

Memorandum

Date: February 22, 2017

To: Honorable Chairman Esteban L. Bovo, Jr.
and Members, Board of County Commissioners

Agenda Item No. 3(B)(1)

From: Carlos A. Gimenez
Mayor

Subject: Resolution Authorizing Submittal of a Grant Application to Florida Inland Navigation District, Waterways Assistance Program for up to \$992,000.00 with Matching County Funds of \$1,148,000.00 to Construct Renovations to the Boat Ramp Parking Lot at Pelican Harbor Marina

Recommendation

It is recommended that the Board of County Commissioners (Board) authorize the County Mayor or County Mayor's designee to apply to Florida Inland Navigation District's (FIND) Waterways Assistance Program for \$992,000.00 with matching County funds of \$1,148,000.00 for construction of renovations to the boat ramp parking lot at Pelican Harbor Marina. It is further recommended that the Board authorize the County Mayor or County Mayor's designee to receive and expend funds and execute grant agreements, certain amendments, and other documents as required by the grant agreement upon review and final approval of the County Attorney's Office.

Scope

Pelican Harbor Marina is located at 1275 N. E. 79 Street, Miami, in Commission District 3, which is represented by Commissioner Audrey M. Edmonson.

Fiscal Impact/Funding Source

The County's estimate of the project cost is \$2,140,000.00. If awarded, the FIND grant will provide funds of \$992,000.00 and the County will provide \$1,148,000.00 of project funding from two (2) PROS sources: \$494,000.00 from Index Code PRE600945082, the Coastal Park and Marina Improvement Trust Fund, and \$654,000.00 from the Florida Boating Improvement Program Vessel Fees Allocation Fund, Index Code PRE130935014. The FIND estimated total project cost of \$1,982,552.00 is less than the County's estimated project cost of \$2,140,000.00 because FIND does not allow in-house costs such as project management and bidding, and award costs from the grant program. The maximum FIND grant is 50 percent of FIND's allowed project costs. The County match provides the remaining funding sufficient to complete the project. This project solely renovates existing facilities; therefore, no additional operating cost will be incurred from completion of this project.

Track Record/Monitor

The proposed grant will be administered by PROS Grants Manager, Nicole Anderson.

Background

FIND is a Special Taxing District for the continued management and maintenance of the Atlantic Intracoastal Waterway. The application is due to be mailed by March 30, 2017 and is required to be accompanied by the adopted resolution. If awarded, the grant term will begin October 2017 and end

September 2019. The project is scheduled to be completed within the grant term, but if needed, a one-year extension is allowed upon request.

As part of the application process, it is required that a resolution be adopted in substantially the form of this resolution by the applicant for FIND grant funds. Amendments will only be made in conformance with this resolution where no additional matching funds or other County funds are encumbered, otherwise Board approval will be required to make amendments to the grant.
