6. *Subcontractor goals:*

- a. *In general.* The County Commission or Public Health Trust may establish subcontractor goals for any specialty and/or construction related trade or service portion of the work in a contract based on estimates made prior to bid advertisement of the quality, quantity and type of subcontracting opportunities provided by the contract, and of the availability of CSBEs to afford effective subcontracting competition therefor. >>A Small Business Enterprise Goods Program and Small Business Enterprise Services Program goal(s) may be applied to any project with an estimated value over \$700,000.00.<< After bid advertisement, or other formal public notice, the established subcontractor goal may be reduced only with the approval of the County Commission, >>or << Public Health Trust.

Where a first tier subcontractor goal has been imposed, bid documents shall require bidders to submit a ~~[[Schedule Intent Affidavit]]~~ >>Certificate of Assurance<<[[;]] on the bid submittal due date >>and a Utilization Plan, via the County's web-based system within the time frame specified by SBD.<<[[identifying all CSBEs to be utilized to meet the first tier subcontractor goal and the trade designation of work each will perform.]] Where a second, third and fourth tier subcontractor goal has been imposed, the bid documents shall require bidders to >>include a commitment of the bidder to meet such goals in the aforementioned Certificate of

Assurance.<<[[submit a commitment letter committing the bidder to meet such goal. Upon notification by the Department of Small Business Development, bidders may cure correctable defects that exist on the Schedule of Intent Affidavit within forty-eight (48) hours after notification by SBD.]] Failure to submit the required [[Schedule of Intent Affidavit or commitment letter]] >>Certificate of Assurance<< at the time of bid submission shall render the bid>>der<< non-[[responsive]] >>compliant to the contract requirement and this section<<. [[Failure to correct identified defects on the Schedule of Intent Affidavit, within forty-eight (48) hours shall render the bid non-responsive.]] >>A CSBE firm may fulfill a subcontractor goal in only one goal type per contract.<<

Bidders whose bids fail to meet the specified first tier subcontractor goal, in order to remain eligible for award of the contract, must submit evidence, [[on the bid submission due date]] >>with the Utilization Plan<<, proving the lack of available CSBEs to afford effective competition therefor.

A successful prime bidder that is a CSBE or a joint venture may perform up to fifty (50) percent of a first tier CSBE subcontractor goal with its own forces. The remaining percentage of such first tier subcontractor goal work shall be performed by other CSBEs.

Bid documents shall provide that:

- (i) Only expenditures to CSBEs for performing a commercially useful function shall be counted toward meeting a specified subcontractor goal[[;]]>><<

- (ii) Expenditures to CSBEs for acting essentially as a conduit to transfer funds to a non-CSBE shall not be counted toward meeting a subcontractor goal unless such conduct receives prior approval from ~~[[the Department of Small Business Development]]~~ >>SBD<< as consistent with normal industry practice~~[[;and]]~~>>.<<
- (iii) Expenditures to CSBEs who subcontract work further to non-CSBEs shall not be counted toward meeting a subcontractor goal unless such subcontracting receives prior approval from ~~[[the Department of Small Business Development]]~~ >>SBD<< as consistent with normal industry practice.
- (iv) Only expenditures to CSBEs made under a written first tier subcontract executed by both the prime contractor and the CSBE shall be counted towards meeting a first tier subcontractor goal. If the prime contractor exceeds the first-tier CSBE subcontractor goal, the amount by which the first-tier CSBE subcontractor goal is exceeded shall count towards fulfillment of the second, third and fourth tier subcontractor goal on that contract. Only expenditures made under a written second, third or fourth tier subcontract executed by both the next tier level subcontractor and the lower tier CSBE subcontractor shall be counted towards meeting a second, third or fourth tier subcontracting goal.
- (v) The bidder who is awarded a contract having a second, third or fourth tier subcontractor goal shall notify SBD in writing, prior to initiating the process to select lower tier CSBEs whose participation will be utilized to meet

such goal, of the name, address and tier level of the subcontractor who will award the lower tier subcontract to a CSBE, the scope of work for such lower tier subcontract and the bid submission date for such lower tier subcontract. The prime contractor shall obtain SBD's approval prior to the award of any lower tier subcontract that will be utilized to meet a lower tier subcontractor goal.

- (vi) Contracts in excess of twenty-five million dollars (\$25,000,000.00) which have subcontractor goals shall require the prime contractor during the term of the contract to make a quarterly presentation to the ~~[[Review Committee]]~~ >>CSBE Advisory Board<< on his or her performance in meeting such goal.

Bid documents shall allow bidders to challenge or protest a subcontractor goal established under this section by submitting no later than ten (10) business days prior to the scheduled bid opening date the reasons for such challenge or protest in writing to the department responsible for the contract. Challenges or protests to a CSBE subcontractor goal by bidders after the time specified in the preceding sentence shall not be heard by the County Commission or Public Health Trust.

b. *Application to Construction Manager-at-Risk contracts.*

- (i) *Construction management services portion.* For Construction Manager-at-Risk contracts, the County Commission may establish, where appropriate and upon the recommendation of ~~[[the Review Committee]]~~ >>SBD<<, first tier CSBE subcontractor goals

applicable to the construction management portion thereof. Such goal shall not be applicable to the procurement of trade packages on the actual construction project. Bidders for CM-at-Risk contracts to which a first tier CSBE subcontractor goal has been established for construction management services under this paragraph shall submit the ~~[[Schedule of Intent Affidavit]]~~ >>Certificate of Assurance<< and follow the procedures and timing therefor applicable to contracts in general under subpart a) above.

(ii) *Actual construction portion of the work.* For CM-at-Risk contracts, subcontractor goals for the actual construction portion of the work may be established where appropriate by the County ~~[[Manager]]~~ >>Mayor<< or the ~~[[Manager's]]~~ >>Mayor's<< designee for 1st, 2nd, 3rd or 4th tier subcontractors upon the recommendation of ~~[[the Review Committee]]~~ >>SBD<< based on estimates made prior to advertisement of the bid package of the quality, quantity and type of subcontracting opportunities provided by the bid package and of the availability of CSBEs to afford effective subcontracting therefor.

(a) *Overall subcontracting goal.* Where an overall CSBE subcontracting goal has been established for the actual construction portion of the work, the CM-at-Risk shall submit the ~~[[Schedule of Intent Affidavit]]~~ >>Utilization Plan<< to the County at the time the Final Guaranteed Maximum Price is due identifying

all CSBEs utilized to meet the overall goal, and the trade designation of work and percentage of the Final Guaranteed Maximum Price each will perform.

- (b) *First tier subcontractor goal.*
 Where a first tier CSBE subcontracting goal has been established, bidders to the CM-at-Risk for contracts as Primary Trade Contractors shall submit at the time of bid submission to the CM-at-Risk ~~[[the Schedule of Intent Affidavit]]~~ >>a Certificate of Assurance, on the bid submittal due date and a Utilization Plan within the time period specified by SBD,<< identifying all CSBEs to be utilized to meet such goal, the trade designation of the work and the percentage of the bid each identified CSBE will perform. Failure to submit the required ~~[[Schedule of Intent Affidavit]]~~ >>Certificate of Assurance and Utilization Plan<< within the required time frame may render the bid>>der<< non-~~[[responsive]]~~ >>compliant<<, or subject to sanctions or penalties as outlined in the contract or the>>Implementing<< ~~[[Administrative]]~~ Order. The use of CSBEs at the Primary Trade Contractor level and at the level of contractors that directly contract with the Primary Trade Contractors shall count towards meeting the first-tier CSBE subcontractor goal on the contract. In addition, if the CM-at-Risk exceeds the first-tier CSBE subcontractor goal, the amount by which the first-tier CSBE subcontractor goal is exceeded shall count towards

fulfillment of the second, third and fourth tier subcontractor goal on that contract. However, if the CM-at-Risk exceeds the second, third and fourth tier subcontractor goal, the amount that the second, third and fourth tier subcontractor goal is exceeded shall not count towards fulfillment of the first-tier subcontractor goal.

(c) *Second, third and fourth tier subcontractor goals.* Where a second, third or fourth tier subcontractor goal has been established for the actual construction portion of the work under a CM-at-Risk contract, the construction manager at risk awarded the contract shall notify SBD in writing, prior to initiating the process to select lower tier CSBEs whose participation will be utilized to meet such goal, of the name, address and tier level of the subcontractor who will award the lower tier subcontract to a CSBE, the scope of work for such lower tier subcontract and the bid submission date therefor. The construction manager at risk awarded the contract shall obtain SBD's approval prior to the award of any lower tier subcontract that will be utilized to meet a lower tier subcontract goal.

(iii) *Reduction in established subcontractor goal and periodic reporting to the Commission.* After bid advertisement, or other formal public notice, the established subcontractor goal on a CM-at-Risk contract for construction management services may be reduced only with the approval of the County

Commission or Public Health Trust. After bid advertisement or other formal notice, the established subcontractor goal applicable to the actual construction portion of the work may be reduced only with the approval of the ~~[[Manager]]~~ >>Mayor<<. The County ~~[[Manager]]~~ >>Mayor<< shall periodically report to the Board of County Commissioners on all goals on Construction Manager-at-Risk contracts.

(iv) *Compliance responsibilities.* The ~~[[construction manager at risk]]~~ >>Construction Manager-at-Risk<< shall comply with the requirements of this subsection regarding any CSBE subcontractor goal that has been applied to any portion of the work of the CM-at-Risk contract.

c. *Application to contracts for environmental services where construction tasks are involved.* For contracts for environmental services where construction tasks are involved, CSBE subcontractor goals may be established by the County ~~[[Manager]]~~ >>Mayor<< upon the recommendation of ~~[[the Review Committee]]~~ >>SBD<< based on estimates made prior to awarding such tasks and of the availability of CSBEs to afford effective subcontracting therefor.

* * *

9. *Advisory board:* There is hereby created a ~~[[Miami-Dade County Advisory]]~~ >>Community Small Business Enterprise Advisory Board or CSBE Advisory Board<< ~~[[Board]]~~ for the CSBE Program. Board members shall be appointed by the Board of County Commissioners and shall consist of one each of the following:

*

*

*

The terms of each member shall be two years.
Members shall serve without compensation.

The ~~[[a]]~~ >>A<<dvisory board is created for the purpose of providing general program oversight and assisting ~~[[the Department of]]~~ Small Business Development in tracking and monitoring the results and effectiveness of the CSBE Program. The ~~[[a]]~~ >>A<<dvisory board shall not assume ~~[[the Department of]]~~ Small Business Development's administrative or other responsibilities. The ~~[[a]]~~ >>A<<dvisory board may serve as liaison between program participants and the local business community, recommend additional program incentives, participate in the recruitment of prospective participant's for the CSBE program, and review and report on the program's progress.

~~[[Within one (1) year after inception of the CSBE program, the advisory board shall recommend to the County Commission the maximum length of time a CSBE may participate in the program.]]~~

Sections 2-11.1(c) and (d) of the Conflict of Interest and Code of Ethics Ordinance of Miami-Dade County are waived for >>CSBE<< Advisory Board members for transactions arising from the exercise of those powers given the advisory board by this section.

The County Mayor or designee shall approve the replacement of any of the delineated recommending organizations above, where said organization(s) fails to either (i) provide a list of recommended appointees within thirty (30) days of written notice from ~~[[the Department of]]~~ Small Business Development, or (ii) continue to operate in Miami-Dade County, or the appointed CSBE Advisory Board member fails to participate in board activities for a period of six (6) months. The current CSBE Advisory

Board shall provide the name(s) of a recommended replacement organization(s) to be considered by the County Mayor, by majority vote.

* * *

(4) *Certification requirements:* The County Mayor or designee shall implement eligibility criteria and procedures for entities to be certified as CSBEs based on regulations outlined in this section. Firms exceeding size limits established hereunder and under Appendix A [which can be found in the County Clerk's office attached to Ordinance Number 97-52] are not eligible for contract measures or participation in these programs.

1. Small Business Development shall maintain [[and ~~publish at least every other week~~]] an updated list of CSBEs, identifying each listed CSBE based on each Standard Industry Classification (SIC) category or North American Industry Classification System (NAICS) code and each specialty trade the CSBE is certified in, and noting what contracting participation level the firm is classified in.

* * *

(5) *Enforcement:* Bid and contract documents shall provide that, notwithstanding any other penalties or sanctions provided by law, a bidder's violation of or failure to comply with this ordinance or its implementing orders may result in the imposition of one (1) or more of the following sanctions:

- i. The suspension of any payment or part thereof until such time as the issues concerning compliance are resolved;
- ii. Work stoppage;
- iii. Termination, suspension, or cancellation of the contract in whole or part;

- iv. In the event a bidder or CSBE attempts to comply with the provisions of this ordinance through fraud, misrepresentation, or material misstatement, or is found after a hearing to have discriminated in violation of Article VII of Chapter 11A of the Miami-Dade County Code, the County shall, whenever practicable, terminate the contract or require the termination or cancellation of the first tier subcontract for the project on which the bidder or CSBE committed such acts. In addition, and as a further sanction, the County Mayor or ~~[[his]]~~ >>Mayor's<< designee may impose any of the above-stated sanctions on any other contracts or first tier subcontracts the bidder or CSBE has on County projects. In each instance, the bidder or CSBE shall be responsible for all direct and indirect costs associated with such termination or cancellation including attorney's fees and costs. The bidder or CSBE may also be subject to debarment.
- v. The foregoing notwithstanding, the County Mayor or designee shall include language in all prospective contracts containing a CSBE measure which provides that, in addition to any other sanction for failure to fulfill the CSBE measure requirements, the contractor's eligibility to receive any future ~~[[e]]>>C<<ounty~~ contracts may be conditioned upon the contractor making up the deficit in CSBE participation in such future contracts by having CSBE(s) perform equal to double the dollar value of the deficiency in the CSBE measure in the prior contract. Contract language shall provide that in order to be eligible for future county contracts, a contractor who fails to meet an established CSBE goal shall submit a CSBE Make-up Plan for the approval of the Director. A Make-up Plan ~~[[and a corresponding Schedule of Intent Affidavit]]~~ must be submitted as part of any bid or proposal ~~[[submitted]]~~ for future contracts ~~[[at the time of bid or proposal submittal]]~~ >>as part of the Utilization Plan submitted via the County's web-based system<<. The ~~[[Schedule of Intent Affidavit]]~~ >>Make-up Plan<< must identify all CSBEs to ~~[[be utilized to]]~~ meet the first tier

subcontractor goal and the trade designation of work each firm will perform in satisfaction of a make-up, in addition to any other goals that may be applicable. Failure to >>submit<< ~~[[include]]~~ the required ~~[[Schedule of Intent Affidavit]]~~ >>Make-up Plan<< with ~~[[bids or proposals]]~~ >>the Utilization Plan<< for any future contracts shall result in the submittal being deemed ~~[[nonresponsive]]~~ >>non-compliant<<. Any contractor subject to an approved Make-up Plan that fails to comply with any of the material terms of that Make-up ~~[[p]]~~>>P<<lan, without good cause, shall be subject to an automatic suspension from bidding and/or otherwise participating on County contracts as a prime or subcontractor for a six (6) month period. A contractor that fails to comply with any of the material terms of a second Make-up ~~[[p]]~~>>P<<lan, without good cause, shall be subject to an automatic suspension from bidding and/or otherwise participating on County contracts as a prime or subcontractor for a one (1) year period. A contractor that fails to comply with any of the material terms of a third Make-up ~~[[p]]~~>>P<<lan, without good cause, may be subject to debarment and shall automatically be referred to the debarment committee. After serving a debarment for failure to satisfy a make-up plan for no good cause, the subject firm shall be deemed ineligible for bidding on ~~[[e]]~~>>C<<ounty contracts with measures for >>one<< additional year unless the County Mayor or designee determines that an emergency exists justifying such participation, and the Board of County Commissioners approves such decision. The foregoing obligation shall be in addition to any CSBE measure otherwise applicable to the future contract.

Some of the contractual violations that may result in the imposition of the sanctions listed in Subsection (5) above include, but are not limited to, the following:

1. A CSBE serving as a conduit for CSBE work awarded to a firm as a CSBE but which is being performed by a non-CSBE firm;

2. A prime contractor not meeting CSBE Program trade set-aside or subcontractor goal requirement;
3. Not obtaining or retaining CSBE certification while performing work designated for CSBE firms.
4. Failure >>of the prime contractor<< to ~~[[submit monthly utilization reports]]~~ >>report payments to subcontractors via the County's web-based system upon notification of payment by the County, or failure of subcontractors to confirm payments upon notification by the prime contractor, within the specified time frame<<;
5. Failure to comply with CSBE certification requirements, including not maintaining an actual place of business in Miami-Dade County, not reporting organizational and operational changes, providing inaccurate or false information, and other certification related violations;
6. Failure to maintain certification >>as a CSBE<<;
7. Deviation from the ~~[[schedule of participation]]~~ >>Utilization Plan<< without prior approval from SBD;
8. Termination of the CSBE's contract without prior approval from SBD;
9. Reduction of the scope of work of a first tier CSBE subcontract without prior approval from SBD. Reduction of the scope of work of a second, third or fourth tier CSBE subcontract utilized to meet a second, third or fourth tier subcontractor goal without prior approval of SBD;
10. Modifications to the terms and/or prices of payment to a CSBE without prior approval from SBD;
11. Failure to enter into a written first tier subcontract with a CSBE after listing the firm on a ~~[[schedule of intent affidavit]]~~ >>Utilization Plan<<.
12. Failure to enter into a written second, third or fourth tier subcontract with a CSBE utilized to meet a second, third or fourth tier subcontractor goal.

*

*

*

(7) *Penalties for ~~[[Schedule of Intent]]~~ >>Utilization Plan<< violations.* If on three (3) separate occasions, a subcontractor executed a ~~[[Schedule of Intent ("SOF") Affidavit]]~~ >>Utilization Plan<< and subsequently becomes unavailable to perform or complete the work

for the prime contractor during the contract period, SBD shall suspend said subcontractor from certification for one (1) year. If SBD suspends the same subcontractor three (3) times due to its failure to perform pursuant to ~~[[an SOI]]~~ >>a Utilization Plan<< as stated above, SBD shall suspend the subcontractor for a minimum of five (5) years, or until such time as the subcontractor can show SBD that it is ready, willing and able to perform if five (5) years has elapsed.

* * *

(9) *County responsibilities.* ~~[[The Department of]]~~ Small Business Development (or other County department designated by the County Mayor or designee) shall:

* * *

7. Review and investigate reports of noncompliance, and make the appropriate recommendations to the County ~~[[Manager]]~~ >>Mayor<< as to penalties to be invoked;

* * *

11. Upon completion of a contract or after final payment on a contract SBD shall review the final ~~[[Monthly Utilization Report]]~~ >>reporting of payments to subcontractors<< and other project documents to include final payments and make a determination as to whether the bidder met the CSBE measure. If the bidder has not met the CSBE measure, SBD will notify the bidder in writing of the deficit and corresponding sanctions for contractual violations.

Transferring to, or substitution of, a non first tier CBE-A/E through subconsulting or otherwise all or part of the actual work of a set-aside agreement is prohibited unless such transfer receives prior approval from ~~[[the Department of]]~~ Small Business Development as consistent with normal industry practice except as allowed under (commercially useful function) above.

2. *Subconsultant goals:* The County Commission, or Public Health Trust may establish subconsultant goals to be applied to a particular agreement based on estimates made prior to proposal advertisement of the quality, quantity and type of subconsulting opportunities provided by the agreement, and of the availability of ~~[[F]]~~first>>, second,<< and ~~[[second]]~~>>third<< tier~~[[F]]~~ CBE-A/Es to afford effective subconsulting competition therefor. After proposal advertisement, or other formal public notice, the established subconsultant goal may be reduced only with the approval of the County Commission or Public Health Trust.

Proposal documents shall require proposers to submit a ~~[[Letter of Agreement]]~~ >>Certificate of Assurance acknowledging all Small Business Enterprise goals assigned to the project and the submittal of a Utilization Plan via the County's web-based system within the time frame identified by SBD.<<[[, or equivalent, for each subconsultant to be utilized in satisfaction of a subconsultant goal.]] The ~~[[Letter of Agreement]]~~>>Utilization Plan<<[[, or equivalent,]] shall be ~~[[signed]]~~>>submitted<<

by the prime and the subconsultant and shall ~~[[be required to confirm]]~~ at a minimum state the type of work that the subconsultant will perform, the technical certification category, and the percentage that the amount of the fees payable to the subconsultant bears to the overall fees payable under the contract. Failure to submit the required ~~[[Letter of Agreement or equivalent,]]~~ >>Certificate of Assurance<< at the time of proposal submission >>, and submit the Utilization Plan via the County's web-based system within the time frame specified by SBD, <<shall render the ~~[[proposal nonresponsive]]~~ >>proposer non-compliant. A CBE-A/E firm may fulfill a subconsultant goal in only one (1) goal type per contract <<. ~~[[Proposers may cure immaterial irregularities in the Letter of Agreement submitted not later than forty-eight (48) hours following written notification by the Department of Small Business Development. Immaterial irregularities include those correctable items specifically identified in the form approved by the Director of Small Business Development for purposes of verifying compliance. Failure of a proposer to cure the immaterial irregularities within the stated period following notification shall result in disqualification of the proposer for contract award.]]~~

Proposal documents shall include documentation demonstrating the basis for the subconsultant goal established in the contract. Any proposer may challenge or protest the goal by submitting to SBD or the Contracting Officer no later than ten (10) business days prior to the scheduled proposal submission date the reasons for such a challenge or protest in writing. Challenges or protests to a CBE-A/E goal by

proposers after that time, or based on reasons not provided in writing within the time frame stated above, shall not be considered by the County Commission. A successful prime proposer or joint venture certified as a CBE-A/E may perform up to one hundred (100) percent of a CBE-A/E subconsultant goal with its own forces provided that the ~~[[Letter of Agreement, or equivalent]]~~ >>Certificate of Assurance and subsequent Utilization Plan<<, as filed with the proposal submission >>and submitted via the County's web-based system << identifies such prime proposer or joint venture as performing such work.

~~[[Proposers who believe that they will fail to meet the specified subconsultant goal due to lack of available first and second tier CBE-A/Es, in order to remain eligible for award of the agreement, must notify SBD in writing at least fourteen (14) calendar days prior to proposal submitted date, advising SBD of the lack of available first and second tier CBE-A/Es and providing full documentation of their efforts to obtain the services of first and second tier CBE-A/Es to meet the goal.]]~~

Proposal documents shall provide that:

- (i) Only expenditures to ~~[[first and second tier—]]~~ CBE-A/Es for performing a commercially useful function shall be counted toward meeting a specified subconsultant >> or subcontractor << goal;
- (ii) Expenditures to ~~[[first and second tier]]~~ CBE-A/Es for acting essentially as a conduit to transfer funds to a non-CBE-A/E shall not be counted toward meeting a subconsultant >>or subcontractor<< goal unless such conduct receives prior approval from ~~[[the Department of—]]~~ Small Business Development as

consistent with normal industry practice;
and

(iii) Expenditures to ~~[[first and second tier]]~~ CBE-A/Es who subconsult work further to non-CBE-A/Es shall not be counted toward meeting a subconsultant goal unless such subconsulting receives prior approval from ~~[[the Department of]]~~ Small Business Development as consistent with industry practice.

(iv) Only expenditures to ~~[[first and second tier--]]~~ CBE-A/Es made under written subconsultant agreement executed by both the prime proposer and the ~~[[first and second tier]]~~ CBE-A/E shall be counted towards meeting the subconsultant goal.

* * *

(4) *Certification Requirements:* The County Mayor or designee shall implement eligibility criteria and administrative procedures for firms to be certified as CBE-A/Es based on regulations outlined in this section. - iii. Work stoppage;
- iv. The issuance of a make-up requirement up to two times the value of subconsultant goal;
- v. Termination, suspension, or cancellation of the agreement in whole or part;
- vi. In the event a proposer or CBE-A/E attempts to comply with the provisions of this section through fraud, misrepresentation, or material misstatement, or is found after a hearing to have discriminated in violation of Article VII of Chapter 11A of the Miami-Dade County Code, the County shall, whenever practicable, terminate the agreement or require the termination or cancellation of the subconsultant agreement for the agreement on which the proposer or CBE-A/E committed such acts. In addition, and as a further sanction, the County ~~[[Manager]]~~>>Mayor<< or his or her designee may impose any of the above-stated sanctions on any other agreements or subconsultant agreements the proposer or CBE-A/E has on County projects. The foregoing notwithstanding, the County Mayor shall include language in all prospective contracts containing a CBE-A/E measure which provides that, in addition to any other sanction for failure to fulfill the CBE-A/E measure requirements for such contract, the contractor's eligibility to receive any future County contract shall be conditioned upon the contractor making up the deficit in CBE-A/E participation in such future contract by having CBE-A/Es perform work equal to double the dollar value of the deficiency in the CBE-A/E measure in the prior contract. Contract language shall provide that in order to be eligible for future county contracts, a proposer who fails to meet an established CBE-A/E goal shall submit a CBE-A/E Make-up Plan for the approval of the Director. A Make-up Plan must be submitted as part of any proposal for future contracts as part of the Utilization Plan submitted via the County's web-based system. The Make-up Plan must identify all CBE-A/Es to meet the subconsultant goal and the work each firm will perform in satisfaction of a make-up, in addition to any other goals that may be applicable. Failure to submit the required Make-up Plan with the Utilization Plan for any future contracts shall result in the submittal being deemed non-compliant. Any proposer subject to an approved Make-up Plan that fails to comply with any of the material terms of that Make-up Plan, without good cause, shall be subject to an automatic suspension from proposing and/or otherwise participating on County contracts as a prime or subconsultant for a six (6) month period. A proposer that fails to comply with any of the material terms of a second Make-up Plan, without good cause, shall be subject to an automatic suspension from proposing and/or otherwise participating on County contracts as a prime or subconsultant for a one (1) year period. A proposer that fails to comply with any of the material terms of a third Make-up Plan, without good cause, may

be subject to debarment and shall automatically be referred to the debarment committee. After serving a debarment for failure to satisfy a make-up plan for no good cause, the subject firm shall be deemed ineligible for proposing on County contracts with measures for one (1) additional year unless the County Mayor or designee determines that an emergency exists justifying such participation, and the Board of County Commissioners approves such decision. The foregoing obligation shall be in addition to any CBE-A/E measure otherwise applicable to the future contract.<<

Some of the violations that may result in the imposition of the sanctions listed in Section (5) above include, but are not limited to, the following:

- (b) The specifications for each competitively bid County contract in excess of one hundred thousand dollars (\$100,000.00) for the construction, alteration and/or repair, including painting or decorating, of public buildings or public works shall specify an initial overall per hour rate to be paid to each craft or type of employee necessary to perform the contract work as listed in local area nondiscriminatory negotiated contracts (hereinafter referred to for purposes of this subsection (b) as "negotiated contracts") between organizations which represent employees and contractors. In ascertaining the initial overall per hour rate to be paid, the minimum standard shall be the combined overall dollar value on an hourly basis of the wages (paid as set forth below) and of the hospitalization, medical, pension and life insurance benefits (paid as set forth below) for such craft or type of employee under negotiated contracts in effect as of January 1st of the calendar year in which said proposal bid is expected to be advertised, or, in the case of a lease or contract providing for privately funded construction on County-owned land subject to this

Section, under the negotiated contracts in effect as of January 1st of the calendar year in which said proposed lease or contract is expected to be executed. Thereafter, the specifications shall provide that the overall per hour rate to be paid for work performed under the contract during each subsequent calendar year shall be the overall per hour rate in effect as of January 1st, of the year in which the work is performed. If a particular craft or type of employee is not listed in such negotiated contracts, in ascertaining the initial overall per hour rate to be paid those employees, the minimum standard shall be the combined overall dollar value on an hourly basis of the "basic hourly rate of pay" (as defined in 29 CFR 5.24) (paid as set forth below) and of the fringe benefits payments (paid as set forth below) for hospitalization, medical pension and life insurance benefits for such craft or type of employee under the Secretary of Labor's wage determination (made pursuant to the provisions of the Davis-Bacon Act) in effect for Miami-Dade County, Florida, as of the end of the calendar year in which the proposed bid is expected to be advertised. The foregoing and the provisions of Section 2-11.16(e) notwithstanding, where not otherwise precluded by state or federal law, the overall per hour rate shall be the higher rate under this Section 2-11.16 or the rate of wages to be paid under the requirements of the Davis-Bacon Act; provided, further, that the overall per hour rate shall not be the higher rate if the federal government requires the County as a condition of receiving federal funds for a project to pay no more than the wages as determined by the U.S. Department of Labor under the Davis-Bacon Act on project contracts. The specifications for such contracts shall:

- (i) Include a sum certain in dollars and cents as an initial overall per hour rate for each craft or type of employee to be paid for work performed during the period commencing on the date of issuance of the notice to proceed and continuing through the calendar year (or, in the case of a lease or contract providing for privately funded construction on County-owned land subject to this Section, ending the last day of the calendar year in which the lease or contract was executed). The specifications shall further provide that the overall per hour rate to be

paid for work performed during the year period commencing the next January 1st after the date of issuance of the notice to proceed (or, in the case of a lease or contract providing for privately funded construction on County-owned land subject to this Section after the date of execution of such lease or contract) shall be such rate (as determined in accordance with subsection (b) above) for that calendar year and shall be updated thereafter on each subsequent January 1st to the rate (as determined in accordance with subsection (b) above) for the ensuing calendar year until completion of the contract work; and

- (ii) Mandate the contractor to whom the contract is awarded, and any of its subcontractors performing any of the contract work, pay not less than the specified overall per hour rate adjusted over the term of the contract as provided in subsection (i); and
- (iii) Provide that the contractor, and any of its subcontractors, may fulfill the obligation to pay such specified overall per hour rate by payment to the employee of the hourly wage rate listed in the negotiated contracts (or, if applicable, under subsection (i) above, the "basic hourly rate of pay" as defined in 29 CFR 5.24 contained in the Secretary of Labor's wage determination) for such craft or type of employee plus either: (i) payment on the employee's behalf of the cost (on an hourly basis) of the hospitalization, medical, pension and life insurance benefits specified for such craft or type of employee; or, (ii) payment to the employee (in addition to the listed hourly wage rate, or "basic hourly rate of pay if applicable) of an amount equal to the hospitalization, medical, pension and life insurance benefits (on an hourly basis) contractors are required to provide under the negotiated contracts (or, if applicable, under subsection (i) above, an amount equal to the fringe benefit payments on an hourly basis for hospitalization, medical, pension and life insurance benefits contained in the Secretary of Labor's wage determination) for such craft or type of employee.

Payments to employees shall be counted towards fulfillment of the above obligation only to the extent that such payments are made by check or money order; and

- (iv) Provide that the contractor, and each subcontractor under him >>or her<<, shall post in a conspicuous place on the site where such contract work is performed: (1) the schedule of the specified overall per hour rate for each applicable classification specified by such negotiated contracts; (2) the amount of liquidated damages for any failure to pay such rates; and (3) the name and address of the responsible official in Miami-Dade County to whom complaints should be given; and
- (v) Provide that there may be withheld from the contractor so much of accrued payments as may be considered necessary by the contracting officer to pay to employees employed by the contractor (or any subcontractor under him >>or her<<) in the performance of the contract work the difference between the overall per hour rate required by the contract to be paid employees on the work and the amounts received by such employees and not refunded to the contractor, and any of its subcontractors or their agents; and
- (vi) Require the contractor and each subcontractor under him>> or her<< to ~~[[keep, or cause to be kept,]]~~>>submit via the County's web-based system<< accurate written records signed under oath as true and correct showing the names, Social Security numbers, and craft classifications of all employees performing work on said contract, the hours and fractions of hours for every type of work performed by each employee, the combined dollar value of all wages, any contributions to benefit plans and payments made to each employee of the overall per hour rate required by this Section and further require the contractor to submit to the County a list of all subcontractors and the names and Social Security numbers of all employees thereof who performed work each day on the contract and further require each subcontractor to

also submit to the County a list of the names and Social Security numbers of its employees who performed work each day on the contract>>. The contractor and each subcontractor shall, by the 10th of each month, submit to the County (or if requested, within the requested time frame) certified payroll showing the employer's payroll records for work performed in the previous month via the County's web-based system. Upon request by the County, the covered employer shall produce for inspection and copying its payroll records for any or all of its covered employees for the prior three-year period<<; and

- (vii) Provide that no contractor (or subcontractor under him >>or her<<) may terminate an employee performing work on the contract because of the employee's filing a complaint regarding payment of required overall per hour rates.
- (c) Miami-Dade County shall periodically examine the records required to be kept under subsection (vi) of subsection (b) of this section.
- (d) The County Mayor shall establish an administrative procedure for monitoring compliance with and enforcement of the requirements of this Section. Such procedure shall provide that:
 - (i) SBD may conduct investigations of compliance with the requirements of this Section and issue written notices to a contractor (or subcontractor under the contractor) when it determines based on such investigation that the contractor (or subcontractor) has not complied herewith;
 - (ii) The contractor or subcontractor shall respond in writing to the notice of noncompliance;
 - (iii) Based on the response, ~~[[D]]~~>>S<<BD may determine to rescind the notice of noncompliance or to conduct a Compliance Meeting with the affected contractor or subcontractor at which any additional evidence may be presented;

- (iv) ~~[[D]]>>S<<BD~~ shall make a written compliance determination following any Compliance Meeting. A determination that the contractor or subcontractor has not complied with the requirements of this Section shall state the basis therefore and shall advise the contractor or subcontractor of its right to file a written request >>along with a nonrefundable filing fee to be established by implementing order, within thirty (30) days of issuance of the notice,<< with the County ~~[[Manager]]>>Mayor<< within 30 calendar days to schedule an administrative hearing before a hearing officer to appeal the determination as provided below; and~~

- (v) A contractor or subcontractor who fails to respond to a notice of noncompliance, fails to attend a Compliance Meeting, or who does not timely request an administrative hearing from an adverse compliance determination made by ~~[[D]]>>S<<BD~~ after a Compliance Meeting shall be deemed not to have complied with the requirements of this ordinance as stated in the notice or determination of non-compliance and, in the case of underpayment of the required overall per hour rate, an amount sufficient to pay any underpayment shall be withheld from contract proceeds and remitted to the employee and the contractor or subcontractor shall be fined the applicable penalty for such underpayment as provided in this subsection (d). A contractor or subcontractor who does not make the required payment of the underpaid wages or who does not pay any fine imposed hereunder shall not be deemed responsible to perform subsequent County construction contracts and shall be ineligible to be awarded such contracts for so long as the identified underpayment or any penalties imposed therefor remain outstanding, not to exceed three years.

- (vi) Upon timely receipt of a request for an administrative hearing before a hearing officer to appeal a determination of noncompliance, ~~[[the County Mayor shall appoint a hearing officer and fix a time for an administrative hearing thereon.]]>>the County Mayor or designee shall~~

appoint a hearing officer pursuant to section 8CC-2 of the Code of Miami-Dade County, Florida, and fix a time for an administrative hearing thereon. Such hearing officers may be paid a fee for their services, but shall not be deemed County officers or employees within the purview of sections 2-10.2, or 3-11.1 or otherwise.

Upon completion of the administrative hearing, the hearing officer shall transmit his/her findings of facts, conclusions and recommendations together with a transcript of all evidence taken before him/her and all exhibits received by him/her, to the Mayor or designee, who (i) may sustain, reverse or modify the hearing officer's recommendations and (ii) shall render a final decision, in writing. The determination of the Mayor may be reviewed by an appropriate court in the manner provided in the Florida Rules of Appellate Procedure.

The prevailing party shall not incur any additional expenses, fees or penalties. The unsuccessful appellant shall be responsible for all additional fees, costs and penalties associated with the appeal.<<

A notice of hearing (together with a copy of SBD's determination of noncompliance) shall be served upon the contractor (or subcontractor). Upon completion of the hearing, the hearing officer shall submit proposed written findings and recommendations together with a transcript of the hearing to the County Mayor within a reasonable time. The County Mayor shall determine whether the contractor (or subcontractor) failed to comply with the requirements of this ordinance. If the Mayor's determination is that the contractor (or subcontractor) failed to comply, and that such failure was pervasive, the Mayor may order that the contract work be suspended or terminated, and that the noncomplying contractor (or subcontractor) and the principal owners thereof be prohibited from bidding on or otherwise participating in County contracts for the construction, alteration and/or repair, including painting or decorating of public buildings or public works for a period of up to three

(3) years. In addition, in the case of underpayment of the required overall per hour rate, an amount sufficient to pay any underpayment shall be withheld from contract proceeds and remitted to the affected employees and the contractor or subcontractor shall be fined the penalties provided below. If the Mayor's determination is that the contractor (or subcontractor) failed to comply and that such failure was limited to isolated instances and was not pervasive, the County Mayor may, in the case of underpayment of the required overall per hour rate, order an amount equal to the amount of such underpayment be withheld from the contractor and remitted to the employee, and may also fine the contractor or subcontractor for such noncompliance as follows: for the first underpayment, a penalty in an amount equal to 20% of the amount thereof; for the second underpayment, a penalty in an amount equal to 40% thereof; for the third and successive underpayments, a penalty in an amount equal to 60% thereof. A fourth violation, shall constitute a default of the subject contract and may be cause for suspension or termination in accordance with the contract's terms and debarment in accordance with the debarment procedures of the County. Monies received from payment of penalties imposed hereunder shall be deposited in a separate account and shall be utilized solely to defray SBD's costs of administering this ordinance. If the required payment is not made within a reasonable period of time, the noncomplying contractor (or subcontractor) and the principal owners thereof shall be prohibited from bidding on or otherwise participating in County contracts for the construction, alteration, and/or repair, including painting or decorating of public buildings or public works for a period of three (3) years.
