**Date:** November 7, 2017

**To:** Honorable Chairman Esteban L. Bovo, Jr.  
and Members, Board of County Commissioners

Agenda Item No. 8(F)(18)

**From:** Carlos A. Gimenez  
Mayor

**Subject:** Recommendation for Approval to Award: Professional Veterinary Services

## Recommendation

It is recommended that the Board of County Commissioners (Board) approve a competitive contract award, *Contract No. RFP-00420, Professional Veterinary Services*, for multiple County departments. This contract is primarily utilized for working canines assigned to public safety departments that require specialized veterinary treatment due to the nature of their jobs. Specifically, the awarded vendors shall provide professional veterinary services, including routine and emergency office visits, annual physical exams, pre-purchase testing of prospective canines, teeth cleaning, ear cleaning/flushing, heartworm tests, radiology, yearly vaccinations, fecal examinations, surgery, complete blood chemistry tests, spay and neutering, boarding services, prescriptions, and medical supplies. The spay-and-neutering services provided under this contract are only for working canines assigned to the departments. Working canines receiving veterinary services under this contract are assigned to the Police, Aviation, Corrections and Rehabilitation, and Fire Rescue departments. In addition, the contract provides the Animal Services Department with access to professional veterinary services required to supplement those provided in-house.

The solicitation was separated into two geographic zones to provide for operational efficiencies and included various facility requirements to limit the working canine's exposure to other sick animals. The services to be provided include the evaluation, diagnosis, and treatment of canines, along with physicals, vaccinations, medical supplies, surgery, and referrals to specialists as needed. Additionally, this contract includes for the provision of emergency services and after-hours medical services.

On November 1, 2016, the Board approved a modification of the current contract, *Contract No. RFP-745*, through Resolution No. R-967-16 to allow for this re-solicitation, which is now before the Board.

## Scope

The scope of this item is countywide in nature.

## Fiscal Impact/Funding Source

The fiscal impact for the three-year term is \$886,000. Should the County choose to exercise, at its sole discretion, the one three-year option to renew term, the estimated cumulative value will be \$1,771,000. The current contract, *RFP-745*, is valued at \$ 1,254,000 for a 78-month term and expires on October 31, 2017. The allocation under the replacement contract is higher than the current contract due to the purchase of new canines that specialize in explosive detection and the acquisition of canines from the Transportation Safety Administration, thus increasing the number of canine officers for the County.

There were no adverse findings relating to vendor responsibility.

Pursuant to Resolution No. R-140-15, prior to the re-procurement of the replacement contract, a full review of the scope of services was conducted to ensure the replacement contract reflects the County's current needs. For all ordering entities located outside the geographical boundaries of Miami-Dade County, the Contractor shall be entitled to ship goods on an "FOB Destination, Prepaid and Charged Back" basis. This allowance shall only be made when expressly authorized by a representative of the ordering entity prior to shipping the goods.

The County shall have no liability to the Contractor for the cost of any purchase made by an ordering entity under the UAP and shall not be deemed to be a party thereto. All orders shall be placed directly by the ordering entity with the Contractor and shall be paid by the ordering entity less the 2% UAP.

**c) Contractor Compliance**

If a Contractor fails to comply with this Article, that Contractor may be considered in default by the County in accordance with Article 24 of this Contract.

If no suitable candidates can be employed after a Referral Period of three to five days, the Contractor is free to fill its vacancies from other sources. Contractor will be required to provide quarterly reports to the SFWIB indicating the name and number of employees hired in the previous quarter, or why referred candidates were rejected. Sanctions for non-compliance shall include, but not be limited to: (i) suspension of contract until Contractor performs obligations, if appropriate; (ii) default and/or termination; and (iii) payment of \$1,500/employee, or the value of the wages that would have been earned given the noncompliance, whichever is less.
