Subject: Social Equity Statement Pursuant to Ordinance No. 15-83 for Amendment to Section 21-30 of the County Code relating to Civil Citation For Destroying County Property

The proposed Ordinance amends section 21-30 of the Code of Miami-Dade County, clarifying that destroying, damaging or vandalizing trees, shrubs, landscaping or other County property on public right-of-way, through any means, including operation of a motor vehicle, is an offence against public property subject to civil fine of \$500.00.

This notice may keep persons from damaging landscaping or other county property and, in turn, save taxpayers from having to incur costs to replace or restore the county landscaping or other County property.
