

Memorandum

MIAMI-DADE
COUNTY

Date: July 23, 2019

To: Honorable Chairwoman Audrey M. Edmonson
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Recommendation for Approval to Establish a Prequalification Pool for Overhead
Doors, Security Gates, and Automatic Doors

Agenda Item No. 8(F)(6)

This item was amended at the July 17, 2019 Health Care and County Operations Committee to remove Charter Transportation Surtax Language on the Subject line, Fiscal Impact/Funding Source section, and under the Fiscal Impact table for the Department of Transportation and Public Works. Additionally, the authorization to use Charter Transportation Surtax funds was removed from the resolution.

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the establishment of a prequalification pool, *RTQ-01136, Overhead Doors, Security Gates, and Automatic Doors* for multiple County Departments. The County currently uses one pool and two contracts to obtain services for overhead doors, security gates, and automatic doors:

- *Prequalification Pool, 6050-1/24 - Roll-Up Doors: Inspection, Repair, Furnish and Installation Services*, was approved by the Board for five-year term with one, five-year option to renew on November 19, 2013 through Resolution No. R-943-13. The pool is currently valued at \$3,443,401 for a five-year and five-month term and expires on July 31, 2019.
- *Contract, 9793-0/19 - Security Gates Services*, was approved under delegated authority by the Mayor for a five-year term on February 13, 2014. The contract is currently valued at 755,083 for a five-year and five-month term and expires on July 31, 2019.
- *Contract, FB-00088 - Security Gates Services*, was approved under delegated authority for a five-year term on September 24, 2014 and subsequently modified by the Board through Resolution No. R-991-18 on October 2, 2018. The contract is currently valued at \$1,277,000, for a five-year term and expires on October 31, 2019.

This item is placed for Board review pursuant to Miami-Dade County Code Section 29-124(f). The Board may only consider this item if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the Board prior to the date scheduled for Board consideration or 45 days have elapsed since the issuance of this recommendation. If CITT has not forwarded a recommendation and 45 days have not elapsed since the issuance of this recommendation, a withdrawal of this item will be requested.

Background

The pool will provide for the repair, replacement, supply and installation of overhead and automatic doors, and security gates. These doors and security gates are located throughout the County and are used to secure facilities. Services provided through this pool will ensure County doors and gates remain in optimal operating condition to protect against unauthorized access.

Twelve vendors responded to the solicitation, including three "No Bids." Nine vendors are being recommended for inclusion in the pool. Of the nine recommended vendors, seven are local and two are Certified Small Business Enterprise firms. During market research, staff identified potential vendors and sent an e-mail blast to 50 vendors to engage their interest and participation in the solicitation prior to

advertisement. Upon advertisement, 5,996 vendors were notified. The consolidation of these solicitations is recommended as it will allow the County to streamline the management and provision of these goods and services as well as providing an opportunity for additional vendors to be added to the pool at any time, subject to Board ratification.

Scope

The scope of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for the five-year term is \$6,848,568. Pool No. 6050-1/24 is currently valued at \$3,443,401 for a five-year and five-month term; Contract No. 9793-0/19 is currently valued at \$755,083 for a five-year and five-month term; and Contract No. FB-00088 is currently valued at \$1,277,000 for a five-year term. The allocation under the replacement pool is higher on an annualized basis than the previous pool and combined contracts due to additional services being added, including preventative maintenance and service to automatic doors.

Due Diligence

Pursuant to Resolution No. R-187-12, due diligence was conducted in accordance with the Internal Services Department’s Procurement Guidelines to determine vendor responsibility, including verifying corporate status and that there are no performance and compliance issues. The lists that were referenced included convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to vendor responsibility.

Pursuant to Resolution No. R-140-15, prior to re-procurement, a full review of the scope of services was conducted to ensure the replacement pool reflects the County's current needs. The review included conducting market research, posting a draft solicitation for industry comment, and holding meetings with the client departments. The scope of services was updated to consolidate three current contracts/pools that are similar in nature, and to include preventative maintenance services and services for automatic doors.
