**Date:** April 5, 2016

**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor 

**Subject:** Ordinance Creating a Process to Expedite Certain Capital Development Projects  
for PortMiami

---

### **Recommendation**

The implementation of this proposed ordinance is recommended, as it is intended to accelerate the procurement of a limited number of revenue generating PortMiami (Port) projects that are specifically and periodically approved by the Board of County Commissioners (Board). The primary purpose of the ordinance is to delegate to the County Mayor the power to award approved projects subject to ratification by the Board.

The ordinance specifically prevents the expedite process from exempting the Port from community, small business, or other similar workforce legislative requirements.

### **Scope**

The Port is located within District 5, which is represented by Commissioner Bruno A. Barreiro. The impact of this agenda item is countywide, as PortMiami is a regional asset and generates employment for residents throughout Miami-Dade County.

### **Fiscal Impact/Funding Source**

If approved, this ordinance is not expected to have a negative fiscal impact to Miami-Dade County, as its intent is to expedite the procurement process of projects previously approved by Board Resolution.

### **Track Record/Monitor**

The staff members responsible for monitoring the Capital Development Projects are Juan Kuryla, Port Director, and Kevin Lynskey, Deputy Port Director.

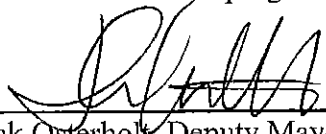

### **Background**

The Port is a proprietary department, as its primary income is derived from producing and leasing infrastructure and facilities. These capital projects frequently require the Port to respond to private sector cruise and cargo business timelines. In addition, the Port often enters into contractual obligations, as approved by the Board, to repair, maintain, and improve Port buildings, roads, utilities, bulkheads, garages, and other Port infrastructure for our stakeholders.

This ordinance delegates award authority to the County Mayor for projects previously approved and specifically authorized by the Board for this expedited process. The Board has previously approved expedite ordinances with similar delegated authorities, including ratification

- (7) The powers conferred in this Ordinance shall be supplemental to, and not in derogation of, any other powers or authority granted elsewhere in any ordinance, statute or resolution.

**Section 2.** The County Mayor or the County Mayor's designee is hereby authorized and directed to create solicitation and contract specifications to give effect to the intent of this Section.

**Section 5.** The substantive provisions of this ordinance shall be effective for all Capital Improvement Project contracts identified by the Board of County Commissioners by resolution, to the extent provided in such resolution.

**Section 6.** This ordinance shall become effective ten (10) days after the date of enactment unless vetoed by the Mayor, and if vetoed, shall become effective only upon an override by this Board.
