MIAMI-DADE COUNTY, FLORIDA

Agenda Item No. 2(A)(1)
February 21, 2018

VETO AND VETO MESSAGE

To: Honorable Chairman Esteban L. Bovo, Jr. and
Members of the Board of County Commissioners
Miami-Dade County, Florida

From: Carlos A. Gimenez, Mayor
Miami-Dade County, Florida

Pursuant to the authority vested in me under the provisions of Section 2.02.D of the Miami-Dade County Home Rule Charter, I hereby veto Ordinance No. 18-13, which was adopted at the February 6, 2018 Board of County Commissioners meeting:

ORDINANCE RELATING TO THE INDEPENDENT REVIEW PANEL; AMENDING CHAPTER 2, ARTICLE IC OF THE CODE OF MIAMI-DADE COUNTY, FLORIDA; CHANGING THE NAME OF THE INDEPENDENT REVIEW PANEL TO THE INDEPENDENT COMMUNITY PANEL; AMENDING THE COMPOSITION, AUTHORITY, POWERS, AND STAFFING OF THE INDEPENDENT REVIEW PANEL; AND PROVIDING SEVERABILITY, INCLUSION IN THE CODE, AND AN EFFECTIVE DATE.

VETO MESSAGE

On February 6, 2018, the Board of County Commissioners (Board) adopted Ordinance No. 18-13, changing the name of the Independent Review Panel (IRP) to the Independent Community Panel, and amending the composition, authority, powers and staffing of the IRP. I am vetoing this legislation because I am not entirely convinced that there is a need for an Independent Community Panel. The County already has numerous internal mechanisms and external entities that oversee and investigate complaints against any County employee or agency. These include: the Commission on Ethics and Public Trust, the Office of the Inspector General, the Office of Human Rights and Fair Employment Practices, the Office of the Mayor and all County Departments.

The Miami-Dade Police Department (MDPD), in particular, already has oversight and holds itself accountable, beginning with the Professional Compliance Bureau (PCB), which is an internal investigative entity that reports only to the MDPD Director. The mission of PCB is to act as the agent of the Director to ensure the highest possible ethical and performance standards by all elements of the Police Department. The PCB accomplishes its mission by investigating allegations of police misconduct thoroughly and objectively via the Internal Affairs Section (IAS) and Criminal Conspiracy Section (CCS). Each Section within the PCB plays a vital role in the furtherance of the fundamental goals of the MDPD.

In addition to the PCB, the MDPD's IAS receives, processes, and investigates all complaints made against members of the Department. To ensure public trust and maintain the Department's integrity, the IAS conducts immediate and objective investigations of all complaints. MDPD's CCS conducts proactive and protracted investigations of allegations of serious criminal misconduct involving MDPD employees. At the conclusion of each investigation, a panel consisting of a division chief and two police majors reviews the investigative file, all statements, evidence, and correspondence pertaining to the investigation to determine employee culpability. This process is fair and objective, and has been a model mirrored by other agencies.

In addition to the internal mechanisms outlined above, several other external entities provide oversight of the MDPD. These entities include:

- Florida Department of Law Enforcement (FDLE)
- Federal Bureau of Investigation, Public Corruption Task Force (FBI)
- State Attorney's Office, Public Corruption Task Force (SAO)
- United States Attorney's Office (USAO)
- Department of Justice (DOJ)
- Miami-Dade County Office of Inspector General (OIG)
- United States Equal Employment Opportunity Commission (EEOC)
- Criminal Justice Standards and Training Commission (CJSTC)

In addition to the internal and external agencies providing oversight of MDPD, this County has already invested \$3 million to implement one of the largest body-worn camera programs in the nation. These cameras not only protect the rights of the people involved in an encounter with the police, but they also protect the rights of the officers from complaints submitted for reasons other than true misconduct.

CLOSING

There is no greater accountability measure than my own expectations of every single Miami-Dade County employee, and that is why I will continue to hold all County employees and agencies accountable for their actions. If it is the will of the Board to reconstitute the Independent Community Panel, I would be supportive of the following structure:

- The Independent Community Panel should consist of 13 members appointed by the Board of County Commissioners (1 per District). Obviously, nothing precludes individual Commissioners from seeking appointee recommendations from community groups or organizations.
- The Independent Community Panel should select its own Chairperson.
- Quorum requirements should be 50 percent plus 1 of appointed members.
- The Board should select the Executive Director and determine that person's compensation. As duly-elected representatives of the people, the Board's job is not only to set policy, but also to oversee the Administration. This responsibility cannot be delegated to outside agencies.

I also respectfully suggest that the provision added to provide the power to subpoena County employees other than law enforcement and corrections officers as witnesses is unnecessary and casts a negative light on the hard-working, honest and committed County employees who work every day for the residents of this County. My Administration always stands ready to work with the Board as we strive to make the right decisions entrusted to us by the residents of Miami-Dade County.

Subject: Fiscal Impact Statement for Ordinance relating to the Independent Review Panel
and the respective changes to the Code of Miami-Dade County

The implementation of this ordinance will have a fiscal impact to the County. It is assumed that the Office of Community Advocacy would provide the staff support needed to manage the nominating and member selection process from existing resources. In addition, when the Independent Community Panel (ICP), formerly IRP was last funded in FY 2008-09, it had five (5) full-time employees and a countywide general fund allocation of \$599,000. The five-year impact assumes that the ICP is funded at the same level as in FY 2008-09. The attached analysis also assumes that the ICP begins its operations halfway through FY 2017-18 and includes a one-time capital expense for startup costs, including office space and equipment that may be needed to operate the new office. None of the resources necessary to re-establish the ICP are currently in place as the ICP would, in essence, be a new County agency.

Assuming a start date of April 1, 2018, the immediate fiscal impact is \$349,500. For year one of the future five-year fiscal impact, the costs would double to \$475,650, and assumes a five percent growth in personnel expenses and three percent growth in operating expenses, every year thereafter. Funding for the FY 2017-18 would be provided from the General Fund Public Safety Reserve. Future years funding would be subject to appropriation as part of annual budget development process. In addition, allocating this funding to the ICP would reduce the County's ability to address any additional public safety threats and concerns that are not currently funded.
