Subject: Resolution Declaring the Acquisition of the Designated Property Known as Parcel 131 for Right-of-Way Needed for the Project Entitled Improvements to SW 137 Avenue, from US-1 (SR 5) to SW 200 Street to be a Public Necessity, and Authorizing the Use of Charter County Transportation Surtax Bond Fund Proceeds for Such Purposes

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached Resolution declaring the acquisition of Parcel 131, required for road widening improvements to SW 137 Avenue from US-1 (SR 5) to SW 200 Street (Project), to be a public necessity; and authorizing the County Mayor or the County Mayor's Designee and the County Attorney to employ appraisers, expert witnesses, obtain environmental audits, and to take any and all appropriate actions to acquire the subject parcel in fee simple, either by negotiation, donation, right-of-way designation, purchase at values established by appraisals, or tax assessed values whichever is higher of the two, together with business damages and reasonable attorney fees and costs pursuant to Sections 73.091 and 73.092 Florida Statutes, or eminent domain court proceedings including a declaration of taking as necessary for and on behalf of Miami-Dade County, and authorizing the County Mayor or the County Mayor's designee to make an additional incentive offer to purchase Parcel 131 for a total amount not to exceed 15 percent over the appraised value.

SCOPE

The impact of this Project is Countywide; however, it is located within Commissioner Daniella Levine Cava's District 8.

FISCAL IMPACT/FUNDING SOURCE

Funding for the right-of-way, design, and construction of this Project are provided by the Charter County Transportation Surtax Bond Fund proceeds, and may be supplemented by other eligible funding sources. Funding is programmed within the adopted FY 2015-16 Right-of-Way Acquisition for Construction Projects Countywide (P2000000537) Site 76078 in Commission District 8.

TRACK RECORD/MONITOR

The Department of Transportation and Public Works (DTPW) is the entity overseeing this item and the person responsible is Mr. Francisco Fernandez, Chief Real Estate Officer, DTPW, Roadway Engineering and Right-of-Way Division.

DELEGATED AUTHORITY

In accordance with Section 2-8.3 of the Miami-Dade County Code related to identifying delegation of Board authority, there are no additional authorities beyond those specified in the Resolution.

BACKGROUND

This Project originally required the acquisition of 46 separate parcels. However, in an effort to minimize costs while maintaining the integrity of the Project, and adhering to the objectives set by the Board, the Project was value engineered and redesigned. The proposed Project consists of roadway expansion, beautification, and improvements for a new two-lane road with sidewalks, curb and gutter, a continuous storm drainage system, signalization, pavement markings and signage, a center turn lane, street lighting, bicycle facilities, a bridge crossing over one canal, and a culvert for a canal.

The area to be acquired by DTPW for the Project is legally described in Exhibit "A" and illustrated in the parcel location map attached as Exhibit "B". This Project will improve traffic mobility and will provide an additional north-south evacuation route. It is recommended that in order to reduce time and costs, and to avoid the expense of litigation, administration be granted authorization to issue an incentive offer added to the initial offer to purchase Parcel 131 prior to the filing of an eminent domain action. The total amount of the incentive and initial offers shall be no more than 15 percent over the appraised value of Parcel 131.
