From: Carlos A. Gimenez
Mayor 
Subject: South Miami Community Redevelopment Agency FY 2015-16 Budget

Recommendation

It is recommended that the Board of County Commissioners (Board) consider the attached resolution approving the South Miami Community Redevelopment Agency's (Agency) FY 2015-16 Budget for the South Miami Community Redevelopment Area (Area). The Agency's Budget includes revenues and expenditures in the amount of \$1,383,275 (attached as Exhibit A).

The Interlocal Agreement requires the Agency to submit an annual budget prior to expending any tax increment financing (TIF) revenues for the implementation of the Community Redevelopment Plan (Plan).

Scope

This resolution provides for the appropriation of Tax Increment revenues derived from the Area. The Area lies within Commission District 7, represented by Commissioner Xavier L. Suarez.

Fiscal Impact / Funding Source

The Agency's main revenue source is TIF and is generated through the incremental growth of ad valorem revenues beyond an established base year, as defined in Section 163.387 of Florida State Statutes. The Countywide Tax Increment revenue payment into the Agency's Trust Fund for FY 2015-16 is \$598,463 and the City of South Miami's (City) Tax Increment revenue payment into the Trust Fund is \$551,069.

The County will continue to make annual payments to the Agency based on each respective year's growth of ad valorem revenues over the base year through 2020 when the Agency will sunset.

Track Record / Monitor

This resolution does not provide for contracting with any specific entity and only approves the Agency's FY 2015-16 Budget of \$1,383,275.

Background

On June 16, 1998, the Board approved the establishment of the Agency when it adopted the Agency's Plan pursuant to Resolution R-99-100 and the funding of the Plan when it enacted Ordinance No. 98-80, which established the Agency's Trust Fund. An Interlocal Agreement between Miami-Dade County and the Agency was approved by the Board on September 9, 1999, and later amended through Resolution R-327-04.

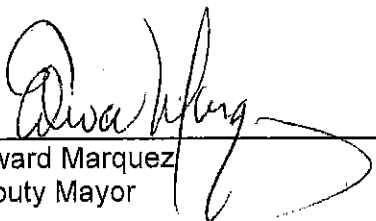

The Agency's FY 2015-16 budget of \$1,383,275 was approved by the Agency on October 21, 2015 and by the City on November 3, 2015. The budget includes revenue sources of County and City TIF payments totaling \$598,463 and \$551,069, respectively; carryover from prior years (\$120,541); carryover reserved for a grant project (\$76,202); rent revenues (\$33,750); and interest earnings (\$3,250).

Administrative expenditures total \$211,784, excluding the 1.5 percent County Administrative Charge (\$8,977), and represent 16 percent of total expenditures, which satisfies the 20 percent cap in administrative expenditures required by the Interlocal Agreement.

Operating Expenditures total \$1,159,052 and include:

- \$479,891 including Madison Square affordable housing project development gap funding (\$348,439), contractual services associated with the Madison Square project (\$126,202), service fees for the Greater Miami Service Corps Housing Rehabilitation and Training Partnership Program (\$2,500), business development training (\$1,500), and professional with business development training (\$1,250);

FY 2015-2016 SMCRA BUDGET MESSAGE

Honorable Miami-Dade Board of County Commissioners:

The preliminary assessed value estimate for the South Miami Community redevelopment area for the 2014 year is \$346,238,998. This estimated value represents a 465% value increase since the base year value of \$69,238,058. The community redevelopment area currently contains some of the highest valued properties in the City of South Miami.

During the 2014-2015 Fiscal Year, an estimated total of \$1,118,604 was expended on redevelopment projects, initiatives and related contractual services. Total expenditures include debt service on the Agency's long-term bond obligation with Regions Bank. This 2007, 2.73 million dollar bond obligation will now be satisfied during the first quarter of 2015-2016.

Major areas of focus during 2014-2015 included the continued rehabilitation of the redevelopment area housing stock; economic development creation through the SMCRA Business and Community Service Facility and related economic development programs. The on-going focus on meaningful community policing and related benefits was continued during 2014-2015. Concerted efforts were also made during 2014-2015 to build upon prior infrastructure and park improvements projects by completing the SW 69th Street and SW 61st Court pedestrian infrastructure and park improvement projects.

Completion of the proposed Madison Square mixed-use, affordable housing project also remained a critical objective during 2014-2015. After achieving full site control, obtaining unanimous mixed-use zoning approvals and selecting project development team, required "gap" financing continues to be aggressively pursued through the Agency's existing partnership. During 2014-2015, the Board worked diligently to enhance potential construction financing opportunities through the non-competitive and competitive tax credit programs.

2015-2016 revenue projections include increased tax increment contributions in the total amount of \$1,149,532, rent revenues and interest earnings in the amount of \$36,000 and a fund balance of \$262,824 including reserved funding for the Madison Square project. Corresponding expenditures in the amount of \$1,449,356 have been allocated in the 2015-2016 Budget. The upcoming budget continues to implement key goals and objectives of the adopted plan including continued residential housing stock improvement, creation of business and economic development opportunities, critical capital improvement project implementation, land acquisition and development of blighted properties and a continued emphasis on effective community policing in support of on-going redevelopment investments in the SMCRA area.

The proposed budget is attached for Board review and consideration.

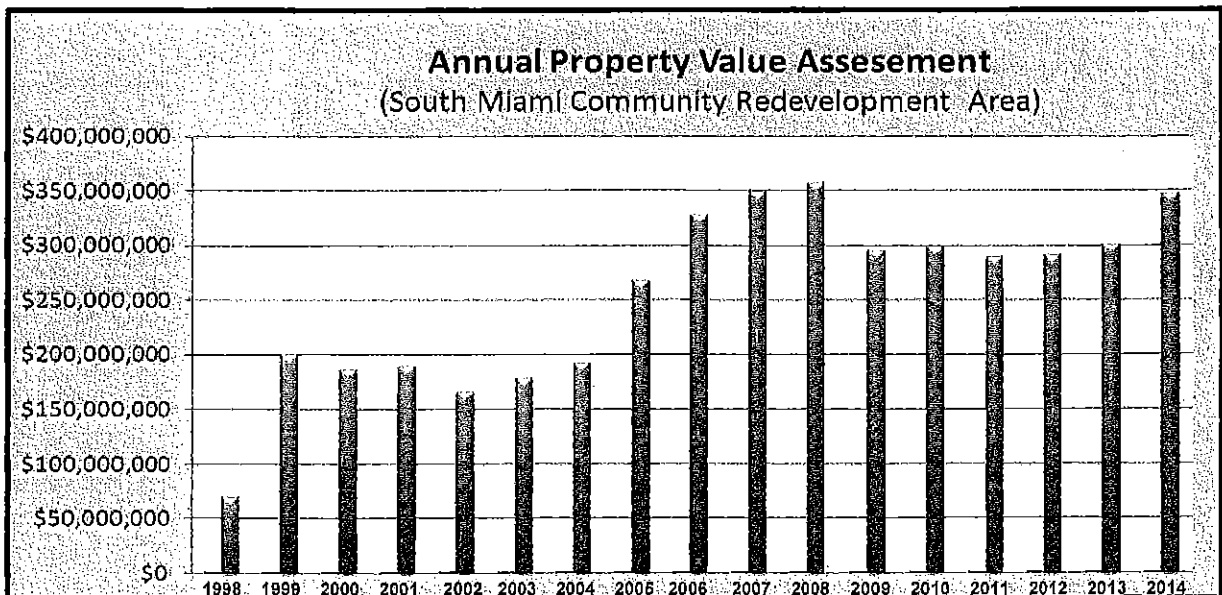

Respectfully Submitted,

Stephen David, SMCRA Director
