RESOLUTION NO. _____

RESOLUTION OPPOSING SB 1126, HB 305, AND SIMILAR LEGISLATION THAT WOULD PREEMPT LOCAL GOVERNMENTS FROM REGULATING CONDITIONS OF EMPLOYMENT BY AN EMPLOYER

WHEREAS, section 218.077 of the Florida Statutes prohibits—and expressly preempts to the state—political subdivisions such as counties and municipalities from requiring an employer to provide wage and employment benefits not required by state or federal law; and

WHEREAS, under section 218.077, “employment benefits” means anything of value that an employee may receive from an employer in addition to wages and salary, including but not limited to:

- health benefits;
- disability and death benefits;
- paid or unpaid days off for holidays, sick leave, vacation and personal necessity;
- retirement benefits; and
- profit-sharing benefits; and

WHEREAS, section 218.077, however, provides for specific exemptions to its broad state preemption, such as non-compliance to the extent necessary to allow receipt of federal funds or the ability of a political subdivision to establish minimum wages and benefits for its own employees and contractors; and

WHEREAS, Senate Bill (SB) 1126 and House Bill (HB) 305 have been filed for consideration during the Florida Legislature’s 2020 session by Senator Joe Gruters (R – Sarasota) and Representative Bob Rommel (R – Naples), respectively; and

WHEREAS, SB 714 and HB 301 would expand the state preemption under section 218.077 by renaming the term “employment benefits” to “conditions of employment” and broadening the scope of such definition to include—in addition to wages and the employment benefits listed above—“those terms that form the basis of a relationship between an employer and a prospective or actual employee, including”:

- pre-employment screenings;
- job classification determinations;
- job responsibilities;
- hours of work; and
- schedules and schedule changes; and

WHEREAS, as such, the bills would prohibit local governments from establishing, mandating, or otherwise requiring an employer to provide conditions of employment which are not otherwise required by state or federal law, and would expressly preempt to the state the regulation of conditions of employment by an employer; and

WHEREAS, as a result, these bills could potentially invalidate all or parts of local government wage theft ordinances, anti-discrimination ordinances, and similar ordinances regulating conditions of employment, since many of the additional protections afforded by these ordinances are not otherwise required by state or federal law; and

A

WHEREAS, specifically, these bills could potentially preempt all or parts of Miami-Dade County's Wage Theft Ordinance (Chapter 22 of the Code), Human Rights and Anti-Discrimination Ordinance (Chapter 11A of the Code), and possibly others; and

WHEREAS, accordingly, this Board would like to express its opposition to SB 1126, HB 305, and similar legislation,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board:

Section 3. Directs the County's state lobbyists to advocate against the legislation set forth in Section 1 above, and authorizes and directs the Office of Intergovernmental Affairs to amend the 2020 State Legislative Package to include this item.
