Subject: Resolution Authorizing Acquisition of a 99,760 Foot Lot in Connection with the County's
Capital Improvement Plan for Growth at Miami International Airport and a Five-Year Lease
Agreement to Lease 22,000 Square Feet of Said Property

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution by two-thirds vote of Board members present pursuant to Florida Statute Section 125.355 authorizing the approval and execution of the attached Contract for Sale and Purchase between Miami-Dade County (County) and Casa Mar Investments, Inc. (Seller). Board approval of this resolution allows the County to acquire approximately 61,546 square feet of office and warehouse space on a 99,760 square foot lot located west of Miami International Airport (MIA). The County has agreed to buy this property in connection with the County's Capital Improvement Plan for growth at MIA for the purchase price of \$10,200,000.

It is further recommended that the Board approve the attached Lease Agreement between the County and Transway Airfreight Cargo, Inc. (Lessee) authorizing the approval and execution of a five-year lease for 22,000 square feet of the overall 61,546 square foot office and warehouse space, that is part of the 99,760 square foot lot being purchased by the County and is currently leased to the Lessee by the Seller. Upon Board approval of the Contract for Sale and Purchase noted above, 22,000 square feet of office and warehouse space will be leased back to the Lessee through the five-year Lease Agreement. It should be noted that the Lessee is owned by the Seller.

More specifically, the Resolution does the following:

- Authorizes the acquisition of property (Folio No. 30-3035-003-0030) including approximately 61,546 square feet of office and warehouse space on a 99,760 square foot lot located at 2205 N.W. 70 Avenue, Miami, FL 33122, and;
- Authorizes the County Mayor or County Mayor's designee to execute a willing buyer/willing seller Contract for Sale and Purchase (Attachment No. 1 to the Resolution) between the County and the Seller in the amount of \$10,200,000, and;
- Authorizes the County Mayor or County Mayor's designee to execute a Lease Agreement (Exhibit D to Attachment No. 1) between the County and the Lessee for a term of five years for 22,000 square feet of office and warehouse space located at 2205 N.W. 70 Avenue, Miami, FL 33122.

Scope

The 99,760 square foot lot being purchased by the County is located in District 12 represented by Commissioner Jose "Pepe" Diaz. However, the impact of this item is countywide as this property will become a part of MIA's footprint, which is a regional asset.

Delegation of Authority

The County Mayor or County Mayor’s designee is authorized to execute the attached Contract for Sale and Purchase with the Seller and to exercise all rights conferred therein. Additionally, under the terms and conditions of the five-year Lease Agreement, the County Mayor or County Mayor’s designee has the authority to exercise all rights conferred therein including termination rights, if the Lessee, among other things, fails to make all payments of rentals, fees and charges after seven calendar days written notice, unless the default can be cured within the notification period.

Fiscal Impact/Funding Source

There is a twofold fiscal impact to the County. Through the attached Contract for Sale and Purchase, the County is purchasing the property to increase MIA’s footmark to the west while effectuating a Lease Agreement that will produce revenue for the County as detailed below.

First, through the Miami-Dade Aviation Department (MDAD), the County shall pay to the Seller \$10,200,000 to purchase real property consisting of approximately 61,546 square feet of office and warehouse space on a 99,760 square foot lot. The Seller’s original asking price for the property was \$11,000,000, however, after a series of negotiations, it was reduced to \$10,200,000. State-certified appraisers hired by the County appraised the property three times. Initially, the property was appraised for \$8,300,000 by Waronker and Rosen on August 12, 2019, that appraisal was evaluated and confirmed on September 10, 2019 by Slack Johnston and Magenheimer. Almost one year later, on August 11, 2020, Waronker and Rosen provided a new appraisal with a value of \$9,230,000, which is within 10 percent of the negotiated purchase price. The availability of industrial properties for sale west of MIA is rare, in fact, this is the only property that has been available for purchase in over one year and MIA needs it to accommodate the airport’s cargo needs as part of its future plans for growth. The funding source for this purchase is future Aviation Revenue Bonds, Project No. 2000001340 - Land Acquisition Subprogram, as programmed the Fiscal Year (FY) 2020-2021 Proposed Budget and Multi-Year Capital Plan.

Second, the Lessee shall pay the County annual rent for the lease of 22,000 square feet of office and warehouse space in the amount of \$154,000 payable in twelve equal monthly installments of \$12,833 on the first day of every month. This rental rate will increase by \$.50 per square foot on the third year anniversary, making the rental rate \$7.50 per square foot with an additional increase of \$.50 on the fourth year anniversary from the effective date of the Lease Agreement, making the rental rate \$8.00 per square foot. It is estimated that approximately \$825,000 will be paid by Lessee to the County over the five-year lease term.

Track Record/Monitor

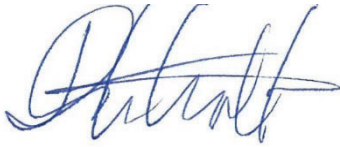

MDAD’s Division Director of Real Estate Management and Development, Michèle Raymond, will monitor the implementation of the Contract for Sale and Purchase with the Seller as well as the five-year Lease Agreement with the Lessee.

Background

As part of MIA’s approved Capital Improvement Plan, the County is purchasing 61,546 square feet of office and warehouse space on a 99,760 square foot lot on the west side of the airport as it is an integral component of the County’s future expansion plans for growth at MIA. The acquisition of this commercial property will facilitate the westward extension of MIA’s footprint. Upon execution of the attached Contract for Sale and Purchase between the County and the Seller in the amount of \$10,200,000, the Seller will execute a warranty deed for the property and the County will acquire a property that is

strategically located with optimal connectivity to MIA. Concurrently, upon execution of the attached five-year Lease Agreement, the County will lease 22,000 square feet of office and warehouse space to the Lessee that is currently being leased to the Lessee by the Seller. The remaining square footage, approximately 40,000 square feet, will be leased to different tenants to offset MDAD's costs associated with the 99,760 square foot lot.

The Seller hereby agrees to use reasonable diligence to cure said defects including the institution of necessary lawsuits. A) Unless the parties agree otherwise in writing, the Lessee who is also the seller shall conduct response actions mandated by existing Environmental Requirements applicable to the County for (i) Hazardous Materials disclosed in the Lessee Audit to the extent required by Article 8.06 and (ii) Baseline Environmental Conditions, provided however that:

(1) To the extent this Agreement covers Premises not previously occupied by the County and if this Agreement contemplates construction or renovation by the Lessee or County, any Hazardous Material discovered during the Initial Construction Period as defined in Article 8.01(F), shall be the responsibility of the Lessee.

(2) To the extent this Agreement covers premises previously occupied by Lessee, Remediation of any Hazardous Material discovered on the Premises shall be the responsibility of the Lessee.

B) The County has no environmental responsibility for Remediation under this Article 8.04.

Listing of contamination assessment reports and remedial action.

(1) To the extent they exist, the Lessee has made available to the County a listing of contamination assessment reports and remedial action plans regarding any soil and groundwater contamination at the Premises. Such list is found on Exhibit K to this Agreement.

(2) Lessee shall utilize reasonable efforts to minimize any disturbance to adjacent users caused by any Remediation it undertakes and shall provide County prior written notice of such Remediation. County and Lessee each agree to take such action as may be reasonable to coordinate their operations so as to minimize any interference with the other party. If vehicles, equipment, or materials belonging to the Lessee have to be temporarily relocated to permit the Remediation to be performed, the Lessee will effect such relocation at no expense to the County. Attached to Exhibit K is a site sketch of the Premises describing any existing or currently planned Remediation equipment and depicting the current and proposed future location of such equipment.

(3) If Remediation equipment or materials need to be temporarily stored in a secure location on the Premises, the Lessee may seek reasonable storage inside the building adjacent to the Premises (if available) for such equipment and materials at published fair market value rate. The County shall have no liability or responsibility for any theft of and/or damage to such equipment or materials so stored. The Lessee acknowledges the Remediation may be conducted at the locations depicted on the site sketch attached to Exhibit K at any time during the term of the Agreement and may continue until such time as a no further action letter is obtained from the appropriate regulatory authorities.

8.05 Baseline Audit:

The County will provide Lessee with a copy of an environmental audit of the Premises, conducted to identify any Recognized Environmental Conditions associated with the Premises, which audit may include analyses of soil and groundwater samples (the initial "Baseline Audit"). Because Lessee previously occupied the Premises, the County shall not be responsible for any Recognized Environmental Conditions within the meaning of ASTM E 1527-05, or most recent version, disclosed by the Baseline Audit. Lessee shall be responsible for any Recognized Environmental Conditions disclosed in

such Baseline Audit, unless Lessee demonstrates to the County's satisfaction that the Recognized Environmental Conditions originated from (1) a discharge, disposal or release outside of the Premises, unless such discharge, disposal or release was caused by Lessee, Lessee's agents employees, contractors or invitees; or (2) a discharge, disposal or release of Hazardous Material on the Premises prior to Lessee's first occupancy of the Premises and not caused by Lessee, Lessee's agents, employees, contractors, invitees, or Trespassers.

8.06 Intentionally Omitted.

8.07 Environmental Maintenance of Premises:

Except for the obligations of the County under this Article 8, Lessee shall, at its sole cost and expense, keep, maintain and use the Premises, and operate within the Premises at all times, in compliance with all applicable Environmental Laws, and shall maintain the Premises in good and sanitary order, condition, and repair.

8.08 Lessee's Use of Hazardous Materials:

Exhibit K-08 is a complete list of all Hazardous Materials which Lessee currently intends to use on the Premises or Other Airport Property during the term of the Agreement which have been approved by the County, and the use, storage and transportation of which on or about the Premises shall not be subject to County's approval or objections. Except for those Hazardous Materials listed on Exhibit K-08, Lessee shall not use, store, generate, treat, transport, or dispose of any Hazardous Material on the Premises or Other Airport Property without first providing the County thirty (30) days written notice prior to bringing such Hazardous Material upon the premises. To the extent certain Hazardous Materials are be needed to be used by Lessee on a non-routine basis, such as for emergency repairs, Lessee may provide such notice within twenty-four (24) hours of bringing such Hazardous Material upon the premises. Notwithstanding the foregoing, County may object to the use of any previously approved Hazardous Material should County reasonably determine that the continued use of the Hazardous Material by Lessee presents a material increased risk of site contamination, damage or injury to persons, Premises, resources on or near the Premises or Other Airport Property, or noncompliance due to a change in regulation of such Hazardous Material under applicable Environmental Law. Upon County's objection, Lessee shall immediately remove the Hazardous Material from the site. This section 8.08 shall not apply to Hazardous Materials which are not used, generated, treated or disposed of by Lessee but which are otherwise transported by Lessee solely in the course of Lessee's business, such as cargo operations, and for which Lessee has no knowledge as to the identity of such hazardous materials prior to such transport. County's objection or failure to object to the use, storage, generation, treatment, transportation, or disposal of Hazardous Material under this paragraph, or the exclusion of certain Hazardous Materials under this paragraph, shall not limit or affect Lessee's obligations under this Agreement, including Lessee's duty to remedy or remove releases or threatened releases; to comply with applicable Environmental Law and/or Environmental Requirements relating to the use, storage, generation, treatment, transportation, and/or disposal of any such Hazardous Materials; or to indemnify County against any harm or damage caused thereby. Lessee shall promptly and completely answer periodic questionnaires from the County concerning Lessee's practices regarding the generation, use, storage, and disposal of Hazardous Materials under this Agreement.

8.09 Entry by County:

- A) Notwithstanding any other right of entry granted to County under this Agreement, and subject to the requirements set forth in Article 8.09(B), MDAD shall have the right, at its own expense and upon reasonable notice, to enter the Premises or to have consultants enter the Premises throughout the Term of this Agreement for the purposes of: (1) determining whether the Premises are in conformity with applicable Environmental Law; (2) conducting an environmental review or investigation of the Premises; (3) determining whether Lessee has complied with the applicable environmental requirements of this Agreement; (4) determining the corrective measures, if any, required of Lessee to ensure the safe use, storage, and disposal of Hazardous Materials; or (5) removing Hazardous Materials (except to the extent used, stored, generated, treated, transported, or disposed of by Lessee in compliance with applicable Environmental Requirements and the terms of this Agreement). Lessee agrees to provide access and reasonable assistance for such inspections. MDAD shall use its best efforts to reasonably minimize interruptions of business operations on the Premises.
- B) Such inspections may include, but are not limited to, entering the Premises or adjacent property with drill rigs or other machinery for the purpose of obtaining laboratory samples of environmental conditions or soil or groundwater conditions. Lessee shall have the right to collect split samples of any samples collected by MDAD. MDAD shall not be limited in the number of such inspections during the Term of this Agreement. MDAD will conduct such inspections during Lessee's normal business hours, but MDAD may conduct such inspections in other than normal business hours if the circumstances so require. For inspections conducted by MDAD, MDAD agrees to provide Lessee with reasonable notice (not less than twenty four (24) hours) prior to inspecting the Premises; provided however, that such notice period shall not apply under circumstances in which MDAD reasonably determines that there exists an immediate threat to the health, safety, or welfare of any persons. Based on the results of such inspections, should MDAD reasonably determine that Hazardous Materials have been released, discharged, stored, or used on the Premises in violation of the terms of this Agreement, Lessee shall, in a timely manner, at its expense, remove such Hazardous Materials in a manner not inconsistent with applicable Environmental Law and otherwise comply with the reasonable recommendations of MDAD and any regulatory authorities related to the results of such inspections. The right granted to MDAD herein to inspect the Premises shall not create a duty on MDAD's part to inspect the Premises, nor liability of MDAD for Lessee's use, storage, or disposal of Hazardous Materials, it being understood that Lessee shall be solely responsible for all liability in connection therewith. MDAD shall provide the results of such inspections to the Lessee in a timely manner if requested to do so in writing. Nothing herein shall be construed to limit, restrain, impair or interfere with County's regulatory authority to conduct inspections and/or the manner in which it conducts such inspections. Lessee shall not be liable or otherwise responsible for any property damage to the Premises or injury to any person caused by County, its agents or consultants during County's inspection under this Section 8.09.

8.09 Permits and Licenses:

The Lessee warrants that it will secure at the times required by issuing authorities all applicable permits or approvals that are required by any governmental authority having lawful jurisdiction to enable Lessee to conduct its obligations under this Agreement. Upon written request, Lessee shall provide to County copies of all permits, licenses, certificates of occupancy, approvals, consent orders, or other authorizations issued to Lessee under applicable Environmental Requirements, as they pertain to the Lessee's operations on or use of the Premises or Other Airport Property.

8.11 Notice of Discharge to County:

- A) In the event of: (i) the happening of any material event involving the spill, release, leak, seepage, discharge or clean up of any Hazardous Material on the Premises in connection with Lessee's operation thereon; or (ii) any written Environmental Claim affecting Lessee from any person or entity resulting from Lessee's use of the Premises, then Lessee shall immediately notify County orally within twenty-four (24) hours and in writing within three (3) business days of said notice. If County is reasonably satisfied that Lessee is not promptly commencing the response to either of such events, County shall have the right but not the obligation to enter onto the Premises or to take such other actions as it shall deem reasonably necessary or advisable to clean up, remove, resolve or minimize the impact of or otherwise deal with any such Hazardous Material or Environmental Claim following receipt of any notice from any person or any entity having jurisdiction asserting the existence of any Hazardous Material or an Environmental Claim pertaining to the Premises, which if true, could result in an order, suit or other action against the County. If Lessee is unable to resolve such action in a manner which results in no liability on the part of County, all reasonable costs and expenses incurred by County shall be deemed additional rent due County under this Agreement and shall be payable by Lessee upon demand, except to the extent they relate to a Baseline Environmental Condition.
- B) With regard to any reporting obligation arising out of Lessee's operations or during the Agreement, Lessee shall timely notify the State of Florida Department of Environmental Protection, Miami-Dade County Department of Environmental Resources Management, and the United States Environmental Protection Agency, as appropriate, with regard to any and all applicable reporting obligations while simultaneously providing written notice to County.
- C) Within sixty (60) days of execution of this Agreement, Lessee shall submit to County an emergency action plan/contingency plan setting forth in detail Lessee's procedures for responding to spills, releases, or discharges of Hazardous Materials. The emergency action plan/contingency plan shall identify Lessee's emergency response coordinator and Lessee's emergency response contractor.

8.12 Reports to County:

For any year in which any Hazardous Materials have been used, generated, treated, stored, transported or otherwise been present on or in the Premises, (or on or in other Airport property for purposes related to Lessee's operations on the Premises), Lessee shall provide County with a written report listing: the Hazardous Materials which were present on the Premises or other Airport property; all releases of Hazardous Material that occurred or were discovered on the Premises or other Airport property and which were required to be reported to regulatory authorities under applicable Environmental Laws; all enforcement actions related to such Hazardous Materials, including all consent agreements or other non-privileged documents relating to such enforcement actions during that time period. In addition, Lessee shall provide County with copies of any reports filed in accordance with the Emergency Planning and Community Right to Know Act (EPCRA) and shall make available for review upon request by County copies of all manifests for hazardous wastes generated from operations on the Premises. Lessee shall provide the report required under this section to the County by April 1 of each year for the preceding calendar year.

8.13 Periodic Environmental Audits:

Lessee shall establish and maintain, at its sole expense, a system to assure and monitor its continued compliance on the Premises with all applicable Environmental Laws, which system shall include, no less than once each year a detailed review of such

compliance (the "Environmental Audit") by such consultant or consultants as County may approve, which approval shall not be unreasonably withheld, delayed or conditioned. Alternatively, if the MDAD approves, which approval shall not be unreasonably withheld, delayed, or conditioned, such Environmental Audit may be conducted by Lessee's personnel but in either case Lessee shall provide County with a copy or summary of its report of its annual Environmental Audit, which shall be consistent with ASTM's "Practice for Environmental Regulatory Compliance Audits". If the Environmental Audit indicates any unresolved violation of any applicable Environmental Law and/or Environmental Requirements, Lessee shall, at the request of County, provide a detailed review of the status of any such violation within thirty (30) days of the County's request.

8.14 Remediation of Hazardous Material Release:

If Lessee or Lessee's agents, employees, contractors, invitees or trespassers cause any Hazardous Materials to be released, discharged, or otherwise located on or about the Premises during the term of this Agreement ("Hazardous Material Release"), Lessee shall promptly take all actions, at its sole expense and without abatement of rent, as are reasonable and necessary to return the affected portion of the Premises and any other affected soil or groundwater to their condition existing prior to the Hazardous Material Release in a manner not inconsistent with applicable Environmental Law. County shall have the right to approve all such remedial work, including, without limitation: (i) the selection of any contractor or consultant Lessee proposes to retain to investigate the nature or extent of such Hazardous Material Release or to perform any such remedial work; (ii) any reports or disclosure statements to be submitted to any governmental authorities prior to the submission of such materials; and (iii) any proposed remediation plan or any material revision thereto prior to submission to any governmental authorities. The County's approvals shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, County's prior consent shall not be necessary if a Hazardous Material Release poses an immediate threat to the health, safety, or welfare of any persons and, despite Lessee's best efforts, it is not practicable to obtain County's consent before taking remedial action to abate such immediate threat, provided that: (a) Lessee shall notify County as soon as possible and shall thereafter obtain County's consent as otherwise provided in this paragraph; and (b) Lessee shall take only such action as may be necessary or appropriate to abate such immediate threat and shall otherwise comply with the provisions of this paragraph. In addition to any rights reserved by County in this Agreement, County shall have the right, but not the obligation, to participate with Lessee, Lessee's consultants and Lessee's contractors in any meetings with representatives of the governmental authorities and Lessee shall provide County reasonable notice of any such meetings. All remedial work shall be performed in compliance with all applicable Environmental Laws. The County's consent to any remedial activities undertaken by Lessee shall not be withheld so long as County reasonably determines that such activities will not cause any material adverse long-term or short-term effect on the Premises, or other adjoining property owned by County. Lessee's obligations in this section do not apply to Baseline Environmental Conditions.

8.15 Indemnity:

Lessee shall indemnify, defend (with counsel reasonably satisfactory to County), and hold County, its directors, officers, employees, agents, assigns, and any successors to County's interest in the Premises, harmless from and against any and all loss, cost, damage, expense (including reasonable attorneys' fees), claim, cause of action, judgment, penalty, fine, or liability, directly or indirectly, relating to or arising from the use, storage, release, discharge, handling, or presence of Hazardous Materials on, under, or

about the Premises or Other Airport Property and caused by Lessee, Lessee's agents, employees, contractors, invitees or trespassers after the date of this Agreement. This indemnification shall include without limitation: (a) personal injury claims; (b) the payment of liens; (c) diminution in the value of the Premises or Other Airport Property; (d) damages for the loss or restriction on use of the Premises or Other Airport Property; (e) sums paid in settlement of claims; (f) reasonable attorneys' fees, consulting fees, and expert fees, (g) the cost of any investigation of site conditions, and (h) the cost of any repair, cleanup, remedial, removal, or restoration work or detoxification if required by any governmental authorities or deemed necessary in County's reasonable judgment, but shall not extend to such claims, payment, diminution, damages, sums, fees or costs to the extent caused (i) solely by an act of God or (ii) by the negligent or willful misconduct of the County, its officers, employees, contractors or agents. For any legal proceedings or actions initiated in connection with the Hazardous Materials Release, County shall have the right at its expense but not the obligation to join and participate in such proceedings or actions in which the County is a named party, and control that portion of the proceedings in which it is a named party. County may also negotiate, defend, approve, and appeal any action in which County is named as a party taken or issued by any applicable governmental authorities with regard to a Hazardous Materials Release; provided, however, claims for which Lessee may be liable pursuant to this Article 8.15 shall not be settled without Lessee's consent. Any costs or expenses incurred by County for which Lessee is responsible under this paragraph or for which Lessee has indemnified County: (i) shall be paid to County on demand, during the term of this Agreement as additional rent; and (ii) from and after the expiration or earlier termination of the Agreement shall be reimbursed by Lessee on demand. Lessee's obligations pursuant to the foregoing indemnity shall survive the expiration or termination of this Agreement and shall bind Lessee's successors and assignees and inure to the benefit of County's successors and assignees. Notwithstanding any other provision of this Agreement, this section 8.15 does not apply to Baseline Environmental Conditions or a discharge, disposal or release caused by the County, its officers, employees, contractors or agents.

- A) This indemnity specifically includes the direct obligation of Lessee to perform, at its sole cost and expense, any remedial or other activities required or ordered by a court or agency having competent jurisdiction over the subject matter, or otherwise necessary to avoid or minimize injury or liability to any person, or to prevent the spread of Hazardous Materials.

- B) In addition, because costs of Hazardous Materials discharges are passed on to airlines through the residual rate charging mechanism at Miami International Airport and the charges to Lessee will be increased to offset such costs, Lessee agrees in order to minimize its obligations in this regard to use best efforts to assist the Aviation Department in responding to Hazardous Materials spills in or Airport property reasonably close to the Premises used by Lessee by making Lessee's remediation equipment and personnel available for such emergency remediation activity. However, Lessee may provide such assistance only at the direct request of the Aviation Department and only if Lessee's remediation equipment is intended to be utilized for the Hazardous Material spill at issue and only if Lessee's personnel have been trained to respond to the Hazardous Material spill at issue. If Lessee is directed to perform any remedial work under this Article 8.15(B) for which it is later determined that Lessee is not responsible, the Aviation Department shall reimburse Lessee for all costs associated with or arising out of Lessee's performance of such remedial work. Lessee shall cooperate with the Aviation Department in any subsequent effort by the Aviation Department to recover from the responsible parties all costs involved with the remediation effort that utilized Lessee's equipment and personnel. Lessee shall perform all such work in its own name in accordance with applicable laws Lessee acknowledges that

the County's regulatory power in this regard is independent of the County's contractual undertakings herein, and nothing herein shall affect the County's right in its regulatory capacity to impose its environmental rules, regulations, and authorities upon the Lessee in accordance with the law.

- C) In the event Lessee fails to perform its obligations in Article 8.15(A) above, and without waiving its rights hereunder, County may, at its option, perform such remedial work as described in Article 8.15(A) above, and thereafter seek reimbursement for the costs thereof. In accordance with this Article 8, Lessee shall permit County or its designated representative access to the Premises areas to perform such remedial activities.
- D) Whenever County has incurred costs described in this section as a result of the failure of Lessee to perform its obligations hereunder, Lessee shall, within thirty (30) days of receipt of notice thereof, reimburse County for all such expenses together with interest at the rate of 1 ½ % per month on the outstanding balance commencing on the thirty-first date following Lessee's receipt of such notice until the date of payment.
- E) To the extent of Lessee's responsibility under this Article and without limiting its obligations under any other paragraph of this Agreement, and except to the extent of County's responsibility for environmental conditions set forth in this Article 8, Lessee shall be solely and completely responsible for responding to and complying with any administrative notice, order, request or demand, or any third party claim or demand relating to potential or actual Hazardous Materials contamination on the Premise. Lessee's responsibility under this paragraph includes but is not limited to responding to such orders on behalf of County and defending against any assertion of County's financial responsibility or individual duty to perform under such orders. Lessee shall assume, pursuant to the Indemnity provision set forth in this Article 8, any liabilities or responsibilities which are assessed against County in any action described under this paragraph.

8.16 Dispute Resolution:

County and Lessee agree that any dispute between them relating to this Article 8 will first be submitted, by written notice, to a designated representative of both County and Lessee who will meet at County's place of business or other mutually agreeable location, or by teleconference, and confer in an effort to resolve such dispute. Any decision of the representatives will be final and binding on the parties. In the event the representatives are unable to resolve any dispute within ten (10) days after submission to them, either party may refer the dispute to mediation, or institute any other available legal or equitable proceeding in order to resolve the dispute.

8.17 Waiver and Release:

Lessee, on behalf of itself and its heirs, successors and assigns, hereby waives, releases, acquits and forever discharges County, its principals, officers, directors, employees, agents, representatives and any other person acting on behalf of the County, and the successors and assigns of any of the preceding, of and from any and all claims, actions, causes of action, demands, rights, damages, costs, expenses or compensation whatsoever, direct or indirect, known or unknown, foreseen or unforeseen, which Lessee or any its heirs, successors, or assigns now has in any way related to or in connection with any past or present (on the effective date of this Lease) physical characteristic or condition of the Premises, including without limitation, any Hazardous Material, in, at, on, under or related to the Premises, or any violation or potential violation of any

Environmental Law applicable thereto; provided, however, this Article 8.17 shall not constitute a waiver or release of any obligation of County under this Article 8. Lessee acknowledges that County would not enter into this Agreement without Lessee's agreement to the waiver and release provided herein.

8.18 No Waiver of Rights, Causes of Actions or Defenses: Intentionally Omitted.

8.19 Surrender of Premises:

Lessee shall surrender the Premises used by Lessee to County upon the expiration or earlier termination of this Agreement free of debris, waste, and Hazardous Materials used, stored, or disposed of by Lessee or its agents, employees, contractors, invitees or Trespassers, or otherwise discharged on the Premises or Other Airport Property for which Lessee is responsible during the term of this Agreement. The Premises shall be surrendered in a condition that complies with all applicable Environmental Requirements, and such other reasonable environmental requirements as may be imposed by County. Lessee shall not be responsible under this section 8.19 to the extent of County's obligations under this Article 8.

8.20 Breach:

Any breach by Lessee of any provision of this Article 8 shall, after notice and a reasonable opportunity for Lessee to cure, constitute a default of the Agreement and shall entitle County to exercise any and all remedies provided in the Agreement, or as otherwise permitted by law.

8.21 Survivability of Terms:

The terms and conditions of this Article 8, including the indemnity, waiver, and release, shall survive the termination of this Agreement.

8.22 Right to Regulate:

As provided for in Article 20.12 of this Agreement, nothing within this Article 8 shall be construed to waive or limit, restrain, impair or interfere with the County's regulatory authority.

ARTICLE 9
Indemnification and Hold Harmless

Lessee shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including reasonable attorneys' fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement or the use of the Premises by the Lessee, its employees, agents, servants, partners, contractors, subcontractors, invitees, or trespassers except to the extent such losses or damages are caused by the negligence or willful misconduct of the County, its officers, employees or agents. Lessee shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the County, where applicable, including appellate proceedings, and shall pay costs, judgments and attorney's fees which may issue thereon. Lessee expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by Lessee shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as herein provided.

ARTICLE 10
Assignment and Subletting

The Lessee shall not assign, transfer, pledge, or otherwise encumber this Agreement without the express prior written consent of the Department,. Further, the Lessee shall not sublet all or any portion of the Premises, nor allow others to use the Premises without the express prior written consent of the Department, not to be unreasonably withheld, conditioned or delayed.

ARTICLE 11
Insurance

11.01 Insurance Required: In addition to such insurance as may be required by law, the Lessee shall maintain, without lapse or material change, for so long as it occupies the Premises, the following insurance:

- A) Commercial General Liability Insurance on a comprehensive basis, including Contractual Liability, to cover the Lessee's Premises and operations, in an amount not less than \$2,000,000 combined single limit per occurrence for bodily injury and property damage. The County must be shown as an additional insured with respect to this coverage.
- B) Automobile Liability Insurance covering all owned, non-owned and hired vehicles used by the Lessee in connection with its operations under this Agreement in an amount not less than:
 - (1) \$2,000,000 combined single limit per occurrence for bodily injury and property damage.
 - (2) \$300,000 combined single limit per occurrence for bodily injury and property damage covering vehicles when being used by the Lessee off of the AOA.
- C) Workers' Compensation as required by Chapter 440, Florida Statutes.

The insurance coverages required shall include those classifications, as listed in standard liability insurance manuals, which most nearly reflect the operations of the Lessee under this Agreement. All insurance policies required pursuant to the terms of this Agreement shall be issued in companies approved to do business under the laws of the State of Florida. Such companies must be rated no less than "A-" as to management, and no less than "VII" as to strength in accordance with the latest edition of "Best's Insurance Guide", published by A.M. Best Company, Inc., or its equivalent, subject to approval of the County Risk Management Division.

11.02 Insurance Certificates Required:

Prior to the commencement of operations hereunder and annually thereafter, the Lessee shall furnish or cause to be furnished certificates of insurance to the Department which certificates shall clearly indicate that:

- (A) The Lessee has obtained insurance in the types, amounts and classifications as required for strict compliance with this Article;

- (B) The policy cancellation notification provisions specify at least 30 days advance written notice of cancellation to the County; and
- (C) The County is named as an additional insured with respect to the Lessee's public liability policies.

On said insurance certificates, unless specifically shown to be excluded thereon, comprehensive public liability coverage shall include contractual liability, and notification of cancellation shall include notification of material changes in the policies.

The County reserves the right to require the Lessee to provide such reasonably amended insurance coverage as it deems necessary or desirable, upon issuance of notice in writing to the Lessee, which notice shall automatically amend this Agreement effective 30 days after such notice.

11.03 Compliance:

Compliance with the requirements of this Article 11 (Insurance) shall not relieve the Lessee of its liability under any other portion of this Agreement or any other agreement between the County and the Lessee.

11.04 Right to Examine:

The Department reserves the right, upon reasonable notice, to examine the original or true copies of policies of insurance (including but not limited to binders, amendments, exclusions, riders and applications) to determine the true extent of coverage. The Lessee agrees to permit such inspection at the offices of the Department.

11.05 Personal Property:

Any personal property of the Lessee or of others placed in the Premises and Airport shall be at the sole risk of the Lessee or the owners thereof, and the County shall not be liable for any loss or damage, except to the extent such loss or damage was caused by the sole active negligence of the County, as limited by Section 768.28, Florida Statutes.

ARTICLE 12

Use of Public Facilities: Intentionally Omitted.

ARTICLE 13

Termination

13.01 Payment Defaults:

Failure of the Lessee to make all payments of rentals, fees and charges required to be paid herein when due shall constitute a default, and the County may, at its option terminate this Agreement after seven calendar days notice in writing to the Lessee unless the default be cured within the notice period.

13.02 Insurance Defaults:

The County shall have the right, upon seven calendar days written notice to the Lessee, to terminate this Agreement if the Lessee fails to provide evidence of insurance coverage in strict compliance with Article 11 hereof prior to commencement of operations, or fails to provide a renewal of said evidence upon its expiration; provided, however, that such termination shall not be effective if the Lessee provides the required evidence of

insurance coverage within the notice period.

13.03 Other Defaults:

The County shall have the right, upon 30 calendar days written notice to the Lessee, to terminate this Agreement upon the occurrence of any one or more of the following, unless the same shall have been corrected within such period, or, if correction cannot reasonably be completed within such 30-day period, in the sole discretion of the Department, the Lessee has commenced substantial corrective steps within such 30-day period and diligently pursues same to completion:

- (A) Failure of the Lessee to comply with any covenants of this Agreement, other than the covenants to pay rentals, fees and charges when due, and the covenants to provide required evidence of insurance coverage.
- (B) The conduct of any business, the performance of any service, or the merchandising of any product or service not specifically authorized herein, by the Lessee.
- (C) Failure of the Lessee to comply with any Environmental Law or Environmental Requirement as those terms are defined in Article 8.01 of this Agreement.

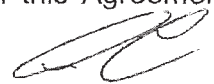

13.04 Habitual Default:

Notwithstanding the foregoing, in the event that the Lessee has frequently, regularly or repetitively defaulted in the performance of or breached any of the terms, covenants and conditions required herein to be kept and performed by the Lessee, in the sole opinion of the County and regardless of whether the Lessee has cured each individual condition of breach or default as provided in Articles 13.01 (Payment Defaults), 13.02 (Insurance Defaults) and 13.03 (Other Defaults) hereinabove, the Lessee shall be determined by the Director to be an "habitual violator." At the time that such determination is made, the Department shall issue to the Lessee a written notice advising of such determination and citing the circumstances therefor. Such notice shall also advise the Lessee that there shall be no further notice or grace periods to correct any subsequent breach(es) or default(s) and that any subsequent breach(es) or default(s), of whatever nature, taken with all previous breaches and defaults, shall be considered cumulative and, collectively, shall constitute a condition of non-curable default and grounds for immediate termination of this Agreement. In the event of any such subsequent breach or default, the County may cancel this Agreement upon the giving of written notice of termination to the Lessee, such termination to be effective upon the tenth day following the date of receipt thereof and all payments due hereunder shall be payable to said date, and the Lessee shall have no further rights hereunder.

13.05 Termination by Abandonment: Intentionally Omitted

13.06 Actions at Termination:

The Lessee shall vacate, quit, surrender up and deliver the Premises to the County on or before the termination date of this Agreement, whether by lapse of time or otherwise. The Lessee shall surrender the Premises in the condition required under Article 4.03 (Maintenance and Repairs) herein. All repairs for which the Lessee is responsible shall be completed prior to surrender. The Lessee shall deliver to the Department all keys to the Premises upon surrender. On or before the termination date of this Agreement,

except in the instance of termination pursuant to Article 13.05 (Termination by Abandonment), in which event the Lessee shall be allowed up to five calendar days from date of termination, and provided that the Lessee is not in default in the payment of any rentals, fees or charges required to be paid herein, the Lessee shall remove all of its personal property from the Premises. Any personal property of the Lessee not removed in accordance with this Article may be removed by the Department for storage at the cost of the Lessee. Failure on the part of the Lessee to reclaim its personal property within 30 days from the date of termination shall constitute a gratuitous transfer of title thereof to the County for whatever disposition is deemed to be in the best interest of the County.

The Lessee shall, at its expense, take all actions required by Federal, State and local laws, regulations or codes to remove from the Premises any hazardous substance or environmental contaminant, whether stored in drums, or found in vats, containers, distribution pipe lines, or the like. All such substances and contaminants shall be removed by the Lessee in a manner approved and authorized by such Federal, State or local laws, regulations or codes.

If the casualty was caused in whole or in part by the Lessee, its officers, employees, agents, contractors or trespassers, then the Lessee shall not have the right to terminate this Agreement and shall be responsible under other provisions of this Agreement for payment to the County of all damage to the Premises, plus the loss of rentals attributable to the damaged or destroyed premises.
