

Memorandum

Date: (Public Hearing 4-5-16)
March 8, 2016

Agenda Item No. 5(C)

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
County Mayor

Subject: Ordinance Authorizing the issuance of not to exceed \$48 million Junior Lien Special Obligation Series 2016A Bonds

Recommendation

It is recommended that the Board of County Commissioners (Board) enact the accompanying Ordinance approving the issuance of up to \$48,000,000 of Miami-Dade County, Florida Junior Lien Special Obligation Bonds, Series 2016A (2016A Bonds) to fund a capital grant to the Museum of Science, Inc. (Museum) in order to allow its construction to be completed and the facility to be opened to the public.

The Ordinance authorizes proceeds from the 2016A Bonds to:

1. Fund a capital grant to the Museum in the amount of \$45,000,000;
2. Fund a Debt Service Reserve Fund for the benefit of the holders of the 2016A Bonds; and
3. Pay the cost of issuance of the 2016A Bonds.

The Ordinance restricts the 2016A Bonds to a maximum principal amount of \$48,000,000, a maximum interest rate of 3.5 percent, and a final maturity of October 1, 2035. Additionally, the Ordinance finds that based on the recommendation of the County's Financial Advisor, the negotiated sale of the 2016 Bonds is in the best interest of the County due to the complexity of the junior lien structure of the bonds and the expedited funding needs of the Museum and further authorizes the Mayor or Mayor's Designee to finalize the transaction subject to the restrictions noted. The Ordinance also provides that the terms, maturities, interest rates and other bond-related details for future bonds (e.g. refunding bonds) issued under the Ordinance, if any, will be established in a separate Series Resolution to be approved by the Board prior to the issuance of each such series.

Scope

Although the Museum is located in downtown Miami, its opening will provide long-lasting educational benefits countywide.

Track Record/Monitoring

The 2016A Bonds will be managed by Michael Spring, Senior Advisor, Office of the Mayor, and Director, Department of Cultural Affairs, and Frank P. Hinton, Director, Division of Bond Administration in the Finance Department.

Fiscal Impact/Funding Source

The 2016A Bonds will be repaid by Convention Development Tax (CDT) revenues on a subordinated "junior lien" basis after payments have been made on previously issued bonds, which are paid for by CDT revenues and secondarily backed by the County's share of local government half-cent sales tax ("Available Sales Taxes") and other contractual obligations funded by CDT revenues. Generally speaking, these "senior" CDT obligations include payments on bonds supported by CDT revenues such as bonds issued to construct Marlins Stadium, the Adrienne Arsht Center for the Performing Arts, and other cultural facilities; payments under the American Airlines Arena Management and other

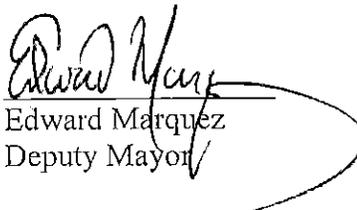

agreements; payments made to the City of Miami Beach and the City of Miami pursuant to interlocal agreements; and payments in support of the operations of theaters managed by the Department of Cultural Affairs, the Adrienne Arsht Center for the Performing Arts, the Pérez Art Museum Miami, and other cultural facilities. Similar to all prior bond issues that are paid for by CDT revenues, the 2016A Bonds will also be secondarily backed by Available Sales Taxes.

Background

If the Board approves the accompanying ordinance, the 2016A Bonds to be issued thereunder will provide \$45,000,000 to fund a capital grant to the Museum. The issuance of the 2016A Bonds will only occur if the Board approves a cultural facilities grant to the Museum which is the subject of a companion item to this current recommendation. The 2016A Bonds will be repaid by CDT revenues that were projected to be used to partially subsidize the operations of the Museum upon opening.

CDT revenues, when supported by a secondary pledge of Available Sales Taxes, have been used to pay the debt service on several bond issues that supported the construction or rehabilitation of the Miami Beach Convention Center, the Adrienne Arsht Center for the Performing Arts, the Marlins Stadium, the South Miami-Dade Cultural Arts Center, the Lyric Theatre, and several other cultural and tourist-related facilities. Since its inception, CDT revenues have also funded operational subsidies to several venues such as the American Airlines Arena, Crandon Tennis Center, Fairchild Tropical Botanic Garden, several museums (i.e. the Pérez Art Museum Miami, Museum of Science, Vizcaya Museum and Gardens, History Miami, and the Miami Children's Museum) and other cultural and tourist-related facilities. On a prospective basis, the Board also provided for the future funding of the currently subsidized operations when it contractually "carved out" CDT revenues prior to any payments pursuant to a Performance-Based Marquee Event Grant Agreement between the County and the Miami Dolphins organization.

One of these carved-out operating subsidies was a \$4,000,000 annual contribution to the Museum which, as noted earlier, will now be redirected to pay for the 2016A Bonds which will generate the funds to provide a \$45,000,000 capital grant to the Museum so that the facility can be completed and successfully opened to the public. A memorandum seeking bonding proposals was distributed to a number of financial institutions and the County subsequently received responses from BankUnited N.A., BBVA Compass Bank, Morgan Stanley, PNC Financial Service Group, SunTrust Bank, and Wells Fargo Securities. After a thorough evaluation of the proposals, BankUnited was selected as the institution that offered the most viable and cost effective solution. A copy of the BankUnited negotiated term sheet is attached to this memorandum for reference.

In the event that Purchaser is not the Bondholder of the Series 2016A Bonds, and the Bondholder and the Paying Agent have not agreed otherwise, (a) the principal of the Series 2016A Bonds shall be payable when due to a Bondholder upon presentation and surrender of such Series 2016A Bond at the designated corporate trust office of the Paying Agent, and (b) interest on the Series 2016A Bonds shall be paid on each Interest Payment Date by check or draft, mailed by the Paying Agent on that Interest Payment Date to the Bondholder of the Series

2016A Bond (or of one or more predecessor Series 2016A Bonds) as of the close of business on the fifteenth (15th) day (whether or not a business day) of the calendar month next preceding that Interest Payment Date (each, a “Regular Record Date”) and at the Bondholder’s address as it appears on the Register on that Regular Record Date, provided, however, that (i) if ownership of such Series 2016A Bonds are maintained in a Book-Entry-Only System by a securities depository, such payment shall be made by wire to such securities depository or its nominee and (ii) if such Series 2016A Bonds are not maintained in a Book-Entry-Only System by a securities depository, upon written request of the Holder of \$1,000,000.00 or more in principal amount of Series 2016A Bonds delivered to the Paying Agent at least 15 days prior to an Interest Payment Date, interest may be paid when due by wire if such Bondholder advances to the Paying Agent the amount necessary to pay any wire charges or authorizes the Paying Agent to deduct the amount of such payment. If and to the extent, however, that the County fails to make payment or provision for payment on any Interest Payment Date of interest on any Series 2016A Bond (other than with respect to the period during which the Purchaser shall be the sole Bondholder of the Series 2016A Bond), that interest shall cease to be payable to the person who was the Holder of that Series 2016A Bond as of the applicable Regular Record Date. In that event, when moneys become available for payment of the delinquent interest, the Paying Agent shall establish a special interest payment date (the “Special Interest Payment Date”) for the payment of that interest, and a special record date (the “Special Record Date”), which Special Record Date shall be not more than 15 nor fewer than 10 days prior to the Special Interest Payment Date; and the Paying Agent shall cause notice of the Special Interest Payment Date and of the Special Record Date to be mailed not fewer than 10 days preceding the Special Record Date to each person who was a Holder of such Series 2016A Bond at the close of business on the 15th day preceding said

mailing to such person's address as it appears on the Register on that 15th day preceding the mailing of such notice and, thereafter, the interest shall be payable to the person who was the Holder of such Series 2016A Bond (or one or more predecessor Series 2016A Bonds) as of the close of business on the Special Record Date.

The County Mayor is authorized to appoint a Paying Agent and a Bond Registrar after a competitive process and consultation with the Financial Advisor and, after consultation with the County Attorney and Bond Counsel, to execute any necessary agreements with the Paying Agent and the Bond Registrar.

The Board approves the Continuing Covenants Agreement in substantially the form on file with the Clerk's office as Exhibit B to this 2016 Ordinance, with such additions, deletions and completions as may be necessary and approved by the County Mayor in accordance with the terms of this 2016 Ordinance after consultation with the Financial Advisor, Bond Counsel and the County Attorney. Upon compliance by the Purchaser with the requirements of Section 218.385, Florida Statutes, as amended, the County Mayor, after consultation with the Financial Advisor, is authorized and directed to award the sale of the Series 2016A Bonds to the Purchaser upon the terms described in this 2016 Ordinance and to finalize the terms of, and to execute the Continuing Covenants Agreement between the County and the Purchaser and to deliver the Continuing Covenants Agreement. The execution and delivery of the Continuing Covenants Agreement by the County Mayor shall be conclusive evidence of the Board's approval of any such additions, deletions and completions and acceptance of the Purchaser's proposal to purchase the Series 2016A Bonds. The Board approves the negotiated sale of the Series 2016A Bonds to the Purchaser upon the final terms and conditions in this 2016 Ordinance and as set forth in the Omnibus Certificate and the Continuing Covenant Agreement.

Section 203. Details and Terms of Bonds other than Series 2016A Bonds. The Board shall by resolution specify, or provide for specification, for each Series of Bonds other than the Series 2016A Bonds prior to their issuance, their terms and provisions, including, but not limited to the date and terms of maturity or maturities of the Bonds; the principal amount and place and manner of payment; the principal and interest payment dates and the manner in which interest is to be calculated; the interest rate or rates of the Bonds, which may include variable, convertible or other rates, compound interest, Capital Appreciation Bonds, Capital Appreciation and Income Bonds, original issue discount and zero interest rate bonds, provided that the average net interest cost rate on such Bonds shall never exceed the maximum interest rate permitted by law in effect at the time such Bonds are issued, and provided further that in the event original issue discount, zero interest rate, Capital Appreciation Bonds, Capital Appreciation and Income Bonds or similar Bonds are issued, only the original principal amount of such Bonds shall be deemed to be issued on the date of issuance for the purposes of the maximum amount of Bonds authorized under the resolution authorizing such Bonds; the denominations, numbering and lettering of such Bonds; the Bond Registrar, the Paying Agent and place or places of payment of such Bonds; the terms of redemption for such Bonds and the use of proceeds of such Bonds.

Prior to the issuance of any Series of Bonds the proceeds of which will be, or with respect to any Refunding Bonds, the proceeds of the Bonds to be refunded were, used for a Project located outside of Miami, the County Mayor shall provide a certificate stating that for each Fiscal Year the County CDT shall be sufficient to pay the Bond Service Requirement for the Special Obligation Bonds, the Miami Beach Payments, the Cultural Affairs Grants to be utilized outside Miami, the allocable Bond Service Requirement for any Subordinate Special Obligation Bonds issued for any project located outside Miami, the Additional Miami Beach Payments and

the allocable Bond Service Requirement for any Bonds issued for any Project located outside Miami.

Section 204. Execution and Form of Bonds.

(a) Bonds shall be signed by, or bear the facsimile signature of, the Mayor and shall be signed by, or bear the facsimile signature of the Clerk and the official seal of the County or a facsimile thereof shall be imprinted on the Bonds. The Bonds shall be authenticated by manual signature of an authorized signer on behalf of the Bond Registrar for such Bonds. The County may provide any other uniform method for execution and authentication of Bonds by resolution related to such Bonds.

(b) The form of any Bonds other than the Series 2016A Bonds shall be specified in or provided for in the resolution under which such Bonds are issued.

(c) All Bonds issued pursuant to this 2016 Ordinance may be issued in Book-Entry Form, or may be issued in fully certificated form.

Section 205. Negotiability, Registration and Transfer of Bonds. The Bond Registrar shall keep the Register. The Bonds shall be transferable by the Registered Owner in person or by his attorney duly authorized in writing only upon the Register and only upon their surrender together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the Registered Owner or his duly authorized attorney. Upon the transfer of any such Bond, the Bond Registrar on behalf of the County shall issue, in the name of the transferee, a new Bond or Bonds.

The County, the Paying Agent and the Bond Registrar shall deem and treat the person in whose name any Bond shall be registered on the Register as the absolute Owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on

account of, the principal of and interest on such Bond as the same become due and for all other purposes. All such payments so made to any such Registered Owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the County, the Paying Agent nor the Bond Registrar shall be affected by any notice to the contrary.

At the option of the Registered Owner and upon surrender of the Bond at the designated corporate trust office of the Bond Registrar with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the Registered Owner or his duly authorized attorney, and upon payment by such Registered Owner of any charge which the Bond Registrar may make as provided in this Section, the Bonds may be exchanged for Bonds of the same Series, interest rate, maturity date and tenor of another authorized denomination.

In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the County shall execute and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this 2016 Ordinance or any applicable resolution. All Bonds surrendered in any such exchanges or transfers shall forthwith be delivered to the Bond Registrar and canceled by the Bond Registrar in the manner provided in this Section. There shall be no charge for any such exchange or transfer of Bonds, but the County or the Bond Registrar may require the payment of a sum sufficient to pay any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer. Neither the County nor the Bond Registrar shall be required (a) to transfer or exchange Bonds for a period from a record date established by the resolution authorizing that Series of Bonds to the next succeeding interest payment date on such Bonds or 15 days next preceding any selection of Bonds to be redeemed or thereafter until after the mailing of any notice of redemption; or (b) to transfer or exchange any

Bonds called for redemption. However, if less than all of a Term Bond is redeemed or defeased, the County shall execute and the Bond Registrar shall authenticate and deliver, upon the surrender of such Term Bond, without charge to the Bondholder, a registered Term Bond in the appropriate denomination and interest rate for the unpaid balance of the principal amount of such Term Bond so surrendered.

All Bonds paid or redeemed, either at or before maturity shall be delivered to the Bond Registrar when such payment or redemption is made, and such Bonds, together with all Bonds purchased by the County, shall thereupon be promptly canceled. Bonds so canceled may at any time be destroyed by the Bond Registrar, who shall execute a certificate of destruction in duplicate by the signature of one of its authorized officers describing the Bonds so destroyed, and one executed certificate shall be filed with the County Mayor and the other executed certificate shall be retained by the Bond Registrar.

The Board, by supplemental resolution, may provide for the registration of the Bonds of any Series by adopting a Book-Entry System for such Series. Beneficial ownership of such Bonds shall be transferred in accordance with the procedures of the securities depository and its participants.

Section 206. Bonds Mutilated; Destroyed, Stolen or Lost. In case any Bond shall become mutilated, or be destroyed, stolen or lost, the County may in its discretion cause to be executed, and the Bond Registrar shall authenticate and deliver, a new Bond of like date and tenor as the Bond so mutilated, destroyed, stolen or lost in exchange and substitution for such mutilated Bond upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Registered Owner furnishing the County and the Bond Registrar proof of his ownership of such Bond and satisfactory indemnity

and complying with such other reasonable regulations and conditions as the County and the Bond Registrar may prescribe and paying such expenses as the County and the Bond Registrar may incur. All Bonds so surrendered shall be canceled by the Bond Registrar or Paying Agent on behalf of the County. If any of the Bonds shall have matured or be about to mature, instead of issuing a substitute Bond, the County may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, the County may pay the same without its surrender.

Any such duplicate Bonds issued pursuant to this Section 206 shall constitute original, additional contractual obligations on the part of the County whether or not the lost, stolen or destroyed Bonds be at any time found by anyone, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien on and source and security for payment from the funds, as hereinafter pledged, to the same extent as all other Bonds.

Section 207. Temporary Bonds. Pending the preparation of definitive Bonds, the County may execute and deliver temporary Bonds. Temporary Bonds shall be issuable as registered Bonds without coupons, of any authorized denomination, and substantially in the form of the definitive Bonds but with such omissions, insertions, and variations as may be appropriate for temporary Bonds, all as may be determined by the County. Temporary Bonds may contain such reference to any provisions of this 2016 Ordinance as may be appropriate. Every temporary Bond shall be executed and authenticated upon the same conditions and in substantially the same manner, and with like effect, as the definitive Bonds. As promptly as practicable, the County shall execute and shall furnish definitive Bonds and temporary Bonds may be surrendered in exchange for definitive Bonds without charge at the principal office of the Bond Registrar, and the Bond Registrar shall authenticate and deliver in exchange for such temporary Bonds a like aggregate principal amount of definitive Bonds of authorized denominations. Until so

exchanged, the temporary Bonds shall be entitled to the same benefits under this 2016 Ordinance as definitive Bonds.

Section 208. Issuance of Additional Bonds. Additional Bonds, payable from the Pledged Funds on a parity with the Series 2016A Bonds, as provided in this 2016 Ordinance, can be issued and delivered only if there shall have been obtained and filed with the County Mayor the following:

(a) a copy, certified by the Clerk, of any ordinances or resolutions which shall further include a brief and general description of the purpose for which the Additional Bonds are to be issued;

(b) a copy, certified by the Clerk, of (a) a resolution awarding such Additional Bonds, specifying the interest rate of each such Additional Bond and directing the delivery of such Additional Bonds to or upon the order of the purchasers named in such resolution upon payment of the purchase price or (b) a resolution delegating determination of such matters to the County Mayor containing the final terms of such Additional Bonds within the parameters established in such delegating resolution as provided in such resolution;

(c) an opinion of the County Attorney to the effect that the issuance of such Additional Bonds has been duly authorized and that all conditions precedent to the delivery of such Additional Bonds have been fulfilled;

(d) a certificate of the County Mayor stating that the Convention Development Tax plus the Omni Tax Increment Revenues and Sales Tax received by the County for a period of any twelve consecutive months out of the twenty four months immediately preceding the sale of such Additional Bonds is, for each Fiscal Year in which any Bonds including the Additional Bonds will be Outstanding, at least equal to the Maximum Coverage Requirement; and

(e) with respect to any Series of Bonds which are not Taxable Bonds, an opinion of Bond Counsel to the effect that the interest on such Series of Bonds is excluded from gross income for federal income tax purposes.

Section 209. Issuance of Refunding Bonds. The County may issue at any time and from time to time Refunding Bonds for the purpose of refunding any Bonds, any Special Obligation Bonds, any Subordinate Special Obligation Bonds, or any maturity thereof or any portion of such maturity, without the necessity of complying with the requirements contained in Section 208(d) above provided that prior to or simultaneously with the issuance of such Bonds there shall be filed with the County Mayor a report from an independent certified public accountant to the effect that (i) the net proceeds from such Refunding Bonds and any other moneys provided therefor will be sufficient to cause such Bonds, Special Obligation Bonds or Subordinate Special Obligation Bonds to be refunded to be defeased pursuant to Article X of this Series 2016 Ordinance, Article X of the Senior Lien Ordinance or Article X of the Subordinate Lien Ordinance, as applicable, and (ii) the total of all interest and principal payments to be made on the Refunding Bonds shall not be greater than the total of all principal and interest payments which would have been payable on the Bonds, Special Obligation Bonds or Subordinate Special Obligation Bonds to be refunded. In addition, prior to or simultaneously with the issuance of such Refunding Bonds, there shall be provided, a certificate of the County Mayor stating that the Pledged Funds are expected to be sufficient to pay the Bond Service Requirement for each Fiscal Year that the Refunding Bonds will be Outstanding and an opinion of the County Attorney to the same effect as the opinion required by Section 208(c).

Section 210. Additional Requirements for Issuance of Additional Bonds and Refunding Bonds. In addition to the other requirements of Sections 208 and 209 of this 2016 Ordinance,

each ordinance or resolution authorizing the issuance of Additional Bonds or Refunding Bonds will recite that all of the material covenants of this 2016 Ordinance will be applicable to such Additional Bonds, and no default shall have occurred and be continuing in the performance of any of the covenants and obligations and all payments required to have been made into the accounts and funds under the terms of this 2016 Ordinance shall have been made to the full extent required before any Additional Bonds or Refunding Bonds may be issued.

Bonds issued pursuant to the terms and conditions of Section 208 or Section 209 shall be deemed on a parity with all Bonds then Outstanding, and all of the covenants and other provisions of this 2016 Ordinance, to the extent provided by this 2016 Ordinance, shall be for the equal benefit, protection and security of the Holders of any Bonds originally authorized and issued pursuant to this 2016 Ordinance and the Registered Owners of any Bonds evidencing additional obligations subsequently created within the limitations of and in compliance with Section 208 or Section 209. Bonds shall be issued only for the purpose of financing one or more Projects, to finance termination payments related to Hedge Agreements or for the purpose of refunding any obligations previously issued for purposes consistent with the Convention Development Tax Act.

Section 211. Reserved.

Section 212. Issuance of Additional Sales Tax Parity Obligations. Additional Sales Tax Parity Obligations can be issued and delivered by the County only (i) by the County's compliance with the requirements of the ordinance or resolution authorizing such Additional Sales Tax Parity Obligations, and (ii) by execution by the County Mayor of a certificate indicating that for a period of any twelve (12) consecutive months out of the twenty-four (24) months immediately preceding the sale of such Additional Sales Tax Parity Obligations, the total

amount of Sales Tax and other legally available revenues, if any, expressly pledged or to be pledged to the payment of the Additional Sales Tax Parity Obligations (including the Bonds, the Special Obligation Bonds and the Subordinate Special Obligation Bonds) by the terms of the ordinance authorizing such Additional Sales Tax Parity Obligations received by the County during such period is at least equal to 1.50 times the highest amount payable in any one Fiscal Year on the Bonds, the Special Obligation Bonds, the Subordinate Special Obligation Bonds and the other Additional Sales Tax Parity Obligations then outstanding, if any, and the Additional Sales Tax Parity Obligations then proposed to be issued.

Section 213. Issuance of Other Obligations. The County shall not issue any other obligations payable from the Junior Lien Designated CDT Revenues and Available Sales Tax, nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge having priority to or being on a parity with the lien on the Junior Lien Designated CDT Revenues and Available Sales Tax in favor of the Registered Owners of the Bonds issued pursuant to this 2016 Ordinance, except under the conditions and in the manner provided in, or permitted under, this 2016 Ordinance and except for Hedge Agreements permitted under this 2016 Ordinance. Except for bonds or other obligations permitted under Section 709, any obligations issued by the County other than the Series 2016A Bonds, Additional Bonds, Refunding Bonds, Additional Sales Tax Parity Obligations and Hedge Agreements shall contain an express statement that such obligations are junior and subordinate in all respects to the Bonds as to lien on, source of and security for payment from, the Junior Lien Designated CDT Revenues and Available Sales Tax.

Section 214. Negotiability. The Bonds shall be and have all the qualities of investment securities under the Uniform Commercial Code-Investment Securities Law of the State of Florida.

ARTICLE III

REDEMPTION

Section 301. Provisions for Redemption. Except as otherwise provided in this 2016 Ordinance, each Series of Bonds shall be subject to redemption prior to maturity at such times, in such manner and at such redemption price or redemption premium, if any, as shall be established in the Omnibus Certificate with respect to the Series 2016A Bonds and pursuant to subsequent resolution with respect to all other Series of Bonds.

Section 302. Notice of Redemption. Notice of redemption shall be given by the Paying Agent on behalf of the County by deposit in the U.S. Mail of a copy of a redemption notice, postage prepaid, at least thirty (30) days (at least ninety (90) days in the case of the Series 2016A Bonds) before the redemption date to all Registered Owners of such Series of Bonds or portions of such Series of Bonds to be redeemed at their addresses as they appear on the Register fifteen days prior to the date such notice is mailed. Failure to mail any such notice to a Registered Owner of a Bond to be redeemed or any defect therein, shall not affect the validity of the proceedings for redemption of any Bond or portion of a Bond with respect to which no failure or defect occurred:

Such notice shall set forth the date fixed for redemption, the rate of interest borne by each Bond to be redeemed, the redemption price of each Bond to be paid, the date of the notice of redemption, the name and address of the Paying Agent and, if less than all of the Bonds of such Series then Outstanding shall be called for redemption, the distinctive numbers and letters, including CUSIP numbers, if any, of such Bonds to be redeemed and, in the case of Bonds to be

redeemed in part only, the portion of the principal amount to be redeemed. If any Bond is to be redeemed in part only, the notice of redemption which relates to such Bond shall also state that on or after the redemption date, upon surrender of such Bond, a new Bond or Bonds in a principal amount equal to the unredeemed portion of such Bond will be issued.

Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner of such Bond receives such notice.

If Bonds or any portion thereof are to be optionally redeemed, the County may provide a conditional notice of redemption of such Bonds in accordance with the terms set forth below, and the County Mayor is authorized, in his discretion, to add to the form of Bonds a provision reflecting this right:

Conditional Notice of Redemption. In the case of an optional redemption, the notice of redemption may state that (1) it is conditioned upon the deposit of moneys with the Paying Agent or with an escrow agent under an escrow deposit agreement, in amounts necessary to effect the redemption, no later than the redemption date or (2) the County retains the right to rescind such notice on or prior to the scheduled redemption date (in either case, a "Conditional Redemption"), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described in this subsection. Any such notice of Conditional Redemption shall be captioned "Conditional Notice of Redemption." Any Conditional Redemption may be rescinded at any time prior to the redemption date if the County delivers a written direction to the Paying Agent directing the Paying Agent to rescind the redemption notice. The Paying Agent shall give prompt notice of such rescission to the affected Bondholders. Any Bonds subject to Conditional Redemption where redemption has been

rescinded shall remain Outstanding, and neither the rescission nor the failure by the County to make such moneys available shall constitute an Event of Default. The County shall give immediate notice to the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain Outstanding.

Section 303. Redemption of a Portion of Bonds. In case part but not all of an Outstanding Bond shall be selected for redemption, the Registered Owner shall present and surrender such Bond to the Paying Agent for payment of the principal amount so called for redemption, and the Bond Registrar shall authenticate and deliver to or upon the order of such Registered Owner, without charge, for the unredeemed balance of the principal amount of the Bond so surrendered, a Bond or Bonds fully registered as to principal and interest.

Section 304. Bonds called for Redemption not Deemed Outstanding. Bonds or portions of Bonds that have been duly called for redemption, and with respect to which amounts sufficient to pay the principal of, redemption premium, if any, and interest to the date fixed for redemption shall be delivered to and held in separate accounts by an escrow agent or any Paying Agent in trust for the Registered Owners of such Bonds, as provided in this 2016 Ordinance, shall not be deemed to be Outstanding under the provisions of this 2016 Ordinance and shall cease to be entitled to any lien, benefit or security under this 2016 Ordinance, except to receive the payment of the redemption price on or after the designated date of redemption from moneys deposited with or held by such escrow agent or the Paying Agent, as the case may be, for such redemption of the Bonds and, to the extent provided in the preceding paragraph to receive Bonds for any unredeemed portion of the Bonds.

ARTICLE IV

CONSTRUCTION FUND

Section 401. Creation of Construction Fund; Lien on Such Fund. There is created and established a fund to be designated the "Miami-Dade County, Florida, Junior Lien Special Obligation Bonds Construction Fund" (the "Construction Fund") and separate accounts in the Construction Fund for each Project (each a "Project Account") and separate accounts for deposit, at the election of the County Mayor, of an amount of proceeds or other funds of the County to be used to pay the capitalized interest, if any, and to pay all or a portion of the costs of issuance of any Series of Bonds. The proceeds of Bonds deposited in such accounts and not needed to pay capitalized interest or to pay costs of issuance shall be transferred to the respective Project Account, or in the event such Project has been fully funded, to any other Project Account but only after consultation with Bond Counsel, and be used to pay other Costs of such Projects. Each account shall be kept separate and apart from all other funds and accounts of the County, and the moneys on deposit in the accounts shall be withdrawn, used and applied by the County Mayor, as trustee for such funds for the purposes of this 2016 Ordinance, solely for the payment of the Costs of the respective Project and related purposes. There shall be created a lien on such moneys in favor of the Bondholders of the respective Series of Bonds until applied as provided in this 2016 Ordinance.

In connection with the Series 2016A Bonds, there are created and established within the Construction Fund the "Series 2016A Science Museum Project Account" and the "Series 2016A Cost of Issuance Account."

Section 402. Payments from Construction Fund. Payments of the Costs of Projects shall be disbursed subject to such controls and procedures as the County may establish from time to time subject to any applicable provisions of this 2016 Ordinance.

Section 403. Costs of Project. With respect to each Project, the Costs of the Project shall be deemed to include, but shall not be limited to, cost of the items described in the plans and specifications, the cost of any lands or interest in lands or any other properties deemed necessary or convenient, engineering, design, planning, legal and financing expenses, including, without limitation, the cost of any Bond Insurance Policy, Reserve Fund Facility, Credit Facility or Liquidity Facility, Hedge Charges, Rating Agency fees and, printing costs, fees payable to accountants or others, expenses for plans, specifications, engineering designs, drawings and surveys, fees for fiscal agents, underwriters, financial advisors and consultants, if an administrative expenses relating solely to the construction and acquisition of the Project, all expenses for estimates of costs and of revenues, costs of obtaining governmental and regulatory permits, licenses, consents and approvals, all costs relating to claims or judgments arising out of the construction of the Project, all federal, state and local taxes and payments in lieu of taxes required to be paid in connection with the acquisition and construction of the Project, the reimbursement to the County of all such Costs of the Project that have been advanced by the County from its available funds before the delivery of a Series of Bonds issued to finance such costs, interest on the Bonds accruing during construction of such Project, and such other costs and expenses that may be necessary or incidental to the financing, design, acquisition, construction and equipping of such Project or are permitted under applicable law.

Capitalized interest, if any, deposited to an account in the Construction Fund and any investment income shall be transferred to the extent necessary, to the Debt Service Fund to pay interest on the related Series of Bonds.

Any funds on deposit in the Construction Fund that, in the opinion of the County Mayor, are not immediately necessary for expenditure may be invested and reinvested in Permitted

Investments which shall mature or be redeemable at face value not later than the dates on which such funds are needed. All income derived from investment of funds in an account or subaccount in the Construction Fund shall be deposited in such account or subaccount to which such investment income is attributable and shall be used to pay capitalized interest or Costs of the Project, as the case may be.

Any liquidated damages or settlement payments received by the County as a result of the breach by any contractor, subcontractor or supplier working on or supplying goods for a Project of any representation, warranty or performance guaranty, and all insurance proceeds received with respect to damages to such Project during construction, shall be deposited into the appropriate account in the Construction Fund to insure completion of such Project.

Section 404. Construction of Projects; Disposition of Construction Fund Balance. To the extent applicable, the County covenants to commence the acquisition and construction of each Project promptly upon delivery of the applicable Series of Bonds and to thereafter work with due diligence to complete such Project. Upon completion of each Project, any amounts then remaining in the related Project Account in the Construction Fund, and not reserved by the County for the payment of any remaining part of the Costs of the Project shall be deposited into the Debt Service Fund and used to purchase or redeem Bonds in the manner that Bonds are to be redeemed under the terms of this 2016 Ordinance or to pay principal or interest on the Bonds.

Upon the occurrence of a payment default, the moneys in a Project Account or any subaccount of a Project Account related to a Series of Bonds may be applied to the payment of such Bonds.

ARTICLE V

PLEDGE OF PLEDGED FUNDS; FUNDS AND ACCOUNTS

Section 501. Pledge of Pledged Funds. The payment of the principal of, redemption premium, if any, and interest on the Bonds and the payment of Hedge Obligations shall be secured, as provided in this 2016 Ordinance, equally and ratably by an irrevocable lien on the Pledged Funds, prior and superior to all other liens or encumbrances on the Pledged Funds, and the County does irrevocably pledge the Pledged Funds for the payment of the principal of and interest on the Bonds, for the reserves for such Bonds, for Hedge Obligations and for all other payments provided in this 2016 Ordinance in the manner and with the priority of application as provided in this 2016 Ordinance. The County has the authority to irrevocably pledge the Pledged Funds, and the Pledged Funds are estimated to be sufficient to pay the principal of and interest on the Series 2016A Bonds as they become due and all other amounts required to be deposited by this 2016 Ordinance. Notwithstanding the foregoing, however, nothing in this 2016 Ordinance shall be deemed to grant or create a lien in favor of the Bondholders on any moneys, including investment earnings, in the Rebate Fund. The Bonds and Hedge Obligations are secured solely by a pledge of the Pledged Funds and the Bonds shall not be or constitute general obligations or indebtedness of the County within the meaning of the Constitution of the State of Florida, but shall be payable from and secured by a lien solely upon and a pledge of the Pledged Funds. No Bondholder or Counterparty shall ever have the right to compel the exercise of the ad valorem taxing power of the County or taxation in any form on any property to pay the principal of, redemption premium, if any, and interest on such Bonds, or any Hedge Obligations or Hedge Charges, nor shall any such Bondholder be entitled to payment of such principal, redemption premium, if any, or interest or any Counterparty be entitled to payment of any Hedge Obligations or Hedge Charges from any other funds of the County except the Pledged Funds.

Section 502. Creation of Funds. There are hereby created and established the “Miami-Dade County, Florida Junior Lien Special Obligation Bonds Revenue Fund” (the “Revenue Fund”), the “Miami-Dade County, Florida Junior Lien Special Obligation Bonds Debt Service Fund” (the “Debt Service Fund”), the “Miami-Dade County, Florida Junior Lien Special Obligation Bonds Reserve Fund” (the “Reserve Fund”) and the “Miami-Dade County, Florida Junior Lien Special Obligation Bonds Rebate Fund” (the “Rebate Fund”).

In connection with the Series 2016A Bonds, there is hereby created and established a separate account within the Reserve Fund designated the “Series 2016A Account” to secure solely the Series 2016A Bonds, which Series 2016A Account shall be held in trust by the Bank. The Series 2016A Bonds shall not be secured by, nor payable from, any moneys or Reserve Fund Facilities on deposit in the Reserve Fund other than moneys on deposit in the Series 2016A Account of the Reserve Fund.

Section 503. Trust Funds. Such funds and accounts constitute trust funds for the specific purposes for which they are created under this 2016 Ordinance, shall be delivered to and held by the County Mayor (or an Authorized Depository designated by the County Mayor), or in the case of the Series 2016A Account of the Reserve Fund, by the Bank, who in each case shall act as trustee of such funds and accounts for the purposes of this 2016 Ordinance, and shall at all times be kept separate and distinct from all other funds of the County or the Bank, as applicable, and used only as provided in this 2016 Ordinance. Moneys held in the Revenue Fund, the Debt Service Fund and the Reserve Fund shall be subject to a lien and charge in favor of the Registered Owners of the Bonds as provided by the terms of this 2016 Ordinance. Moneys in the Rebate Fund are not subject to a lien or charge in favor of the Registered Owners of the Bonds.

Section 504. Disposition of Revenue Fund. The County shall apply the Junior Lien Designated CDT Revenues to the Revenue Fund monthly in the following order and priority:

(1) First by deposit into the Debt Service Fund (after taking into account any amount held in a fund, account or subaccount created under this 2016 Ordinance as capitalized or accrued interest from the proceeds of Bonds which is available for payment of interest) an amount equal to one-sixth (1/6th) of the interest due on the Bonds on the next interest payment date, with respect to Bonds that bear interest payable semiannually, the amount of interest due on Bonds that bear interest payable monthly, the amount of interest accruing in such month on Bonds that bear interest on other than a monthly or semiannual basis (other than Bonds that bear interest only payable upon maturity or redemption), one-twelfth (1/12th) of all principal and, with respect to Bonds that pay interest only upon maturity or redemption, principal and accreted interest, maturing or becoming payable through, October 1 of the following Fiscal Year on the various Series of Serial Bonds that mature annually, one-sixth (1/6th) of all principal and, with respect to Bonds that pay interest only upon maturity or redemption, principal and accreted interest, maturing or becoming payable on the next principal payment date on the various Series of Serial Bonds that mature semiannually, and one-twelfth (1/12th) of the Amortization Requirements and unamortized principal balances of Term Bonds coming due through October 1 of the following Fiscal Year with respect to the Bonds, until there are sufficient funds then on deposit equal to the sum of the interest, principal and redemption premiums due on the Bonds on the next interest, principal and redemption dates.

For purposes of the foregoing, Capital Appreciation and Income Bonds shall be treated as Bonds that bear interest only payable upon maturity or redemption, except with respect to the interest payable on such Capital Appreciation and Income Bonds on a periodic basis after the Interest Commencement Date.

Hedge Receipts (other than those constituting termination payments) shall be deposited into the Debt Service Fund upon receipt.

The amount specified in the first paragraph of this subsection (1) shall be reduced to take into account Hedge Receipts (other than those constituting termination payments) received on or before an interest payment date and shall be increased to provide for the payment of any Hedge Obligations to be paid on or before the succeeding interest payment date; provided, however, that unless the County shall have obtained an opinion of counsel at the time of execution of the Hedge Agreement that the Hedge Receipts shall not constitute preferential payments by the Counterparty for purposes of the Federal Bankruptcy Code, such Hedge Receipts shall not be taken into account for the purpose of this sentence until such time as they have been in the possession of the County for at least ninety (90) days.

If any Bonds (or any Hedge Obligations) bear interest at a Variable Rate, the amount of scheduled interest due on such Bonds (or Hedge Obligations) in a Fiscal Year for the purposes of this Section shall be calculated assuming such interest will accrue, with respect to such Bonds (or Hedge Obligations), at the deemed rate of interest on Variable Rate Bonds (or Hedge Obligations) pursuant to the definition of the term "Variable Rate" herein, unless otherwise provided by the ordinance or resolution authorizing such Series of Bonds.

Deposits required pursuant to the foregoing shall be increased or decreased each month to the extent required to pay interest, principal and redemption premium, if any, next becoming due and payable, after making allowance for any accrued and capitalized interest, and to make up any deficiency or loss that may otherwise arise in such fund or account.

Notwithstanding anything in this subparagraph (1) to the contrary, if principal or interest payments have been made on behalf of the County by a Bond Insurer or the provider of a Liquidity Facility or Credit Facility or other entity insuring, guaranteeing or providing for the payment of Bonds or any Series of Bonds, moneys on deposit in the Debt Service Fund and allocable to such Bonds shall be paid to such Bond Insurer or issuer of the Liquidity Facility or Credit Facility or other entity having previously made a corresponding payment on the Bonds.

Deposits from the Revenue Fund into the Debt Service Fund may be decreased or funds previously deposited in the Debt Service Fund may be withdrawn and deposited in the manner provided in subparagraphs (2) and (3) of this Section, as appropriate, to adjust for Bonds purchased, redeemed or otherwise paid from excess construction funds as provided in Section 404.

Funds in the Debt Service Fund shall be used only to pay interest on the Bonds when due, to pay the principal of maturing Bonds, if any, the current Amortization Requirement (or the principal of Term Bonds payable from the Amortization Requirement) and to pay Hedge Obligations when due. At the maturity date of each Bond and at the due date of each Amortization Requirement and installment of interest on each Bond, the County shall transfer from the Debt Service Fund to the Paying Agent for

such Bonds sufficient moneys to pay all principal of, redemption premium, if any, interest and Amortization Requirements then due and payable with respect to such Bonds. Such payments shall be made by wire transfer or other electronic means or as may be provided with respect to any applicable Book-Entry System.

(2) Then, by deposit into the Reserve Fund amounts, if any, which, after taking into account other funds or Reserve Fund Facilities then on deposit in the Reserve Fund, will be sufficient to make the funds and/or Reserve Fund Facilities on deposit in the Reserve Fund equal to the Reserve Requirement.

Notwithstanding anything in this 2016 Ordinance to the contrary, with respect to Bonds other than the Series 2016A Bonds, the County shall not be required to fully fund the Reserve Fund, if (i) at the time of issuance of any Series of Bonds, it elects, by ordinance or resolution enacted or adopted, as the case may prior to the issuance of such Series of Bonds and subject to the limits described below, to fully fund the Reserve Fund over a period specified in such ordinance or resolution not to exceed sixty (60) months, during which it shall make substantially equal monthly installments in order that the amounts on deposit therein at the end of such period shall equal the Reserve Requirement, or (ii) it provides at any time or from time to time in lieu of such funds a Reserve Fund Facility issued by a Reserve Fund Facility Provider in an amount equal to the difference between the Reserve Requirement and the sums then on deposit (or required to be on deposit over a specified period of time as authorized above) in the Reserve Fund. Such Reserve Fund Facility as provided above must provide for payment on any interest or principal payment date (provided adequate notice is given) on which a deficiency exists (or is expected to exist) in moneys held under this 2016 Ordinance for a

payment with respect to Bonds which cannot be cured by funds in any other account held pursuant to this 2016 Ordinance and available for such purpose, and which shall name the Paying Agent or an Authorized Depository who has agreed to serve as trustee for the benefit of the Bondholders as the beneficiary. In no event shall the use of such Reserve Fund Facility be permitted if it would cause an impairment in any existing rating on the Bonds or any Series of Bonds. If the Reserve Fund is to be funded in installments pursuant to clause (i) above upon the issuance of any Series of Bonds, the deposits required pursuant to the foregoing may be limited to the amount which will be sufficient to pay the required monthly installments specified in the ordinance or resolution authorizing such Bonds, plus an additional amount necessary to make up any deficiencies caused by withdrawals or resulting from the valuation of the funds on deposit in the Reserve Fund. If a disbursement is made from a Reserve Fund Facility as provided pursuant to clause (ii) above, the County shall be obligated to reinstate the maximum limits of such Reserve Fund Facility immediately following such disbursement or to replace such Reserve Fund Facility by depositing into the Reserve Fund from the first available Pledged Funds for deposit pursuant to the first paragraph of this subsection (2), funds in the maximum amount originally payable under such Reserve Fund Facility, plus amounts necessary to reimburse the Reserve Fund Facility Provider for previous disbursements made pursuant to such Reserve Fund Facility, or a combination of such alternatives, and for purposes of this subsection (2), amounts necessary to satisfy such reimbursement obligation and other obligations of the County to such a Reserve Fund Facility Provider shall be deemed required deposits into the Reserve Fund, but shall be used by the County to satisfy its obligations to the Reserve Fund Facility Provider.

Notwithstanding the foregoing, if the Reserve Fund (other than the Series 2016A Account) has been funded with cash or Permitted Investments and no event of default shall have occurred and be continuing under this 2016 Ordinance, the County may, at any time in its discretion, substitute a Reserve Fund Facility meeting the requirements of this 2016 Ordinance for the cash and Permitted Investments, and the County may then withdraw such cash and Permitted Investments and apply them to any lawful purpose, so long as (i) the same does not adversely affect any rating by a Rating Agency then in effect for the Outstanding Bonds and (ii) the County obtains an opinion of Bond Counsel that such actions will not, in and of themselves, adversely affect the exclusion from gross income of interest on the Bonds (if other than Taxable Bonds) for federal income tax purposes.

Cash on deposit in the Reserve Fund shall be used (or investments purchased with such cash shall be liquidated and the proceeds applied as required) prior to any drawing on any Reserve Fund Facility. If and to the extent that more than one Reserve Fund Facility is deposited in Reserve Fund, drawings and repayments of costs associated with such Reserve Fund Facilities shall be made on a pro rata basis, calculated by reference to the maximum amounts available under such Reserve Fund Facilities.

Funds on deposit in the Reserve Fund may be used only for the purpose of curing deficiencies in the Debt Service Fund on any date upon which a principal, redemption and/or interest payment shall be due the Owners of the Bonds, and only after Available Sales Tax has been applied to make up such deficiencies. If funds on deposit in the Reserve Fund exceed, in the aggregate, the Reserve Requirement, such excess shall be transferred or deposited into the Debt Service Fund; provided, however, that excess

funds in the Reserve Fund attributable to the refunding of Bonds of a Series may be applied in the manner provided in the proceedings of the County with respect to such refunding. Any proceeds received from a Reserve Fund Facility shall be applied immediately to cure deficiencies in the Debt Service Fund and for no other purpose.

(3) Then by payment to the County to be used for any lawful purpose, including, without limitation, any payments of the Rebate Amount and payments of Hedge Charges.

The County shall not be required to make any further payments into the Debt Service Fund or the Reserve Fund when the aggregate amount of moneys in the Debt Service Fund and Reserve Fund are at least equal to the aggregate Bond Obligations of Bonds issued pursuant to this 2016 Ordinance and then Outstanding, plus the amount of interest then due or thereafter to become due on said Bonds then Outstanding plus the amount of Hedge Obligations due or to become due, or if all Bonds then Outstanding have otherwise been defeased pursuant to Article X below and all Hedge Obligations have been fully paid.

Section 505. Application of Available Sales Tax. If, on any date upon which a principal, redemption and/or interest payment shall be due the Owners of the Bonds, the County does not have sufficient moneys on deposit in the Debt Service Fund to make such payments, the County shall, on a pro rata basis with all payments, if any, required to be made from Available Sales Tax Revenues with respect to the Special Obligation Bonds, the Subordinate Special Obligation Bonds and Additional Sales Tax Parity Obligations, deposit to the Debt Service Fund Available Sales Tax in an amount sufficient to make up any such deficiency.

Section 506. Security for Deposits. The funds and accounts established by this 2016 Ordinance shall constitute trust funds for all of the purposes provided in this 2016 Ordinance and

shall be continuously secured in the same manner as governmental deposits are authorized to be secured by the laws of the State of Florida. Funds and accounts created under any subsequent ordinance or resolution for the security of Additional Sales Tax Parity Obligations shall not be for the benefit of the Registered Owners of Bonds issued under this 2016 Ordinance.

Section 507. Redemption of Bonds from Amortization Requirements. In each Fiscal Year moneys deposited in the Debt Service Fund as Amortization Requirements shall be applied to the retirement of Term Bonds of each Series as follows:

(1) First, if so elected by the County Mayor, the County shall endeavor to purchase Outstanding Term Bonds redeemable from Amortization Requirements through October 1 of the following Fiscal Year, and pro rata (based on the principal amount of the Amortization Requirement due through October 1 of the following Fiscal Year for each such Series of Term Bonds) among all such Bonds if more than one Series of such Term Bonds are Outstanding. The County shall purchase Bonds only to the extent moneys are available for such purpose, at the most advantageous price obtainable with reasonable diligence, but that price cannot exceed the principal of such Term Bonds and the redemption premium, if any, which would be applicable if the moneys applied to such purchase were otherwise applied to the redemption of Term Bonds under paragraph (2) below, and no such purchase shall be made by the County within sixty-one (61) days immediately preceding the date on which such Term Bonds are subject to call for redemption.

(2) Then, to the extent such moneys were not used under paragraph (1) above, the County shall call by lot for redemption on the date on which Term Bonds of such Series are subject to mandatory redemption from the Amortization Requirement such

amount of Term Bonds of such Series then subject to redemption as well as nearly as may be practicable exhaust the remainder of the Amortization Requirement due through October 1 of the following Fiscal Year.

(3) The County shall pay from the Debt Service Fund the principal of, the redemption premium, if any, and the interest, accrued on such Term Bonds to the date of delivery or the date of their redemption.

If Term Bonds are purchased or redeemed pursuant to this Section in excess of the Amortization Requirements for such Fiscal Year, such excess principal amount of such Term Bonds so purchased or redeemed shall be credited against subsequent Amortization Requirements for Bonds in such Series in such Fiscal Year or Years as the County may determine and as may be reflected in the County's permanent accounting records. Such election shall be included in the annual audited reports of County referred to in Section 702 below.

ARTICLE VI

INVESTMENT OF MONEY IN FUNDS AND ACCOUNTS

Section 601. Revenue Fund and Debt Service Fund. Funds in the Revenue Fund and Debt Service Fund may be invested and reinvested in Permitted Investments, but all such investments shall mature or be redeemable at not less than par and not later than the dates on which the funds are required for the purposes for which they were established. Such investments shall mature no later than five (5) years from the date such investments are made.

Section 602. Reserve Fund. (a) Funds in the Reserve Fund may be invested and reinvested in Permitted Investments, but all such investments must not mature later than the final maturity of the applicable Series of Bonds.

(b) All income on investments of funds in the Reserve Fund shall be retained therein until amounts on deposit in the Reserve Fund equal the Reserve Requirement; thereafter, all such income from Reserve Fund investments shall be deposited into the Debt Service Fund.

Section 603. Other Funds. All income on investment of funds in any other fund shall be retained in such fund and disposed of as provided under the terms of this 2016 Ordinance.

ARTICLE VII

COVENANTS

Section 701. Books and Records. The County shall keep separately identifiable financial books, records, accounts and data concerning the collection of the Junior Lien Designated CDT Revenues and the Available Sales Tax and any other revenues pledged to such obligations, and any Bondholder shall have the right at all reasonable times to inspect the same.

Section 702. Reports and Annual Audits. The County shall, as soon as practicable after the end of each Fiscal Year, cause the books, records, accounts and data relating to the Pledged Funds for the then ended Fiscal Year to be properly audited by an independent certified public accountant of recognized standing.

Section 703. Enforcement of Collections. The County will not repeal the provisions of the County Code or the ordinances imposing the Convention Development Tax and will not amend or modify such provisions in such a manner as to impair or adversely affect the amount of Junior Lien Designated CDT Revenues to be received or to be available to make the payments or deposits required by this 2016 Ordinance. The County will diligently enforce its right to receive the Junior Lien Designated CDT Revenues and the Available Sales Tax. The Board will not take any action which will impair or adversely affect the Junior Lien Designated CDT Revenues and the Available Sales Tax, as herein pledged, or impair or adversely affect in any manner the pledge of the Pledged Funds made in this 2016 Ordinance or the rights of the Bondholders under

this 2016 Ordinance. The County will not take any actions which will impair or adversely affect in any manner the pledge to the Additional Sales Tax Parity Obligations. The County shall be unconditionally and irrevocably obligated, so long as any of the Bonds are outstanding and unpaid, to take all lawful action necessary or required to continue to entitle the County to receive the Junior Lien Designated CDT Revenues and the Available Sales Tax in the same or greater amounts and at the same or greater rates as now provided by law to pay the principal of and interest on the Bonds and to make the other payments provided for in this 2016 Ordinance.

Section 704. County Depositories. All funds and accounts created under this 2016 Ordinance shall be deposited and maintained in one or more Authorized Depositories.

Section 705. Paying Agents. The County shall transfer from the Debt Service Fund to the Paying Agents, an amount sufficient to pay when due the principal of, interest on and redemption premium, if any, with respect to the applicable Bonds.

Section 706. Annual Budget. The Board shall cause to be prepared, approved and enacted each year by ordinance, a detailed Annual Budget pursuant to which it shall allocate (a) from the sources set forth therein, the amounts required under Section 706 of the Senior Lien Ordinance and Section 706 of the Subordinate Lien Ordinance, and (b) from the Pledged Funds an amount which is sufficient to pay the Bond Service Requirement for such Fiscal Year plus all other amounts required to be paid by the County pursuant to this 2016 Ordinance into the funds and accounts established under this 2016 Ordinance, or otherwise, for such Fiscal Year.

The covenant and agreement on the part of the County to budget and appropriate the Pledged Funds shall be cumulative and shall continue until all required payments shall have been budgeted, appropriated, and actually paid into the Debt Service Fund, the Reserve Fund and the Rebate Fund or into the appropriate funds and accounts established for such purposes under the

ordinances or resolutions authorizing such Additional Sales Tax Parity Obligations. Copies of the Annual Budget shall be available for inspection at the offices of the County Mayor, and shall be mailed to any Bondholder requesting the same who shall pay the cost of reproducing the Annual Budget and to any Bond Insurer, Counterparty or provider of a Reserve Fund Facility, Credit Facility or Liquidity Facility who shall have filed a request for the same with the County.

Section 707. Instrument to Constitute a Contract. In consideration of the acceptance of the Bonds by those who shall hold the same from time to time, this 2016 Ordinance shall be deemed to be and shall constitute a contract between the County and the Registered Owners of the Bonds. The covenants and agreements set forth in this 2016 Ordinance to be performed by the County shall be for the equal benefit, protection and security of the Registered Owners of the Bonds, and each Bond shall be of equal rank with all other Bonds, without preference, priority or distinction over any other, except as expressly provided in this 2016 Ordinance.

Section 708. Additional Debt Secured by Senior Lien on Sales Tax. So long as any Bonds shall remain Outstanding, the County shall not issue any bonds or other obligations payable from and secured by a lien upon the County's share of the local government half-cent sales tax pursuant to Part VI, Chapter 218, Florida Statutes or any successor provision, senior to the Bonds, the Special Obligation Bonds, the Subordinate Special Obligations and Additional Sales Tax Parity Obligations.

Section 709. Additional Special Obligation Bonds and Subordinate Special Obligation Bonds. So long as any Bonds shall remain Outstanding, the County shall not issue any bonds or other obligations payable from and secured by a lien upon the "Designated Revenues," as such term is defined in the Senior Lien Ordinance, on a parity with the Special Obligation Bonds or from the Designated CDT Revenues on a parity with the Subordinate Special Obligation Bonds

except in each case, for any “Refunding Bonds,” as such term is defined in the Senior Lien Ordinance and in the Subordinate Lien Ordinance.

Section 710. Bonds to Constitute Additional Sales Tax Parity Obligations. The Bonds issued under this 2016 Ordinance shall constitute “Additional Sales Tax Parity Obligations” as defined in the Senior Lien Ordinance and in the Subordinate Lien Ordinance. Therefore, the pledge of the Available Sales Tax for the payment of the Bonds is on a parity with the pledge on the Available Sales Tax for the payment of the Special Obligation Bonds and the Subordinate Special Obligation Bonds.

Section 711. Tax Covenants. The County covenants to take the actions required of it for interest on the Bonds, other than Taxable Bonds, to be and to remain excluded from gross income of the Holders for federal income tax purposes, and not to take any actions that would affect that exclusion. In furtherance of the foregoing covenant, with respect to the Series 2016A Bonds, the County agrees that it will comply with the provisions of a tax compliance certificate to be prepared by Bond Counsel and executed and delivered on the date of issuance of the Series 2016A Bonds. The County Mayor is authorized to execute and deliver such tax compliance certificate.

ARTICLE VIII

EVENTS OF DEFAULT; REMEDIES

Section 801. Events of Default. Each of the following events is declared an “Event of Default,” that is to say if:

- (a) Payment of principal of any Bond or Additional Sales Tax Parity Obligation shall not be made by the County when the same shall become due and payable, either at maturity (whether by acceleration or otherwise) or on required payment dates by proceedings for redemption or otherwise; or

(b) Payment of any installment of interest with respect to any Bond or Additional Sales Tax Parity Obligations shall not be made by the County when the same shall become due and payable; or

(c) The County shall fail to cause any Bond or Additional Sales Tax Parity Obligations to be purchased at the time required by the ordinance or resolution pursuant to which such Bond or Additional Sales Tax Parity Obligations, as the case may be, was issued; or

(d) The County shall for any reason be rendered incapable of fulfilling its obligations under this 2016 Ordinance to the extent that the payment of or security for the Bonds or the Additional Sales Tax Parity Obligations would be materially adversely affected, and such conditions shall continue unremedied for a period of thirty (30) days after the County becomes aware of such conditions; or

(e) Any proceedings shall be instituted, with the consent or acquiescence of the County, for the purpose of effecting a composition between the County and its creditors or for the purpose of adjusting the claims of such creditors, pursuant to any federal or state statutes now or hereafter enacted, if the claims of such creditors are under any circumstances payable from the Junior Lien Designated CDT Revenues or the Available Sales Tax; or

(f) The County shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this 2016 Ordinance on the part of the County to be performed, and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the County by the Registered Owners of

not less than ten percent (10%) of the Bond Obligation; provided, however, that failure of the County to timely make the deposits required by Section 504(1) of this 2016 Ordinance shall not constitute an Event of Default so long as the County timely makes all payments to Bondholders required by the terms of this 2016 Ordinance; or

(g) The County shall default on any payments which are due under the Continuing Covenants Agreement or any agreement related to a Bond Insurance Policy, Reserve Fund Facility, Credit Facility or Liquidity Facility and the Purchaser, the Bond Insurer or provider of such facility, as applicable, shall notify the County Mayor in writing that it elects to treat such payment default as an Event of Default.

Section 802. Notice of Default. If any Event of Default shall occur, the County Mayor shall give, or cause to be given, within thirty (30) days after the County Mayor has knowledge of the Event of Default, unless such Events of Default shall have been cured, written notice of the Event of Default, by first class mail to the Registered Owners of all Bonds and to each Counterparty, Bond Insurer and provider of a Reserve Fund Facility, Credit Facility or Liquidity Facility.

Section 803. Remedies. Any trustee or any Registered Owner of Bonds acting for the Registered Owners of all Bonds may by suit, action, mandamus or other proceedings in any court of competent jurisdiction, protect and enforce any and all rights, including the right to the appointment of a receiver, existing under the laws of the State of Florida, or granted and contained in this 2016 Ordinance, and may enforce and compel the performance of all duties in this 2016 Ordinance required or by any applicable statutes to be performed by the County or by any of its officers. Nothing in this 2016 Ordinance, however, shall be construed to grant to any Registered Owner of Bonds any lien on any property of or within the corporate boundaries of the

County. No Registered Owner of Bonds, however, shall have any right in any manner whatever to affect, disturb or prejudice the security of this 2016 Ordinance or to enforce any right under this 2016 Ordinance except in the manner provided in this 2016 Ordinance, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Registered Owners of Bonds.

Nothing in this 2016 Ordinance shall be construed to preclude any Counterparty from exercising any and all rights and remedies, including the right to the appointment of a receiver, available to it under the laws of the State of Florida as a pledgee to enforce the obligations of the County under the applicable Hedge Agreement.

If any payments are made by a Bond Insurer, the provider of a Credit Facility or provider of a Liquidity Facility with respect to Bonds which have not been defeased in accordance with the provisions of Article X of this 2016 Ordinance, the lien upon and pledge of the money on deposit from time to time in the funds and accounts created and established in this 2016 Ordinance and all covenants and other obligations of the Issuer to the Registered Owners of such Bonds shall continue to exist and the provider of the Credit Facility or provider of the Liquidity Facility shall be subrogated to the rights of the Registered Owners of such Bonds with respect to the payments paid, insured or secured by such Bond Insurer, provider of such Credit Facility or provider of such Liquidity Facility.

Section 804. Pro Rata Application of Funds. Anything in this 2016 Ordinance to the contrary notwithstanding, if at any time the available moneys in the Debt Service Fund shall not be sufficient to pay the principal of or the interest on the Bonds and Hedge Obligations as the same become due and payable, such moneys together with any moneys then available or

thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as follows:

First: to the payment of the persons entitled to payment of all installments of interest then due and payable on the Bonds and all Hedge Obligations (other than termination payments), in the order in which such amounts become due and payable, and, if the amount available shall not be sufficient to make payment in full, then to the payment ratably, according to the amounts due, to the persons entitled to payment, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds;

Second: to the payment of the persons entitled to payment of the unpaid principal of any of the Bonds and Hedge Obligations which are termination payments that have become due (other than Bonds called for redemption for the payment of which sufficient moneys are held pursuant to the provisions of this 2016 Ordinance), in the order of their due dates, and, if the amount available shall not be sufficient to pay in full the principal of Bonds due on any particular date and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the persons entitled to payment without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds; and

Third: to the payment of the interest on and the principal of the Bonds and Hedge Obligations, and to the purchase and retirement of Bonds and to the redemption of Bonds, all in accordance with the provisions of Article V of this 2016 Ordinance.

For purposes of the foregoing provisions of this Section, if any principal or interest on any particular Bonds is paid with funds advanced under any Bond Insurance Policy, Credit

Facility or Liquidity Facility, the Bond Insurer or provider of such Credit Facility or Liquidity Facility shall become subrogated to the Registered Owners' right to payment from the County of such principal or interest and shall be entitled to receive payment from the County under the foregoing provisions.

Whenever moneys are to be applied by the County pursuant to the provisions of this Section, such moneys shall be applied by the County at such times, and from time to time, as the County Mayor in his or her sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future; the deposit of such moneys with the Paying Agents, or otherwise setting aside such moneys, in trust for the proper purpose, shall constitute proper application by the County; and the County shall incur no liability whatsoever to any Bondholder or to any other person for any delay in applying any such funds, so long as the County acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this 2016 Ordinance as may be applicable at the time of application. Whenever the County Mayor shall exercise such discretion in applying such funds, he or she shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The County Mayor shall give such notice as he or she may deem appropriate of the fixing of any such date, and shall not be required to make payment to the Registered Owner of any Bond until such Bond shall be surrendered to him for appropriate endorsement.

The pro-rata application of moneys pursuant to this Section shall be adjusted with respect to Variable Rate Bonds and any Bonds bearing interest payable other than semiannually so as to ensure that each person entitled to receive payment shall receive as nearly as practicable the

same proportion of the total amount due to such person, taking into account any interest paid since the preceding semiannual interest payment date.

Section 805. Effect of Discontinuance of Proceedings. In case any proceeding taken by any Bondholder or Bond Insurer or provider of any Credit Facility, Reserve Fund Facility or Liquidity Facility on account of any default shall have been discontinued or abandoned for any reason, then and in every such case the County and the Bondholder, Bond Insurer, provider of the Credit Facility, Reserve Fund Facility or Liquidity Facility shall be restored to their former position and rights under this 2016 Ordinance, respectively, and all rights and remedies of the Bondholders and Bond Insurers and providers of Credit Facilities, Reserve Fund Facilities or Liquidity Facilities shall continue as though no such proceeding had been taken.

Section 806. Restriction on Individual Bondholder Actions. No Holder of any of the Bonds nor any Counterparty shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this 2016 Ordinance or to enforce any right under this 2016 Ordinance except in the manner provided in this 2016 Ordinance, and all proceedings at law or in equity shall be instituted, had and maintained for the benefit of all Registered Owners of such Bonds, all Counterparties and all providers of Reserve Fund Facilities and all Credit Facilities, as their respective interests may appear.

Nothing in this 2016 Ordinance shall be construed to preclude any Counterparty from exercising any and all rights and remedies, including the right to the appointment of a receiver, available to it under the laws of the State of Florida as a pledgee to enforce the obligations of the County under the applicable Hedge Agreement.

Section 807. Right to Enforce Payment of Bonds. Nothing in this Article shall affect or impair the right of any Registered Owners of a Bond to enforce the payment of the principal of

and interest on his/her Bond, or the obligation of the County to pay the principal of and interest on each Bond to the Registered Owners at the time and place stated in said Bond or the right of any Counterparty to enforce payment of amounts due under a Hedge Agreement or the obligation of the County to make such payments in accordance with such Hedge Agreement.

ARTICLE IX

SUPPLEMENTAL ORDINANCES

Section 901. Supplemental Ordinance Without Bondholders' Consent. The Board, from time to time and at any time may enact such supplemental ordinances which are compatible with the terms and provisions of this 2016 Ordinance, in order to:

- (a) cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this 2016 Ordinance or in any supplemental ordinance; or
- (b) grant to or confer upon the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders; or
- (c) add to the conditions, limitations and restrictions on the issuance of Bonds or the entering of Hedge Agreements under the provisions of this 2016 Ordinance other conditions, limitations and restrictions hereafter to be observed, or
- (d) add to the covenants and agreements of the County in this 2016 Ordinance other covenants and agreements thereafter to be observed by the County or to surrender any right or power in this 2016 Ordinance reserved to or conferred upon the County; or
- (e) to make other changes or modifications to the provisions of this 2016 Ordinance which are not adverse to the interests of the Bondholders, any Counterparty or any Bond Insurer or provider of a Reserve Fund Facility, Credit Facility Liquidity Facility; or

(f) to make any changes required by a Bond Insurer or provider of a Reserve Fund Facility, Credit Facility or Liquidity Facility in order for it to issue its Bond Insurance Policy, Reserve Fund Facility, Credit Facility or Liquidity Facility with respect to a particular Series of Bonds, so long as the same does not materially adversely affect the rights of the Registered Owners of any other Series of Bonds Outstanding or any other Bond Insurer or provider of a Reserve Fund Facility, Credit Facility or Liquidity Facility.

Section 902. Supplemental Ordinance With Bondholders' Consent. Subject to the terms and provisions contained in this Section, and not otherwise, the Holders of not less than fifty-one percent (51%) in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, anything contained in this 2016 Ordinance to the contrary notwithstanding, to consent to and approve the enactment of such supplemental ordinance or ordinances as shall be deemed necessary or desirable by the County for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this 2016 Ordinance or in any supplemental ordinance; provided, however, that nothing contained in this Section shall permit, or be construed as permitting, (a) an extension of the maturity of the principal of or the interest on any Bonds, or (b) a reduction in the principal amount of any Bonds or the redemption premium, if any, or the rate of interest on any Bond, or (c) the creation of a lien upon or a pledge of the Pledged Funds other than a lien and pledge created or permitted by this 2016 Ordinance, or (d) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance. Nothing contained in this Section, however, shall be construed as

making necessary the approval by Bondholders of the enactment of any supplemental ordinance as authorized in Section 901.

If the Registered Owners (and Bond Insurers or providers who are entitled to act in lieu of Registered Owners) of not less than fifty-one percent (51%) of the Bond Obligation at the time of the enactment of such supplemental ordinance shall have consented to and approved its enactment, no Registered Owner of any Bond, Bond Insurer or provider of any Credit Facility, Liquidity Facility or Reserve Fund Facility shall have any right to object to the adoption of such supplemental ordinance, or to object to any of its terms and provisions, or in any manner to question the propriety of its enactment, or to enjoin or restrain the Board from adopting the same or from taking any action pursuant to its provisions.

Upon the enactment of any supplemental ordinance pursuant to the provisions of this Section, this 2016 Ordinance shall be modified and amended in accordance with such supplemental ordinance, and the respective rights, duties and obligations under this 2016 Ordinance of the County and all Registered Owners of Bonds then outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of this 2016 Ordinance as so modified and amended.

Section 903. Rights of Bond Insurers and Credit Facility Providers. In the event that a Bond Insurance Policy or Credit Facility is in full force and effect as to a Series of Bonds and the Bond Insurer or provider of the Credit Facility is not insolvent and no default under the Bond Insurance Policy or Credit Facility exists on the part of the Bond Insurer or provider of the Credit Facility, as the case may be, then the Bond Insurer or provider of the Credit Facility, in place of the Registered Owners of that Series of Bonds, shall have the power and authority to give any consents and exercise any and all other rights which the Registered Owners of that Series would

otherwise have the power and authority to make, give or exercise, including, but not limited to, the exercise of remedies provided in Article VIII, and the giving of consents to supplemental ordinances when required by Section 902, and such consent shall be deemed to constitute the consent of the Registered Owners of all of those Bonds which are secured by such Bond Insurance Policy or Credit Facility.

Section 904. Supplemental Ordinances Part of Ordinance. Any supplemental ordinance enacted in accordance with the provisions of this Article and approved as to legality by the County Attorney shall thereafter form a part of this 2016 Ordinance, and all of the terms and conditions contained in any such supplemental ordinance shall be part of the terms and conditions of this 2016 Ordinance for any and all purposes. Express reference to any supplemental ordinance, may be made in the text of any Bonds issued after its enactment, if deemed necessary or desirable by the County.

Section 905. Notice of Supplemental Ordinances. The County shall give to the Rating Agencies advance notice of the proposed enactment of any supplemental ordinance, which notice shall include the substantial form of such supplemental ordinance.

ARTICLE X

DEFEASANCE

Section 1001. Defeasance. If, at any time, the County shall have paid, or shall have made provision for the payment of, the principal interest and redemption premiums, if any, with respect to the Bonds or any Series or maturity or portion of a maturity of Bonds, and the related fees and charges, then, in that event, the pledge of and lien on the Pledged Funds in favor of the Bondholders of such Bonds, or Series or maturity or portion of maturity of Bonds, and all other liens created hereby in favor of such Bondholders, shall no longer be in effect with respect to such Bonds or Series or maturity or portion of maturity of Bonds. For purposes of the preceding

sentence, the deposit of cash, Governmental Obligations or bank certificates of deposit fully secured as to principal and interest by Governmental Obligations (or deposit of any other securities or investments which may be authorized by law from time to time and sufficient under such law to effect such a defeasance) in irrevocable trust with a banking institution or trust company, for the sole benefit of the Bondholders, in an aggregate principal amount which, together with accrued interest, will be sufficient to make timely payment of the principal, interest, and redemption premiums, if any, on said Bonds, and the paying agent fees and expenses related to such Bonds, shall be considered "provision for payment." Notwithstanding the foregoing, "provision for payment" shall not be deemed to have been made if such Bonds are to be redeemed before their maturity, unless notice of such redemption shall have been given according to the requirements of this 2016 Ordinance or irrevocable instructions directing the timely publication of such notice and directing the payment of the principal of and interest on all Bonds at such redemption dates shall have been given to the Paying Agent. Nothing herein shall be deemed to require the County to call any of the Outstanding Bonds for redemption prior to maturity pursuant to any applicable optional redemption provisions, or to impair the discretion of the County in determining whether to exercise any such option for early redemption. If such conditions have been satisfied with respect to all Outstanding Bonds, all moneys held in any fund or account created hereby that are in excess of the, amounts required to pay or make provision for payment of the principal of, redemption premium, if any, and interest on said Bonds may be withdrawn and used by the County for any lawful purpose.

When all amounts due under any Hedge Agreement and any Credit Facility or Liquidity Facility shall have been paid or provided for (in the manner permitted under such Hedge Agreement or Credit Facility or Liquidity Facility), then and only in that case the right, title and

interest of the Counterparty or the provider of such Credit Facility or Liquidity Facility in this 2016 Ordinance shall thereupon cease, determine and become void.

For purposes of this Article X, the amount of interest to accrue on Variable Rate Bonds to maturity or redemption shall be determined by assuming interest on such Bonds will accrue at the maximum rate of interest such Variable Rate Bonds may bear pursuant to the ordinance or resolution authorizing their issuance, or the maximum rate permitted by law if such authorizing ordinance or resolution provides no maximum rate of interest.

Notwithstanding any other provision of this 2016 Ordinance, including in particular this Article X, the obligation to pay over the Rebate Amount to the United States of America and to comply with all other covenants or agreements by the County established by subsequent resolution to preserve the exclusion from gross income for federal income tax purposes of interest on the Bonds (other than Taxable Bonds) shall survive the defeasance or payment in full of such Bonds.

ARTICLE XI

If any one or more of the covenants, agreements or provisions of this 2016 Ordinance should be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separate from the remaining covenants, agreements or provisions of this 2016 Ordinance or of the Series 2016A Bonds.

Nothing in this 2016 Ordinance, expressed or implied, is intended or shall be construed to confer upon any person, firm or corporation, other than the County, a Bond Insurer, a Counterparty, a provider of a Reserve Fund Facility, a Credit Facility or a Liquidity Facility and the Registered Owners of the Bonds issued under and secured by this 2016 Ordinance, any right, remedy or claim, legal or equitable, under or by reason of this 2016 Ordinance or any of its provision, this 2016 Ordinance and all its provisions being intended to be and being for the sole and exclusive benefit of the County, such Counterparties, Bond Insurers, providers of Reserve Fund Facilities, Credit Facilities or Liquidity Facilities and the Registered Owners from time to time of the Bonds.

Section 1106. Application of Florida Law; Venue. The Bonds are issued and this 2016 Ordinance is enacted with the intent that the laws of the State of Florida shall govern their construction. Venue shall lie in Miami-Dade County, Florida.

Section 4.05. Determination of Taxability. In the event of a Determination of Taxability, the (i) interest rate on the Bond shall be adjusted to the Taxable Rate effective retroactively to the date on which such Determination of Taxability was made, and (ii) the County shall pay to the Bondholder (or former Bondholder, as the case may be) as a gross-up amount (“*Gross-Up Amount*”): (1) an amount equal to the difference between (A) the amount of interest that would have been paid to such Bondholder during the period for which such interest is included in the gross income of such Bondholder if the Bond had borne interest at the Taxable Rate, beginning on the Taxable Date (the “*Taxable Period*”), and (B) the amount of interest actually paid to the Bondholder (or former Bondholder, as the case may be) during the Taxable Period, and (2) an amount equal to any interest, penalties or charges owed by such Bondholder (or former Bondholder, as the case may be) as a result of interest on the Bond becoming included in the gross income of such Bondholder (or former Bondholder, as the case may be), together with any and all attorneys’ fees, court costs, or other “out-of-pocket” costs incurred by such Bondholder (or former Bondholder, as the case may be) in connection therewith.

The Bondholder shall certify to the County in writing the additional amount, if any due to the Bondholder as a result of a Determination of Taxability. The County shall pay such additional amounts within ninety (90) days after the date such written notice is delivered to the County by the Bondholder. The Bonds shall bear interest at the rates identified herein; provided that at no time shall the Bonds bear interest at a rate in excess of the Maximum Interest Rate. If the amount of interest payable for any period in accordance with the terms hereof or the Bonds exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the Maximum Interest Rate, then interest for such period shall be payable in an amount calculated at the Maximum Interest Rate.

Section 4.07. Optional Redemption. The Bond is subject to redemption prior to maturity at the option of the County, from any available funds, in whole or in part, without premium or penalty, on any Interest Payment Date on or after October 1, 2026, and if in part, in such order of maturity as determined by the County, at the redemption price of par plus accrued interest to the redemption date. If the County shall be required by law to deduct or withhold any Indemnified Taxes imposed by the United States of America or any political subdivision thereof from or in respect of any sum payable hereunder or with respect to the Bonds, then (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Purchaser or such Bondholder receives an amount equal to the sum it would have received had no such deductions been made, (ii) the County shall make such deductions and (iii) the County shall timely pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law. If the County shall make any payment under this Section to or for the benefit of the Purchaser or such Bondholder with respect to Indemnified Taxes and if the Purchaser or such Bondholder shall claim any credit or deduction for such Indemnified Taxes against any other taxes payable by the Purchaser or such Bondholder to any taxing jurisdiction in the United States of America then the Purchaser or such Bondholder shall pay to the County an amount equal to the amount by which such other taxes are actually reduced; *provided*, that the aggregate amount payable by the Purchaser or such Bondholder pursuant to this sentence shall not exceed the aggregate amount previously paid by the County with respect to such Indemnified Taxes. In addition, the County agrees to pay any present or future stamp, recording or documentary taxes and any other excise or property taxes, charges or similar levies that arise under the laws of the United States of America or the State from any payment made hereunder or under the Bonds or from the execution or delivery of this Agreement or the Bonds, or otherwise with respect to this Agreement or the Bonds (hereinafter referred to as "*Other Taxes*"). The Purchaser or such Bondholder shall provide to the County within a reasonable time a copy of any written notification it receives with respect to Indemnified Taxes or Other Taxes owing by the County to the Purchaser or such Bondholder hereunder; *provided*, that the Purchaser or such Bondholder's failure to send such notice shall not relieve the County of its obligation to pay such amounts hereunder.

(b) The County shall, to the fullest extent permitted by law and subject to the provisions hereof, pay the Purchaser or such Bondholder for the full amount of Indemnified Taxes and Other Taxes including any Indemnified Taxes or Other Taxes imposed by any applicable jurisdiction on amounts payable under this Section paid by the Purchaser or such Bondholder or any liability (including penalties, interest and reasonable expenses) arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally asserted; *provided*, that the County shall not be obligated to pay the Purchaser or such Bondholder for any penalties, interest or expenses relating to Indemnified Taxes or Other Taxes arising from the Purchaser or such Bondholder's gross negligence or willful misconduct. The Purchaser or such Bondholder agrees to give notice to the County of the assertion of any claim against the Purchaser or such Bondholder relating to such Indemnified Taxes or Other Taxes as promptly as is practicable after being notified of such assertion; *provided*, that the Purchaser or such Bondholder's failure to notify the County promptly of such assertion shall not relieve the County of its obligation under this Section. Payments by the County pursuant to this Section

shall be made within thirty (30) days from the date the Purchaser or such Bondholder makes written demand therefor, which demand shall be accompanied by a certificate describing in reasonable detail the basis thereof. The Purchaser or such Bondholder agrees to repay to the County any refund (including that portion of any interest that was included as part of such refund) with respect to Indemnified Taxes or Other Taxes paid by the County pursuant to this Section received by the Purchaser or such Bondholder for Indemnified Taxes or Other Taxes that were paid by the County pursuant to this Section and to contest, with the cooperation and at the expense of the County, any such Indemnified Taxes or Other Taxes which the Purchaser or such Bondholder or the County reasonably believes not to have been properly assessed.

(c) Within thirty (30) days after the date of any payment of Indemnified Taxes by the County, the County shall furnish to the Purchaser or such Bondholder, as applicable, the original or a certified copy of a receipt evidencing payment thereof.

(d) Without prejudice to the survival of any other agreement of the County hereunder, the agreements and obligations of the County contained in this Section shall survive the termination of this Agreement and the payment in full of the Bonds and the obligations of the County thereunder and hereunder.

Section 4.09. Obligations Absolute. Subject to Section 4.10 hereof, the payment obligations of the County under this Agreement shall be unconditional and irrevocable and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including without limitation the following: (a) any lack of validity or enforceability of this Agreement, the Bond or any of the other Related Documents; (b) any amendment or waiver of or any consent to departure from all or any of the Related Documents; (c) the existence of any claim, set-off, defense or other right which the County may have at any time against the Purchaser, any other Bondholder or any other person or entity, whether in connection with this Agreement, the other Related Documents, the transactions contemplated herein or therein or any unrelated transaction; or (d) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing. Notwithstanding this Section, the Purchaser acknowledges the County may have the right to bring a collateral action with respect to one or more of the foregoing circumstances. The County's payment obligations shall remain in full force and effect pending the final disposition of any such action. All fees payable pursuant to this Agreement shall be deemed to be fully earned when due and non-refundable when paid.

Section 4.10. Payments Solely from Pledged Funds. Notwithstanding anything in this Agreement to the contrary, the payment obligations of the County under this Agreement shall be payable solely from the Pledged Funds in the order of priority set forth in the Ordinance. The Bonds are secured solely by a pledge of the Pledged Funds as provided in the Ordinance and the Bonds shall not be or constitute general obligations or indebtedness of the County within the meaning of the Constitution of the State of Florida, but shall be payable from and secured by a lien solely upon and a pledge of the Pledged Funds as provided in the Ordinance. The Purchaser shall not have the right to compel the exercise of the ad valorem taxing power of the County or taxation in any form on any property to pay the principal of and interest on the Bonds, nor shall

REPRESENTATIONS AND WARRANTIES

The County makes the following representations and warranties to each Bondholder:

Section 5.01. Existence and Power . The County is a county and political subdivision of the State, duly organized and existing under the Constitution and laws of the State.

Section 5.02. Due Authorization. All Governmental Approvals necessary for the County to enter into this Agreement and the other Related Documents and to perform the transactions contemplated hereby and thereby and to conduct its business activities and own its property have been obtained and remain in full force and effect and are subject to no further administrative or judicial review. No other Governmental Approval or other action by, and no notice to or filing with, any Governmental Authority is required for the due execution, delivery and performance by the County of this Agreement or the due execution, delivery or performance by the County of the Related Documents.

Section 5.03. Valid and Binding Obligations. This Agreement has been duly executed and delivered by one or more duly authorized officers of the County, and each of the other Related Documents, when executed and delivered by the County will be, a legal, valid and binding obligation of the County enforceable in accordance with its terms, except as such enforceability may be limited by (a) the effect of any applicable bankruptcy, insolvency, reorganization, moratorium or similar law affecting creditors' rights generally, and (b) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Section 5.04. Noncontravention; Compliance with Law . The execution, delivery and performance of this Agreement and each of the other Related Documents in accordance with their respective terms do not and will not (i) contravene the County's authorizing legislation, (ii) require any consent or approval of any creditor of the County, (iii) violate any Laws, (iv) conflict with, result in a breach of or constitute a default under any contract to which the County is a party or by which it or any of its property may be bound or (v) result in or require the creation or imposition of any Lien upon or with respect to any property now owned or hereafter acquired by the County except such Liens, if any, expressly created by a Related Document. The County is in compliance with all Laws, except for such noncompliance that, singly or in the aggregate, has not caused or is not reasonably expected to cause a Material Adverse Effect.

Section 5.05. Pending Litigation and Other Proceedings. There is no action, suit or proceeding pending in any court or any other governmental authority with jurisdiction over the County or, to the knowledge of the County, any other action, suit or proceeding pending or threatened in any court, any other governmental authority with jurisdiction over the County, in

either case against the County or any of its properties or revenues, or any of the Related Documents, which if determined adversely to the County would adversely affect the rights, security, interests or remedies of the Purchaser hereunder or under any of the other Related Documents or which is reasonably likely to result in a Material Adverse Effect.

Section 5.06. Financial Statements. The financial statements of the County for the Fiscal Year ending September 30, 2014 fairly present the financial condition of the County in all material respects as of such date and the results of its operations for the periods then ended in conformity with GAAP. There has been no material adverse change in the financial condition or operations of the County since the date of such financial statements that could reasonably be expected to result in a Material Adverse Effect.

Section 5.07. No Defaults. To the best of its knowledge, no default by the County has occurred and is continuing in the payment of the principal of or premium, if any, or interest on any Debt of the County. No Default or Event of Default has occurred and is continuing hereunder. No "default" or "event of default" under, and as defined in, any of the other Related Documents has occurred and is continuing. The County is not presently in default under any material agreement to which it is a party which could reasonably be expected to have a Material Adverse Effect. The County is not in violation of any material term of the authorizing legislation applicable to the County or any material term of any bond indenture or agreement to which it is a party or by which any of its property is bound which could reasonably be expected to result in a Material Adverse Effect.

Section 5.08. Sovereign Immunity. Under the laws of the State, the County and its property is not exempt or immune from, and hereby irrevocably waives any exemption or immunity from, whether on the basis of sovereign immunity or any similar legal or equitable principle, doctrine or rule of law and whether now or at any time hereafter arising, (a) jurisdiction, (b) liability, suit or other legal or equitable remedy for the amounts due and payable under the Bond, this Agreement or any of the other Related Documents or the performance of any of its other obligations hereunder or thereunder, and (c) enforcement of any judgment, order or decree to which it or its assets or property may be made subject.

Section 5.09. Incorporation by Reference. The representations and warranties of the County contained in the other Related Documents, together with the related definitions of terms contained therein, are hereby incorporated by reference in this Agreement as if each and every such representation and warranty and definition were set forth herein in its entirety, and the representations and warranties made by the County in such Sections are hereby made for the benefit of the Purchaser. No amendment to or waiver of such representations and warranties or definitions made pursuant to the relevant Related Document or incorporated by reference shall be effective to amend such representations and warranties and definitions as incorporated by reference herein without the prior written consent of the Purchaser.

Section 5.10. Correct Information. All information, reports and other papers and data with respect to the County furnished by the County to the Purchaser were, at the time the same were so furnished, correct in all material respects. Any financial, budget and other projections

furnished by the County to the Purchaser were prepared in good faith on the basis of the assumptions stated therein, which assumptions were fair and reasonable in light of conditions existing at the time of delivery of such financial, budget or other projections, and represented, and as of the date of this representation, represent (subject to the updating or supplementation of any such financial, budget or other projections by any additional information provided to the Purchaser in writing, the representations contained in this Agreement being limited to financial, budget or other projections as so updated or supplemented), in the judgment of the County, a reasonable, good faith estimate of the information purported to be set forth, it being understood that uncertainty is inherent in any projections and that no assurance can be given that the results set forth in the projections will actually be obtained. No fact is known to the County that materially and adversely affects or in the future may (as far as it can reasonably foresee) materially and adversely affect the security for any of the Bonds, or the ability of the County to repay when due the Obligations, that has not been set forth in the financial statements and other documents referred to in this Section 5.10 or in such information, reports, papers and data or otherwise disclosed in writing to the Purchaser. The documents furnished and statements made by the County in connection with the negotiation, preparation or execution of this Agreement and the Related Documents do not contain untrue statements of material facts or omit to state material facts necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

Section 5.11. Tax-Exempt Status. The County has not taken any action or omitted to take any action, and has no actual knowledge of any action taken or omitted to be taken by any other Person, which action, if taken or omitted, would adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes or the exemption of interest on the Bonds from State personal income taxes.

Section 5.12. Usury. None of the Related Documents or the Bonds provide for any payments that would violate any applicable law regarding permissible maximum rates of interest.

Section 5.13. Security. The Ordinance creates, for the benefit of the owners of the Bonds, the legally valid, binding and irrevocable lien on and pledge of the Trust Estate. Other than as set forth therein, the Ordinance does not permit the issuance or incurrence of any Debt secured by the Trust Estate to rank senior to the Bonds. The payment of the Bonds ranks on a parity with the payment of the principal and purchase price of and interest on all Debt payable from or secured by a lien on or pledge of the Pledged Funds and, other than as provided in the Ordinance, is not subordinate to any payment secured by a lien on the Trust Estate or any other claim, and is prior as against all other Persons having claims of any kind in tort, contract or otherwise, whether or not such Persons have notice of such lien. No filing, registration, recording or publication of the Ordinance or any other instrument is required to establish the pledge provided for thereunder or to protect or maintain the lien created thereby on the Trust Estate to secure the Bonds.

Section 5.14. Pending Legislation and Decisions. There is no amendment, or to the knowledge of the County, proposed amendment to the Constitution of the State or any State law or any administrative interpretation of the Constitution of the State or any State law, or any legislation that has passed either house of the legislature of the State, or any judicial decision

interpreting any of the foregoing, the effect of which will materially adversely affect the issuance of any of the Bonds, the security for any of the Bonds or any Obligation, the creation, organization, or existence of the County or the titles to office of any officers executing this Agreement or any Related Documents or the County's ability to repay when due its obligations under this Agreement, any of the Bonds or any other Obligation.

Section 5.15. Paying Agent. U.S. Bank National Association is the duly appointed and acting Paying Agent for the Bonds.

Section 5.16. Anti-Terrorism Laws. The County is not in violation of any Laws relating to terrorism or money laundering ("*Anti-Terrorism Laws*"), including Executive Order No. 13224 on Terrorist Financing, effective September 24, 2001 (the "*Executive Order*"), and the Patriot Act;

(a) The County is not any of the following: (i) a Person that is listed in the annex to, or is otherwise subject to the provisions of, the Executive Order; (ii) a Person owned or controlled by, or acting for or on behalf of, any Person that is listed in the annex to, or is otherwise subject to the provisions of, the Executive Order; (iii) a Person with which the Purchaser is prohibited from dealing or otherwise engaging in any transaction by any Anti-Terrorism Law; (iv) a Person that commits, threatens or conspires to commit or supports "terrorism" as defined in the Executive Order; or (v) a Person that is named as a "specially designated national and blocked person" on the most current list published by the Office of Foreign Asset Control ("*OFAC*") or any list of Persons issued by OFAC pursuant to the Executive Order at the County Website or any replacement website or other replacement official publication of such list; and

(b) To its knowledge, the County does not (i) conduct any business or engage in making or receiving any contribution of funds, goods or services to or for the benefit of any Person described in subsection (a)(ii) above, (ii) deal in, or otherwise engage in any transaction relating to, any property or interests in property blocked pursuant to the Executive Order or (iii) engage in or conspires to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in any Anti-Terrorism Law.

Section 5.17. Valid Lien. The County's irrevocable pledge and assignment of the Pledged Funds as set forth in the Ordinance to and for the payment of its obligations under this Agreement, as authorized under and in accordance with the Ordinance: (i) is valid and binding as of the Effective Date and all Pledged Funds now or hereafter received by the County are immediately subject to the lien thereof in the order of priority as set forth in the Ordinance; (ii) requires no act, instrument, approval, filing, registration, recording or publication of the Ordinance or any other instrument nor any prior separation or physical delivery of the Pledged Funds or notice to any Person, other than the filings and registrations, if any, accomplished by the County as of the Effective Date, to validly establish the pledge provided for under the Ordinance or to create, attach, protect or maintain the lien and security interest created thereby on and in the Pledged Funds to secure the Bonds; and (iii) does not require any act of appropriation for the application thereof to the purposes for which it is pledged.

(k) (i) any "event of default" under any Related Document (as defined respectively therein) shall have occurred or (ii) any "event of default" shall occur under any other agreement between the County and the Purchaser relating to the Bonds.

(a) If an Event of Default specified in Section 7.01 hereof shall occur and be continuing, the Purchaser may take one or more of the following actions at any time and from time to time (regardless of whether the actions are taken at the same or different times):

(i) deliver a written notice to the County that an Event of Default has occurred and is continuing and direct the County to take such remedial action as is provided for in the Ordinance;

(ii) either personally or by attorney or agent without bringing any action or proceeding, or by a receiver to be appointed by a court in any appropriate action or proceeding, take whatever action at law or in equity may appear necessary or desirable to collect the amounts due and payable under the Related Documents or to enforce performance or observance of any obligation, agreement or covenant of the County under the Related Documents, whether for

The rights and remedies of the Purchaser specified herein are for the sole and exclusive benefit, use and protection of the Purchaser, and the Purchaser is entitled, but shall have no duty or obligation to the County or any other Person or otherwise, to exercise or to refrain from exercising any right or remedy reserved to the Purchaser hereunder or under any of the other Related Documents.

Section 7.04. Waivers or Omissions. Section 7.05. Discontinuance of Proceedings. ARTICLE VIII

Section 8.01. Indemnification. To the fullest extent permitted by law, in addition to any and all rights of reimbursement, indemnification, subrogation or any other rights pursuant hereto or under law or equity, the County hereby agrees (to the extent permitted by law) to indemnify and hold harmless each Bondholder and its officers, directors and agents (each, an "Indemnitee") from and against any and all claims, damages, losses, liabilities, reasonable costs or expenses whatsoever (including reasonable attorneys' fees) which may incur or which may be claimed against an Indemnitee by any Person or entity whatsoever (collectively, the "Liabilities") by reason of or in connection with (a) the execution and delivery or transfer of, or payment or failure to pay under, any Related Document; (b) the issuance and sale of the Bonds; and (c) the use of the proceeds of the Bonds; *provided* that the County shall not be required to indemnify an Indemnitee for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross negligence of such Indemnitee. Section 8.02. Survival. The obligations of the County under this Article VIII shall survive the payment of the Bonds and the termination of this Agreement.

ARTICLE IX

MISCELLANEOUS

Section 9.01. Patriot Act Notice. The Purchaser hereby notifies the County that pursuant to the requirements of the Patriot Act it is required to obtain, verify and record information that identifies the County, which information includes the name and address of the County and other information that will allow the Purchaser to identify the County in accordance with the Patriot Act. The County hereby agrees that it shall promptly provide such information upon request by the Purchaser.

Any such agreement, waiver or consent must be in writing and shall be effective only to the extent specifically set forth in such writing. In the case of any such waiver or consent relating to any provision hereof, any Default or Event of Default so waived or consented to shall be deemed to be cured and not continuing, but no such waiver or consent shall extend to any other or subsequent Default or Event of Default or impair any right consequent thereto.

Section 9.03. No Implied Waiver; Cumulative Remedies. No course of dealing and no delay or failure of the Purchaser in exercising any right, power or privilege under this Agreement or the other Related Documents shall affect any other or future exercise thereof or exercise of any right, power or privilege; nor shall any single or partial exercise of any such right, power or privilege or any abandonment or discontinuance of steps to enforce such a right, power or privilege preclude any further exercise thereof or of any other right, power or privilege. The rights and remedies of the Purchaser under this Agreement are cumulative and not exclusive of any rights or remedies which the Purchaser would otherwise have under any Related Document, at law or in equity.

Section 9.04. Notices. All notices, requests, demands, directions and other communications (collectively "notices") under the provisions of this Agreement shall be in writing (including facsimile communication), unless otherwise expressly permitted hereunder, and shall be sent by first-class mail or overnight delivery and shall be deemed received as follows: (i) if by first class mail, five (5) days after mailing; (ii) if by overnight delivery, on the next Business Day; and (iii) if by facsimile, when confirmation of receipt is obtained. (a) *Successors and Assigns Generally.* This Agreement is a continuing obligation and shall be binding upon the County, its successors, transferees and assigns and shall inure to the benefit of the Bondholders. The County may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Purchaser. Each Bondholder may, in its sole discretion and in accordance with applicable Law, from time to time assign, sell or transfer in whole or in part, its interest in the Bonds and the other Related Documents in accordance with the provisions of paragraph (c) of this Section. Each Bondholder may at any time and from time to time enter into participation agreements in accordance with the provisions of paragraph (d) of this Section. The Majority Bondholder may so designate an alternate Person to act as the Purchaser from time to time.
