**Date:** October 6, 2015

**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez

**Subject:** Supplement to Recommendation for Approval to Award: Shoes and Boots for Miami-Dade County

This supplement is in response to a request from the Strategic Planning and Government Operations Committee at its August 25, 2015 meeting for additional information regarding the local operating address of each vendor recommended for award and the number of employees at that location.

Of the six (6) vendors recommended for award, five (5) have a local operating address in Miami-Dade County. The table below shows the vendors recommended for award, their corporate and local addresses, and the number of employees at the vendors' local address. Note that the corporate address listed is the vendor's principal address on file with the Florida Department of State's Division of Corporations while the local address represents the vendor's local operating office.
