WHEREAS, Florida Sickle, Inc. seeks to utilize the Property to construct a facility for the provision of medical care and for clinical research, consistent with its mission to maximize the quality of life and improve survival for the generation of people affected by sickle cell disease; and

Re: Application of Florida Sickle, Inc., d/b/a the Foundation for Sickle Cell Disease Research, for Lease of Land Owned by Miami-Dade County with Option to Purchase

Dear Commissioner Edmonson:

By this letter, the Florida Sickle, Inc. ("d/b/a Foundation for Sickle Cell Disease Research") a not-for-profit corporation in the State of Florida, is requesting from Miami-Dade County, a 30 year term plus two 10 year options to renew, and including an option to purchase within the first five years of the lease for \$96,000, the value set forth in the property appraiser's website, for the purpose of the Property described below (Folio No. 01-3114-043-0010) to support the operations and development of the land and facilities for the Foundation for Sickle Cell Disease Research Build-Out Research Facility, as described below. Due to the Foundation's extensive capital expenditure to build and equip the Research facility, we request an annual rent of \$2,033.68 for the initial year, which is the equivalent of the land value in the Property Appraiser's website multiplied by the 2017 millage rate, and adjusted annually by three percent for the remainder of the term. Additionally, we are requesting an option to purchase such property during the first ten years of the lease term without penalty at the current market value of the land as set forth in the Miami-Dade County Property Appraiser website at the time of the purchase. We believe that a substantial compelling reason exists to allow the option to purchase, in that we will be making a substantial expenditure to build and develop this land, and in light of the compelling community welfare and interest purpose set forth herein. We understand that in the event of a purchase, the Property will be subject to a restrictive covenant restricting its use to the use set forth herein.

Property Requested

The vacant parcel of land requested for conveyance to the Foundation for Sickle Cell Disease Research is legally described as:

ORCHARD VILLA EXTN PB 17-55
PARC 116 AKA LOTS 1 THRU 4 BLK 1
LESS N10FT FOR R/W
LOT SIZE IRREGULAR

commonly known as and located at 1394 NW 62nd Street, Miami, FL 33147 ("Property"). The Property has a lot size of approximately 12,000 square feet, bearing the folio number 01-3114-043-0010, with an assessed value of \$96,000, as published by the Office of the Appraiser.

Non-Profit Applicant

Florida Sickle, Inc. is a 501(c)(3), non-profit charitable foundation, formed and operated to support and benefit Florida Sickle Inc., d/b/a the Foundation for Sickle Cell Disease Research ("FSCDR"). The FSCDR is committed to supporting innovative research in sickle cell disease to maximize the quality of life and improve survival for the generation of people affected by this disease.

Since opening its doors in February 2015 in Hollywood, FL, FSCDR has provided medical care and clinical research with wrap around support services to address the gross lack of care and services for those with sickle cell disease throughout their lifespan. The FSCDR is committed to addressing health outcomes to individuals of all ages and ethnicities with sickle cell disease based on the social determinants of health.

Need for Redevelopment and This Property

Currently, the Property is essentially unused, with dated cement seating, occasionally occupied by homeless individuals.

Miami-Dade County has one of the highest rates of sickle cell disease in the United States of America. It is imperative that the County has a comprehensive sickle cell center, to cater to the local sickle cell patients throughout their lifespan.

Historically, individuals with sickle cell disease are mistreated, both medically and emotionally, due to the nature of one of the dominant treatment options. Sickle cell disease, a congenital disorder, results in a lifetime of whole body oxygen deprivation and severe life-threatening anemia. As a result, the red blood cells "sickle" into a "C" shape and clump together. Since blood runs everywhere throughout one's body, these sickled cells can clump anywhere, causing extreme pain that the medical community commonly refers to as a crisis. The only way to relieve this pain is through the use of intravenous opioids for acute relief and oral opioids as part of a comprehensive prevention program. Individuals with sickle cell disease have a high tolerance for opioids since they have been receiving opioids since they were infants. Due to the increasingly problematic opioid epidemic, primary care providers and emergency rooms have become more hesitant to prescribe sickle cell patients with opioids and label them as "drug-seekers," while studies have already proven that opioid addiction, or overdose-related deaths associated with sickle cell disease are relatively nonexistent. Moreover, patients age 16-25 years old are particularly vulnerable to poor health outcomes and early mortality. In fact, this age group currently experiences a seven-fold increase in mortality.

At FSCDR, patients are first and foremost provided with compassion and understanding. Services offered include: treatment by a sickle cell trained care team including physicians, nurse practitioners, medical assistants, care coordinators, clinical research associates and administrators. In addition, we have a well-designed program partially funded by the Florida Department of Health Office of Minority Health and Health Equity, Reducing Racial and Ethnic Health Disparities: Closing the Gap, RFQ # 17-007 to reduce visits to the emergency room, to reduce inpatient hospitalization and to provide enhanced care coordination. We also offer patient tailored therapeutic pain treatment and wrap around services such as disability evaluation, social resource needs assessment, neurocognitive evaluations for school and work accommodations, preventative health services, enrollment into the Medic-Alert Foundation program,

specialty care referral and a robust clinical research program. Our center is the only center in South Florida and the nation that is 100% dedicated to sickle cell disease. Patients are not able to find these services, in one location, anywhere else.

Recognizing this need, the Foundation for Sickle Cell Disease Research is prepared to provide the charitable capital needed to expand our mission and bring it to fruition in this unused area. A new center, dedicated entirely to sickle cell disease, benefits the current generation and future ones with sickle cell disease. The Property is instrumental to our expansion into Miami-Dade County. We have the capacity to move swiftly toward completion of this project, with your assistance.

The Project - Foundation for Sickle Cell Disease Research Build-Out Research Facility

The FSCDR Build-Out Research Facility is envisioned as a Sickle Cell Disease Research Center with 20 – 30 beds for overnight stays, state of the art operating rooms, an infusion center and supportive wrap around social services to assist individuals with sickle cell disease, their families, and the surrounding neighborhood.

FSCDR seeks to provide much-needed treatment and care for individuals with sickle cell disease in Miami-Dade County. Your help in conveying this parcel to FSCDR will greatly improve the quality of life and health outcomes for these individuals and save many more. Thank you for your assistance in making a difference in lives and well-being of the sickle cell community. It's time to bring positivity to this underserved population.

Tenant hereby covenants and agrees to pay, without notice or demand and without set-off, abatement, suspension or deduction, any and all taxes, payments in lieu of taxes, betterment assessments, water, electric, sewer, telephone and other utility charges for the Premises and/or any structures and/or improvements thereon. Tenant further covenants and agrees to pay without notice or demand and without set-off, abatement, suspension or deduction, all other costs, general and special, ordinary and extraordinary, foreseen and unforeseen, which are due and payable during the term of this Lease, at any time imposed or levied against the Premises and/or any structures and/or Improvements thereon. If Landlord then so requires, Tenant shall secure the full amount of the taxes levied and the interest and penalties thereon and the costs of the proceedings or suit on the determination of whether the amount of the taxes is appropriate, by causing to be delivered to the Landlord in the form of a bond or other security, in the form satisfactory to Landlord, which amount Landlord shall hold in its general account during the pendency of the proceedings. ARTICLE 9

INSTALLATION OF IMPROVEMENTS

9.01 Tenant acknowledges and agrees that, to the greatest extent possible, it is required to comply with the Landlord's rules, regulations, and ordinances pertaining to practicing sustainable (or "green") efforts on the Premises that conserves the community's natural resources, saves taxpayer dollars, reduces operating expenses, and creates a healthier built environment for employees, guests, and/or visitors on and about the Premises. As a direct result of the Tenant's commitment to construct a sustainable building(s), the Tenant further agrees to the following:

A.) The Tenant is required, at its sole cost and expense, to construct any and all buildings and/or structures to at least the Silver designation rating from the U.S. Green

Building Council's Leadership in Energy and Environmental Design (LEED), and ensure that the construction of any building and/or structure is also in compliance with any and all of the "green building standards" required by the Landlord for new construction projects, in addition to any and all Florida building code restrictions and/or requirements. The Tenant acknowledges and agrees that the LEED Silver certification or designation means that the Project shall be constructed to meet certain specifications as outlined by the U.S. Green Building Council, which will include various "green" or environmentally responsible features including, but not limited to, the preparation of the Premises, as well as the design and construction of the building, and/or structure, and/or other improvements; and all shall be reviewed, examined, approved, and certified by a neutral and independent third-party who is certified or approved by the U.S. Green Building Council, and who also regularly certifies such structures as meeting certain LEED standards and/or requirements. The Tenant agrees to regularly provide the Landlord with copies of any and all records and/or reports (including but not limited to any approvals, rejections and/or comments) from the neutral and independent third-party reviewing the construction of any building or structure, to establish that the Tenant is in fact proceeding with the construction in a manner to ensure that the LEED Silver designation can be secured from the U.S. Green Building Council. The Tenant also hereby acknowledges and agrees that it must incorporate high performance building concepts and technologies in order to enhance the overall design and construction of any building or structure, while simultaneously making any and all other Improvements, and as well as any remaining open or public spaces, if any, environmentally responsible.

B.) The Tenant hereby acknowledges and agrees that the LEED Silver certification or designation is a description or label designed to establish the level of energy efficiency and sustainability for a building or structure along with any and all other improvements that will be constructed on the Premises, and such energy efficiency should substantially improve the "normal" or "regular" energy efficiency and indoor air quality for the entire building and/or structure, including. Beyond these environmentally responsible steps, the Tenant specifically agrees to consider additional areas or means to improve and/or protect the environment with regard to the construction component of the Project, and inform the Landlord of any and all such additional methods or ways that the Tenant will utilize "green building standards" in the design and construction of any building and/or structure, in an effort to achieve the important goals of creating a healthy

place to live and work as well as an environmentally responsible development in the community.

C.) Substitution of Standard: The Landlord acknowledges and agrees that the requirement for the Tenant to secure the LEED Silver designation may be exempted or modified due to special circumstances of the Project. For example, the Florida Green Building Coalition has a standard and rating system that might be equally acceptable to the Landlord. Such exemption or change in rating system shall be for the express purpose of ensuring the use of the most appropriate or relevant rating standard or system, and shall not, in any way, exempt the requirement to apply green building practices at the Silver designation, or similar designation as administered by a different organization. This substitution process shall be administered by and through the Sustainability Manager of the Landlord.

9.03 Tenant understands and agrees that it is solely responsible to procure any and all construction, installation, and related services in strict compliance with any and all local laws, rules and/or requirements.

9.04 Tenant shall cause the construction or installation of any building or structure, along with any and all other improvements made on or to the Premises, to be performed competently and in a good and workmanlike manner by duly qualified and licensed persons and/or entities, using first grade materials, and with as little interference as practicable to the affairs of nearby residences and/or businesses.

9.05 Tenant shall promptly pay all persons or entities furnishing labor and material with respect to any work performed by Tenant or its contractor on or about the Premises, and shall obtain and deliver to Landlord "releases" or waivers of liens from all parties doing work on or about the Premises, along with an affidavit from Tenant stating that all bills have been paid with regard to such work and that there are no outstanding obligations owed with respect to any such work performed on the Premises. The Tenant, as described below in Section 9.11, is further required to secure a payment and a separate performance bond, in accordance with Section 255.05, *Florida Statutes*, to guarantee the timely payment of any and all laborers and materialmen, as well as the timely and proper completion of the Project. Such payment and performance bond will be delivered to Landlord prior to commencement of any installation work. The amount of such bonds shall be equal to the costs of constructing or installing any building or structure on the Premises, as well as making the other improvements on the Premises.

9.06 Tenant acknowledges and agrees that the Landlord, in its capacity as Landlord under this Lease, currently has no obligation and in the future shall have no obligation, financial, regulatory or otherwise, for any activities necessary or otherwise related to the pre-construction, construction and/or installation of any building or structure and/or other Improvements on or about the Premises during the term of this Lease.

9.07 If Tenant's construction or installation activities, or other actions relative to the Premises, result in the introduction of hazardous materials or contamination of the soil and/or groundwater, then the Tenant agrees to: (1) immediately notify the Landlord of any contamination, claim of contamination or damage; (2) after consultation and with the approval of the Landlord, to clean up the contamination in full compliance with all applicable statutes, regulations and standards, at the Tenant's sole cost and expense; and (3) to indemnify, defend and hold the Landlord harmless from and against any claim, suits, causes of action, liability, obligations, costs and/or fees, including any and all attorneys' fees arising from or connected with such contamination, claim of contamination or damage.

9.08 All leasehold improvements, including, but not limited to anything erected or installed on or about the Premises at any time, whether by or on behalf of the Tenant or by or on behalf of Landlord, shall not be removed from the Premises at any time, unless removal is consented to in advance, in writing, by Landlord; and at the expiration of this Lease (either on the Expiration Date or upon such earlier termination or cancellation as provided for in this Lease), all such leasehold improvements shall be deemed to be part of the Premises, and shall not be removed by Tenant when it vacates the Premises, and title thereto shall vest solely in the Landlord without payment of any kind or nature to Tenant.

9.09 The Tenant's introduction of any supplies and/or equipment to the Premises, which personal property can be removed without damage to the Premises, shall remain the Tenant's property and may be removed from the Premises upon the expiration of this Lease.

9.10 Tenant agrees that in an effort to protect the Landlord in the event Tenant defaults hereunder, Tenant hereby grants to Landlord a security interest in all of the Tenant's personal property, including, but not limited to, all goods, equipment, and supplies belonging to the Tenant which are placed on or about the Premises during the

term. Said security interest shall secure all amounts to be paid by Tenant to Landlord hereunder, including, but not limited to, the cost for maintenance and repairs to the Premises, and attorneys' fees, expert witness fees and court costs.

9.11 Prior to commencing any installation, construction, and/or repairs to the Premises, or any structure or improvements on or about the Premises, Tenant shall obtain and deliver to the Landlord, at its sole cost and expense, both a payment bond and performance bond, or such other alternate form of security, any or all of which meets the requirements of Section 255.05, *Florida Statutes*, as set forth below, not less than ten (10) days prior to the anticipated commencement date of purchasing any equipment, materials, tools, supplies, as well as the anticipated date of the construction or installation of any building or structure, and/or any other improvements on or about the Premises. Said payment and performance bonds shall be in favor of the Landlord, the form of such bonds shall be as provided by Section 255.05, *Florida Statutes*, and each shall be in the amount of the entire cost of the improvements, or in instances of repair, the total cost associated with the repair project regardless of the source of funding. The payment and performance bonds shall name Landlord as an obligee on the multiple obligee rider attached to the payment and performance bond, and shall be issued by a surety insurer authorized to do business in the State of Florida. The bonds shall be subject to review and approval by Miami-Dade County, Internal Services Department, Risk Management Division. The Tenant shall be responsible for recording the bonds in the public records of Miami-Dade County and providing notice to subcontractors and suppliers, as required by Section 255.05 of the *Florida Statutes*. Said payment and performance bonds shall be maintained in full force and effect for the duration of any improvement and/or repair project. However, the foregoing requirement of securing a payment and performance bonds shall not be required when such contract for any repair work is estimated, in accordance with generally accepted cost-accounting principles, to have a cost of less than \$25,000.

9.12 Tenant shall not be permitted to place signs or advertising matter on or about the Premises without the Landlord's prior written approval, which approval may be granted by the County Mayor, or the Mayor's designee, in his or her sole and absolute discretion. If permitted, Tenant will, at its sole cost and expense, maintain such sign and/or advertising matter, as may be permitted hereunder by the Landlord, in good condition and repair at all times. All signs shall be removed by Tenant upon the expiration or early termination of this Lease, and any damage or unsightly condition

caused to the Premises because of, or due to, said signs or advertising matter shall be corrected or repaired by Tenant, at Tenant's expense, to the satisfaction of the Landlord in Landlord's sole discretion.

9.13 The Tenant is solely responsible for complying with the Landlord's Arts in Public Places requirements for the Project, including, but not limited to applying one and one-half (1½%) of the construction cost for the Project to be dedicated to the public arts project through the Art in Public Places program.

- (c) To apply for or assist the Tenant in applying for any county, city or third party permit or needed approval; or
- (d) To contest, defend against, or assist the Tenant in contesting or defending against any challenge of any nature;

shall not bind the Board of County Commissioners, the Regulatory and Economic Resources (RER) department or any other county, city, federal or state department or authority, committee or agency to grant or leave in effect any zoning changes, variances, permits, waivers, contract amendments, or any other approvals that may be granted, withheld or revoked in the discretion of the Landlord or any other applicable governmental agencies in the exercise of its police power; and the Landlord shall be released and held harmless, by the Tenant from and against any liability, responsibility, claims, consequential or other damages, or losses to the Tenant or to any third parties resulting from denial, withholding or revocation (in whole or in part) of any zoning or other changes, variances, permits, waivers, amendments, or approvals of any kind or nature whatsoever. Without limiting the foregoing, the parties recognize that the approval of any building permit and/or certificate of occupancy may require the Landlord to exercise its quasi-judicial or police powers. Notwithstanding any other provision of this Lease, the Landlord shall have no obligation to approve, in whole or in part, any application for any type of permit, license, zoning or any other type of matter requiring government approval or waiver. The Landlord's obligation to use reasonable good faith efforts in the permitting of the use of Landlord-owned property regarding the Premises shall not extend to any exercise of quasi-judicial or police powers, and shall be limited solely to ministerial actions, including the timely acceptance and processing of any requests or inquiries by Tenant as authorized by this Lease. Moreover, in no event shall a failure of the Landlord to adopt any of the Tenant's request or application for any type of

permit, license, zoning or any other type of matter requiring government approval or waiver be construed a breach or default of this Lease.

ARTICLE 25
OWNERSHIP OF ABANDONED PERSONAL PROPERTY

25.01 At the expiration or early termination of this Lease, Tenant shall peaceably leave, quit and surrender the Premises. Upon expiration or termination of this Lease, the Tenant, with the Landlord's permission, shall promptly remove its personal property and the personal property of its employees, agents, and contractors. Should Tenant fail to remove its personal property, and/or the personal property of others within thirty (30) days, the Tenant agrees that said personal property shall be deemed abandoned and the Landlord may dispose of the personal property in the manner it elects, without any compensation, remuneration or reimbursement to the Tenant or any other owner or person with an interest in such personal property.

ARTICLE 26
EMINENT DOMAIN

26.01 The word "Taking" in this Lease shall mean any taking of the title to, access to, or use of the Premises or any portion thereof by any governmental authority or any conveyance under the threat thereof, for any public, quasi-public, or private use or purpose. A Taking may be total or partial, permanent or temporary.

26.02 Upon receipt by either the Landlord or the Tenant of any notice of Taking, or the institution of any proceedings for Taking the Premises, or any portion thereof, the party receiving such notice shall promptly give notice thereof to the other, and such other party may also appear in such proceeding and may be represented by an attorney.

26.03 The full amount of any award whether *pro tanto* or final for any Taking (the "Award"), shall, notwithstanding any allocation made by the awarding authority, be paid and allocated as set forth below, provided that there shall first be deducted from the Award the following, in the order stated: (i) all reasonable fees and expenses of collection, including reasonable attorneys' fees and experts' fees, which shall be paid to the party which has paid such fees and expenses and/or undertaken such work, (ii) any unpaid fees or expense due to the Landlord, or due to a third-party, which Landlord will be ultimately responsible for, and (iii) any outstanding amounts which represent unpaid

loans used for the manufacturer or installation of any structures and/or improvements on the Premises. With respect to the balance of such Award, Landlord and Tenant shall be entitled to receive and retain such separate awards and portions of lump sum awards as may be allocated to their respective interests in any condemnation proceedings, with consideration given to the fact that the Landlord's interest in the Premises is not limited to the land encumbered by this Lease, but also the reversionary interest in the Premises upon expiration of the term and the building and/or structure and improvements thereon.

26.04 In the event of a permanent Taking of the fee simple interest or title of the Premises, or control of the entire leasehold estate hereunder (a "Total Taking"), this Lease shall thereupon terminate as of the effective date of such Total Taking, without liability or further recourse to the parties, provided that any and all obligations of Tenant under this Lease have been fully and completely complied with by Tenant as of the date of said Total Taking, otherwise Tenant hereby agrees that an appropriate amount of its portion of the Award shall be paid to Landlord, and such payment shall be allocated to complete any unfinished work by Tenant or fulfill any unfulfilled obligations.

26.05 If, in the event of a partial Taking of less than the entire Premises, the remaining portion of the Premises not so taken cannot be adequately restored, repaired or reconstructed so as to constitute a complete architectural unit of substantially the same usefulness, design, construction, and commercial feasibility, as immediately before such Taking, then Tenant shall have the right, to be exercised by written notice to Landlord within one hundred twenty (120) days after the date of Taking, to terminate this Lease on a date to be specified in said notice, which date shall not be earlier than the date of such Taking, in which case Tenant shall pay and shall satisfy all rents and other payments due and accrued hereunder up to the date of such termination and shall perform all of the obligations of Tenant hereunder to such date, and thereupon this Lease and the term herein demised shall cease and terminate. Upon such termination the Tenant's interest under this Lease in the remainder of the leasehold interest not taken shall be returned to the Landlord.

ARTICLE 27

FORCE MAJEURE

27.01 Tenant and Landlord shall be excused for the period of any delay and shall not be deemed in default with respect to the performance of any of the non-monetary terms, covenants, and conditions of this Lease when prevented from so doing

by cause or causes beyond Tenant's or Landlord's control, excluding filing of bankruptcy, but which shall include, without limitation, all labor disputes, fire or other casualty, acts of God, or any other cause, whether similar or dissimilar to the foregoing, not within the control of Tenant, or caused directly or indirectly by Tenant. However, in order for the Tenant to claim or otherwise take advantage of *force majeure*, the Tenant must first notify the Landlord in writing of the event, and then secure from the Landlord a written acknowledgement that the Landlord recognizes the existence of an event of *force majeure*, which acknowledgment shall be determined in Landlord's sole and absolute discretion. Further, the Tenant shall only be entitled an extension of time, equal to the same period of the *force majeure* delay to complete its duty to perform under the terms and conditions of this Lease.

ARTICLE 28

WAIVER

28.01 If, under the provisions hereof, Landlord or Tenant shall institute proceedings and a compromise or settlement thereof shall be made, the same shall not constitute a waiver of any covenant herein contained nor of any of Landlord's or Tenant's rights hereunder, unless expressly stated in such compromise or settlement agreement. No waiver by Landlord or Tenant of any provision hereof shall be deemed to have been made unless expressed in writing and signed by both parties. No waiver by Landlord or Tenant of any breach of covenant, condition, or agreement herein contained shall operate as a waiver of such covenant, condition, or agreement itself, or of any subsequent breach thereof. No payment by Tenant or receipt by Landlord of lesser amount than the monthly installments of rent (or additional rent if such obligations are stipulated herein), if any, shall be deemed to be other than on account of the earliest amount of rent due and owing to the Landlord; and likewise neither shall any endorsement or statement on any check or letter accompanying a check for payment of rent or any other amounts owed to Landlord be deemed an accord and satisfaction, and the Landlord may accept such check or payment without prejudice to or waiver of Landlord's right to recover the balance of such rent or other amount owed, or to pursue any other remedy provided in this Lease or at law or in equity. Further, any endorsement or statement on any check or letter accompanying a check for payment of rent or any other amounts owed to Landlord may not be deemed to limit or restrict the Landlord in any manner whatsoever, and such endorsement or

statement shall have no effect whatsoever, and shall be deemed to have never been written at all. No reentry by Landlord and no acceptance by Landlord of keys, if any, from Tenant shall be considered an acceptance of a surrender of this Lease.

ARTICLE 29
DEFAULT OF TENANT AND REMEDIES

29.01 In the event of a Landlord termination in accordance with Article 20 above, or any default in performance, or violation of a term of this Lease then Landlord may proceed with any remedy available at law or in equity in the State of Florida, or by such other proceedings, including reentry and possession, as may be applicable.

29.02 Should Tenant vacate or abandon the Premises at any time during the term of this Lease, for a period of thirty (30) days or more, the Landlord shall be permitted to immediately take possession of the Premises. It shall be the Landlord's determination in its sole discretion as to whether or not the Tenant has either vacated or abandoned the Premises.

29.03 Upon any default, and after the expiration of any cure period, after termination of this Lease, Landlord may, in accordance with any lawful process, enter the Premises and take possession of any and all goods, inventory, equipment, fixtures and all other personal property of Tenant situated in the Premises without liability for trespass or conversion, and may sell or otherwise dispose of any and all such property after thirty (30) calendar days' notice to Tenant, which notice shall constitute reasonable and sufficient notice (so long as such property is valued by the Landlord at more than Five Thousand (\$5,000.00) Dollars, otherwise, such property shall be considered abandoned by the Tenant, and Landlord shall have no obligation to either store, maintain, sell, or otherwise dispose of the personal property). The proceeds of any such sale or disposition shall be applied first to the payment of all costs and expenses of conducting the sale and/or caring for and/or storing said property, including reasonable attorneys' fees; second, toward the payment of any indebtedness, including (without limitation) indebtedness for rent, which may be due or become due to Landlord; and third, to pay Tenant, on demand in writing, any surplus remaining after all indebtedness of Tenant to Landlord has been fully paid, so long as Tenant in fact makes such demand within sixty (60) calendar days of any such sale of such personal property.

29.04 Upon any default, Landlord may perform, on behalf of and at the expense of the Tenant, any obligation of Tenant under this Lease which Tenant has failed

to perform and of which Landlord shall have given Tenant notice of, the cost of which performance by Landlord, together with interest thereon, at the highest legal rate of interest as permitted by the State of Florida, and shall be immediately payable by Tenant to Landlord.

29.05 Notwithstanding the provisions of clause 29.04 above, and regardless of whether an event of default shall have occurred, Landlord may exercise the remedy described in clause 29.04 without any notice to Tenant if Landlord, in its sole discretion, believes it would be injured by failure to take rapid action or if the unperformed obligation by Tenant constitutes an emergency.

29.06 If this Lease is terminated or cancelled by Landlord, Tenant nevertheless shall remain liable for any and all rent and/or damages which may be due, become due or sustained by Landlord, along with any and all reasonable costs, fees and expenses including, but not limited to, attorneys' fees, costs and expenses incurred by Landlord in pursuit of its remedies hereunder, or in renting the Premises, or a portion thereof, to others.

29.08 In addition to any and all other remedies in law or in equity that Landlord may have against Tenant, Landlord shall be entitled to sue Tenant for all actual damages, costs and expenses arising from Tenant committing an event of default hereunder and to recover all such damages, costs and expenses, including reasonable attorneys' fees at both trial and appellate levels.

29.09 All rights and remedies of Landlord under this Lease shall be cumulative and shall not be exclusive of any other rights and remedies provided to Landlord under applicable law.

29.10 The provisions of this Article 29 shall survive any termination or early cancellation of this Lease.

ARTICLE 30

OPTION TO PURCHASE

30.01 Option to Purchase. Provided that Tenant has fulfilled all of its obligations under this Lease in all respects, and is otherwise not in breach or default of any obligation to the Landlord, and provided that the Premises (or any portion thereof) is not the subject of any eminent domain proceeding, or under the formal or informal threat of an eminent domain proceeding, the Tenant shall, within the first five (5) years of this

Lease, have the right to exercise a one (1) time only option to purchase the Premises. Should the Tenant elect to exercise its option to purchase the Premises, then the Tenant shall comply with all of the requirements in this Article.

30.02 Continued Use. Tenant represents, warrants, and guarantees that following any purchase of the Premises, the Premises shall be utilized for the Permitted Use, and that such use shall continue for at least ten (10) additional years following the closing of such purchase. Tenant further agrees that any sale or transfer shall be subject to the Landlord maintaining a right to enforce such use restriction, and that appropriate transfer documents (such as the deed of sale) shall reflect such reversionary interest, the forms and terms of which shall be in the sole and absolute discretion of the Landlord. Such terms shall include a provision that if for any reason the Premises ceases to be used for the Permitted Use for more than 120 consecutive days, or more than 180 days in any 12 month period, then the Premises shall, at the option of the County, revert to County ownership immediately upon the County giving written notice to Tenant. This paragraph survives the termination or expiration of this Lease.

30.03 Purchase Price. In the event that Tenant exercises its option to purchase the Premises, the purchase price shall be \$96,000 the market value for the land at the time of this lease, as set forth in the Miami-Dade County Property Appraiser's website.

30.04 Closing. The closing of the purchase transaction shall be completed no later than ninety (90) days from the date the option to purchase the Premises is exercised by the Tenant, unless further extended by mutual agreement of the Tenant and the Landlord. If no closing occurs, the option to purchase the Premises shall become null and void.

ARTICLE 31 **ADDITIONAL PROVISIONS**

31.01 Non-Discrimination Tenant will not discriminate against any employee or applicant for employment because of race, religion, color, sex, sexual orientation, age, ancestry, marital status, handicap, disability, place of birth, or national origin. Tenant shall take affirmative action to ensure that applicants are employed and that employees are treated during their employment, without regard to their race, religion, color, sex, sexual orientation, age, ancestry, marital status,

handicap, place of birth or national origin.

Tenant will comply with all of the following statutes, rules, regulations and orders to the extent that these are applicable to the Premises, included any applicable future amendments thereto:

- (A) all applicable provisions of the Civil Rights Act of 1964;
- (B) Executive Order 11246 of September 24, 1964 as amended by Executive Order 11375;
- (C) Executive Order 11625 of October 13, 1971;
- (D) the Age Discrimination Employment Act effective June 12, 1968;
- (E) the rules, regulations and orders of the Secretary of Labor;
- (F) Florida Statutes Section 112.042;
- (G) the applicable Federal regulations binding Tenant or transferee not to discriminate based on disability and binding the same to compliance with the Americans with Disabilities Act pursuant to the requirements found in 49 CFR Part 26.7 regarding nondiscrimination based on race, color, national origin or sex; in 49 CFR Parts 27.7, 27.9(b) and 49 CFR Part 37 regarding nondiscrimination based on disability and complying with the Americans With Disabilities Act with regard to any improvements constructed;
- (H) Miami-Dade County Code, Sections 2-11.16 and 2-8.9.
- (I) Small Business Enterprise requirements as set forth in Miami-Dade County Code Sections 10-33.02, 2-10.4.01, and 2-8.1.1.1.1 and the County's applicable Responsible Wages, Residents First Training and Employment, and First Source Hiring programs, as set forth in Miami-Dade County Code Sections 2-11.16 and 2-11.17 and Administrative Order No. 3-63.
- (J) All applicable federal, state, and local law applicable to the Premises.

31.02 Notification of any injury on the Premises. Tenant agrees that it will immediately notify the Landlord should any person sustain(s), or is found to have, a serious bodily injury or dies on or about the Premises, due to any cause that might give rise to liability for or to the Landlord, for any potential claim, or cause of action, including, but not limited to, personal injury or wrongful death. The parties hereby agree that the definition of serious bodily injury shall include, but not be limited to, any injury

to a person which requires medical treatment either at a hospital or by emergency medical technicians. Further, in instances where someone sustained a serious bodily injury or died, due to any cause that might give rise to liability for or to the Landlord, for any potential claim, or cause of action, including, but not limited to, personal injury or wrongful death, in addition to any other requirement(s) regarding notice under this Lease, the Tenant shall also immediately (same day, or in situations where the same day is not possible, then next day) call the Landlord's Internal Services Department, and notify the Director of such incident, in detail, with or without the name of the individual that died or sustained the serious bodily injury. Further, in instances where an individual died or sustained a serious bodily injury, the Tenant must complete a detailed injury and incident report and immediately (same day or next day) send it to the Landlord, in accordance with the terms of the notice provisions found in this Lease.

31.03 Security. The Tenant, as set forth in Section 14.01 of this Lease, is solely responsible for securing and maintaining its own security in and around, and for, the Premises. Should the Tenant, at any time and for any reason, believe that security and/or additional security is needed to protect the Tenant, or any of its invitees, licensees, guests, employees, staff, management, and/or anyone else, and/or the personal property belonging to any of the foregoing, and/or the Premises, then it is understood and agreed that Tenant shall, at its sole cost and expense, hire and maintain such security. The Tenant further acknowledges and agrees that the Landlord is not expected to supply, or otherwise provide, any security staff and/or security equipment to, on, or about the Premises which would be designed to prevent or deter vandalism, theft, burglary, and/or any other type of criminal activity, or any other type of incident.

31.04 The Tenant hereby acknowledges that in accordance with the Landlord's rules and regulations, all privately funded construction with a total value over \$200,000 must comply with Sections 10-33.02 and 2-10.4.01 of the County Code of Miami Dade County ("Code"), which governs, respectively, the Landlord's Community Small Business Enterprise ("CSBE") program, and the Community Business Enterprise ("CBE") Program for Architectural, Landscape Architectural, Engineering, and Surveying and Mapping Professional Services. As a result, the Tenant hereby agrees to timely communicate with the Landlord's Small Business Development Division of the Internal Services Department ("SBD") to determine whether or not the construction or installation of a building or structure and/or any other improvement(s) on or about the

Premises constitutes, or is considered, "construction" under Sections 10-33.02 and 2-10.4.01 of the Code. If required, the Tenant shall submit, or cause to be submitted, any design and construction packages, to the SBD, in accordance with the Code, and prior to any advertisement or solicitation for any design or construction work, for review and determination of appropriate small business program measures, and the application of same. The Tenant further agrees that, if necessary, it shall advertise or otherwise solicit all design and construction packages with the applicable small business measures in accordance with the requirements of the above-mentioned sections of the Code.

31.05 Construction. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine or neuter, singular or plural, as the identity of the party or parties may require. The parties hereby acknowledge and agree that each was properly represented by counsel and this Lease was negotiated and drafted at arm's length so that the judicial rule of construction to the effect that a legal document shall be construed against the draftsman shall be inapplicable to this Lease which has been drafted by counsel for both Landlord and Tenant.

31.06 Headings. The headings of the various paragraphs and sections of this Lease are for convenience and ease of reference only, and shall not be construed to define, limit, augment, or describe the scope, context or intent of this Lease, or any part(s) of this Lease.

31.07 Holidays. It is hereby agreed that whenever the day on which a payment or other obligation is due under the terms of this Lease, or the last day on which a response is due to a notice, or the last day of a cure period, falls on a day which is a legal holiday in Miami-Dade County, Florida, or on a Saturday or Sunday, such due date or cure period expiration date shall be postponed to the next following business day. Any mention in this Lease of a period of days for performance shall mean calendar days.

31.08 Waiver. Any waiver of any portion of this Lease shall be evidenced in writing by the party that made such waiver. Waiver of any breach of this Lease shall not constitute waiver of any other breach. Invalidation of any portion of this Lease due to any waiver, shall not automatically invalidate any other portion of this Lease.

31.09 Severability. If any provisions of this Lease or the application thereof to any person or situation shall, to any extent, be held invalid or unenforceable, the remainder of this Lease, and the application of such provisions to persons or situations other than those as

to which it shall have been held invalid or unenforceable, shall not be affected thereby, and shall continue valid and be enforced to the fullest extent permitted by law.

31.10 Survival. The parties hereby acknowledge and agree that many of the duties and obligations in this Lease will survive the term, termination, and/or cancellation hereof. Accordingly, the respective obligations of the Tenant and the Landlord under this Lease, which by nature would continue beyond the termination, cancellation, or expiration thereof, shall survive termination, cancellation, or expiration hereof, regardless of whether such survival is specified under such individual articles.

31.11 Brokers. Landlord and Tenant hereby represent and agree that no real estate broker or other person is entitled to claim a commission as a result of the execution and delivery of this Lease.

31.12 Landlord and Tenant acknowledge and agree that because the Landlord is a governmental entity, any and all information pertaining to this Lease is subject to be disclosed to others, and none of the information contained herein is, or shall be considered, confidential.

31.13 (A) Independent Private Sector Inspector General Reviews. Pursuant to Miami-Dade County Administrative Order 3-20, Landlord has the right to retain the services of an Independent Private Sector Inspector General (hereinafter "IPSIG"), whenever the County deems it appropriate to do so. Upon written notice from Landlord, Tenant shall make available to the IPSIG retained by the County, all requested records and documentation pertaining to this Lease for inspection and reproduction. Landlord shall be responsible for the payment of these IPSIG services, and under no circumstance shall Tenant's prices and any changes thereto approved by Landlord, be inclusive of any charges relating to these IPSIG services. The terms of this provision herein, apply to Tenant, its and its permitted successors and assigns. Nothing contained in this provision shall impair any independent right of Landlord to conduct an audit or investigate the operations, activities and performance of Tenant in connection with, and as and when provided under, this Lease. The terms of this paragraph shall not impose any liability on Landlord by Tenant or any third party.

(B) Miami-Dade County Inspector General Review. According to Section 2-1076 of the Code of Miami-Dade County, as amended by Ordinance No. 99-63, the County has established the Office of the Inspector General which may, on a random basis, perform audits on all County contracts, throughout the duration of said contracts, except as otherwise provided below. The cost of the audit for this Lease shall be one quarter (1/4) of one (1) percent of the total contract amount which cost shall be

included in the total contract amount. The audit cost shall be assumed by the County, and Tenant shall have no liability therefore.

Exception: The above application of one quarter (1/4) of one percent fee assessment shall not apply to the following contracts: (a) IPSIG contracts; (b) contracts for legal services; (c) contracts for financial advisory services; (d) auditing contracts; (e) facility rentals and lease agreements; (f) concessions and other rental agreements; (g) insurance contracts; (h) revenue-generating contracts; (I) contracts where an IPSIG is assigned at the time the contract is approved by the Board; (j) professional service agreements under \$1,000; (k) management agreements; (l) small purchase orders as defined in Miami-Dade County Administrative Order 3-2; (m) federal, state and local government-funded grants; and (n) interlocal agreements.

(C) Nothing contained above shall in any way limit the powers of the Inspector General to perform audits on all County contracts including, but not limited to, those contracts specifically exempted above. The Miami-Dade County Inspector General is authorized and empowered to review past, present and proposed County and Public Health Trust contracts, transactions, accounts, records and programs. In addition, the Inspector General has the power to subpoena witnesses, administer oaths, require the production of records and monitor existing projects and programs, all at no cost or expense to Tenant. Monitoring of an existing project or program may include a report concerning whether the project is on time, within budget and in conformance with plans, specifications and applicable law. The Inspector General is empowered to analyze the necessity of and reasonableness of proposed change orders, if any, to a contract. The Inspector General is empowered to retain, at no expense or cost to Tenant, the services of independent private sector inspectors general (IPSIG) to audit, investigate, monitor, oversee, inspect and review operations, activities, performance and procurement process, including but not limited to project design, specifications, proposal submittals, activities of Tenant, its officers, agents and employees, lobbyists, County staff and elected officials to ensure compliance with contract specifications and to detect fraud and corruption.

(D) Upon written notice to Tenant from the Inspector General or IPSIG retained by the Inspector General, Tenant shall make all requested records and documents available to the Inspector General or IPSIG for inspection and copying, at no cost or expense to Tenant. The Inspector General and IPSIG shall have the right to inspect and, at no cost or expense to Tenant, copy all documents and records in the Tenant's possession, custody or control which, in the Inspector General's or IPSIG's sole judgment, pertain to performance of the contract, including, but not limited to original estimate files, change order estimate files, worksheets, proposals and agreements form and which successful and unsuccessful subcontractors and suppliers, all project-related correspondence, memoranda, instructions, financial documents, construction documents, proposal and contract documents, back-charge documents, all documents and records

which involve cash, trade or volume discounts, insurance proceeds, rebates, or dividends received, payroll and personnel records, and supporting documentation for the aforesaid documents and records, provided that neither the Inspector General nor IPSIG shall be entitled to receive, review or copy any documents that are privileged, confidential or proprietary to Tenant.
