Memorandum

Date: April 5, 2016

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Approving and Authorizing Execution of the Second Amendment to the 1080 Office Building Lease Agreement between Miami-Dade County and Royal Caribbean Cruises Ltd.

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the accompanying resolution approving and authorizing the execution of a Second Amendment (Second Amendment) to the 1080 Office Building Lease Agreement located at 1080 Caribbean Way between Miami-Dade County (County) and Royal Caribbean Cruises, Ltd. (1080 Building Lease) providing for an expansion of the 1080 Building for the purpose of Royal Caribbean Cruises, Ltd. constructing an Innovation Lab.

Scope

PortMiami (Port) is located within District 5, which is represented by Commissioner Bruno A. Barreiro. The impact of this agenda item is countywide, as the Port is a regional asset and generates employment for residents throughout Miami-Dade County.

Fiscal Impact/Funding Source

This item has no fiscal impact to the County as Royal Caribbean Cruises, Ltd. ("RCCL") shall pay for the design and construction of the building expansion at a cost of approximately \$10,000,000. Once complete, RCCL shall reimburse the County for all Cost of Services including electricity, water and sewer, and maintenance associated with the proposed building expansion.

Track Record/Monitor

The Port staff members responsible for monitoring the Amended 1080 Building Lease are Juan Kuryla, Port Director; Kevin Lynskey, Deputy Port Director; and Hydi Webb, Assistant Director of Business Development and Marketing.

Delegated Authority

In accordance with Section 2-8.3 of the Miami-Dade County Code related to identifying delegation of the Board authority, there are no authorities beyond those specified in the resolution, which include the authority for the Mayor or the Mayor's designee to execute the Second Amendment and for exercising any cancellation, termination, renewal, and other rights as contained in the 1080 Building Lease, as amended by this Second Amendment, and within certain parameters, the authority to determine the sufficiency and value of any alternate form of security provided to the County by RCCL to secure RCCL's payment to its contractor and the performance of RCCL's contractor.

Background

On January 18, 1994, the Board approved Resolution R-98-94, which authorized the execution of the original 1080 Building Lease and a Master Agreement between the County and RCCL for the construction of the building to be constructed at 1080 Caribbean Way (Master Agreement). The 1080 Building Lease and the Master Agreement provided for the construction by RCCL for the County and subsequent lease by the County to RCCL of a building of approximately 150,000 square feet of office space, parking spaces and ancillary building facilities. The 1080 Building Lease had an initial term of 20 years with extension options and provided for rental terms.

Subsequently, on July 19, 2011, the Board approved Resolution R-632-11, which authorized a First Amendment to the 1080 Building Lease. This First Amendment provided a lease extension through March 31, 2021 with two (2) additional terms of five (5) years each at RCCL's option.

At this time, RCCL desires to construct an Innovation Lab at the Port to facilitate its leadership team in continuing to build industry leading, innovative vessels. The Innovation Lab will be contained in a new two-story, 20,000 square foot building (New Premises) attached to the 1080 building. The new premises that will be constructed by RCCL on the property footprint identified in the site plan attached as Exhibit "A" to the Second Amendment, will house some of the latest vessel design simulation tools.

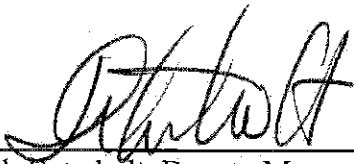

Under the proposed terms of this Second Amendment, RCCL shall design and construct the project at its sole cost and expense. The New Premises shall be of equal or better quality than the existing building and shall incorporate high quality finishes, exterior finishes, mechanical systems, and plumbing. It is anticipated that RCCL shall have an investment cost of approximately \$10,000,000 for the design, site work, construction, equipment, machinery, labor and professional fees, permits, and related expenses.

The timeline to complete this project is aggressive with an operational completion target date of January 31, 2017. RCCL has an exciting industry announcement, which they will reveal around the opening of the Innovation Lab. To meet this timeline, RCCL is currently finalizing its designs to enable permitting the new premises to meet a break-ground date in May 2016. RCCL shall comply with all requirements relating to the design and construction of property owned by the County. Among other things, RCCL shall abide by the County's Small Business Enterprise Program, as well as with applicable Workforce sections of the County Code of Ordinances (Residents First, Workforce Requirements, and Responsible Wages), County's Sustainable Building Program, and Art in Public Places.

As RCCL will finance and construct the full project, Miami-Dade County will not charge any additional annual rent for the New Premises for the remainder of the term or any exercisable extension. Notwithstanding the foregoing sentence, RCCL shall be responsible to pay the County Cost of Services for the New Premises to include electricity, water and sewer, and maintenance of wiring systems, plumbing systems, and structural components.

The effective date of this Amendment shall be the date the Second Amendment is executed by the County and RCCL.

RCCL is headquartered in Miami-Dade County and currently employs over 66,000 employees, including approximately 6,000 full-time employees plus approximately 60,000 shipboard employees. RCCL has had corporate ties in Miami-Dade County for more than 45 years. The addition of this Innovation Lab at the Port will further enhance Miami-Dade County as RCCL's United States headquarters designation.

County is not and shall not be construed as a party to any construction and/or design contracts related to the New Premises nor shall County in any way be responsible for any or all claims or liabilities of any nature whatsoever arising or which may arise from any such construction and/or design contracts. To facilitate the accurate apportionment of New Premises related Cost of Services from other Building Cost of Services, Lessee shall design and construct the New Premises with its own smart meters (or sub-meters) to properly measure all water, sewer, electrical, and other utility services used by or in connection with the New Premises and such smart meters or sub-meters, as the case may be, shall have the capacity to be read or measured remotely at the Port of Miami administration building.

8. Acknowledgment of Reduced Parking to Accommodate New Premises. Lessee has requested County's consent for Lessee to construct the New Premises on a portion of leased Land currently used for Lessee surface parking. Lessee expressly acknowledges and accepts that construction of the New Premises will reduce the number of parking spaces available to Lessee on the Land or otherwise by approximately thirty five (35) parking spaces, and Lessee further

5

acknowledges and agrees that County shall have no obligation to replace or substitute any parking spaces temporarily or permanently lost or consumed, in whole or in part, in connection with the construction, operation, or maintenance of the New Premises or any facilities ancillary thereto.

9. Subleasing. The following new sentence is hereby added to the end of Section 2 of the Lease: "Notwithstanding the foregoing, Lessee shall not be permitted to sublease or otherwise transfer any portion of the Lease, as may be amended, to the extent it would violate any existing deed restrictions relating to any portion of the Leased Premises, and, any attempt to do so shall be deemed void *ab initio*."

10. Effective Date. The term "Effective Date" shall mean the date this Second Amendment is last executed by the County and Lessee.
