Agenda Item No. 8(F)(4)

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Recommendation for Approval to Award Legal Services for Implementation of Public Private Partnerships to Develop County Civil and Criminal Court Facilities and Other Projects as Determined by the Board of County Commissioners

This item was amended at the July 12, 2016 Strategic Planning and Government Operations Committee meeting to amend the definition of Project Manager in Article 1, Subsection (i) to read as follows in its entirety: The words "Project Manager" to mean the County Attorney or the authorized representative of the County Attorney designated to manage the Project.

Recommendation

It is recommended that the Board of County Commissioners (Board) approve award of *Contract No. 00198, Legal Services for Implementation of Public Private Partnerships to Develop County Civil and Criminal Court Facilities and Other Projects as Determined by the Board of County Commissioners*, to Ashurst LLP for the delivery of legal services related to public-private partnership (P3) projects. This contract award is in response to Resolution No. R-151-15 directing the County Mayor to solicit proposals for P3s to design, build, finance, operate and maintain County Civil and Criminal Court Facilities and Jail Facilities. The resolution further directed the County Mayor to issue a solicitation for the retention of counsel to deliver specialized legal services as needed regarding the County's implementation of P3s, and is consistent with the Board's intent to partner with private investors and organizations to enter into long-term public infrastructure investments when it is in the County's best interest.

In addition to providing specialized legal services at the direction of the County Attorney's Office, Ashurst LLP will counsel the Board and the administration, through the County Mayor, relating to establishing P3s for the financing, design, construction, operation and maintenance of County social infrastructure (civil and criminal court buildings and jail facilities). Under the contract, Ashurst LLP may perform additional services for other P3 arrangements subject to express authorization by the Board.

This legal services contract will complement, not duplicate or supersede, the capabilities of the County Attorney's Office to provide in-house services and requires Ashurst LLP to identify areas where the County may utilize its in-house capabilities in lieu of contracted services. All assignments (e.g., drafting Request for Qualifications, Request for Proposals, clarifications, addenda, comprehensive and interim agreements, terms and conditions and providing legal advice) under this contract shall be authorized via work orders.

Scope

The scope of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for the two-year term is \$1,000,000. Should the County choose to exercise, at its sole discretion, the two (2) one-year options to renew, the estimated cumulative value will be \$2,000,000. The funding source will be determined on a project-by-project basis.

County Agency	Allocation	Funding Source	Contract Manager
County Attorney's Office	\$1,000,000	Project Funds	Hugo Benitez
Total:	\$1,000,000		

Track Record/Monitor

Andrew Zawowski of the Internal Services Department is the Procurement Contracting Officer.

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise all provisions of the contract, except the authorization of Work Orders, including any cancellation, renewal and extension provisions, pursuant to Section 2-8.1 of the County Code and Implementing Order 3-38. The County Attorney's Office shall be authorized to issue Work Orders only.

Vendor Recommended for Award

A Request for Proposals (RFP) was issued under full and open competition on April 29, 2015. Fifteen proposals were received in response to the solicitation. An RFP was used to obtain the best value to the County by conducting a qualitative review of proposals, including qualifications, experience and project approach. Oral presentations were held with the five (5) highest-scoring firms. Following oral presentations, the Competitive Selection Committee recommended that the County enter into contract negotiations with Ashurst LLP, the top-ranked firm. The resultant contract is recommended for award.

ARTICLE 6. SCOPE OF SERVICES

Contractor must provide Services to the County in connection with Public Private Partnership (P-3) initiatives (Project), including specifically the P-3 initiative to develop County Civil and Criminal Court Facilities Project, as further described in Appendix A, Scope of Services and as may be further defined by a Work Order issued by the County. The performance and payment for any Work shall be expressly conditioned upon the execution of a Work Order by both parties. The County does not represent or warrant that any Work Order will be issued under this Agreement, or that a minimum amount of Work will be authorized or approved.

Contractor must provide the services of (Contractor's Attorney(s)) and designated associates and employees under Contractor management, in relation to the Project. Contractor shall identify (in the Work Order) and obtain the County's Project Manager's approval for all attorneys and paralegals ("Employees") who will work on Project. Contractor shall use its best effort to retain the same participating Employees during the course of the Project. The County hereby approves GrayRobinson, P.A. as an acceptable subcontractor for Work performed hereunder or as may be submitted by the Contractor for any Work Order.

Contractor shall prepare a budget for each Work Order section under the Project and for the overall engagement as may be requested by the County. Each budget report must include an identification of proposed personnel to be engaged in the task, a description of the experience of the personnel, and an estimate of the number of hours that each level of employee is expected to use in accomplishing the task. Contractor shall advise the County's Project Manager immediately of any developments that may significantly affect a projected budget for a Work Order or the budget for the overall engagement.

The Contractor, and its subcontractors, shall at all times be governed by the applicable Rules of Professional Conduct of the Florida Bar. The Contractor's execution of the Contract, the Contractor's agreement to perform any work under any Work Order, and the Contractor's making any claim for payment under the Contract constitutes the Contractor's certification to the County that the Contractor does not have knowledge of any conflict of interest to exist under the Rules of Professional Conduct governing the Florida Bar, including any relating to conflicts of interest in the representation. At any time in anticipation of awarding the Contract, or during the performance of the Contract, the County may require the Contractor to execute an express written certification that after diligent inquiry the Contractor does not have any knowledge of a conflict of interest or other violation of the Rules of Professional Conduct.

The Contractor shall be obligated to disclose to the County any conflict of interest governed by the Rules of Professional Conduct, or the potential for the same to occur, immediately upon its discovery. The disclosure shall be in writing, addressed to the Contract Manager. The disclosure shall identify the conflict of interest with sufficient detail for the County's analysis and shall propose a method to address the same. The County will analyze conflicts of interest on a case-by-case basis. The County Mayor or County Mayor's designee, with the assistance of such other persons as the County Mayor or County Mayor's designee may deem appropriate, shall make the final decision as to how to address a conflict of interest. By exception, only the Board of County

Commissioners may issue any express written waiver which is required by the Rules of Professional Conduct.

Notwithstanding the foregoing, the Contractor, and its subcontractors, shall not be precluded from representing other clients now or in the future who may have interests adverse to the County, provided such do not involve a lawsuit against the County and which are not substantially related to the particular matters for which the County engaged the services of the Contractor, and provided there is no conflict of interest as defined under the applicable Rules of Professional Conduct of the Florida Bar. Additionally, the County recognizes that the Contractor and its subcontractors have or may in the future have clients that are or may be currently seeking, or may in the future be seeking, permits, licenses, or other land use and zoning approvals from the County or the County Commission or are involved in other matters of a non-adversarial nature. So long as such matters are not related to the matter which is the subject of the representation of this Contract and do not involve representation of a plaintiff in a law suit against the County, and do not otherwise constitute a conflict of interest under the applicable Rules of Conduct of the Florida Bar, the County hereby consents to the Contractor, and its subcontractors continuing to represent such clients now or in the future representing such clients.

The County may, at any time, remove the Contractor from a Project. If the County does so, the Contractor shall transition the Project as requested by the County's Project Manager.

All day-to-day requests and communications about the Services must be made through the Project Manager. Formal notices must be delivered in accordance with Article 7 of this Agreement. Project Managers are authorized to make day-to-day decisions related to the implementation of Services. Contractor's obligation with respect to the indemnification of consequential damages shall not exceed the value of this Agreement; the preceding shall not, however, serve as a limitation on Contractor's duty to defend the County, inclusive of Contractor's obligation to assume responsibility for the fees and costs of such defense, against any claim, demand, suit, or cause of action asserting, in whole or in part, a claim or demand for consequential damages.

The Proposer shall furnish to the Internal Services Department/Procurement Management Services, 111 NW 1st Street, Suite 1300, Miami, Florida 33128-1989, Certificate(s) of Insurance which indicate that insurance coverage has been obtained which meets the requirements as outlined below:

Award of this Contract is contingent upon the receipt of the insurance documents, as required, within ten (10) business days. If the insurance certificate is received within the specified timeframe but not in the manner prescribed in this Agreement, the Contractor shall have an additional five (5) business days to submit a corrected certificate to the County. If the Contractor fails to submit the required insurance documents in the manner prescribed in this Agreement within fifteen (15) business days, the Contractor shall be in default of the contractual terms and conditions and award of the Contract may be rescinded, unless such timeframe for submission has been extended by the County.

15

The County shall be entitled to a satisfactory performance of all Services described herein and to full and prompt cooperation by the Contractor in all aspects of the Services. At the request of the County, the Contractor shall promptly remove from the project any Contractor's employee, subcontractor, or any other person performing Services hereunder. The Contractor agrees that such removal of any of its employees does not require the termination or demotion of any employee by the Contractor.

APPENDIX A - SCOPE OF SERVICES

1.0 BACKGROUND

Miami-Dade County, a political subdivision of the State of Florida, hereinafter referred to as the County solicited for proposals for the delivery to the County of legal services related to establishing public private partnerships ("P3") in accordance with applicable law and in the manner more particularly set forth below.

The Scope of Services as addressed below is a general description of the services the County may require in its pursuit of public private partnerships. On an as needed basis, the County will prepare a more definitive scope of services (in phases); for which the Contractor will submit a proposal to the County. That proposal will be based on parameters, disciplines and hourly rates established in the Agreement. Following review of proposal submitted by the Contractor and any negotiations, the County may issue a Work Order for such legal services.

- 1.1 The County is a political subdivision in the State of Florida, governed by a Home Rule Charter (the "Charter").
- 1.2 The Charter provides for a Board of County Commissioners as a legislative and governing body (Article 1) and a Mayor charged with the management of all administrative departments of the County government and for carrying out all policies adopted by the Commission (Article 2). The Charter provides for a County Attorney appointed by the Board of County Commissioners to serve as legal counsel to the Board, Mayor and all County departments (Article V, Section 5.06). The Charter further provides that the Board may retain special counsel for specific needs.
- 1.3 The Miami-Dade County Attorney's Office is an in-house law firm which represents all aspects of County government, including the Mayor and the 13-member Board of County Commissioners, County departments and numerous boards and authorities. The Miami-Dade County Attorney's Office has represented the County in major real estate, construction, and finance transactions, including the Miami-Heat Arena, the Performing Arts Center, the development of the North Terminal at Miami International Airport, and the Miami Marlins' Stadium.
- 1.4 As a political subdivision of the State of Florida, the County is charged by Article V, Section 14 of the Florida Constitution with the responsibility of funding the construction, operation and maintenance of facilities for the civil and criminal state trial courts, and jails.
- 1.5 With the passage of time, and the growth of the County's population, the County's courthouse and jail facilities are in need of renovation and repair. These needs have been identified in a Master Plan for the Expansion of Courtrooms and Administrative facilities issued during the period between November 2007 and June 2008. They are also the subject of a finding by the United States Department of Justice that certain conditions in the County's jails violate the rights of inmates and a settlement agreement between the County and the United States addressing those conditions.
- 1.6 The Courthouses and ancillary facilities are used by government agencies other than the County, such as the Eleventh Judicial Circuit in and for Miami-Dade County, the Clerk of the Courts, the State Attorney and the Public Defender.
- 1.7 In 2013, the Florida legislature declared the intent to encourage investment by private entities in the development and operation of public projects, and for that purpose enacted Section 287.05712 of the Florida Statutes (the "Public Private Partnership Law").

- 1.8 On February 3, 2015, the Board adopted Resolution R-151-15 expressing the willingness to explore the possibility of establishing a public private partnership to design, build finance, operate and maintain Court facilities and Jail facilities. As part of the resolution, the Mayor was directed to prepare and issue a solicitation for the retention of special counsel to provide specialized legal services as needed at the direction of the County Attorney's Office after consultation with the Mayor or the Mayor's designee. A copy of the resolution is available on the County net. A subsequent memo was submitted by the Mayor to the Board dated February 18, 2015 updating the Board on this solicitation. Both documents are available upon request.

2.1 SCOPE OF SERVICES

- 2.1.1 The County identifies the Contractor to represent and counsel the County, including the Board of County Commissioners and the Mayor, related to the following:
 - 2.1.1.1. Establishing a P3 for the financing, design, construction, operation, and maintenance of County civil and criminal court facilities and jail facilities; and,
 - 2.1.2.2. Subject to express authorization by the Board, perform additional services for other P3 arrangements.
- 2.1.2 It is the intent of this RFP for the Contractor to provide specialized services at the direction of the County Attorney's Office, and thereby to complement, not duplicate or supersede, the capabilities of the County to provide services in-house. This Agreement requires the Contractor at all times to identify areas where the County may utilize its in-house capabilities in lieu of contracted services with resulting cost savings.
- 2.1.3 All work under this Agreement will be authorized, and reimbursed, subject to the issuance of appropriate Work Order(s). The award of a contract, and the issuance of any Work Order thereunder, will be contingent on the availability of funds for such purposes.

2.2. SCOPE OF SERVICES

- 2.2.1 The following legal practice areas are within the scope of legal services:
 - 2.2.1.1. Public Finance, with specialized knowledge of P3 formation and governance;
 - 2.2.1.2 P3 Project agreements covering the design, build, financing, operation and maintenance of public facilities;
 - 2.2.1.3 Private finance of public infrastructure;
 - 2.2.1.4 Public financing, including both taxable and tax-exempt financing;
 - 2.2.1.5. Real Estate Finance;
 - 2.2.1.6. Tax;
 - 2.2.1.7. Public procurement and contracting;
 - 2.2.1.8. Real Estate transactions, including environmental, land use, development and construction.

2.2.2 The following activities are within the scope of the solicited legal services:

2.2.2.1 Assist in drafting Request for Qualifications document, clarifications, addenda, (time permitting);

2.2.2.2. Assist in drafting comprehensive agreement, and Interim agreement(s), terms and conditions;
