Date: September 4, 2019

To: Honorable Chairwoman Audrey M. Edmonson
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Resolution Authorizing the Execution of an Interlocal Agreement Between the City of Coral Gables and Miami-Dade County to Install and Maintain 25 mph Speed Limit Signs on Local Residential Streets.

Agenda Item No. 8(N)(3)

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing the execution of an Interlocal Agreement (Agreement) between the City of Coral Gables (City) and Miami-Dade County (County) to allow the City to install and maintain 25 mph speed limit signs on local residential streets only city-wide (attached as Exhibit B of the Agreement).

Scope

The affected areas for this Agreement fall within District 6, which is represented by Commissioner Rebeca Sosa.

Fiscal Impact/Funding Source

There is no fiscal impact to the County as the City will be responsible for all installation and maintenance costs.

Track Record/Monitor

The Department of Transportation and Public Works (DTPW) Traffic Engineering Division Chief, Claudia P. Diaz, P.E., will be responsible for monitoring this Agreement.

Delegated Authority

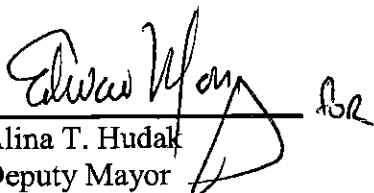

In accordance with Section 2-8.3 of the County Code related to identifying delegation of Board authority, there are no authorities beyond those specified in the resolution which include authority of the County Mayor, or designee, to execute an Interlocal Agreement between the County and the City.

Background

The City passed Resolution No. 2018-183 (attached as part of Exhibit A of the Agreement) allowing the City Manager to enter into negotiations with the County for the installation and maintenance of 25 mph speed limit signs on local residential streets.

This Agreement provides a formal structure to many of the continuing efforts that have been underway and provides the City with the ability to install and maintain 25 MPH signs within its municipal boundaries.

Since this Agreement modifies the speed limit on residential streets within the County boundaries, it is being presented to the Board for approval.

WHEREAS, pursuant to Sections 2-95 and 2-96.1 of the Miami-Dade County Code, all traffic control and traffic engineering services in Miami-Dade County are under the exclusive jurisdiction of the County; and

WHEREAS, pursuant to a letter dated July 8, 2016, signed by Darlene M. Fernandez, P.E., Assistant Director, Traffic Services, the City received permission to lower the posted speed limit to 25 MPH on local residential roads maintained by the City; and

WHEREAS, the City desires to assume the installation and maintenance responsibilities of certain traffic engineering functions pertaining to its local municipal streets only and has requested the County to allow it to perform the function of installing speed limit signs; and

WHEREAS, the County and the City agree that nothing contained in this Agreement shall diminish or impact the rights of either entity with respect to jurisdiction, sovereign or permitting powers, or in any other matter related to the installation, use and maintenance of the traffic control devices unless specifically set forth herein, including but not limited to any County powers under the Miami-Dade County Code,

NOW, THEREFORE, THE CITY AND THE COUNTY AGREE AS FOLLOWS:

Section 1. Recitals Adopted. That the above-stated recitals are incorporated herein by reference and confirmed.

Section 2. Speed Limit Signs. The CITY may install and maintain Speed Limit Signs on only those local municipal streets operated and maintained by the City within its boundaries and not on County roadways or State roadways; or within school zones.

Section 3. Installation. Any such Speed Limit Signs may be installed on local municipal streets only after an appropriate design plan depicting the location of the new speed limit signs has received written approval by the City Manager or his/her designee. A copy of such design plans must be submitted to the Department of Transportation and Public Works ("DTPW"). To the extent that design plans deviate from the standard design attached hereto as Exhibit "B", such plans shall be submitted to the County for its review and written approval. A copy of such design plans must be submitted to the applicable Department of the County.

Section 4. Decals. The City shall attach a decal to the back of the sign panels indicating ownership and date of installation.

Section 5. Standards. All Speed Limit Signs installed by the City in accordance with this Agreement shall conform to the applicable requirements established by the following publications:

If the City fails to maintain the 25 mph speed limit signs, it shall be responsible for any and all costs incurred by the County to replace them or remove them.

Section 7. Liability and Indemnification. The City assumes sole and complete liability for any and all accidents and/or injuries which may, or are alleged to, occur or arise out of the

installation, operation or maintenance of 25 mph speed limit signs, and hereby indemnifies to the extent allowed by Section 768.28, Florida Statutes, and holds the County harmless from any and all claims, including but not limited to negligence arising out of or relating to installation, operation, or maintenance of the signs.

The preparation of this Agreement has been a joint effort of the Parties hereto and both Parties have had the benefit of consultation with legal counsel of their choosing prior to its execution. The resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the Parties than the other.

Notwithstanding any other provision contained herein, no third party beneficiaries are created with respect to any claims against the County by virtue of this Agreement.

Section 13. Amendments. This Agreement may be amended, modified, or altered, and its material provisions may be waived, only by written instrument, and only if properly executed by all parties hereto.

Section 14. Effective Date. That this Agreement shall become effective on the date first written above after such Agreement is fully executed by all parties hereto.

Section 15. Termination. Either the City or the County may, in their respective sole and complete discretion, terminate this Agreement, with or without cause and/or convenience of the terminating party, upon twenty (20) business days written notice; provided, however, that at

the option of the County, the City shall continue to maintain, repair, and be responsible for any Traffic Control Devices installed by the City while this Agreement was in effect. ORDINANCE NO. 2017-14

AN ORDINANCE OF THE CITY COMMISSION OF CORAL GABLES, FLORIDA, CREATING SECTION 74-5 OF THE CITY OF CORAL GABLES CODE TO LOWER SPEED LIMITS TO 25 MILES PER HOUR ON LOCAL RESIDENTIAL ROADS MAINTAINED BY THE CITY OF CORAL GABLES, PROVIDING FOR REPEALER, SEVERABILITY, CODIFICATION, ENFORCEABILITY AND AN EFFECTIVE DATE.

WHEREAS, dating back to 2001, the City Commission has discussed lowering the speed limit in certain areas to 25 miles per hour (mph), in response to residential concerns; and

WHEREAS, on May 12, 2015, the City Commission directed staff to analyze whether objective data supported the lowering of the speed limit to 25 mph in certain areas; and

WHEREAS, on April 21, 2016, the City of Coral Gables submitted the analysis to Miami-Dade County Department of Transportation and Public Works (MDCDTPW), recommending a posted speed limit of 25 mph on all residential streets; and

WHEREAS, on July 8, 2016, Miami-Dade County approved the City's request to lower the posted speed limit to 25 mph only on residential local roads maintained by the City of Coral Gables; and

WHEREAS, on July 19, 2016 and October 18, 2016, the City's Transportation Advisory Board recommended lowering the speed limit; and

WHEREAS, as part of the City's Multi-modal Transportation Plan, the City asked for public input on various subjects, including regarding lowering speed limits to 25 mph, and data taken over seven (7) public meetings showed 80% of respondents to be in favor of reducing the speed limit on residential streets to 25 mph; and

WHEREAS, the installation and maintenance of signage indicating a lowered speed limit in certain areas will be processed through an Intergovernmental Agency Agreement with MDCDTPW; and

WHEREAS, lowering the speed limit on residential streets to 25 mph is reasonable, and is well aligned with the Strategic Plan objective "to attain world class performance levels in public safety"; and

WHEREAS, the City's Department of Public Works has set a goal of 10% reduction in injuries each year and slower speeds decreased the frequency and severity of injuries; and

WHEREAS, lowering the speed limit, combined with enhanced street design, education and enforcement policies will create a system and standard of behavior that will greatly lessen the consequences of traffic accidents caused by speeding; and

WHEREAS, the City Commission wishes to add Section 74-5 to lower the speed limits on residential local roads maintained by the City of Coral Gables to 25 mph as authorized by Section 316.189, Florida Statutes;

NOW, THEREFORE, BE IT ORDAINED BY THE COMMISSION OF THE CITY OF CORAL GABLES, FLORIDA:

SECTION 4. If any section, part of section, paragraph, clause, phrase, or word of this Ordinance is declared invalid, the remaining provisions of this Ordinance shall not be affected.

SECTION 5. It is the intention of the City Commission that the provisions of this Ordinance shall become and be made a part of the City Code, which provisions may be renumbered or re-lettered and the word ordinance be changed to "section", "article", or other

appropriate word to accomplish such intention.

SECTION 6. If the City Code's Tables of Contents, Supplemental History Table, or other reference portions are affected by these provisions, then changes are approved as a part of this Ordinance.

SECTION 7. Within 30 days of the adoption of this Ordinance, the City shall include the Ordinance's language and place an educational piece in eNews or another similar publication, educating the City's residents of the Ordinance. In addition the City shall begin an educational campaign to inform residents and visitors of the effect and implementation of the Ordinance.

SECTION 8. The City shall work with Miami-Dade County to insure that the City provides appropriate signage to indicate changes in speed limits as required by Miami-Dade County. Every effort shall be made to reduce the signage needed in order to prevent sign pollution in the City.
