**Subject:** Fiscal Impact Statement for Ordinance Relating to Boundary Changes and  
Incorporations

---

The proposed ordinance relating to boundary changes and incorporations amends sections 20-3.1, 20-7, and 20-23 of the Code of Miami-Dade County, modifying the definition of an enclave and clarifying the boundaries of proposed boundary change applications and incorporation proposals. It also provides additional considerations for the Board of County Commissioners on annexation and incorporation proposals, requiring a two-thirds vote to approve an annexation or incorporation that is revenue positive and excludes revenue neutral areas that are suitable to be included within the annexation or incorporation area.

The implementation of the proposed ordinance will not have a fiscal impact to Miami-Dade County.
