MIAMI-DADE  
COUNTY

**Date:** December 6, 2016

**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

Agenda Item No. 8(F)(6)

**From:** Carlos A. Gimenez  
Mayor

**Subject:** Request for Additional Expenditure Authority to Prequalification Pool No. 7855-4/15-4, Special Purpose Trucks

## Recommendation

It is recommended that the Board of County Commissioners (Board) authorize increased expenditure authority in the amount of \$31,061,000 to *Prequalification Pool No. 7855-4/15-4, Special Purpose Trucks*, for the Department of Solid Waste Management. This pool was initially approved under delegated authority in July 2010 for a one-year term with four (4), one-year options to renew. During the final option to renew term, the pool was extended by the Board on September 16, 2014 for five (5) years with an additional \$5,000,000 in spending authority. Miami-Dade County departments rely on this pool for the purchase of special purpose trucks including dump, service, lube, box, and asphalt trucks, as well as water and fuel tankers, trash collection and disposal vehicles, and rear loaders.

The Solid Waste Management Department was added to this pool in July 2016 via a departmental transfer from the Internal Services Department to purchase 12 trash trucks. This requested increase in expenditure authority is for the purchase of 169 replacement special purpose trucks for the Solid Waste Management Department's Garbage, Landfill and Transfer Divisions as the existing trucks have reached or exceeded their useful life expectancy. The procurement schedule is as follows:

- Fiscal Year 2016-17: nine (9) rear loaders, five (5) cranes and 12 trash trucks;
- Fiscal Year 2017-18: 50 truck tractors, one (1) water truck, 14 rear loaders, four (4) small automated side loaders, four (4) small rear loaders, one (1) container delivery truck, four (4) cranes, five (5) trash trucks and eight (8) trash dump cranes;
- Fiscal Year 2018-19: 10 truck tractors, seven (7) rear loaders, six (6) cranes, five (5) trash trucks, and six (6) trash dump cranes; and
- Fiscal Year 2019-20: 10 truck tractors, four (4) small automated garbage trucks, and four (4) trash trucks.

## Scope

The impact of this item is countywide in nature.

## Fiscal Impact/Funding Source

The pool expires on June 30, 2020 and has an existing allocation of \$5,840,000. The recommended modification will authorize additional expenditure authority of \$31,061,000, as set forth in the table below, increasing the total pool value to \$36,901,000. The increase in allocation is requested to cover equipment and truck purchases over a period of four (4) fiscal years, as referenced above, which will be quoted among the pool members.
