Memorandum

Date: February 2, 2016

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Approving the Exchange of Properties Between Miami-Dade County and the Florida Department of Transportation, the Transfer of Safe Neighborhood Parks Grant Requirements Between Parcels, the Release of a Restrictive Covenant on the Miami-Dade County-owned Parcel, and the Recording of a Revised Restrictive Covenant on the Site of the Adrienne Arsht Center for the Performing Arts of Miami-Dade County

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the following:

- 1) Exchange of a County-owned parcel totaling approximately 60,170 square feet and located south of NE 13 Street between Biscayne Boulevard and NE 2 Avenue for parcels owned by the Florida Department of Transportation (FDOT) totaling approximately 61,904 square feet, and located immediately west of the County-owned parcel between NE 2 Avenue and NE 1 Avenue, pursuant to Section 125.37, Florida Statutes;
- 2) Transfer of Safe Neighborhood Parks (SNP) grant requirements from the County-owned parcel to the parcel the County will receive from FDOT;
- 3) Release of a restrictive covenant for the County-owned parcel;
- 4) Recording of a new restrictive covenant on the property located at 1300 Biscayne Boulevard, known as the Adrienne Arsht Center for the Performing Arts of Miami-Dade County (Arsht Center); and
- 5) Delegation of authority to the Mayor or the Mayor's designee to execute the associated deeds, release of restrictive covenant, and restrictive covenant.

Scope

The subject properties are located in District 3, but the proposed exchange will have countywide impact on FDOT's redevelopment plans for I-395, the view corridors for the Arsht Center, and future park and parking amenities serving the Arsht Center.

Fiscal Impact / Funding Source

There is no funding impact regarding the exchange of properties. Based on appraisals performed by FDOT, the parcels being exchanged have an equal value of \$27.8 million each. The use restrictions outlined in the SNP grant will be maintained by the County and transferred from the County-owned parcel to the parcel being received from FDOT. The release of restrictive covenant is necessary in order to clear the title of the County-owned parcel. The recording of a revised restrictive covenant corrects the address of the property (mistakenly identified as the parcel south of NE 13 Street rather than the Arsht Center itself) and is a condition to the \$750,000.00 grant that was awarded by the State of Florida Regional Cultural Facilities Grant Program for the construction of the Arsht Center in 2006.

Track Record/Monitoring

Miami-Dade County has a track record of partnering with FDOT on projects that have a countywide impact. Michael Spring, Senior Advisor to the Mayor and Director of the Miami-Dade County Department of Cultural Affairs, will be responsible for implementing the County's rights and responsibilities for the management and development of the exchanged property through an Amended and Restated Operating Management Agreement with the Arsht Center, which will be forwarded to the Board for approval in the coming months.

Background

Land Exchange

The County has a long-term Operating Management Agreement with the Performing Arts Center Trust, Inc. (PACT), the non-profit organization that manages and operates the performing arts center facilities on the east and west sides of Biscayne Boulevard, between 13 Street and 14 Street, which comprise the Arsht Center. During the development and design of the Arsht Center (previously known as the Performing Arts Center), the PACT commissioned an urban design plan that recommended securing the land south of the Arsht Center to prevent these key sites from being developed and to create gateway parks for the Arsht Center. In 1999, the County purchased Parcel 171, located south of the Ballet Opera House on the west side of Biscayne Boulevard (Resolution R-1038-99). Refer to Attachment A for location map. Years later, FDOT purchased the land south of the Concert Hall, located on the east side of Biscayne Boulevard, as well as other properties along the I-395 corridor, in anticipation of the planned reconstruction of I-395.

The County used funds from successful grant applications submitted by the Office of the County Manager and prepared by the Department of Cultural Affairs to purchase Parcel 171. Grant awards for the property acquisition totaled \$1.5 million from the Florida Department of Environmental Protection (DEP) and \$800,000.00 from the County's SNP Program. Due diligence has been performed on the requirements of these grants to ensure that the proposed land exchange does not violate the terms of the grant agreements. A letter from the DEP stating their concurrence with the proposed exchange is attached for reference (Attachment D). Subject to the Board's review and approval, the County is planning to update the Operating Management Agreement to give the PACT additional authorization to use the exchanged property for parking and 35 percent of the parcel for open park space. The use restrictions outlined in the SNP grant will be maintained and included in this updated Operating Management Agreement.

Title work for the FDOT-owned parcel revealed two (2) issues, which merit further elaboration here for the purpose of full disclosure, but are not considered to be detrimental to the land transfer. A repurchase agreement between FDOT and a third party, Charleville Development Corp., covers part of the land to be conveyed to the County. The agreement states that "the right to repurchase is subordinate to the right of governmental entities that acquire the Property for any public purpose," therefore, it does not immediately affect the proposed land transfer. The agreement is dated June 13, 2005, with an expiration of 25 years after the date of the purchase agreement. This right to re-purchase would only be of concern if the County were to sell the property before 2030. In addition, a Level I Environmental Assessment revealed contamination concerns for the southern portion of the FDOT parcel, where FDOT has performed preliminary remediation and will continue remediation activities during the construction phase of I-395. A strip of land 25-feet by 180 feet on the southern portion of the parcel being transferred

to the County is included in the remediation area. Except for this area, there are no contamination concerns for the northern portion of the parcel, which is being conveyed to the County.

Release of Restrictive Covenant and New Restrictive Covenant

As a result of the title work performed on County-owned Parcel 171, a restrictive covenant on the property was found to have been incorrectly recorded on that property. In 2006, the Arsht Center applied for and was granted a \$750,000.00 grant from the State of Florida Regional Cultural Facilities Program. As a condition of award, the County, as owner of the facility, recorded the restrictive covenant limiting the use of the facility as a cultural facility for a period of ten (10) years following the execution of the grant agreement. The restrictive covenant incorrectly listed the address of the facility as 240 Northeast 13 Street, Miami, Florida, 33132, which was the location of the construction trailers at the time. The release of restrictive covenant (Attachment E) is required to clear the title for Parcel 171 prior to completing the land exchange. A new revised restrictive covenant (Attachment F) will be recorded with the correct address of the Arsht Center: 1300 Biscayne Boulevard, Miami, Florida, 33132. All other terms of the restrictive covenant shall remain as before.

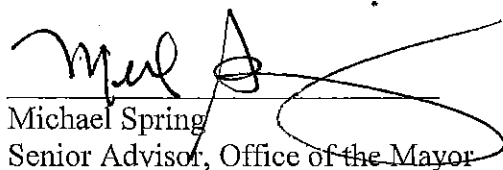

Summary

FDOT's reconstruction plans for I-395 include the construction of a new signature bridge that will become an icon for the South Florida community. The placement of the signature bridge and its setback requirements include the southeast corner of Parcel 171. FDOT originally requested Parcel 171 from the County, but, noting the Arsht Center's greater evolving need for parking, FDOT proposed the land exchange in the best interest of all parties.

The proposed land exchange will accomplish the following:

- Provide FDOT with sufficient clearance to reconstruct I-395 with the planned signature bridge;
- Preserve the view corridor at the front of the Arsht Center's Ballet Opera House by restricting future building on Parcel 171. The proposed deed for Parcel 171 includes the following restriction: "No permanent building shall be erected on the Property so as to obstruct, impede or block the sightline and view from, to and of the Performing Arts Center;" and
- Provide a nearby County-owned location suitable for the development of a park for community use and parking to serve the Arsht Center.

**Re: DEP Agreement No. SP519
State of Florida Grant Assistance
Pursuant to Line Item 1300A of the 1998-99 Appropriations Act**

Dear Mr. Spring,

Per your request, we have reviewed the terms of the above-referenced grant agreement and the draft documents for the proposed land exchange being contemplated between Miami-Dade County (the "County") and the Florida Department of Transportation ("FDOT"). DEP grant proceeds partially funded the "acquisition of land and the development of park land, including related vehicle parking, for the new downtown Performing Arts Center of Greater Miami" and those are the purposes for which the land has been utilized.

Now, the County seeks to undertake a land exchange with FDOT for land in the immediate vicinity in order to continue to provide open, green space and parking for the Adrienne Arsht Center (previously Performing Arts Center of Greater Miami). As you have confirmed, the proposed land exchange would preserve the intent of the grant by addressing the current and future needs for parking for the Adrienne Arsht Center and for surrounding park spaces and, therefore, would not violate the terms of the above-referenced grant agreement.

Sincerely,

RELEASE OF RESTRICTIVE COVENANT
(Grantee owns land.)

THIS RELEASE OF RESTRICTIVE COVENANT ("Release") is hereby entered into this 14 day of September, 2015, by Miami-Dade County, hereinafter referred to as the "Grantee;" and the State of Florida, Department of State, Division of Cultural Affairs, hereinafter referred to as the "Division".

WHEREAS, the Grantee is the fee simple title holder of the land located at 240 Northeast 13th Street, Miami, Florida 33132 ("Subject Property") and of the building(s) and underlying land located at 1300 Biscayne Boulevard, Miami, Florida 33132 ("Facility"). A legal description of the Subject Property is attached as Exhibit A and made a part hereof.

WHEREAS, in 2006, the Grantee applied for and received a grant in the amount of \$750,000.00 from the Division ("Grant") for the Facility, **Project Title: Miami Performing Arts Center (07-9101)**, and was required, as a condition of the grant award, to record a restrictive covenant on the Facility limiting its use as a cultural facility for at least ten (10) year thereafter.

WHEREAS, on October 19, 2006, the restrictive covenant was mistakenly recorded on the Subject Property instead of on the Facility and such restrictive covenant was recorded in the public records of Miami-Dade County, Florida at OR Book 25017, at pages 4011-4019 ("Restrictive Covenant").

WHEREAS, the Division and the Grantee desire to release and forever discharge the Subject Property from the Restrictive Covenant and, in consideration thereof, the Division and the Grantee have agreed instead to record a new restrictive covenant on the Facility that accomplishes substantially the same purpose as the Restrictive Covenant in so much that it will limit the use of the Facility to that of a "cultural facility," as defined therein, for at least (10) ten years following the execution of the original grant award agreement.

NOW THEREFORE, in partial consideration for the Cultural Facilities Grant and the recordation of a new restrictive covenant on the Facility, the Parties hereby agree to the following:

- 1.) The foregoing recitals are incorporated herein and are fully approved by the Division and the Grantee.
- 2.) The Restrictive Covenant dated September 26, 2006 and recorded in the public records of Miami-Dade County, Florida at OR Book 25017, at pas 4011-4019 is hereby released and the Subject Property and the Grantee are forever discharged from such Restrictive Covenant.
- 3.) The Grantee shall record this Release in the public records with the Clerk of the Circuit Court of Miami-Dade County, Florida; pay all fees associated with its recording; and provide a certified copy of the recorded covenant to the Division.
- 4.) The Division and the Grantee agree that this Release shall be binding on the Division and that no subsequent purchaser of the Subject Property shall be bound by the terms of the Grant or the Restrictive Covenant.

IN WITNESS WHEREOF, the Grantee and the Division affirm that they have read this Release; that they understand and agree to its terms; and that they hereby affix their signatures accordingly.

RESTRICTIVE COVENANT

(Grantee owns land and building.)

THIS RESTRICTIVE COVENANT is hereby entered into this
26 day of September, 2006, by **Miami-Dade

Affairs, hereinafter referred to as the "Division".

WHEREAS, the Grantee is the fee simple title holder of the land and the building(s) to be used
as a regional cultural facility located at **1300 Biscayne Boulevard, Miami, Florida 33132**.
A legal description of the subject property is attached as Exhibit A and is made a part of this covenant.

WHEREAS, on September 26, 2006, the Division and the Grantee executed the grant award
agreement and, since that time, the Grantee has been continuously and uninterruptedly using the
Facility in accordance with the requirements of the grant award agreement and the provisions set
forth herein.

WHEREAS, the Division has authority under Section 265.702(8), Florida Statutes, to require
that this restrictive covenant be recorded to ensure that the facility will be used as "regional
cultural facility," as defined herein, for at least ten (10) years following execution of the grant
award agreement, which date is September 26, 2016.

NOW THEREFORE, in partial consideration for the Regional Cultural Facilities Grant and in
accordance with Section 265.702(8), Florida Statutes, the Parties agree to the following:

1.) This restrictive covenant shall run with the title to the facility and the associated land, shall
encumber them, and shall be binding upon the Grantee and its successors in interest until

2.) The grant award shall only be expended for

3.) For the required duration of this covenant, the Parties agree that the Grantee shall own all improvements made to the facility and the associated land, funded in whole or in part by grant funds.

4.) The Division has the right to inspect the facility at all reasonable times to determine whether the conditions of the grant award agreement and this covenant are being complied with.

5.) The Grantee shall maintain the facility as a "regional cultural facility," defined as an existing or proposed fixed facility that is primarily engaged in the disciplines of dance, music, theater, visuals arts, literature, media arts, interdisciplinary and multidisciplinary, programs of museums, and able to satisfy the requirements of section 265. 702(5), Florida Statutes.

6.) This restrictive covenant will be violated if the Grantee or its successors in interest do not use the facility as a regional cultural facility, as defined above, within the term of this restrictive covenant. If the Grantee violates this covenant, it shall repay 20% of the grant funds to Division.

7.) Any amount due from the Grantee as a result of a violation of this restrictive covenant shall be due in full within 90 days of the violation, or some other period of time as agreed upon by the parties.

8.) If the entire amount due under the provisions of paragraph six (6) is not repaid by the Grantee within the time allotted, the Parties agree that the Division may obtain a stipulated judgment against the Grantee for the amount due plus interest at the current legal rate, and record it in the public records of the county where the land and cultural facility are located. The Parties further agree that such a judgment shall be a stipulated judgment by virtue of full execution of this restrictive covenant; that it shall not require further approval of the Grantee to obtain; and that no trial or hearing shall be necessary to make such a stipulated judgment legally effective. Such a judgment, when recorded, shall be considered a valid lien upon Grantee's interest in the facility and the associated land, including all improvements funded in whole or part by grant funds.

9.) As a condition to receipt of grant funds, the Grantee shall:

- a. Record this covenant in the public records with the Clerk of the Circuit Court of Miami-Dade County, Florida;
