

# Memorandum

**Date:** November 7, 2017

**To:** Honorable Chairman Esteban L. Bovo, Jr.  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor

Supplement to  
Agenda Item No. 11(A)(15)

**Subject:** Supplement to Resolution Directing the County Mayor to Include in Future Competitive Solicitations for Bus Shelters the Requirement that Bus Benches Within Said Shelters Shall Contain at Least One Armrest in the Middle of the Bench – Directive 171788

This supplement memo provides information in response to a request from the Transportation and Public Works Committee (TPWC) on July 13, 2017, to provide the fiscal impact of requiring all future competitive Solicitations for bus shelters to contain at least one armrest in the middle of each bench.

There are currently 1,035 bus passenger shelters installed within the boundaries of Unincorporated Miami-Dade County. The estimated cost associated with the fabrication and installation of one armrest in the middle of each bench is \$200.

Therefore, the additional cost of including one armrest in the middle of each bus bench is a total of \$207,000.
