement will generate a minimum of \$500,000.00 a year in gross revenues, with a net return to the Miami-Dade Aviation Department (MDAD) of approximately \$300,000.00.

BACKGROUND

Wi-Fi service has been available to passengers at MIA since early 2005, beginning with a deployment at the Miami International Airport Hotel. In 2006, MDAD initiated a competitive RFP process to select a company to develop and operate a program for paid public Wi-Fi service at MIA and an agreement was awarded by the Board pursuant to R-461-08 on May 6, 2008. As that agreement is expiring on June 9, 2016, a new solicitation has been prepared to continue provision of public Wi-Fi service at the Airport.

The physical network infrastructure at MIA is owned and operated by MDAD, and supports a multitude of both wired and wireless customers. MDAD's total investment in the network infrastructure is estimated at \$10 million. Infrastructure improvements specifically allocable to public Wi-Fi service are estimated to be \$1.5 million to date.

Expenses for the program are shared between the vendor and MDAD. The vendor is responsible for operational costs, including the portal, advertising sales, credit card processing and customer support. MDAD is responsible for costs of the network infrastructure, including maintenance and internet circuit capacity. Annual MDAD operating expenses allocable to public Wi-Fi service are currently budgeted at \$200,000.00.

Revenue is generated from network usage connections, sponsorship/advertising, and roaming agreements. Connection revenue is subdivided into retail (paying for access via credit) and roaming (access via a subscription account with a third-party such as iPass or T-Mobile).

It is clear from research of other airports that free Wi-Fi access decreases revenue and carries higher costs required to support the increased usage. However, revenue from paid Wi-Fi service in the industry has continued to trend upward. Analysis suggests this is being driven by the rapid growth in mobile device adoption (iPad, tablets, smartphones, etc.).

Currently, wi-fi at MIA is available for thirty (30) minutes for a charge of \$4.95 and 24-hour access is available for a charge of \$7.95. Complimentary wi-fi has periodically been offered only when there is an available sponsor and the passenger downloads an application or watches a 30-second advertisement;

The new MDAD Wi-Fi solicitation includes three (3) access service levels:

- Complimentary: 30-minute uninterrupted access during a 24-hour period preceded by a promotional advertisement not to exceed one (1) minute; upon conclusion of that 30 minutes, the user may log back in for an additional 30 minutes preceded by a 30-second advertisement;
- Standard Pay-For-Use: One (1) hour of uninterrupted service with no advertisement for a fee of \$4.95; and
- Premium Pay-For-Use: 24 hours of uninterrupted service with no advertisement for a fee of \$7.95.

The main objective of including the complimentary Wi-Fi option in this solicitation is to ensure that the traveling public has unfettered access to websites that may be needed to augment or complete their journey (such as hotels, car rental companies, Miami-Dade County tourist sites, etc.) -- and to maximize their positive experience at MIA.

- CONTRACT MEASURES:** 20% Airport Concession Disadvantaged Business Enterprise (ACDBE)
- TERM:** Eight (8) years
- OPTION(S) TO RENEW:** The County reserves the right to extend the Agreement for one (1) two-year term.
- USING AGENCY:** Miami-Dade Aviation Department

The MIA Wireless Data System (MWDS) is designed for the primary purpose of providing Wireless Local Area Network service to MIA patrons, tenants and the Miami-Dade Aviation Department. The MWDS is implemented as one of the MIA IT Concession Systems (MITCS). The Operator shall be capable of utilizing MIA's wireless infrastructure which serve customers using wireless devices to provide access to the internet for both paid and complimentary services. The MWDS provides wireless coverage throughout MIA and common areas such as restaurants, bars, MIA Hotel, MIA Terminal and Concourse seating areas. The MWDS consists of approximately 500 access points with IEEE 802.11A, B, G and N radios and may be updated from time to time as technology allows. The access points are presently integrated via various Power Over Ethernet (POE) switches which are anticipated to be connected by the end of 2015 to a one (1) gigabit distribution infrastructure with a ten (10) gigabit backbone core. The internet/ISP connectivity is to be provided by MIA to deliver adequate service. The Operator shall be responsible to administer the network speed allowed to the user for each level of service specified in the Portal to deliver optimal user performance.

1.1.1 MIAMI INTERNATIONAL AIRPORT GENERAL DESCRIPTION

Aviation has been a hometown industry in Miami, having started more than 75 years ago. Today, Miami International Airport enjoys top rankings as the leading international freight airport in the USA and the nation's third leading gateway for international passenger traffic.

MIA is the port of entry for 79% of all international traffic arriving by air to Florida. The Airport is the world's largest Latin American/Caribbean gateway, offering over 1,100 weekly departures with direct service to 62 destinations in the region. With 46% of total passenger traffic being international, MIA is among the top two airports in the U.S. with the highest international to domestic passenger ratios.

Miami-Dade County operates the world's leading cruise port, and more than 80% of all cruise passengers begin or end their cruise with flights to/from the Airport. In addition, Miami is the leading international financial center in the southeastern United States. The Airport stimulates much of that activity as well, through the financing of international trade facilitated through our Airport.

During the year 2014 the number of domestic passengers at MIA was 20.8 million, and international, 20.1 million for a total of 40.9 million. The growth rate for the next 5 years is estimated at 2.1% annually for both domestic and international.

Upon written notice from the County, the Successful Proposer shall make available to the IPSIG retained by the County all requested records and documentation pertaining to this Proposal or any subsequent award for inspection and copying. The County will be responsible for the payment of these IPSIG services and under no circumstance shall the Proposer's cost/price for this Proposal be inclusive of any charges relating to these IPSIG services. The terms of this provision herein apply to the Proposer, its officers, agents, employees and Subcontractors/Subconsultants. Nothing contained in this provision shall impair any independent right of the County to conduct, audit or investigate the operations, activities and performance of the Proposer in connection with this RFP or any Contract issued as a result of this RFP. The terms of this provision are neither intended nor shall the Proposer or any third party construe them to impose any liability on the County.

3.4 MIAMI-DADE COUNTY INSPECTOR GENERAL REVIEW

According to Section 2-1076 of the Code, as amended by Ordinance No. 99-63, Miami-Dade County has established the Office of the Inspector General which may, on a random basis, perform audits on all County contracts, throughout the duration of said contracts, except as otherwise provided below. The cost of the audit of any contract issued as a result of this RFP shall be one quarter (1/4) of one (1) percent of the total contract amount which cost shall be included in the total contract amount [See below "Exception" for (f) concessions and (h) revenue-generating contracts.]

Exception: The above application of one quarter (1/4) of one percent fee assessment shall not apply to the following contracts: (a) IPSIG contracts; (b) contracts for legal services; (c) contracts for financial advisory services; (d) auditing contracts; (e) facility rentals and lease agreements; (f) concessions and other rental agreements; (g) insurance contracts; (h) revenue-generating contracts; (i) contracts where an IPSIG is assigned at the time the contract is approved by the Commission; (j) professional service agreements under \$1,000; (k) management agreements; (l) small purchase orders as defined in Miami-Dade County Administrative Order 3-38; (m) federal, state and local government-funded grants; and (n) interlocal agreements. **Notwithstanding the foregoing, the Miami-Dade**

Nothing contained above shall in any way limit the powers of the Inspector General to perform audits on all County contracts including, but not limited to, those contracts specifically exempted above.

3.5 CONFLICT OF INTEREST AND CODE OF ETHICS

Pursuant to Section 2-11.1 of the Code, no County employee or his or her immediate family shall be prevented from entering into any contract, individually or through a firm, corporation, partnership or business entity, in which the employee or any member of his or her immediate family has a controlling financial interest with the County, or any person or agency acting for the County, as long as (1) entering into the contract would not interfere with the full and faithful discharge by the employee of his or her duties to the County, (2) the employee has not participated in determining the subject contract requirements or awarding the contract, and (3) the employee's job responsibilities and job description will not require him or her to be involved with the contract in any way, including, but not limited to, its enforcement, oversight, administration, amendment, extension, termination or forbearance. However, this limited exclusion shall not be construed to authorize an employee or his or her immediate family member to enter into a contract with the County or any person or agency acting for the County, if the employee works in the County department that will enforce, oversee or administer the subject contract.

Any affected County employee shall seek a conflict of interest opinion from the County Commission on Ethics and Public Trust ("the Ethics Commission") prior to submittal of a bid, response, or application, of any type, to contract with the County by the employee or his or her immediate family. A request for a conflict of interest opinion shall be made in writing and shall set forth and include all pertinent facts and relevant documents. For additional information, please contact the Ethics Commission hotline at (305) 579-2593.

If the affected employee or his or her immediate family member chooses to respond to a solicitation to contract with the County, such employee shall file with the Clerk of the Board a statement, in a form satisfactory to the Clerk of the Board, disclosing the employee's interest or the interest of his or her immediate family in the proposed contract and the nature of the intended contract at the same time as or before submitting a bid, response, or application of any type to contract with the County. Along with the disclosure form, the affected employee shall file with the Clerk of the Board a copy of his or her request for an Ethics Commission opinion and an opinion or waiver from the Board. Also, a copy of the request for a conflict of interest opinion from the Ethics Commission and any opinion or waiver must be submitted with the response to the solicitation to contract with the County.

Pursuant to Section 11A-43(4) of the Code, each Proposer must maintain telephone logs of all telephone calls to and from subcontractors/subconsultants and suppliers. These logs shall contain the name of the subcontractor/subconsultant or supplier, the time and date of the call, the names of the persons contacted, a description of the work to be subcontracted or of the material to be furnished, and the dollar amount of the quotation. The Proposer shall not submit in its Proposal any information in response to this Solicitation, which the Proposer considers to be a trade secret, proprietary or confidential. The submission of any information to the County in connection with this Solicitation shall be deemed a waiver of any trade secret or other protection, which would otherwise be available to Proposer. In the event that the Proposer submits information to the County in violation of this restriction, that has been clearly marked and identified as protected or confidential either inadvertently or intentionally, and the Proposer seeks to prevent such information from being publicly disclosed, the Proposer must contact the County, in writing, prior to the County receiving a public records request. In the event that a Proposer has not contacted the County prior to the County receiving a public records request, and the County subsequently discloses any such purportedly privileged confidential, or trade secret information pursuant to a public records request, Proposer expressly acknowledges and agrees that it shall have no claim of any kind against the County or its employees or agents arising out of such disclosure.

3.8 ORDINANCES, RESOLUTIONS AND/OR ADMINISTRATIVE ORDERS

To request a copy of any ordinance, resolution and/or administrative order cited in this Solicitation, the Proposer must contact the Clerk of the Board at (305) 375-5126.

3.10 NONEXCLUSIVITY

This RFP is nonexclusive in character and in no way prevents the County from entering into an Agreement with any other parties for the sale or offering of competitive services, products or items by others in other Locations at the Airport during the term of the Agreement.

3.11 NOT USED

3.12 COLLUSION

A firm recommended for award as a result of a competitive solicitation for any County purchase of supplies, materials and services (including professional services, other than professional architectural, engineering and other services subject to Sec. 2-10.4 and Sec. 287.055 Fla Stats.) purchase, lease, permit, concession or management agreement shall, in accordance with the Code of Miami-Dade County Sections 2-8.1.1 and 10-33.1 shall submit an affidavit under the penalty of perjury, on a form provided by the County, stating either that the firm is not related to any of the other parties proposing in the competitive solicitation or identifying all related parties, as defined in this Section, which proposed in the solicitation; and attesting that the firm's proposal is genuine and not sham or collusive or made in the interest or on behalf of any person not therein named, and that the firm has not, directly or indirectly, induced or solicited any other proposer to put in a sham proposal, or any other person, firm, or corporation to refrain from proposing, and that the proposer has not in any manner sought by collusion to secure to the proposer an advantage over any other proposer. In the event a recommended firm identifies related parties in the competitive solicitation its bid shall be presumed to be collusive and the recommended firm shall be ineligible for award unless that presumption is rebutted in accordance with the provisions of Sec. 2-8.1.1. Failure to provide a Collusion Affidavit within 5 business days after the recommendation to award has been filed with the Clerk of the Board shall be cause for the Proposer to forfeit their Proposal Guarantee Deposit and the Proposer shall be ineligible for contract award.

SECTION 4.0 AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISES

4.1 ACDBE REQUIREMENTS

It is the policy of the Miami Dade Aviation Department (MDAD) that ACDBE's shall have the maximum practical opportunity to participate in the performance of Concession agreements. As used in the Bid Documents, the term "Airport Concession Disadvantaged Business Enterprises (ACDBE)" means a small business concern, which (a) is at least fifty-one percent (51%) owned by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock which is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it as set forth in 49 CFR Part 23, Code of Federal Regulations.

The MDAD has established an ACDBE concession specific goal of twenty (20) percent of the prime concessionaire's portion of gross sales. The ACDBE goal can be achieved either through the Proposer being an ACDBE itself, Joint Venture or sub-contracting a percentage of Gross Revenues.

The Airport Concession Disadvantaged Business Enterprise (ACDBE) Plan must be submitted with the Proposal in accordance with **Appendix I, Section II** and its supporting documents: Draft Joint Venture Agreement, Draft Sub-concession Agreement, an Executed Utilization Form, Executed Schedule of Participation Form, Executed Letter of Intent Form and by providing proof of Certification by the Florida Unified Certification Program (FLUCP) or by the Miami-Dade County, Small Business Development Division (SBD). The Successful Proposer will be required to submit to the Department's Minority Affairs Division, Monthly Utilization Reports (MUR) reflecting ACDBE revenue and the Monthly Activity Report commencing (30) days after beneficial occupancy and monthly thereafter, on or before the 10th of every month.

4.2 COUNTING ACDBE PARTICIPATION TOWARD CONTRACT GOALS

1. When an ACDBE participates in a contract, only the value of the work actually performed by the ACDBE toward the ACDBE goal will be counted.

2. When an ACDBE performs as a participant in a joint venture a portion of the total dollar value of the contract during the complete contract term, equal to the clearly defined portion of the work of the contract that the ACDBE performs will be counted toward ACDBE goals as outlined in Appendix I. "Airport Concession Disadvantaged Business Enterprise Participation Plan/Provision" and ACDBE Joint Venture Guidance by the U. S. Department of Transportation, Federal Aviation Administration (USDOT-FAA) ACDBE Schedule 8.
3. Expenditures to an ACDBE concessionaire toward ACDBE goals, will be counted only if the ACDBE is performing a commercially useful function as defined below:
 - (a) An ACDBE performs a commercially useful function when it is responsible for execution of specific quantifiable work of the contract and is carrying out its responsibilities by actually performing, or managing, or supervising the specific identified work.
 - (b) MDAD will determine whether an ACDBE is performing a commercially useful function by evaluating the specific duties outlined in the Joint Venture Agreement; the sub-concession agreement or other agreements in accordance with industry practices.
 - (c) An ACDBE does not perform a commercially useful function if its role is limited to that of an extra participant in a financial or other transaction, contract, or project through which funds are passed in order to obtain the appearance of ACDBE participation.
 - (d) If an ACDBE does not perform or exercise responsibility for at least seventy (70%) percent of its participation or if the ACDBE subcontract's a greater portion of the work of a contract than would be expected on the basis of normal industry practice for the type of work involved, it will be presumed that the ACDBE is not performing a commercially useful function.
 - (e) When an ACDBE is presumed not to be performing a commercially useful function as provided in paragraph (c) of this section, the ACDBE may present evidence to rebut this presumption. MDAD will determine that the firm is performing a commercially useful function given the type of work involved and normal industry practices.

4. MDAD's decision on commercially useful function matters are final.

4.3 ACDBE GOAL ACHIEVED THROUGH JOINT VENTURE ("JV") PARTNERING

The Successful Proposer may satisfy a part of the ACDBE goal by Joint Venturing with an ACDBE as detailed in the ACDBE Joint Venture

Guidance by the U.S.DOT-FAA; ACDBE Schedule 8.

The Joint Venture agreement must specify the following:

- (1) Each ACDBE joint venture (“JV”) partner must be responsible for a clearly defined portion of the work to be performed. The work should be detailed separately from the work performed by the non-ACDBE JV partner as specified in the Joint Venture Guidance by U.S. DOT-FAA (Schedule 8).

The work should be submitted as part of this solicitation and annually thereafter to the Aviation Department’s Minority Affairs Division. The work to be performed by the ACDBE joint venture partner should be store specific with regards to tasks and locations or as a distinct element of work be specified.

The ACDBE Joint Venture partner will be required to spend the minimum amount of aggregate time on-site, focused on the operation of the concession. Such “minimum amount of aggregate time” is defined as ten hours per week.

- (2) Each joint venture partner must submit a notarized Monthly Utilization Report and a notarized Monthly Report of ACDBE Joint Venture Activity providing details of how the performance objectives were achieved and providing documentation of that achievement on the form. This information should include, but not limited to:
 - a. Details of training sessions, including class rosters and lesson plans.
 - b. Deliverables and work products.
 - c. Time sheets of partner employees used to fulfill objectives. Time sheets must accurately reflect hours worked and compensation earned.
 - d. Proof that employees of partner actually work for them (payroll, payroll tax returns and the like).
- (3) Each ACBDE partner must share in the ownership, control, management, and administrative responsibilities, risks and profits of the JV in direct proportion to its stated level of JV participation.
- (4) Each ACDBE JV partner must perform work that is commensurate with the Lease Agreement.

Without limiting the requirements of the Agreement, the County will have the right to review and approve all agreements utilized for the

achievement of these goals. Such agreements must be submitted with the Proposal.

4.4 CERTIFICATION-AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE)

In order to participate as an Airport Concession Disadvantaged Business Enterprise (ACDBE) on this contract, firms must be certified by the Florida Unified Certification Program (FLUCP) for the State of Florida as an ACDBE. Only those firms certified as ACDBEs at the time of bid submittal will be counted towards an ACDBE goal. It is the prime Bidder's obligation to verify ACDBE status prior to bid submission. Certification as a SBE/CSBE/MWBE or by any other program SHALL NOT count toward achievement of the ACDBE Goal.

Application for certification as an ACDBE may be obtained by contacting the Florida DOT Equal Opportunity Office Located at FLUCP 605 Suwannee Street, MS 65 Tallahassee, Florida 32399-0450 Telephone number (850) 414-4747 Facsimile: (850) 414-4879, or their Website: www.dot.state.fl.us/equalopportunityoffice. The Miami-Dade County Internal Services Department/Small Business Development Division (SBD) is the certifying member of the Florida Unified Certification Program (FLUCP) and can also be contacted for ACDBE certification. SBD is located at 111 N.W. 1st Street, Stephen P. Clark Center, 19th Floor, Miami Florida 33128-1974 or by telephone at (305) 375-3111, website: www.co.miamidade.gov/sba/home.asp.

The Florida UCP updates the certification data every 24 hours and revises the database regularly. The database lists the firm's name, address, phone number, date of most recent certification, certifying agency and type of work the firm has been certified to perform.

4.5 AFFIRMATIVE ACTION AND AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE PROGRAMS

The Successful Proposer acknowledges that the provisions of 14 CFR Part 152, Affirmative Action Employment Programs, Provisions of Title VI of the Civil Rights Act of 1964, and 49 CFR Part 23, Airport Concession Disadvantaged Business Enterprise Programs, are applicable to the activities of the Successful Proposer under the terms of the Agreement, unless exempted by said regulations, and hereby agrees to comply with all requirements of the Department, U.S. Department of Transportation and the Federal Aviation Administration.

The Successful Proposer shall include the following nondiscrimination language in concession and management contracts with MDAD which is an assurance and clarification clause requested by the DOT and approved by the Miami Dade Aviation Director:

"The concessionaire agrees to include the above statements in any subsequent concession agreement covered by 49 CFR Part 23, that it enters and cause those businesses to similarly include the statements in further agreements".

The provisions of this Section shall be considered to be in addition to and not in lieu of the provisions of Title VI of the Civil Rights Act of 1964 applies.

The Successful Proposer agrees to include the above statements in any subsequent lease and concession agreements.

SECTION 5.0 EVALUATION PROCESS

5.1 PROCESS OVERVIEW

Each Proposal will be evaluated by an Evaluation/ Selection Committee ("Committee") appointed by the Mayor (or designee).

5.2 REVIEW OF PROPOSALS FOR RESPONSIVENESS AND RESPONSIBLENESS

Each Proposal will be preliminarily reviewed by County staff for a determination as to whether the Proposal is potentially not responsive, pursuant to the terms of Implementing Order 2-13. All decisions regarding whether a Proposal shall be deemed not responsive shall be made by the Office of the County Attorney. A responsiveness analysis includes whether a proposal is of timely submission, has the appropriate signatures as required on each document, does not materially alter the terms and conditions of the RFP, includes a completed price form, includes a proposal guarantee, clearly indicates an intent to be bound by the Proposer on the terms and conditions of the RFP, and can otherwise form the basis of a binding agreement. Firms which are less qualified than is specified herein shall not be deemed non-responsive but may be deemed non-responsible. Except as noted previously in this Section, where this RFP states that documents "must" or "shall" be provided, or "must" or "shall" be provided in a specific form, the failure to supply such documentation shall not render a proposal not responsive, unless the absence of those documents is such that the proposal is no longer a clear assent to be bound by the terms of the RFP. Where a proposal deviates from the provisions of the RFP, the County reserves for itself the discretion to accept such non conforming proposal, if the deviation is not material.

Each Proposer's Proposal shall also be evaluated to determine if it is responsible. A responsible proposer is one who is capable of carrying out the work of the RFP in a competent and effective manner; all questions regarding capacity or ability to perform the work of the RFP shall be deemed to be questions of Proposer responsibility. In making this determination, the Committee shall have the right to investigate the management, operational experience, financial capability, reputation and business judgment, and any other issue regarding the qualifications of any Proposer, their affiliates and/or parent company(s), including the conducting of investigations of the officers, directors, principals and stockholders, and to review and investigate all contracts the Proposer has performed for the County or others. The Committee may make this determination either on the basis of the information provided in the Proposal or on the basis of the Proposal plus oral presentations by the Proposer. The failure of the Proposer to submit information required by the RFP related to its responsibility shall not be deemed to require the County or the Committee to find such Proposer non-responsible, and proposers who failed to submit such information may be found responsible by either the Committee or the County, as may be warranted by the specifics of any individual situation and Proposal. The Proposer agrees to provide, upon request, any additional information that may be required by the Committee or the County as it relates to a Proposer's responsibility. In addition, the Committee reserves the right to inspect the facilities at which the Proposer conducts its business and provides services. A Proposer that

does not meet the minimum requirements of this solicitation may be deemed responsible, if, in the discretion of the County, the Proposer otherwise demonstrates an ability to perform the work in a competent and effective manner. In the event that the Committee finds a firm non-responsible, the Committee shall still rank and evaluate the firm. All final determinations as to responsibility shall be within the discretion of the Board of County Commissioners.

5.3 EVALUATION PROCESS

Criteria have been established based upon the goals and objectives as provided in this RFP. Based on the Committee's evaluation of the written Technical Proposal and oral presentations, if required, the Committee shall rate and rank the responsive firms on their Proposal based on the Technical Criteria listed below. The Technical Criteria listed below are not of equal value or decision weight nor are they necessarily ranked in order of importance. The Technical Criteria are itemized with their respective weights for a maximum total of Seven Hundred (700) points per each voting Committee member, for all Technical Criteria. A Proposer may receive the maximum points or a portion of this score depending on the merit of its Proposal, as determined by the Committee member in accordance with the Technical Criteria listed below.

If there is only one (1) responsive, responsible Proposer, the Committee may, following evaluation of the Price Proposal, recommend to award or negotiate an Agreement or to reject the sole Proposal.

<u>Technical Criteria</u>	<u>Max. Points</u>
1) Experience and Qualifications	250
2) Financial Capability	200
3) Marketing Plan and Ability to Obtain Advertising Revenue	250
Total Technical Criteria Points	700

<u>Price Criteria</u>	<u>Max. Points</u>
Minimum Annual Guarantee (MAG)	300
Total Price Criteria Points	300
TOTAL CRITERIA POINTS	1000

5.4 PRICE PROPOSAL EVALUATION

The Price Proposals of the responsive Proposers will be considered after the evaluation of the Technical (Quality) Proposals has been completed by the Evaluation/Selection Committee.

The Price Proposal will be assigned a maximum of three hundred (300) points per each voting Evaluation/Selection Committee member. The Price Proposals will be evaluated in the following manner:

1. The responsive proposal with the highest proposed Minimum Annual Guarantee ("MAG") will be given the full weight of three hundred (300) points assigned to the Price criterion.
2. Every other responsive proposal will be given points proportionately in relation to the highest proposed Minimum Annual Guarantee. This point total will be calculated by dividing the Minimum Annual Guarantee of the proposal being evaluated by the highest proposed Minimum Annual Guarantee with the result being multiplied by the maximum weight for price (**300 points**) to arrive at a Price score of less than the full score for the MAG criterion.

Example:

$$\frac{\text{Proposer proposed MAG}}{\text{Highest Proposed MAG}} \times \text{Total Points for MAG} \times \frac{\text{No. Voting Committee Members}}{\text{Total Points for MAG}} = \text{Price Score}$$

The application of the above formula will result in a uniform assignment of points relative to the Price criterion.

5.5 OVERALL RANKING

The Evaluation/Selection Committee will then determine the overall ranking by adding the Price Proposal score with the Technical (Quality) Proposal evaluation score to determine the overall ranking.

Following the evaluation and overall ranking of the proposals, the Evaluation/Selection Committee will determine whether any firms are non-responsible. After discarding the scores of any non-responsible firms, the Committee will recommend to the Mayor (or designee) that a contract be awarded to the highest ranked responsive and responsible Proposer or that a contract be negotiated with the highest ranked responsive and responsible Proposer (see also Section 5.7).

5.6 LOCAL PREFERENCE

Pursuant to Section 2-8.5 of the Code, a local preference is provided as follows:

1. Local business means the vendor has a valid business tax receipt (f/k/a occupational license) issued by Miami-Dade County at least one (1) year prior to bid or proposal submission, and a physical business address located within the limits of Miami-Dade County from which the vendor operates or performs business. Post Office Boxes are not verifiable and shall not be used for the purpose of establishing said physical address. In addition to the foregoing, a vendor shall not be considered a "local business" unless it contributes to the economic

development and well-being of Miami-Dade County in a verifiable and measurable way. This may include, but not be limited to the retention and expansion of employment opportunities and the support and increase to the County's tax base. Vendors shall affirm in writing their compliance with the foregoing at the time of submitting their bid or proposal to be eligible for consideration as a "local business" under this section. A vendor who misrepresents the status of its firm under this Section in a proposal or bid submitted to the County will lose the privilege to claim any preference under this Section for a period of up to one (1) year. The Mayor (or designee), in his discretion, may also recommend that the firm be referred for debarment in accordance with Section 2-8.4.1 of the Code.

2. Request for proposals, qualifications or other qualitative submittals and competitive negotiation and selection. If, following the completion of final rankings (technical and price combined, if applicable) by the selection committee, a non-local business is the highest ranked Proposer, and the ranking of a local Proposer is within 5% of the ranking obtained by the non-local Proposer, then the highest ranked local Proposer shall have the opportunity to proceed to negotiations or advance to the next step in the solicitation process with the County under the applicable sections of the Code.
3. If, following the application of the rules above, a tie occurs between two (2) or more local businesses, then contract award on the basis of best and final bids, or the opportunity to proceed to negotiations, or advance to the next step in the solicitation process, shall be made to such local business having the greatest number of its employees that are Miami-Dade County residents.
4. The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners. The application of local preference to a particular purchase or contract for which the Mayor (or designee) is the awarding authority may be waived upon written recommendation of the Internal Services Department Director or successor and approval of the Mayor (or designee).
5. The preferences established herein in no way prohibit the right of the Board of County Commissioners to compare quality of materials proposed for purchase and compare qualifications, character, responsibility and fitness of all persons, firms or corporations submitting bids or proposals. Further, the preferences established herein in no way prohibit the right of the County Commission from giving any other preference permitted by law instead of the preferences granted herein.
6. In the event Broward County, Palm Beach County or Monroe County extend preferences to local businesses, Miami-Dade County may enter into an interlocal agreement with such county wherein the preferences

of this section may be extended and made available to vendors that have a valid occupational license issued by Broward County, Palm Beach County or Monroe County to do business in that county that authorizes the vendor to provide the goods, services or construction to be purchased, and a physical business address located within the limits of that county. Post office boxes are not verifiable and shall not be used for the purpose of establishing said physical address. In addition to the foregoing, a vendor shall not be considered a "local business" unless it contributes to the economic development and well-being of Broward County, Palm Beach County or Monroe County, whichever is applicable, in a verifiable and measurable way. This may include, but not be limited to, the retention and expansion of employment opportunities and the support and increase to that county's tax base. Vendors shall affirm in writing their compliance with the foregoing at the time of submitting their bid or proposal to be eligible for consideration as a "local business" under this section. In no event shall the amount of the preference accorded Broward County, Palm Beach County or Monroe County firms exceed the amount of preference that such county extends to Miami-Dade County firms competing for its contracts. **Note: An interlocal agreement has been entered into with Broward County.**

7. The Proposer should complete, sign and submit the attached form, **Appendix F**, "Local Business Preference" with the Proposal, in order to be considered for local preference.
8. A Joint Venture is not entitled to Local Preference unless the Joint Venture entity itself qualifies for Local Preference, irrespective of whether one or more of the entities constituting the Joint Venture qualifies for Local Preference.

5.7 NEGOTIATIONS

If negotiations are recommended by the Evaluation/Selection Committee, or are required as a result of the application of local preference (see RFP Section 5.6), upon appointment and authorization by the Mayor (or designee), the Negotiation Committee will proceed to negotiate with the recommended Proposer(s). The County may award the attached Agreement on the basis of initial offers received, without discussion or negotiation. Therefore, each initial offer should contain the Proposer's best terms from a monetary and technical standpoint.

If the County and the selected Proposer(s) cannot negotiate a successful agreement, the County may terminate said negotiations and begin negotiations with the next ranked responsive/responsible Proposer. This process may continue until an Agreement is executed, or the County may reject all Proposals and re-advertise. Alternately, in the event that the County was unable to negotiate an agreement with any of the Proposers, and where it is in the best interests of the County, the County may engage in additional rounds of negotiations with the Proposers; in this event, the

County will negotiate with the Proposers in the order previously evaluated and in a manner otherwise consistent with this Section. The Proposer shall not have any legal rights or otherwise against the County arising from such negotiations or termination thereof.

Be advised that the County cannot waive any material term of this RFP or the attached agreement in any negotiation.

5.8 CONTRACT AWARD

The Contract Award, if any, shall be made to the Proposer(s) whose Proposal shall be deemed by the Board to be in the best interest of the County. The Board's decision of whether to make the award and which Proposal is in the best interest of the County shall be final.

Pursuant to Resolution No. R-1462-95, any representation made to the Board of County Commissioners on a Proposer's behalf at the time the Board considers award of the contract, the award of the contract to such Proposer shall be deemed inclusive of all such representations.

Prior to the filing of the Mayor (or designee) award recommendation with the Clerk of the Board, the Proposer must execute the Agreement within seven (7) calendar days after such Agreement is presented to the Proposer. Upon notification of award recommendation, the Proposer must provide the required insurance within the time specified in the Agreement.

5.9 FAILURE TO COMPLETE CONTRACT AWARD REQUIREMENTS

Failure to furnish the required evidence of insurance or to execute the required documents, as referenced in Section 5.8 "Contract Award", may constitute a repudiation of the Proposer's submittal, and may result in the annulment of the award and result in forfeiture of any deposits and bonds provided pursuant to this RFP. The award may then be made to the next ranked responsive/responsible Proposer, or all remaining Proposers may be rejected and the RFP re-advertised.

5.10 RIGHTS OF PROTEST

A recommendation for contract award or rejection of award may be protested by a bidder or proposer in accordance with the procedures contained in Sections 2-8.3 and 2-8.4 of the Code, and as established in Miami-Dade County Implementing Order No. 3-21.

As a condition of initiating any protest, the protester shall present to the Clerk of the Board a non-refundable filing fee payable to the Clerk of the Board in accordance with the schedule provided below.

<u>Award Amount</u>	<u>Filing Fee</u>
\$ 25,001- \$250,000	\$ 500
\$250,001- \$500,000	\$1,000

\$500,001- \$5 million
over \$5 million

\$3,000
\$5,000

Any question, issue, objection or disagreement concerning, generated by, or arising from the published requirements, terms, conditions or processes contained or described in the solicitation document shall be deemed waived by the protester and shall be rejected as a basis for protest unless it was brought by that bidder or proposer to the attention, in writing, of the procurement agent, buyer, contracting officer or other contact person in the County department that issued the solicitation document, at least two (2) working days (not less than forty-eight (48) hours) prior to the hour of bid opening or proposals submission.

A protest hereunder may not challenge the relative weight of the evaluation criteria or the formula specified for assigning points therefore contained in bid, request for proposals or request for qualifications specifications.

Award Recommendations Over \$250,000

Notice of award recommendations for contracts and purchases involving the expenditure of over \$250,000 will be in writing, signed by the issuing department to each competing bidder or proposer announcing the proposed award, and a copy shall be deposited with the Clerk of the Board on the same day it is mailed. The bidder or proposer must file a written intent to protest with the Clerk of the Board and shall mail it to all participants in the competitive process and to the County Attorney's Office within three (3) working days of the filing of the Mayor's recommendation with the Clerk. Within three (3) working days after the filing of a written intent to protest, the protester shall then file with the Clerk of the Board all pertinent documents, stating with particularity the specific facts and grounds on which the protest is based and shall include supporting evidence, as well as the corresponding filing fee, and shall mail copies to all participants in the competitive process and to the Office of the County Attorney. Other facts, grounds, documentation or evidence not contained in the protester's submission to the Clerk of the Board at the time of filing the protest shall not be permitted in the consideration of the protest, except for such additional evidence as is allowed during the course of the protest proceedings. A hearing examiner shall be appointed to hear the protest and submit a written report and recommendation to the Mayor (or designee) within twenty (20) working days of the filing of the protest (maximum 25 working days if hearing examiner consents to an extension request). Failure to timely file the written protest shall constitute a waiver of the right to protest the award recommendation.

5.11 LOCAL CERTIFIED VETERAN'S BUSINESS ENTERPRISE PREFERENCE

This Solicitation includes a preference for Miami-Dade County Local

Certified Veteran Business Enterprises ("VBE") in accordance with Section 2-8.5.1 of the Code of Miami-Dade County. A VBE is entitled to receive an additional five percent (5%) of the total technical evaluation points scored on the technical portion of such Proposer's proposal. At the time of proposal submission, the proposer must affirm in writing its compliance with the certification requirements of Section 295.187 of the Florida Statutes and submit this affirmation and a copy of the actual certification along with the proposal submission (refer to Appendix A). If a Miami-Dade County Certified Small Business Enterprise (SBE) measure is being applied to this Solicitation, a VBE which also qualifies for the SBE measure shall not receive the veteran's preference provided in this section and shall be limited to the applicable SBE preference.

ARTICLE 12- DEFAULT AND TERMINATION BY COUNTY

- 12.01 EVENTS OF DEFAULT:** A default shall mean a breach of this Agreement by the Operator (an "Event of Default"). In addition to those defaults defined in **Sub-Article 12.02 "Payment Default"**, **Sub-Article 12.03 "Other Defaults"**, and **Sub-Article 12.04 "Habitual Default"**, an Event of Default, may also include one (1) or more of the following occurrences:
- (A) The Operator has violated the terms and conditions of this Agreement;
 - (B) The Operator has failed to make prompt payment to subcontractors or suppliers for any service or work provided for the design, installation, operation, or maintenance of the Operator's facilities;
 - (C) The Operator has become insolvent (other than as interdicted by the bankruptcy laws), or has assigned the proceeds received for the benefit of the Operator's creditors, or the Operator has taken advantage of any insolvency statute or debtor/creditor law, or the Operator's affairs have been put in the hands of a receiver;
 - (D) The occurrence of any act, which operates to deprive Operator of the rights, power, licenses, permits or authorities necessary for the proper conduct and operation of the activities authorized herein;
 - (E) Abandonment or discontinuance of operations by Operator of its business by any act(s) of Operator;
 - (F) Any persistent violation on the part of Operator, its agents or employees of the traffic rules and regulations of local, County, State or Airport or disregard of the safety of persons using the Airports, upon failure by Operator to correct the same;

- (G) Failure on the part of Operator to maintain the quality of service required by the terms of this Agreement, including, but not limited to, any cessation or diminution of service by reason of Operator being unable for any reason to maintain in its employ the personnel necessary to keep its business in operation and available for public use, unless such use is due to strike, lockout, or bona fide labor dispute;
- (H) Failure by Operator to maintain its equipment in a manner satisfactory to the Director;
- (I) The Operator has failed to obtain the approval of the Department where required by this Agreement;
- (J) The Operator has failed to provide adequate assurances as required under **Sub-Article 12.10 "Adequate Assurances"**;
- (K) The Operator has failed to comply with **Article 14 "Airport Concession Disadvantaged Business Enterprise Participation Plan"**;
- (L) The Operator has failed in a representation or warranty stated herein; or
- (M) The Operator has received three (3) notices of default, of any kind, within a twenty-four (24) month period.

12.02 PAYMENT DEFAULT: Failure of the Operator to make payments and other charges required to be paid herein when due and fails to cure the same within five (5) Days after written notice shall constitute a default, and the County may, at its option, terminate this Agreement after five (5) Days notice in writing to the Operator.

12.03 OTHER DEFAULTS: The Department shall have the right, upon thirty (30) Days written notice to the Operator to terminate this Agreement upon the occurrence of any act of default unless the same shall have been corrected within thirty (30) Days after written notice; provided, however, that the Department may, but is not required to, extend the time for cure as individual circumstances may warrant such extension not be construed as a waiver of any of the Department's rights hereunder. In the event of a specific provision of this Agreement provides for a shorter cure period in the event of a specific default, that shorter provision shall take precedence over this section.

The notice of default shall specify the Termination Date by when Operator shall discontinue the services.

12.04 HABITUAL DEFAULT: Notwithstanding the foregoing, in the event that the Operator has frequently, regularly or repetitively defaulted in the performance of or has breached any of the terms, covenants and conditions required herein, to be kept and performed by the Operator, regardless of whether the Operator has cured each individual condition of breach or default as provided for in **Sub-Article 12.02 "Payment Default"** and **Sub-Article 12.03 "Other Defaults"** above, the Operator may be determined by the Director to be an "habitual violator". At the time that such determination is made, the Director shall issue to the Operator a written notice, advising of such determination and citing the circumstances thereof. Such notice shall also advise the Operator that there shall be no further notice or grace periods to correct any subsequent breach(s) or default (s) and that

any subsequent breach or default, of whatever nature, taken with all previous breaches and defaults, shall be considered cumulative and collectively shall constitute a condition of noncurable default and grounds for immediate termination of this Agreement. In the event of any such subsequent breach or default, the Department may terminate this Agreement upon the giving of written notice of termination to the Operator, such termination to be effective upon the seventh (7th) Day following the date of receipt thereof and all payments due hereunder shall be payable to said date, and the Operator shall have no further rights hereunder. Immediately upon receipt of said notice of termination, the Operator shall discontinue its operations at the Airport and proceed to remove all its personal property in accordance with **Sub-Article 12.11 "Actions at Termination"** hereof.

- 12.05 NOTICE OF DEFAULT AND OPPORTUNITY TO CURE:** If an Event of Default occurs, the Department shall notify the Operator by sending a notice of default, specifying the basis for such Event of Default, and advising the Operator that such default must be cured immediately or this Agreement with the Department may be terminated.
- 12.06 UNAMORTIZED INVESTMENT EXTINGUISHED:** Termination of this Agreement based upon **Sub-Article 12.07 "Termination for Abandonment"**, **Sub-Article 12.02 "Payment Default"**, **Sub-Article 12.03 "Other Defaults"**, **Sub-Article 12.04 "Habitual Default"**, or **Sub-Article 12.08 "Termination for Cause"**, shall extinguish any unamortized investment amounts owed the Operator by the Department.
- 12.07 TERMINATION FOR ABANDONMENT:** This Agreement may be terminated in its entirety upon the abandonment by the Operator of the location(s) or the discontinuance of Operator's services at the Airport for any period of time exceeding twenty-four (24) consecutive hours, and the failure to cure the same within three (3) Days after written notice unless such abandonment or discontinuance has been caused by civil disturbance, governmental order or Act of God that prevents the Operator from providing services in this Agreement for the purposes authorized in **Article 2 "Scope of Services"**. Such termination shall constitute an event of default, and the County shall be entitled to all remedies for such default provided for in this Agreement.
- 12.08 TERMINATION FOR CAUSE:** The Department may terminate this Agreement, effective immediately if: (i) the Operator attempts to meet its contractual obligation(s) with the County through fraud, misrepresentation or material misstatement; or (ii) a principal of the Operator is convicted of a felony during the Term or any Extensions thereof if applicable, or (iii) if the Operator is found to have submitted a false certification or to have been, or is subsequently during the term of this Agreement, placed on the Scrutinized Companies for Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. The Department may, as a further sanction, terminate or cancel any other contract(s) that such individual or corporation or joint venture or other entity has with the County and that such individual, corporation or joint venture or other entity shall be responsible for all direct and indirect costs associated with such termination, including attorney's fees.

The foregoing notwithstanding, any individual, firm, corporation, joint venture, or other entity which attempts to meet its contractual obligations with the County through fraud,

misrepresentation or material misstatement may be disbarred from County contracting for up to ten (10) years in accordance with the County's debarment procedures. The Operator may be subject to debarment for failure to perform, and all other reasons set forth in § 10-38 of the Code of Miami-Dade County, Florida (the "Code").

12.09 TERMINATION FOR CONVENIENCE: The Department, in addition to the rights and options to terminate for cause, or any other provisions set forth in this Agreement, retains the right to terminate this Agreement upon thirty (30) Days written notice at its sole option at any time for convenience, without cause, when in its sole discretion it deems such termination is in the best interest of the Department. In such circumstance, the County will solely be responsible for paying the amortized costs of any improvements constructed by Operator, but the County shall not be responsible for any other costs or damages, including but not limited to lost profits, loss of opportunity, borrowing costs, carrying costs, damage to reputation, loss of goodwill, or loss of income.

12.10 ADEQUATE ASSURANCES: When, in the opinion of the Department, reasonable grounds for uncertainty exist with respect to the Operator's ability to perform the work or any portion thereof, the Department may request that the Operator, within the time frame set forth in the Department's request, provide adequate assurances to the Department, in writing, of the Operator's ability to perform in accordance with terms of this Agreement. In the event that the Operator fails to provide to the Department the requested assurances within the prescribed time frame, the Department may:

1. Treat such failure as a repudiation of this Agreement; and
2. Resort to any remedy for breach provided herein or at law, including but not limited to, taking over the performance of the work or any part thereof either by itself or through others.

12.11 ACTIONS AT TERMINATION: The Operator shall, upon receipt of such notice to terminate, and as directed by the Department:

- (A) Stop all work as specified in the notice to terminate;
- (B) Take such action as may be necessary for the protection and preservation of the Department materials and property;
- (C) Vacate, quit and surrender, all spaces and account for all furnishings, fixtures, equipment, software, vehicles, records, funds, inventories, commodities, supplies and other property of the County on or before the date of termination.

If terminated for cause, the Operator shall be liable to the County for all damages, direct and indirect, incurred by the County as a result of such termination, including but not limited to loss of future payments, loss of revenue, loss of passengers, loss of opportunity, or loss of goodwill. The existence of a bond or letter of credit supplied pursuant to **Article 3 "Payments and Reports"** of this Agreement shall not serve as a limitation on damages beyond the penal sum of the bond or letter of credit, and the County may avail itself of the

bond or letter of credit, or both, and also all remedies as may be available at law or equity against Operator.

ARTICLE 13 – CLAIMS AND TERMINATION BY OPERATOR

- 13.01 ADMINISTRATIVE CLAIM PROCEDURES:** If the Operator has any claim against the County arising under this Agreement, it will be made in writing within thirty (30) Days of the occurrence of the event to the Director. The exact nature of the claim, including sufficient detail to identify the basis for the claim and the amount of the claim shall be clearly stated. The dispute will be decided by the Director, who will mail or otherwise furnish a written copy of the decision to the Operator at the address furnished in **Sub-Article 18.09 “Notices”**. The decision of the Director will be final and conclusive unless, within thirty (30) Days from the date of receipt of such copy, the Operator mails or otherwise furnishes to the Department a written appeal addressed to the Mayor. The decision of the Mayor, or his duly authorized representative for the determination of such appeals, will be final and conclusive unless within thirty (30) Days of the Operator's receipt of such decision, the Operator files an action in a court of competent jurisdiction. In connection with any appeal proceeding under this provision, the Operator shall be afforded an opportunity to be heard and to offer other evidence in support of the appeal. Pending final decision of a dispute hereunder, the Operator shall proceed diligently with the performance of this Agreement and in accordance with the County's decision. Failure to perform in accordance with the decision of the Director or the Mayor shall be cause for termination of this Agreement in accordance with **Sub-Article 12.03 “Other Defaults”**. The failure of the Operator to comply with this administrative claim procedure shall be cause for a waiver of claim and an abandonment of any claim arising out of the event.
- 13.02 TERMINATION:** The Operator shall have the right, upon thirty (30) Days written notice to the County to terminate this Agreement, without liability to the County, at any time after the occurrence of one or more of the following events:
- (A) Issuance by any court of competent jurisdiction of any injunction substantially restricting the use of the Airport for airport purposes, and the injunction remaining in force for a period of more than one hundred eighty (180) Days.
 - (B) A breach by the County of any of the material terms, covenants or conditions contained in this Agreement required to be kept by the County and failure of the Department to remedy such breach for a period of one hundred eighty (180) Days after receipt of written notice from the Operator of the existence of such breach.
 - (C) The assumption by the United States Government or any authorized agency thereof, or any other governmental agency, of the operation, control or use of the airport locations or any substantial part, or parts thereof, in such a manner as substantially to restrict the Operator's provision of services for a period of one hundred eighty (180) Days.

ARTICLE 14 – AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE

14.01 ACDBE REQUIREMENTS:

It is the policy of the Miami Dade Aviation Department (MDAD) that ACDBE's shall have the maximum practical opportunity to participate in the performance of License Agreement. As used in the Bid Documents, the term "Airport Concession Disadvantaged Business Enterprises (ACDBE)" means a small business concern, which (a) is at least fifty-one percent (51%) owned by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock which is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it as set forth in 49 CFR Part 23, Code of Federal Regulations.

The MDAD has established an ACDBE concession specific goal of **twenty percent (20%)** of gross revenues. The ACDBE goal can be achieved either through the Proposer being an ACDBE itself, Joint Venture or sub-contracting a percentage of Gross Revenues.

The Concessionaire will be required to submit:

- (1) Executed Joint Venture or Sub-concession Agreement prior to submission for Board approval;
- (2) Notarized Monthly Utilization Report (MUR) reflecting ACDBE revenue;
- (3) Notarized Monthly Activity Report (MAR) of ACDBE JV Partner commencing thirty (30) days after beneficial occupancy and monthly thereafter, on or before the 10th of every month.

14.02 COUNTING ACDBE PARTICIPATION TOWARD CONTRACT GOALS:

1. When an ACDBE participates in a contract, only the value of the work actually performed by the ACDBE toward the ACDBE goal will be counted.
2. When an ACDBE performs as a participant in a joint venture a portion of the total dollar value of the contract **during the complete contract term**, equal to the clearly defined portion of the work of the contract that the ACDBE performs will be counted toward ACDBE goals as outlined in **Appendix I**. "Airport Concession Disadvantaged Business Enterprise Participation Plan/Provision" and ACDBE Joint Venture Guidance by the U. S. Department of Transportation, Federal Aviation Administration (USDOT-FAA) ACDBE Schedule 8.
3. Expenditures to an ACDBE concessionaire toward ACDBE goals, will be counted only if the ACDBE is performing a commercially useful function as defined below:
 - (a) An ACDBE performs a commercially useful function when it is responsible for execution of specific quantifiable work of the contract and is carrying out its

responsibilities by actually performing, or managing, or supervising the specific identified work.

- (b) MDAD will determine whether an ACDBE is performing a commercially useful function by evaluating the specific duties outlined in the Joint Venture Agreement; the sub-concession agreement or other agreements in accordance with industry practices.
- (c) An ACDBE does not perform a commercially useful function if its role is limited to that of an extra participant in a financial or other transaction, contract, or project through which funds are passed in order to obtain the appearance of ACDBE participation.
- (d) If an ACDBE does not perform or exercise responsibility for at least seventy (70%) percent of its participation or if the ACDBE subcontract's a greater portion of the work of a contract than would be expected on the basis of normal industry practice for the type of work involved, it will be presumed that the ACDBE is not performing a commercially useful function.
- (e) When an ACDBE is presumed not to be performing a commercially useful function as provided in paragraph (c) of this section, the ACDBE may present evidence to rebut this presumption. MDAD will determine that the firm is performing a commercially useful function given the type of work involved and normal industry practices.

4. MDAD's decision on commercially useful function matters are final.

14.03 ACDBE GOAL ACHIEVED THROUGH JOINT VENTURE ("JV") PARTNERING:

Proposers may satisfy a part of the ACDBE goal by Joint Venturing with an ACDBE as detailed in the ACDBE Joint Venture Guidance by the U.S.DOT-FAA; ACDBE Schedule 8.

The Joint Venture agreement must specify the following:

- (1) Each ACDBE joint venture ("JV") partner must be responsible for a clearly defined portion of the work to be performed. The work should be detailed separately from the work performed by the non-ACDBE JV partner as specified in the Joint Venture Guidance by U.S. DOT-FAA (Schedule 8).

The work should be submitted as part of this solicitation and annually thereafter to the Aviation Department's Minority Affairs Division. The work to be performed by the ACDBE joint venture partner should be store specific with regards to tasks and locations or as a distinct element of work be specified.

The ACDBE Joint Venture partner will be required to spend the minimum amount of aggregate time on-site, focused on the operation of the concession. Such “minimum amount of aggregate time” is defined as ten hours per week.

- (2) Each joint venture partner must submit a notarized Monthly Utilization Report and a notarized Monthly Report of ACDBE Joint Venture Activity providing details of how the performance objectives were achieved and providing documentation of that achievement on the form. This information should include, but not limited to:
 - a. Details of training sessions, including class rosters and lesson plans.
 - b. Deliverables and work products.
 - c. Time sheets of partner employees used to fulfill objectives. Time sheets must accurately reflect hours worked and compensation earned.
 - d. Proof that employees of partner actually work for them (payroll, payroll tax returns and the like).
- (3) Each ACBDE partner must share in the ownership, control, management, and administrative responsibilities, risks and profits of the JV in direct proportion to its stated level of JV participation.
- (4) Each ACDBE JV partner must perform work that is commensurate with the Lease Agreement.

Without limiting the requirements of the Agreement, the County will have the right to review and approve all agreements utilized for the achievement of these goals. Such agreements must be submitted with the Proposal.

The Operator shall include the following nondiscrimination language in concession and management contracts with MDAD which is an assurance and clarification clause requested by the DOT and approved by the Miami Dade Aviation Director:

"The concessionaire agrees to include the above statements in any subsequent concession agreement covered by 49 CFR Part 23, that it enters and cause those businesses to similarly include the statements in further agreements".

The provisions of this Section shall be considered to be in addition to and not in lieu of the provisions of Title VI of the Civil Rights Act of 1964 applies.

The Operator agrees to include the above statements in any subsequent agreements.

The venue of any action on this Agreement shall be laid in Miami-Dade County, Florida and any action to determine the rights or obligations of the parties hereto shall be brought in the courts of the State of Florida.

16.02 NOTICE OF COMMENCEMENT OF CIVIL ACTION: In the event that the County or the Operator commence a civil action in the state or Federal courts for Miami-Dade County, where such action is based in whole or in part upon an alleged breach of this Agreement, the County and the Operator agree to waive the procedures for initial service of process mandated by Chapters 48 and 83 of the Florida Statutes, by Rule 1.070 of the Florida Rules of Civil Procedure, and by Rule 4(c) of the Federal Rules of Civil Procedure. ARTICLE 17 – TRUST AGREEMENT

17.01 INCORPORATION OF TRUST AGREEMENT BY REFERENCE: Notwithstanding any of the terms, provisions and conditions of this Agreement, it is understood and agreed by the parties hereto that the provisions of the Amended and Restated Trust Agreement, dated as of the 15th Day of December, 2002, as amended from time to time, by and between the County and JPMorgan Chase Bank, as Trustee, and Wachovia Bank, National Association, as Co-Trustee (the “Trust Agreement”), which Trust Agreement is incorporated herein by reference, shall prevail and govern in the event of any inconsistency with or ambiguity relating to the terms and conditions of this Agreement, including the rents, fees or charges required herein, and their modification or adjustment. A copy of the Trust Agreement may be examined by the Operator at the offices of the Department during normal working hours.

17.02 ADJUSTMENT OF TERMS AND CONDITIONS: If at any time during the Term or any Extension thereto, as applicable, a court of competent jurisdiction shall determine that any of the terms and conditions of this Agreement, including the rentals, fees and charges required to be paid hereunder to the Department by the Operator or by other Operators under other agreements of the Department for the lease or use of location(s) used for similar purposes, are unjustly discriminatory, the County, shall have the right to modify such terms and conditions and to increase or otherwise adjust the rentals fees and charges required to be paid under this Agreement in such a manner as the County shall determine is necessary and reasonable so that terms and conditions and the rentals fees and charges payable by the Operator and others shall not thereafter be unjustly discriminatory to any user of like locations and shall not result in any violation of the Trust Agreement or in any deficiency in revenues necessary to comply with the covenants of the Trust Agreement. Upon written notice from the County, the Operator shall make available, to the IPSIG retained by the County, all requested records and documentation pertaining to this Proposal or any subsequent award, for inspection and copying. The County will be responsible for the payment of these IPSIG services, and under no circumstance shall the Operator's cost/price for this proposal be inclusive of any charges relating to these IPSIG services. The terms of this provision herein, apply to the Operator, its officers, agents, employees and assignees. Nothing contained in this provision shall impair any independent right of the County to conduct, audit or investigate the operations, activities and performance of the Operator in connection with this Agreement. Nothing contained above shall in any way limit the powers of the Inspector General to perform audits on all Department contracts including, but not limited to, those contracts specifically exempted above.

ARTICLE 18 – OTHER PROVISIONS

18.15 SECURED AREAS/AIRFIELD OPERATIONS AREA (AOA) STERILE AREAS SECURITY: The Operator acknowledges and accepts full responsibility for compliance with all applicable Federal, State, and Local laws, rules and regulations including those of the Homeland Security, Transportation Security Administration's (TSA) Code of Federal Regulations 49 CFR Part 1542 et al, Federal Aviation Administration FAA, Customs and Border Protection CBP, the MDAD Chapter 25, Airport Security Plan (ASP) and applicable Security Directives issued by TSA and the Aviation Department as set forth from time to time relating to Operator's activities at the Miami International Airport (MIA).

In order to maintain high levels of security at MIA, the Operator must obtain MDAD photo identification badges for all the Operator employees who are authorized access to the Secured/AOA/Security Identification Display Area (SIDA), Sterile Concourse Areas or any other restricted areas of the Airport as may be required and designated in the Airport's Security Plan. All Operator employees will be required to obtain photo identification badges and will be subject to fingerprint-based criminal history records checks and security threat assessments.

The Operator shall be responsible for requesting MDAD to issue identification badges to all employees who the Operator requests to be authorized access to the Secured/AOA/SIDA/Sterile Concourse Areas and any other restricted areas of the airport as may be required and designated in the Airport's Security Plan and shall be further responsible for the immediate reporting of all lost or stolen ID badges and the immediate return of the ID badges of all personnel transferred from Airport assignment or terminated from the employer of the Operator or upon final acceptance of the work or termination of this Agreement. The Operator will be responsible for fees associated with lost and unaccounted badges as well as the fee(s) for fingerprinting and ID issuance.

All employees of the Operator who must work within MDAD Secured/AOA/SIDA/Sterile Concourse areas or any other restricted areas at MIA shall be supplied with MDAD identification badges as specified above, which must be worn at all times while within the referenced secured areas. Badges shall be worn/displayed on outer garments above the waist so as to be clearly visible in order to distinguish, on sight, employees assigned to a particular company area. Each employee must complete the Security Identification Display Area SIDA training program conducted by the MDAD Security Division Credentialing Office before any ID badge is issued to such employee and comply with all

other TSA, Homeland Security, FAA, CBP and MDAD requirements as specified by the MDAD at the time of application for the ID badge before an ID badge is issued.

Operator AOA Decals will be issued to the Operator's vehicles authorizing vehicle entrance to the Airfield Operations Area (AOA) through specified Miami-Dade Aviation Department vehicle access control gates for the term of any project. These AOA Decals will be issued only for those vehicles that must have access to the site during the performance of the work. These AOA Decals will be only issued to company owned vehicles or company leased vehicles (leased from a commercial leasing company to the authorized company permitted to perform work on the AOA). AOA decals, passes, or permits to operate within the AOA will not be issued to privately owned or privately leased vehicles. All vehicles operating within the AOA must have conspicuous company identification signs (minimum of three inch lettering) displayed on both sides of the vehicles.

Only Operator staff with proper access zone pictured MDAD SIDA ID badges shall be allowed to operate a motor vehicle on the AOA without a MDAD escort. The Operator shall require such employee to have a current, valid, appropriate Florida driver's license and to attend and successfully complete the AOA Driver Training Course, Reoccurring AOA Driver and Movement Area Driver training programs conducted periodically by the Department. The privilege of a person to operate a motor vehicle on the AOA may be withdrawn by the Department because of violation(s) of AOA driving rules or loss of Florida driver's license and such violations may result in the issuance of a Civil Violation Notice with monetary fines.

The Operator agrees that its personnel, vehicles, cargo, goods, and other personal property are subject to being searched when attempting to enter, leave or while on the AOA. Any person denied access to the AOA or whose prior authorization has been revoked or suspended on such grounds shall be entitled to a review hearing before the Director or his/her authorized designee within a reasonable time. Prior to such hearing, the person denied access to the AOA should be advised, in writing, of the reason for such denial.

The Operator acknowledges and understands that these provisions are for the protection of all users of the AOA and are intended to reduce the incidence of thefts cargo tampering, aircraft sabotage, and other unlawful activities at the Airport and to maximize compliance with TSA, Homeland Security, FAA/Federal Inspection Services agencies and MDAD

access control and security policies and procedures as may be required and designated in the Airport Security Plan and the Miami-Dade Aviation Department Rules, Operational Directives and Regulations Chapter 25. All persons performing work on the AOA are required to wear reflective vests or clothing.

The Operator understands and agrees that vehicle and equipment shall not be parked/stored on the AOA in areas not designated or authorized by MDAD nor in any manner contrary to any posted regulatory signs, traffic control devices, or pavement markings or Chapter 25.

The Operator understands and agrees that all persons entering and working in or around arriving international aircraft and facilities used by the various Federal Inspection Services agencies may be subject to the consent and approval of such agencies. Persons not approved or consented to by the Federal Inspection Services agencies shall not be employed by the Operator in areas under the jurisdiction or control of such agencies. Persons not approved or consented to by the Federal Inspection Services agencies who enter such areas are subject to fines, which shall be borne entirely by the persons and/or the Operator.

Notwithstanding the specific provisions of this Article, the Owner shall have the right to add to, amend, or delete any portion hereof in order to meet reasonable security requirements of MDAD or of the TSA/Homeland Security/FAA/Federal Inspection Services agencies.

The Operator shall ensure that all employees so required participate in such safety, security and other training and instructional programs, as MDAD or appropriate Federal agencies may from time to time require.

Operator agrees that it will include in all contracts and subcontracts with its MIA sub-consultants, service providers, and suppliers an obligation by such parties to comply with all security requirements applicable to their operations at the Airport. The Operator agrees that in addition to all remedies, Damages, and sanctions that may be imposed by TSA, Homeland Security, FAA, Federal Inspection Services Agencies or MDAD upon Operator sub-consultants, suppliers, and their individual employees for a violation of applicable security provisions. The Operator shall be responsible to the Owner for all such violations and shall indemnify and hold the Owner harmless for all costs, fines and Damages arising there from, such costs to include reasonable attorneys' fees.

Such permission, when granted, shall be evidenced by a nonexclusive license executed by the Operator and the Department, on behalf of the Department granting the Operator the right, license and privilege to use a specific patent, copyright, trademark, trade name, logo, computer software or other intellectual property without requiring payment of fees therefore. Failure of the parties to execute a formal license agreement shall not vest title or interest in such patent, copyright, trademark, trade name, logo computer software or intellectual property in the using party.

Operator to solicit or secure this Agreement; and (ii) it has not paid, or agreed to pay any company or other person any fee, commission, gift, or other consideration contingent upon the execution of this Agreement. Operator shall not permit or suffer any liens, including mechanics', materialmen's and tax liens to be imposed upon the location(s), or any part thereof, without promptly discharging the same. Notwithstanding the foregoing, Operator may in good faith contest any such lien if Operator provides a bond in an amount and form acceptable to Department in order to clear the record of any such liens. Operator further agrees that it shall not sell, convey, mortgage, grant, bargain, encumber, pledge, assign or otherwise transfer its leasehold interest in the location(s) or any personal property or trade fixtures in the location(s), including any furniture, fixtures and equipment or any part thereof or permit any of the foregoing to occur.
