## MEMORANDUM

**DATE:** February 17, 2016

**TO:** Honorable Chairman Jean Monestime  
And Members, Board of County Commissioners

**FROM:** Pedro J. Garcia, MNAA  
Property Appraiser 

**SUBJECT:** Ordinance Amending Section 2-31 of the Code of Miami-Dade County,  
Exempting any Classification in the Property Appraiser's Office with  
Access to Taxpayer's Confidential Information

---

It is recommended that the Board of County Commissioners ("Board") approve the attached Ordinance amending Section 2-31 of the Code of Miami-Dade County ("Code") relating to the consideration of criminal records in the recruitment process prior to a conditional offer of employment being extended to prospective employees. This amendment would exempt any position in the Property Appraiser's (PA) Office with access to taxpayers' confidential information from the employment screening practices defined in Section 2-31 of the Code.

Scope

N/A

Fiscal Impact/Funding Source

Amendment of this Ordinance will not have a fiscal impact on the County.

Track Record/Monitor

The PA's Office will implement the provisions of this Ordinance.

Background

On June 2, 2015, the Board adopted Ordinance 15-118, which eliminated questions regarding criminal history from applications for County employment and required that an applicant's arrest record not be considered in the hiring process unless there is an actual prior criminal conviction. Section 2-31(c) of the Ordinance, *Limiting provisions*, included language that exempted the hiring of law enforcement officers, police complaint officers, police dispatchers, fire fighters, correctional officers, correctional technicians, and correctional labor supervisors from these requirements.

The PA's Office is required to maintain the confidentiality of certain property owner information pursuant to Florida law (see Section 192.0105, Florida Statutes). PA staff has access to over 600,000 property owner social security numbers and annually reviews over 325,000 tax returns and 2,000 personal trusts. Because certain positions within the PA's Office have access to such confidential information, it is important for the PA's Office to conduct a criminal background check when hiring new employees and consider a prospective candidate's criminal record prior to offering him or her a position.

Therefore, it is recommended that the Board approve this amendment to the Ordinance to exempt any classification in the PA's Office with access to property owners' confidential information from the employment screening practices provided for by Section 2-31 of the Code.
