

Memorandum

Date: December 15, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Recommendation for Approval of Designated Purchase Pursuant to Section 2-8.1(b)(3) and Authorizing the First Renewal Period under Contract No. BW9754-5/25, Cloud-Hosted Communications System Service and Maintenance

Agenda Item No. 8(F)(3)

Recommendation

It is recommended that the Board of County Commissioners (Board) approve a designated purchase pursuant to Section 2-8.1(b)(3) of the County Code and authorize the County Mayor or the County Mayor's designee to exercise the first option-to-renew period under *Contract No. BW9754-5/25, Cloud-Hosted Communications System Service and Maintenance*. The Board's approval is required as the value of the requested renewal period exceeds the Mayor's delegated authority. This item is exempt from Committee review per Ordinance No. 07-139, which permits contract renewals to be heard directly by the Board.

The contract provides the Clerk of Courts monthly phone support services through a Cloud-Hosted Communications System (System) for Interactive Voice Response (IVR), including Short Message Service (SMS) and Voice Over IP (VoIP) capabilities. The System is flexible and customizable, lowering telephone line cost while enhancing customer satisfaction. The IVRs are maintained internally, with no additional developer training required. The System also provides for automation and custom messaging to meet the operational needs of the Clerk of Courts, including, but not limited to, the delivery of jury pool notifications, notices to appear, and traffic and parking citation payments.

This contract was awarded in October 2013 to Twilio, Inc. (Twilio) for \$240,000 for a two-year term under the Internal Services Department Director's delegated authority. The contract was modified in April 2015 to reflect a \$10,000 allocation increase for additional funds needed for service due to increased call times in regards to answering questions and processing payments via the VoIP system. An additional modification was processed to allow for an administrative extension in October 2015 for two (2) months with a prorated allocation of \$20,900 for continuity of services.

Market research was conducted to assess competitive factors such as pricing, quality, product features, technology, and operational functionality. The research resulted in the determination that exercising the first of the five (5) available renewal periods is in the County's best interest as no other vendor is capable of providing the required hosting, maintenance, and support services for the System as it is proprietary to Twilio.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

The current 26-month contract term is valued at \$270,900 and expires on December 31, 2015. The total value of the first, two-year option-to-renew period is \$360,000. The increase in allocation for the requested term is due to demands forecasted over the next term. As seen in the table below, if approved, the contracts cumulative value will be \$630,900.

Department	Requested Allocation	Funding Source	Contract Manager
Clerk of Courts	\$360,000	Proprietary Funds	Miguel Mukodsi
