Memorandum

Date: April 5, 2016

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Authorizing the Conveyance of an Easement to Florida Power and Light Company for the Installation and Maintenance of Electrical Power Transmission Facilities at Zoo Miami

Recommendation

It is recommended that the Board of County Commissioners adopt the attached resolution authorizing the conveyance of a 2,317-square foot easement to Florida Power and Light Company (FPL) for underground electrical lines, an electrical transformer, and related equipment for a composter machine at Zoo Miami.

Scope

Zoo Miami is located at 12450 SW 152 Street in County Commission District 9, which is represented by Commissioner Dennis C. Moss.

Fiscal Impact/Funding Source

The fiscal impact is receipt of \$1.00 from FPL, into Index Code PREHAU438731.

Track Record/Monitor

The Property Management Supervisor of the Miami-Dade Parks, Recreation and Open Spaces Department (MDPROS), John Bowers, will ensure completion of the easement document, its recording, and delivery to the Clerk of the Board.

Background

A new composting machine requires electrical power at Zoo Miami. FPL will provide electrical power in exchange for Miami-Dade County's providing a 2,317-square foot easement for underground electrical lines, an electrical transformer, and related equipment. The easement area is approximately 10-feet wide and 230-feet in length. The only above-ground facility will be the transformer, mounted on a concrete pad, which has been located in an area (Attachment A to the resolution) out of the public view so that it will not adversely impact the park's aesthetics in accordance with Resolution No. R-504-15.
