Qualitative Points – 468
Ordinal Score – 7
Final Ranking – 1

3.1.2 To the extent this indemnification clause or any other indemnification clause in this Agreement does not comply with Chapter 725, Florida Statutes, as may be amended, this provision and all aspects of the Contract Documents shall hereby be interpreted as the parties' intention for the indemnification clauses and Contract Documents to comply with Chapter 725, Florida Statutes, as may be amended.

The A/E shall maintain required insurance coverage for the full term of this Agreement, or for such longer period(s) as may be specifically required herein.

The A/E shall furnish certificates of insurance to the Owner prior to commencing any operations under this Agreement. They shall also at their own expense furnish the County, or its duly authorized representative with copies of all correspondence, papers, records, and other items necessary or convenient for dealing with or defending against claims and for administering the aforementioned insurance including furnishing the time of any of their employees, officers, or agents whose presence or testimony is necessary or convenient in any negotiations or proceedings involving such insurance.

Such services shall be pursuant to appropriate agreements between the A/E and the Sub-consultants, which shall contain provisions that preserve and protect the rights of the Owner under this Agreement. Nothing contained in this Agreement shall create any contractual relationship between the Owner and the Sub-consultants.

The A/E shall not change any Sub-consultant without prior approval by the Director in response to a written request from the A/E stating the reasons for any proposed substitution. Any approval of a Sub-consultant by the Owner shall not in any way shift the responsibility for the quality and acceptability by the Owner of the services performed by the Sub-consultant from the A/E to the Owner. The A/E shall cause the names of Sub-consultants responsible for significant portions of the Services to be inserted on the Plans and Specifications, subject to the approval of the Owner.

The A/E may employ Sub-consultants to assist the A/E in performing specialized Services. Payment of such Sub-consultants employed at the option of the A/E shall be the responsibility of the A/E and shall not be cause for any increase in compensation to the A/E for the performance of the Primary Services. The quality of services and acceptability to the Owner of the services performed by such Sub-consultants shall be the sole responsibility of the A/E.

- 3.6 **TERM OF AGREEMENT:** This term of this Agreement shall be for six (6) years and shall begin upon execution by the parties and shall be in effect until all Services are completed or until those Services Orders in force at the end of the stated period of time have been completed and the Services accepted, whichever may be later.

The Owner may terminate this Agreement if the A/E is found to have submitted a false certification or is subsequently placed on the Scrutinized Companies for Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List during the term of this Agreement.

Notwithstanding any other penalties for firms that have discriminated in violation of Article VII, Chapter 11A, of the Code, the Owner may terminate the Agreement or require the termination or cancellation of a subconsultant contract. In addition, a violation by the A/E or a subconsultant, or failure to comply with the Administrative Order (A.O.) 3-39 may result in the imposition of one or more of the sanctions listed in the A.O. (See www.miamidade.gov/ao/home.asp).

In the event the Owner terminates this Agreement for cause, the Owner will take over any and all documents resulting from Services rendered up to the termination and may complete them, by contracting with other architect(s), engineer(s) or otherwise, and in such event, the A/E shall be liable to the Owner for any additional cost incurred by the Owner due to such termination. "Additional Cost" is defined as the difference between the actual cost of completion of such incomplete Services and the cost of completion of such Services which would have resulted from payments to the A/E hereunder had the Agreement not been terminated. Upon receipt of written Notice of Termination, the A/E shall, when directed by the Owner, promptly assemble and submit as provided herein or as required in any Service Order issued hereunder, all documents including drawings, calculations, specifications, reports, correspondence, and all other relevant materials affected by such termination. The County may terminate this contract or require the termination or cancellation of any sub-consultant contract, if the Consultant or any sub-consultant(s) violates Article VII of Chapter 11A of the Code. In addition, a violation by the Consultant, or sub consultant to the Consultant, or failure to comply with A.O. 3-39 may result in the imposition of one or more of the sanctions listed in the A.O.

- 3.9.3 No acceptance, order, payment, or certificate of or by the Owner, or its employees or agents shall either stop the Owner from asserting any rights or operate as a waiver of any provisions hereof or of any power or right herein reserved to the Owner or of any rights to damages herein provided.
- 3.10 SOLICITATION: The A/E warrants that: 1) it has not employed or retained any company or person, other than a bona fide employee working solely for the A/E, to solicit or secure this Agreement; and 2) that it has not paid, nor agreed to pay any person, company, corporation, joint venture, individual, or firm, other than a bona fide employee working solely for the A/E any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. Such audit may take place at any mutually convenient time during the performance of this Agreement and for three (3) years after final payment under this Agreement. The A/E shall maintain, as part of its regular accounting system, records of a nature and in a sufficient degree or detail to enable such audit to determine the personnel hours and personnel costs and other expenses associated with each Project and/or task authorized for performance by Service Order(s). In accordance with Florida Statutes 287.055, the A/E hereby certifies and warrants that wage rates and other factual unit costs as submitted supporting the compensation provided here are accurate, complete, and current as of the date of the submittal. It is further agreed that said compensation provided for in this agreement shall be adjusted to exclude any significant costs where the Owner determines that the payment for Services was increased due to inaccurate, incomplete, or non-current wage rates or other factual unit costs. Unless otherwise authorized by Amendment to this Agreement, payments to the Consultant for Primary Services and Reimbursable Expenses performed shall not exceed ONE MILLION THREE HUNDRED THOUSAND DOLLARS (\$1,300,000.00) and shall be disbursed as reflected herein.

All allocations of money as between Primary, Work-Site, Work-Related, and Dedicated services are for budgetary purposes only. The County, in issuing service orders, may transfer monies between such service categories without restraint, subject to the overall contract allocation for this Agreement. Owner agrees to pay the Consultant and the Consultant agrees to accept for all Services rendered pursuant to this Agreement, the amounts determined in accordance with this article. No payment will be made to the Consultant for work performed without a Service Order.

8.1 **PAYMENT FOR SERVICES:** The fee for Services authorized in accordance with this Agreement will be computed by one (1) of the following three methods:

8.1.1 Compensation to the Consultant for Services shall be based as follows:

8.1.1.1 Flat rate: When approved based on resume qualifications and experience, compensation to the Consultant for Services shall be on the basis of flat rates in accordance compensation schedule below. Any other classifications that may be used during the course of performing the Services and the hourly rate for such classifications shall only be authorized by Service Order.

CATEGORY	TITLE	FLAT RATE (\$/HR)
I	Principal	\$150.00
II	Project Manager	\$130.00
III	Senior Engineer	\$115.00
IV	Professional Engineer	\$120.00
V	Staff Engineer	\$100.00
VI	Design / Engineer Technician	\$85.00
VII	Field Inspector	\$85.00
VIII	Field Support	\$85.00
IX	Administrative Support/Clerical	\$55.00

The maximum flat rate for all other personnel, not listed above shall not exceed \$130.00 per hour. The Owner reserves the right to adjust the maximum flat rate.

8.1.1.2 Not to Exceed: Under this compensation basis, the Consultant is compensated for the actual time of personnel engaged directly in performing Services under this Agreement. In addition, the Consultant is compensated for other related services necessary to complete the required services. A not to exceed cap for the total fee for each assignment given

under this compensation basis shall be established prior to the issuance of the Service Order. The compensation method shall be in accordance with the compensation schedule as shown in 8.1.1.1 of this Agreement.

8.1.1.3 Agreed Lump Sum: Under this compensation basis, the Consultant agrees to perform specifically described Services for an agreed fixed dollar amount of compensation.

8.1.1.4 Overtime Employees that are salaried are not required to be paid time and one half for work over 40 hours. The following formula will be utilized for calculating overtime for salaried employees: Forty (40) hours multiplied by the base pay rate (\$) multiplied by the appropriate multiple (M) (if applicable); plus Hours Worked Beyond Forty (40) Hours During Week (Hrs) multiplied by the pay rate (\$) multiplied by 1.1. Using conventions contained in Microsoft Excel, the equation for this would be:

$$0*\$*M) + (Hrs*\$*1.1)$$

For Employees that are on an hourly basis and are required to be paid at a time and one half overtime rate, the following formula will be utilized for calculating overtime: Hours Worked Beyond Forty (40) Hours During Week (Hrs) multiplied by the premium pay rate (\$*1.5) and then multiplied by 1.1. Using conventions contained in Microsoft Excel, the equation for this would be:

$$(40*\$*M) + (Hrs*\$*1.5*1.1)$$

EXAMPLE

Hours worked during week = 50

Pay rate = \$38/hr.

Multiplier = 2.65

$$(40*30*2.65) + (10*30*1.1) = 3180 + 330 = \$3510 \text{ or}$$

EXAMPLE

Hours worked during week = 50

Pay rate = \$30/hr.

Multiplier = 2.65

$$(40*30*2.65) + (10*30*1.5*1.1) = 3180 + 495 = \$3675$$

8.1.1.5 Consultant shall not invoice Owner for charges for office, rent or overhead expenses of any kind, including but not limited to, insurance, telephone (except long distance calls authorized by the Owner), and utility charges, office/drafting supplies, depreciation of equipment, professional dues, subscriptions, reproduction of drawings and/or specifications for internal use, mailing, stenographic, clerical, nor shall it invoice for other employee time or travel and subsistence not directly related to the Project.
