

Memorandum

Date: March 8, 2016

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: FY 2014-15 End-of-Year Supplemental Budget

Agenda Item No. 5(G)

This item was amended at the February 9, 2016 meeting of the Strategic Planning and Government Operations Committee to increase the allocation for the Mom and Pop program from \$233,000 to \$315,000; to detail the Parks and Recreation GF 040 transaction to reflect \$174,000 of intradepartmental revenues and expenditures, and \$3.865 million of operating revenues and expenditures; and to reflect the total value of the adjustments in the item as \$52.835 million or 1.12 percent rather than \$52.223 million or 1.11 percent. The corresponding ordinance schedules were adjusted accordingly. In addition, the following scrivener's errors were read into the record: the word "Rickenbacker" was added before Causeway Fund ER 430 and Causeway Capital Fund ER 431 in the Public Works and Waste Management paragraph, and the value of the reserves for Fund SF 011, Subfund 124, as reported in the memorandum, was corrected to \$1.89 million, rather than \$890,000.

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached supplemental budgets in accordance with the Home Rule Charter and Section 129.06 of the Florida Statutes. These amendments will align the County's FY 2014-15 Adopted Budget with actual expenditures.

Scope

The impact of this item is countywide.

Fiscal Impact/Funding Source

Detailed below.

Background

A supplemental budget is required by the Miami-Dade County Charter and State law when expenditures exceed budgeted appropriations.

The revisions incorporated in this supplemental budget include adjustments associated with increased sales tax distribution to the Public Health Trust and local business tax distribution to the Economic Development Fund (Beacon Council), as well as General Fund Carryover and increased expenditures due to the transfer of function(s) (i.e. Cooperative Extension) and the activation of capital projects that were not included in the FY 2014-15 Adopted budget. The adjustments included in this item equal \$52.835 million, which is 1.12 percent of the total operating budget.

General Fund

The General Fund (GF 010, Subfund 010) requires a budget supplement and amendment to fund various General Fund supported activities described below. These adjustments are supported by higher than anticipated carryover (\$871,000) and savings from departments (\$7.431 million) - Office of the Mayor, State Attorney's Office, Public Defender, Office of the Clerk, Legal Aid, Medical Examiner, Police,

Juvenile Services, Election, and Community Information and Outreach. The actions necessary for these budget adjustments were taken into account as part of the FY 2015-16 budget development and will not affect the current year budget. Total General Fund adjustments are \$8.302 million and distributed as described below.

Corrections and Rehabilitation

The Corrections and Rehabilitation Department requires a budget adjustment of \$5.459 million to cover costs associated with higher than anticipated overtime costs generated from actions taken to comply with the Settlement Agreement with the United States Department of Justice, such as additional training requirements for staff and changes in the officer to inmate ratios based on population type.

Administrative Office of the Courts (AOC)

The AOC requires a budget adjustment to reflect additional General Fund revenue of \$349,000 (Fund GF 030, Subfund 042) to offset traffic citation surcharge revenue losses. These revenues were impacted by statutory changes that shifted toll violations from a court-related infraction to a civil citation. Therefore, these violations no longer go through the Circuit Court system, which reduces the traffic surcharges assessed.

Fire Rescue

The Miami-Dade Fire Rescue Department requires a budget supplement of \$909,000 (Fund SF 011, Subfund 118 Lifeguards, Ocean Rescue, Communications, and Fire Boat) to cover higher than anticipated overtime and termination payout expenditures in its countywide functions. Funding is provided from unallocated prior year carryover revenue in Fund SF 011, Subfund 118 (\$530,000) and the General Fund (\$359,000).

Office of the Property Appraiser

The Miami-Dade County Public Schools will no longer pay for a portion of the Value Adjustment Board (VAB) related expenditures in the Office of the Property Appraiser (PA). The FY 2014-15 budget assumed a payment of \$2.047 million. In addition, to address the continued back-log of pending VAB cases, the PA added 24 positions, increasing personnel costs by \$1.447 million (Attachment A), the cost of which was partially offset by savings in other spending categories (\$238,000). Therefore, the PA requires a budget adjustment of \$3.256 million (Fund GF 030, Subfund 056). Funding is provided from higher than anticipated departmental prior year carryover (\$1.141 million) and an additional General Fund subsidy (\$2.115 million).

Proprietary Funds

Animal Services

The Animal Services Department requires a budget supplement in the amount of \$12,000 (Fund TF 600, Subfund 022, Project 022111) to cover higher than anticipated expenditures related to surgical supplies, drugs and transportation. Funding is provided from higher than budgeted donations' revenue.

Information Technology

The Information Technology Department requires a supplemental budget in GF Fund 060 in the amount of \$22.756 million for expenses related to the consolidation of countywide information technology (IT) functions, which includes the transfer of 68 IT positions from the Corrections and Rehabilitation Department, PortMiami, Miami-Dade Transit, and Parks, Recreation and Open Spaces (\$6.06 million); for a higher volume of IT purchases on behalf of County departments procured through IT consolidated contracts (\$15.103 million); and for other pass-through expenses for County projects (\$3.312 million) that

were partially offset by reductions in other operating expenses of \$1.72 million. These expenditures are fully funded by chargeback revenues from County departments.

Medical Examiner

The Medical Examiner is no longer participating in the Treasury Forfeiture Program. The department is required to remit all unspent funds to the Department of the Treasury. A supplemental budget of \$69,000 is required in TF 600, Subfund 601, Project 630TME, Project Detail 630348 to return the funds.

Parks, Recreation and Open Spaces/Regulatory and Economic Resources

The Parks, Recreation and Open Spaces Department requires a supplemental budget of \$4.039 million in Fund GF 040 (various subfunds) associated with intrafund transfers, unbudgeted termination and unused sick pay, purchase of heavy equipment for Beach Maintenance, environmental clean-up, wetland mitigation, and miscellaneous costs. Funding for these adjustments is provided by higher than budgeted earned revenues distributed across various subfunds.

In addition, on July 9, 2015, I informed the Board via memorandum (Attachment B) that in order to better align the County's operation functions the Cooperative Extension function would be transferred from the Regulatory and Economic Resource Department (RER) to the Parks, Recreation and Open Spaces Department (PROS). As a result, PROS also requires a supplemental budget of \$321,000 in Fund GF 040, Subfund 001 for expenditures related to the transfer that include 17 full-time positions and one part-time position. A corresponding adjustment will be reflected in RER Fund GF 030, Subfund 032. Attachment A includes revised Tables of Organization for PROS and RER to reflect the transfer of the positions relating to the Cooperative Extension.

Public Works and Waste Management

The Public Works and Waste Management (PWWM) Department requires an amendment of \$3.836 million to reflect the creation of Fund EN 438. This fund was created to separate and properly track Venetian Causeway from Rickenbacker Causeway revenues and expenses. A corresponding adjustment will be reflected in the Rickenbacker Causeway Fund ER 430. The Department also requires a supplemental budget of \$3.181 million in Rickenbacker Causeway Capital Fund (Fund ER 431, Various Subfunds) related to higher than anticipated capital expenditures such as Causeway Toll System Upgrade, demolition, rehabilitation, maintenance, repair, and replacement of bridges. Funding is provided from higher than anticipated Rickenbacker Causeway Capital Fund prior-year carryover.

PWWM requires a supplement of \$198,000 in Fund CO 330 to provide required federal grant match funding support for the Metropolitan Planning Organization. The additional funding will be provided from higher than anticipated Secondary Gas tax receipts.

Special Taxing District Fund SO 900, Subfund 905 requires a budget supplement of \$665,000 related to higher than anticipated postage and printing costs associated with additional notices mailed out to all special taxing district residents regarding the setting of rates for FY 2015-16 and other security guard related operating expenses that were higher than anticipated. Funding is provided from unallocated prior-year carryover within each of the impacted districts.

As part of the PWWM's continued financial structure cleanup, a budget supplement of \$1.918 million in Fund SO 720 is required to reflect the close out of that fund and the transfer of existing fund balances in stormwater utility payments into the department's stormwater utility operating fund (Fund SU 140 Subfund 141).

Mom and Pop Program

The Mom and Pop Program requires a supplemental budget of \$315,000 in Fund GF 030, Subfund 041 to cover the distribution of grant awards approved over more than one fiscal year period. Funding is provided from prior year carryover.

County Public Hospital Sales Tax Fund - Public Health Trust

FY 2014-15 year-end County Health Care Sales tax receipts were \$16.3 million higher than budgeted. A supplemental budget is required to transfer these funds to the Public Health Trust in Fund SD 510, Subfund 510.

Economic Development Fund - Beacon Council

Fund SO 120, Subfund 122 requires a supplemental budget of \$172,000 to reflect the transfer of higher than anticipated local business tax receipts to the Beacon Council pursuant to Section 8A-171.2(b) of the Code of Miami-Dade County.

Tourist Taxes

A supplemental budget is required to authorize additional transfer of revenues pursuant to governing ordinances and State Statutes of \$2.27 million for the Tourist Development Tax (TDT) (Fund ST 150, Subfund 151), \$783,000 for the Tourist Development Surtax (TDS) (Fund ST 150, Subfund 152), \$994,000 for the Professional Sports Franchise Facility Tax (PSFFT) (Fund ST 150, Subfund 154), and \$20.687 million from Professional Sports Franchise Tax Refunding – Surplus Fund/Shortfall Reserve (Fund D5 205, Subfund 2S8, Project 205804) to Convention Development Tax (Fund ST 160, Subfund 163). Per State Statute, revenues from tourist taxes are budgeted at 95 percent. This supplemental budget distributes any additional revenues collected to the Greater Miami Convention and Visitors Bureau, the Department of Cultural Affairs, Miami-Dade County for administrative costs, debt service, and the debt service shortfall reserve as required by Code and other legislation.

Capital Budget

The following projects were not included in the FY 2014-15 Adopted Budget because they were expected to be completed in FY 2013-14. The projects continued in FY 2014-15 and the appropriate budget adjustments must be made utilizing previously approved revenues:

- Countywide Radio System Tower and Facility Improvements (Project #1687880) for \$267,000 - 2005 Sunshine State Loan (Fund CB 360, Subfund 101)
- Housing Safety and Security Improvements (Project #809850) for \$248,000 - 2007 Sunshine State Loan (Fund CB 360, Subfund 104)
- Cyber Security (Project #1681700) for \$4,000 - 2007 Sunshine State Loan (Fund CB 360, Subfund 104)
- West Lot Multi-Purpose Facility (Project #111620) for \$283,000 - Capital Asset Acquisition Bond Series 2009A and 2009B (Fund CB 362, Subfunds 004 and 005)
- Cyber Security (Project #1681700) for \$184,000 - Capital Asset Acquisition Bond Series 2009A and 2009B (Fund CB 362, Subfunds 004 and 005)
- Marina Capital Plan (Project #932660) for \$32,000 - Capital Asset Acquisition Bond Series 2009A and 2009B (Fund CB 362, Subfunds 004 and 005)
- Children's Courthouse (Project #3020081) for \$6.085 million - Special Obligation Court Facilities Bond 2014 Series (Fund CB 363, Subfund 002, Project 363005)
- Miami-Dade County Courthouse Façade Repairs (Project #3024160) for \$1.479 million - Capital Asset Acquisition Bond Series 2004B (Fund CB 362, Subfund 003)

- Northeast Regional Library (Project #908680) for \$1.003 million - Capital Asset Acquisition Bond Series 2007A (Fund CB 360, Subfund 015, Project 368043)
- QNIP II Local Park Improvements (Project #9341030) for \$357,000 - Quality Neighborhood Improvement Program (QNIP) Phase II Series 2002 Public Service Tax Revenue Bonds (Fund CB 361, Subfund 003)

Fire Rescue's Special Revenue Fund (Fund SF 011, Subfund 124) requires a supplemental budget of \$18.622 million to cover the costs associated with the Department's fleet replacement plan to include pumpers, rescues, platforms, battalions, and special event vehicles. This project and associated expenses were inadvertently omitted from the Department's FY 2014-15 Multi-Year Capital Plan. Funding is provided by financing proceeds (\$16.732 million) and fleet reserves (\$1.89 million) pursuant to equipment leases.

On March 17, 2015, the Board adopted resolution R-251-15, authorizing \$13.2 million for the lease purchase of marked and unmarked police vehicles. The financing proceeds will be received in Capital Outlay Reserve (COR) to pay for the corresponding expenses (\$3.17 million). In addition, it was anticipated that the financing needed to complete the Animal Services Facility would be secured in FY 2014-15. However, the debt service issuance was delayed until FY 2015-16. As a result of the delay, the expense (\$10.324 million) is being temporarily moved to COR, as legally required, until the financing proceeds have been received, at which time the expenditures will be transferred to the appropriate fund. Until such time, this adjustment will be funded through the reallocation of expenses between current and future year Capital Outlay Reserve revenues.

A supplemental budget of \$57.439 million is required to authorize expenditures for transactions relating to the issuance of The Transit System Sales Surtax Fund Series 2015 Bonds, Public Works and Waste Management Portion, (Fund D5 209, Subfund 2T4, Project # 209407). The 2015 series replaces the debt service for the recently refunded 2006 and partially refunded 2008 Transit System Sales Surtax Bond series. Funding is provided by bond proceeds.

Budget Line Item Transaction Appropriations

Miami-Dade County Ordinance 07-45 requires the disclosure of line item expenditures that exceeded budgeted allocation and the proper line item adjustments based on pre-established criteria. No transactions of this type had occurred when staff reported this information to the Board pursuant to the date established in the ordinance. In general, expenditure transactions beyond the stipulated line item budget are likely to occur in the last quarter of the year, when the majority of overdue transactions are posted in anticipation of the year-end closeout.

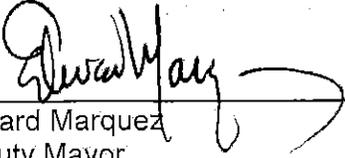

Attachment C lists all the transactions that require Board approval for the re-appropriation of budget as a result of exceeding the ten (10) percent threshold and/or the movement of personnel expenditures to other line item categories. In addition, Attachment D lists in detail the department line item appropriations that were administratively approved to reflect the proper expenditure categorization and did not exceed the ten (10) percent threshold. Both attachments detail the department name, the fund type where the over expenditure occurred, the spending category, the total budget for the department, the amount of the adjustment(s), the percent of the budget it represents, the spending category where the re-appropriation will occur, and a description of the adjustment. Through the approval of this item, the Board authorizes the Office of Management and Budget to process all budget transactions required to execute the year-end amendments/supplements.

REGULATORY AND ECONOMIC RESOURCES

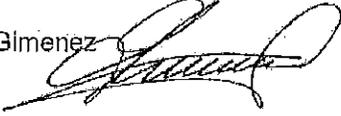

The FY 2014-15 total number of full-time equivalent positions is 934.75

Memorandum

Date: July 6, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Transfer of the Cooperative Extension Unit to the Parks, Recreation, and Open Spaces Department

In order to better align the County's operational functions, the Cooperative Extension unit of the Business Affairs Division (Cooperative Extension) of the Department of Regulatory and Economic Resources (RER) will be transferred, effective immediately, to the Parks, Recreation, and Open Spaces Department (PROS).

The mission of RER is to enable sustainable economic growth through smart regulatory strategies and business expansion initiatives. Cooperative Extension provides critical research based information and training to organizations and businesses involved with commercial agriculture, commercial landscape, and marine industries, and will continue to do so within their new organizational structure of PROS. However, a large part of Cooperative Extension's work relates to broader community outreach initiatives that benefit county residents through homeowner horticulture and water conservation programs, families through the Family and Consumer Sciences Program (FCS), and children through the 4-H/Youth Development Program. 4-H/Youth Development and FCS Programs are currently administered out of the Cooperative Extension office located within the Amelia Earhart Park, and in this way the unit is already poised to join the PROS organization in order to best serve this large group of customers.

To effect this change, 17 full-time and one part-time budgeted positions will be transferred from RER to PROS. The budgeted revenue and expenditure authority will be transferred through the year-end budget amendment for FY 2014-15.

If you need further information, please contact Deputy Mayor Jack Osterholt at (305) 375-5695 or PROS Director Jack Kardys at (305) 755-7903.
