**Subject:** Recommendation to Ratify Emergency Award: Hurricane Irma Debris Push and Clear

## **Recommendation**

It is recommended that the Board of County Commissioners (Board) approve this request for ratification of an emergency contract award, Contract No. E9940-0/18, *Hurricane Irma Debris Push and Clear*, in the amount of \$3,350,000 for the Department of Transportation and Public Works. This emergency procurement was necessary to immediately clean-up debris on County maintained roadways and transit facilities after Hurricane Irma.

In order to obtain qualified vendors in an expedited manner, Transportation and Public Works requested rates from registered County vendors under the Miscellaneous Construction Contracts Program, as well as two prequalification pools, 9743-0/23, *Grounds Maintenance and Pest Control* and 7661-5/19-2, *Tree Trimming and Removal Services*. The rates were based upon the crew size, type of work, and equipment required. Forty-eight vendors provided debris clean-up on County roadways and seven vendors performed emergency cleaning services at County transportation facilities including Metrorail, Metromover, and Metrobus stations.

Transportation and Public Works evaluated its facility and transportation infrastructure after Hurricane Irma and determined that an emergency clean-up of debris was required to protect the safety of the public and to resume transportation services expeditiously. Accordingly, ratification of this emergency contract is recommended.

## **Scope**

The impact of this item is countywide in nature.

## **Fiscal Impact/Funding Source**

The fiscal impact of this emergency contract is \$3,350,000. Transportation and Public Works has applied for reimbursement from the Federal Emergency Management Agency for expenses related to this emergency contract.
