Section 8CC-10 Providing for Civil Penalties

---

The proposed ordinance creates Section 21-50 of the Code to prohibit any night club owner, night club operator, or the owner of the real property upon which the night club operates from allowing minors on the premises at any time with possibility of certificate revocation for violations.

The changes to the Code are meant to provide a clear notification that it is unlawful to allow minors onto the premises and to provide for penalties in the case of violations. The proposed ordinance is not anticipated to have a specific social equity benefit or burden as described in Ordinance No. 15-83.
