

# Memorandum

**Date:** September 20, 2016  
**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners  
**From:** Carlos A. Gimenez  
Mayor  
**Subject:** Recommendation for Approval of a Designated Purchase under Contract No.  
RFP692A-1, Medical Transportation Services

Agenda Item No. 14(A)(4)

## **Recommendation**

It is recommended that the Board of County Commissioners (Board) approve this request for a designated purchase under *Contract No. RFP692A-1, Medical Transportation Services*, for the Miami-Dade County Fire Rescue Department. Approval of a designated purchase is being requested, pursuant to Section 2-8.1(b)(3) of the Miami-Dade County Code, to authorize the extension of the current term for up to 12 months to ensure continuity of services while the replacement contract is solicited and evaluated.

This contract was established in March 2011 through Resolution No. R-153-11 for a three-year term with one (1), two-year option to renew to deliver ambulance services to the County and its surrounding municipalities. The contract has two (2) Groups: (1) Urgent/Non Urgent Response for the Fire Rescue System (i.e., the Miami-Dade County Fire Rescue Department and municipal fire rescue departments) and (2) Urgent/Non Urgent Response for the Corrections and Rehabilitation Department. Services are to be provided 24 hours per day, seven (7) days a week and include basic and advanced life support. In an effort to enhance the quality of medical transportation services and vendor performance in the delivery of these services, the scope of services for the replacement contract is being restructured. It is anticipated that an award recommendation for the replacement contract will be presented to the Board for approval in March 2017.

The contract is in its option to renew term, which has been extended administratively by six (6) months under the County Mayor's delegated authority (i.e., from an original expiration date of March 31, 2016 to September 30, 2016). This procurement is presented for Board approval as a designated purchase because the administration has exhausted its authority to further extend the contract and competition is not practicable at this time as the specifications for the replacement solicitation are being finalized and the solicitation is scheduled for advertisement in August 2016. Accordingly, it is in the best interest of the County to authorize this designated purchase to assure the continued delivery of critical basic and advanced life support medical transportation services to the County and its surrounding municipalities.

## **Scope**

The impact of this item is countywide in nature.

## **Fiscal Impact/Funding Source**

The contract is in its option to renew term which expires on September 30, 2016 and has an \$80,000 allocation. The request for additional time extends the contract by 12 months, from October 1, 2016 to September 30, 2017. No additional expenditure authority is being requested with this time extension as the medical transportation services are provided at no cost to the County. Instead, the contractor bills the patient, insurance company or Medicare/Medicaid, as applicable, for services rendered. The existing allocation shall be used in the event of a disaster and is subject to reimbursement by the Federal Emergency Management Agency (FEMA).
