Memorandum

Date: March 7, 2017

To: Honorable Chairman Esteban L. Bovo, Jr.
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Resolution Confirming Intent to Maintain Improvements within the Biscayne Trail Segments C and D along the C-102, C-103 and L-31-E Canals of the South Florida Water Management District

This item was amended at the February 15, 2017 Parks and Cultural Affairs Committee to correct the funding source in the Fiscal Impact/Funding Source section of the Mayor's Memorandum. The funding source is Parks, Recreation and Open Spaces Department's General Funds Budget, not the Bicycle Trail Maintenance Fund.

Recommendation

It is recommended that the Board of County Commissioners adopt the attached resolution confirming the intent of the County to maintain improvements on the Biscayne Trail Segments C (Attachment A) and D (Attachment B), within the rights of way of the C-102, C-103, and L-31-E Canals of the South Florida Water Management District (the District).

Scope

The Biscayne Trail, Segments C and D, are assets of regional significance, located within the District's right-of-ways of the C-102, C-103, and L-31-E Canals; therefore, the scope is countywide.

Fiscal Impact/Funding Source

Maintenance of the area is expected to cost approximately \$50,000.00 annually, to be funded by the Parks, Recreation and Open Spaces Department's General Funds Budget (index code PREOMD398003).

Track Record/Monitor

Jorge Mora, Assistant Director, Park Stewardship Operations, will coordinate with the District to assure maintenance.

Background

The Biscayne Trail is part of the South Dade Greenways Master Plan that the County, through the Parks, Recreation and Open Spaces Department, is committed to build and maintain. Segment C contains 14.5 acres and Segment D contains 16 acres, as shown on the attached maps. The Trail will provide an essential connecting element in the overall network of trails in South Dade that will connect Biscayne National Park and Everglades National Park. Approval of this resolution is a requirement of the District's Right-of-Way Permit.
