Subject: Social Equity Statement For Ordinance Related To Boundary Change And
Incorporation Procedures

The proposed ordinance related to boundary change and incorporation procedures. requires a municipality annexing an area containing a Community Redevelopment Agency (CRA) to acknowledge the CRA as part of its application. Additionally, the ordinance provides for the continuation of a CRA if it is annexed into an existing municipality or incorporated into a new municipality. By allowing the continuation of the CRA, the residents or property owners within the CRA area will continue to receive the benefits or the CRA's programs and investments.
