TO: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

FROM: Carlos A. Gimenez
Mayor 

SUBJECT: Resolution Retroactively Authorizing Agreements between the Florida Department of Agriculture and Miami-Dade County to Participate in Operations of the Domestic Marijuana Eradication Program

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution and authorize the County Mayor or County Mayor's designee to execute an agreement between the Florida Department of Agriculture and Miami-Dade County through the Miami-Dade Police Department (MDPD), specifically herein the Federal Financial Assistance Subrecipient Agreement, to participate in operations of the Domestic Marijuana Eradication Program. This Agreement is effective January 1, 2015 through December 31, 2015. It is further recommended that the Board authorize the County Mayor or County Mayor's designee to execute subsequent agreements that allow the continuation of these operations of the Domestic Marijuana Eradication Program established pursuant to the scope of work of the Federal Financial Assistance Subrecipient Agreement on behalf of the County.

Scope

This Agreement, and subsequent agreements as authorized herein, supports a partnership with the Florida Department of Agriculture to conduct investigations regarding individuals and/or organized criminal groups that engage in the constructing, cultivating, and distributing of marijuana made from hydroponics laboratories. These Agreements will provide reimbursement to the MDPD for the costs of sworn personnel assigned to these operations and other allowable expenses under the Domestic Eradication of Marijuana Program.

Fiscal Impact/Funding Source

There is no fiscal impact to the County.

Track Record/Monitor

The entity involved in this Agreement is the MDPD's Narcotics Bureau. Louis Churukian, Major of the Narcotics Bureau, MDPD, will track and monitor this agreement.

Delegation of Authority

Due to changes in the federal rules regarding the administration of these funds, and the related changes in the State's contract process, this request was received from the Florida Department of Agriculture and Consumer Services late. Authorization of this Agreement is necessary for reimbursement to the County for allowable expenses incurred for this period. Upon approval by the Board, the County Mayor or County Mayor's designee will have the authority to execute the agreement on behalf of Miami-Dade County. Also, the County Mayor or County Mayor's designee is authorized to execute additional agreements that allow the continuation of these operations under the Domestic Marijuana Eradication Program established pursuant to the Agreement. These additional agreements allow additional funding and/or funding increases which may be necessary to allow these operations to continue to the

appropriate conclusion under the Domestic Marijuana Eradication Program. Authority is also provided to the County Mayor or County Mayor's designee to approve agreement amendments with the prior approval of the Florida Department of Agriculture. These amendments are allowed to make program adjustments to the Scope of Work and related Budget Plan as may be necessary under the Domestic Marijuana Eradication Program and in accordance with the funding agency, the Florida Department of Agriculture.

Background

In the conduct of day-to-day operations, the MDPD conducts narcotics investigations which require a variety of partnerships, including with the Florida Department of Agriculture. This partnership will specifically be for the purpose of participating in the Domestic Marijuana Eradication Program. By entering into this Agreement, MDPD will have access to federal funds awarded to the Florida Department of Agriculture from the Federal Assets Forfeiture Fund. These federal funds will support this state sponsored initiative, the Domestic Marijuana Eradication Program, and will reimburse the MDPD for these narcotics investigations, including for overtime funding of sworn personnel assigned to these operations, specialized equipment (i.e. officer safety equipment and other protective gear, such as HAZMAT suits), training, travel, equipment and other supplies, and other allowable expenses necessary to conduct effective and safe investigations.

Through this partnership with the Florida Department of Agriculture, MDPD is able to enhance the public safety of this community for the benefit of our citizens and visitors.
