Subject: Resolution Authorizing Intergovernmental Cooperation Agreement with the Town of
Medley – Stormwater Utility Fees

RECOMMENDATION

It is recommended that the Board of County Commissioners authorize execution of the attached Intergovernmental Cooperation Agreement (Agreement) by and among Miami-Dade County on behalf of the Tax Collector (Tax Collector), Miami-Dade County Office of the Property Appraiser (Property Appraiser) and the Town of Medley (Town) for the Stormwater utility fees (Special Taxing District) to utilize the uniform method for the levy, collection and enforcement of non-ad valorem assessments, as prescribed in Section 197.3632, Florida Statutes.

SCOPE

This Special Taxing District lies within Commission District 12, which is represented by County Commissioner Jose "Pepe" Diaz. The Town has requested that the Property Appraiser and Tax Collector include its proposed or adopted non-ad valorem assessments for stormwater utility fees by the Town on the notice as specified in Section 200.069, Florida Statutes, and on the combined notice of ad valorem and non-ad valorem assessments provided for in Sections 197.3632 and 197.3635, Florida Statutes.

FISCAL IMPACT/FUNDING SOURCE

The Town agrees that the Property Appraiser and Tax Collector shall be entitled to retain up to two percent on the amount of special assessments collected and remitted to cover all of the Property Appraiser's and Tax Collector's associated costs. There is no negative fiscal impact to the County as a result of this Agreement.

TRACK RECORD/MONITOR

The Town agrees that all certified assessment rolls will be maintained and transmitted to the Property Appraiser and Tax Collector on compatible electronic medium as defined in Section 197.3632(1), Florida Statutes. The Agreement is managed by the Property Appraiser.

BACKGROUND

In accordance with Sections 197.3632 and 197.3635, Florida Statutes, and the Agreement, the Town will charge separate non-ad valorem assessments for operation and maintenance assessments or such other imposed by the Town. The Agreement affords the Town the convenience and financial savings of utilizing the TRIM notice and combined tax bill for collection of its non-ad valorem assessments. Use of the ad valorem method for collection of these assessments could result in issuance of tax certificates, tax deeds and the loss of title to the property, if said assessments are not paid by the property owners. The term of this Agreement commences with special assessments collected in 2020 and continues until cancelled by any of the parties.
