RESOLUTION NO. _____

RESOLUTION URGING THE UNITED STATES CONGRESS
TO ENACT S. 116, H.R. 936 OR SIMILAR LEGISLATION
THAT WOULD PERMIT VETERANS WHO HAVE A SERVICE-
CONNECTED, PERMANENT DISABILITY RATED AS TOTAL
TO TRAVEL ON MILITARY AIRCRAFT IN THE SPACE-A
PROGRAM

WHEREAS, the Space Available (“Space-A”) Program permits U.S. service members, retired U.S. service members, and their families to fly, for little or no cost, on unused seats on Department of Defense owned or controlled aircraft once all the space-required (duty) passengers and cargo are accommodated; and

WHEREAS, active duty service members and their accompanying family are extended the highest priority category, while retired service members and their accompanying family are offered the lowest priority category; and

WHEREAS, veterans with a service-connected permanent disability rated as “total” are not eligible for the Space-A Program; and

WHEREAS, allowing veterans with a service-connected permanent disability rated as “total” to travel on Space-A military flights would not cause any new burden on the no-cost program; and

WHEREAS, on January 12, 2017, U.S. Senator Dean Heller (R-Nevada) introduced S. 116 to amend Title 10 of the United States Code to permit veterans who have a service connected, permanent disability rated as “total” to travel on military aircraft in the same manner and to the same extent as retired members of the Armed Forces entitled to such travel; and

WHEREAS, on February 7, 2017, U.S. Representative Gus Bilirakis (R-Florida) introduced H.R. 936, a bill that directs the Department of Defense to provide transportation on scheduled and unscheduled military flights within the continental U.S. and on scheduled overseas flights on a space-available basis for veterans with a service-connected, permanent disability rated as “total” on the same basis as such transportation is provided to members of the Armed Forces entitled to retired or retainer pay; and

WHEREAS, our nation’s disabled veterans live every day coping with their service-connected disability, and we owe a great deal of gratitude to these selfless veterans; and

WHEREAS, veterans that were honorably discharged and received a service-connected permanent disability rated as total are eligible for all of the military service programs and privileges offered to disabled retirees with less than 20 years of service, with the exception of the Space-A Program and retirement pay; and

WHEREAS, this Board supports allowing veterans with a permanent disability rated as total and their accompanying families to fly on a space-available basis aboard any scheduled or non-scheduled military flights,
