Subject: Recommendation for Approval to Award: Animal Food

MSC
Agenda Item No. 3(J)

Recommendation

It is recommended that the Board of County Commissioners approve award of *Contract No. FB-00325, Animal Food* for various Miami-Dade County departments. The awarded vendors will provide a wide variety of foods that provide essential nutrition for growth and longevity of animals for various County departments. This contract will be primarily used by the Miami-Dade Parks, Recreation and Open Spaces and Animal Services departments to support daily operations at Zoo Miami and the new Animal Services facility, respectively. Additionally, the Aviation, Corrections and Rehabilitation, Fire Rescue and Police Departments will use the contract to purchase food for canines that are used for search and rescue efforts, security searches and general law enforcement tasks.

An Invitation to Bid was issued under full and open competition on March 30, 2016 and four (4) bids were received in response to the solicitation. The solicitation included two groups: Group A, which was awarded to the lowest responsive and responsible bidder on an item by item basis, and Group B, which establishes a pre-qualified pool of vendors to participate in future spot market competitions. All responsive and responsible bidders will be pre-qualified for Group B. Additional vendors may qualify to be added to Group B at any time during the term of the pool.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for the five-year term is \$8,870,000. The current contract, 9411-4/15-4, is valued at \$5,500,000 for five (5) years and six (6) months. The allocation requested for Parks, Recreation and Open Spaces is higher than under the current contract. The increase includes revisions to animal diets at Zoo Miami based on recommendations provided by the Zoo's nutritionist as well as the expansion of the Zoo's animal collection during the contract term. The expansion includes additional elephants and koalas along with various animals to be included in the Florida Exhibit. All other departmental allocations are substantially similar to the allocations under the current contract.
