The Homeless Trust (Trust) will be responsible for overseeing the lease and accompanying grants and/or agreements.

Background

The United States of America, through the Department of Health and Human Services (HHS), deeded to Miami-Dade County property consisting of approximately 84.16 acres of land on June 28, 1996. The quitclaim deed contains certain conditions and restrictions including a prohibition against the sale, lease, mortgage, encumbrance or other disposal of any portion of the property thereby conveyed or any interest therein without the consent of HHS. Per the quitclaim deed, use of the property is to serve the homeless.

On January 9, 2009, the county, through the Homeless Trust, entered into a Lease and Services Agreement with Carrfour Supportive Housing, Inc. Carrfour developed, operated and maintained 145 units of permanent supportive families together with an organic farm and produce nursery and farmer's market on approximately 52 acres which is currently known as Verde Gardens. On January 13, 2020, Carrfour notified the Homeless Trust that it would not renew its lease agreement and provide related services effective September 30, 2020. On January

13, 2020, the Homeless Trust made available a Request for Application (RFA) seeking a change in project sponsor for Verde Gardens. On July 13, 2020, a selection committee recommended Camillus as the new project sponsor. The recommendation was considered by the full Board of the Miami-Dade County Homeless Trust on Friday, July 31, 2020 and approved unanimously, and is before this Board today as a separate agenda item. As a result of Camillus being selected as the new project sponsor, Carrfour assigned its rights and Camillus assumed responsibilities under the lease and services agreement. With HHS' approval and consent the county entered into a temporary Amended and Restated Lease and Services Agreement with Camillus House effective October 1, 2020, which is set to terminate on October 31, 2020, until such time as a new lease agreement could be executed. No provisions of the lease have changed. The term of this new lease agreement shall be the same as the previous lease and run concurrently with the remainder of the thirty (30) year HHS-approved Agreement which commenced on June 28, 1996 and is set to end on June 29, 2026 if all deed terms are complied with. Rent shall be one dollar (\$1.00) per year.

**LEASE AGREEMENT FOR VERDE GARDENS
BETWEEN THE MIAMI-DADE COUNTY HOMELESS TRUST AND CAMILLUS HOUSE, INC.**

THIS LEASE AGREEMENT made on the ____ day of _____, 20__ by and between MIAMI-DADE COUNTY, a political subdivision of the State of Florida, herein sometimes designated or referred to as the “LANDLORD”, and CAMILLUS HOUSE, INC., a Florida not-for-profit corporation, hereinafter called the “TENANT”.

RECITALS

1. The LANDLORD conditionally owns and has under its jurisdiction an 84.16-acre tract of real property located on the former Homestead Air Force Base (the “South Miami-Dade Homeless Housing Land”). Pursuant to the power and authority provided by the Federal Property and Administrative Services Act of 1949 (40 U.S.C. § 484[k]), as amended, and regulations promulgated pursuant thereto at 45 C.F.R. Part 12, and the Stewart B. McKinney Homeless Assistance Act (42 U.S.C 11411, as amended) and regulations promulgated pursuant thereto at 45 C.F.R. part 12A (entitled “Disposal and Utilization of Surplus Real Property to Assist the Homeless”), the South Miami-Dade Homeless Housing Land was conveyed to Miami-Dade County by the United States of America, acting through the Secretary of Health and Human Services (“HHS”) by Quitclaim deed dates June 28, 1996 and recorded July 25, 1996 in the Official Records of Dade County at ORB 17287, pages 4962-4981 (the “Quitclaim Deed”), as Attachment A.
2. On the date of the Quitclaim Deed, the South Miami-Dade Homeless Housing Land was vacant, unimproved land without water and sewer and other essential infrastructure.
3. In order to obtain transfer of the South Miami-Dade Homeless Housing Land to LANDLORD, THE LANDLORD submitted a program and plan for the delivery of housing and services to homeless persons to HHS, which HHS approved and incorporated into the Quitclaim Deed. Central to this approved program and plan as proposed by the LANDLORD in the May 2, 1994 application for use of the Underutilized Real Property and the May 19, 1995 Modified Application for Leasing of Properties (as modified from time to time, hereafter referred to as the “Approved Program and Plan”) is the provision of the temporary and transitional housing and support services such as, but not limited to, needs assessments, medical assessment, counseling, benefits advocacy, education, job readiness and vocational training, drug and alcohol education and treatment, literacy training, family support and preservation services. The LANDLORD was approved by HHS to site, construct and operate temporary housing and support services on the South Miami-Dade Homeless Housing Land under the approved program and plan. Since the time of conveyance, the Miami-Dade County Homeless Trust developed both temporary and transitional housing on the approximately thirty-two (32) acres of property currently under lease to Chapman Partnership, Inc. and Camillus House, Inc.
4. In May 2008, at the request of the Miami-Dade County Homeless Trust, HHS granted the County permission to develop the remaining property as permanent supportive housing for homeless families, a farm and produce nursery, and a farmer’s market to benefit homeless individuals.
5. The Quitclaim Deed, referenced in paragraphs 1-5, pages 3 and 4, contains, among other provisions, a condition subsequent which requires that for a period of thirty (30) years the South Miami-Dade Homeless Housing Land be used only for purposes in accordance with the Approved

Program and Plan. In the event of a breach of any of the said conditions subsequent, HHS may, at its option, have an immediate right to reentry on the subject property and cause a reversion of right, title and interest to the United States.

6. The Quitclaim Deed, as required by 45 C.F.R. Section 12.9(d), further provides that the LANDLORD may secure abrogation of the conditions subsequent set forth in paragraphs 1-5, pages 3 and 4, for all or any portion of the South Miami-Dade Homeless Housing Land by: (a) obtaining the consent of the United States, and (b) paying to the United States an amount which represents 1/360th of the percentage public benefit allowance granted of the fair market value as of the date of any such abrogation, exclusive of the value of improvements made by the LANDLORD to the extent that they add to the value of that portion of the Property to be released, for each month of the thirty (30) year period to be abrogated.
7. On May 6, 2008, pursuant to Resolution No. 525-08, the Board of County Commissioners (“BCC”) approved the issuance of a Request for Applications (“RFA”) to enter into contracts and/or agreements with a development partner for approximately (52) acres of undeveloped land at the former Homestead Air Force Base. The Resolution also stated that a lease would be developed with the entity selected to develop the property and subsequently submitted to the BCC for their review and approval.
8. As a result of the RFA, Carrfour Supportive Housing, Inc. was selected as the development partner for this site. In 2009, the LANDLORD entered into a Lease Agreement and Services Agreement with Carrfour which subsequently developed, operated and maintained 145 units of permanent supportive housing, a farm and produce nursery and Farmer’s Market for the benefit of homeless/formerly homeless persons.
9. In 2017, Carrfour secured the services of Redland Ahead, Inc. (Redland Ahead), a not-for-profit organization with expertise in sustainable and productive organic farms and nurseries to operate and manage the farm and produce nursery and Farmer’s Market, hereafter referred to as the Verde Gardens Farm Component, in furtherance of the HHS approved Program and Plan. Subsequently, the LANDLORD entered into a direct Services Agreement with Redland Ahead for the maintenance, operation and improvement of the Farm Component, consistent with the allowable uses of such land pursuant to the Quitclaim Deed.
10. In January 2020, Carrfour notified the LANDLORD that it would not renew its agreement to operate and maintain the Verde Gardens complex effective September 30, 2020. Subsequently, the LANDLORD made available an RFA seeking a new project sponsor for Verde Gardens. Camillus House, Inc. was selected as the new TENANT.
11. On _____, 2020 the BCC adopted Resolution R-____-20 approving the selection of Camillus House, Inc. as the new service provider and tenant, approving the assignment of the Lease from Carrfour to Camillus House, Inc, and authorizing, with the consent of HHS, the execution of an Amended and Restated Lease Agreement for continued use of the property serving the homeless through October 31, 2020 when the county will have entered into a new Lease with Camillus House.

NOW, THEREFORE, in consideration of the mutual covenants hereinafter contained and other good and valuable consideration and an annual payment of One Dollar (\$1.00) by the TENANT to the LANDLORD, the receipt and sufficiency of which and hereby acknowledged, the parties hereto agree as follows:

THIS LEASE AGREEMENT (“LEASE AGREEMENT”) made on the _____ day of _____, 20____, by and between MIAMI-DADE COUNTY, a political subdivision of the State of Florida (“LANDLORD”), and CAMILLUS HOUSE, INC. (“TENANT”).

5. That during the aforesaid period of thirty (30) years the Grantee will at all times be and remain a tax-supported organization or a nonprofit institution, organization, or association exempt from taxation under section 501(c) (3) of the Internal Revenue Code of 1986.
6. That, for the period during which the Property is used for the purpose for which the Federal assistance is hereby extended by the Grantor or for another purpose involving the provision of similar services or benefits, the Grantee hereby agrees that it will comply with the requirements of section 606 of the Act (40 U.S.C. § 476); the Fair Housing Act (42 U.S.C. § 3601-19) and implementing regulations; and, as applicable, Executive Order 11063 (Equal Opportunity in Housing) and implementing regulations; Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d to d-4) (Nondiscrimination in Federally Assisted Programs) and implementing regulations; Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681) and implementing regulations; the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. § 6101-07) and implementing regulations; the prohibitions against otherwise qualified individuals with handicaps under Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) and

implementing regulations, and all requirements imposed by or pursuant to the regulations of the Grantor (45 CFR Parts 12, 80, 84, and 91) issued pursuant to said Acts and now in effect, to the end that, in accordance with said Acts and regulations, no person in the United States shall, on the ground of race, color, national origin, sex, age, or handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under the program and plan referred to in condition numbered 1 above or under any other program or activity of the Grantee, its successors or assigns, to which said Acts and regulations apply by reason of this conveyance.

In the event of a breach of any of the conditions subsequent set forth above, whether caused by the legal or other inability of the Grantee, its successors and assigns, to perform any of the obligations herein set forth, the Grantor or its successor in function will, at its option, have an immediate right of reentry thereon, and to cause all right, title, and interest in and to the Property to revert to the United States of America, and the Grantee, its successors and assigns, shall forfeit all right, title, and interest in and to the Property and to any and all of the tenements, hereditaments, and appurtenances thereunto belonging; PROVIDED, HOWEVER, that the failure of the Grantor or its successor in function to insist in any one or more instance upon complete performance of any of the said conditions subsequent shall not be construed as a waiver of or a relinquishment of the future performance of any of said conditions subsequent, but the obligations of the Grantee with respect to such future performance shall continue in full force and effect; PROVIDED FURTHER, that, in the event the Grantor or its successor in function fails to exercise its option to reenter the premises and to revert title thereto for any such breach of conditions numbered 1, 2, 3, 4, or 5 herein within thirty (30) years from the date of this conveyance, conditions numbered 1, 2, 3, 4, and 5 herein, together with all rights to reenter and revert title for breach of condition, will, as of that date, terminate and be extinguished; and PROVIDED FURTHER, that the expiration of conditions numbered 1, 2, 3, 4, and 5 and the right to reenter and revert title for breach thereof, will not affect the obligation of the Grantee, its successors and assigns, with respect to condition numbered 6 herein or the right reserved to the Grantor, or its successor in function, to reenter and revert title for breach of condition numbered 6.

The Grantee, by acceptance of this deed, covenants and agrees for itself, its successors and assigns, that in the event the Grantor exercises its option to revert all right, title, and interest in and to the Property to the Grantor, or the Grantee voluntarily returns title to the Property in lieu of a reverter, then the Grantee shall provide protection to and maintenance of the Property at all times until such time as the title is actually reverted or returned to and accepted by the Grantor. Such protection and maintenance shall, at a minimum, conform to the standards prescribed by the General Services Administration in FPMR 101-47.4913 (41 CFR Part 101) now in effect, a copy of which is attached to the Grantee's aforementioned application.

In the event title to the Property or any part thereof is reverted to the United States of America for noncompliance or is voluntarily reconveyed in lieu of reverter, the Grantee, its successors or assigns, at the option of the Grantor, or its successor in function, shall be responsible for and shall be required to reimburse the United States of America for the decreased value thereof that is not the result of reasonable wear and tear, an act of God, or alterations and conversions made by the Grantee, its successors or assigns, to adapt the property to the health use for which the property was transferred. The United States of America shall, in addition thereto, be reimbursed for such damage, including such costs as may be incurred in recovering title to or possession of the above-described property, as it may sustain as a result of such noncompliance.

The Grantee, by acceptance of this deed, covenants and agrees for itself, its successors and assigns, that in the event the Property or any part thereof is, at any time within the period of thirty (30) years from the date of this conveyance, sold, leased, disposed of, or used for purposes other than those designated in condition numbered 1 above without the consent of the Grantor, or its successor in function, all revenues therefrom or the reasonable value, as determined by the Grantor, or its successor in function, of benefits to the Grantee, deriving directly or indirectly from such sale, lease, disposal, or use, shall be considered to have been received and held in trust by the Grantee for the United States of America and shall be subject to the direction and control of the Grantor, or its successor in function; but the provisions of this paragraph shall not impair or affect the rights reserved to the Grantor under any other provision of this deed.

The Grantee may secure abrogation of the conditions subsequent numbered 1, 2, 3, 4, and 5 herein by:

- a. Obtaining the consent of the Grantor, or its successor in function, therefor; and
- b. Payment to the United States of America of 1/360th of the percentage public benefit allowance granted of the fair market value as of the date of such requested abrogation, exclusive of the value of improvements made by the Grantee to the extent that they add to the value of that portion of the Property to be released, for each month of the period to be abrogated.

The Grantee shall comply with all applicable Federal, State, municipal, and local laws, rules, orders, ordinances, and regulations in the occupation, use, and operation of the Property.

The Grantee, by acceptance of this deed, covenants and agrees for itself, its successors and assigns, with respect to the Property or any part thereof--which covenant shall attach to and run with the land for so long as the Property is used for a purpose for which Federal assistance is hereby extended by the Grantor or for another purpose involving the provision of similar services or benefits, and which covenant shall in any event, and without regard to technical classification or designation, legal or otherwise, be binding to the fullest extent permitted by law and equity, for the benefit of and in favor of and enforceable by the Grantor or its successor in function against the Grantee, its successors and assigns for the Property, or any part thereof - that it will comply with the requirements of section 606 of the Act (40 U.S.C. § 476); the Fair Housing Act (42 U.S.C. § 3601-19) and implementing regulations; Executive Order 11063 (Equal Opportunity in Housing) and implementing regulations; Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d to d-4) (Non-discrimination in Federally Assisted Programs) and implementing regulations; the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. § 6101-07) and implementing regulations; and the prohibitions against otherwise qualified individuals with handicaps under Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) and implementing regulations; and all requirements imposed by or pursuant to the regulations of the Grantor (45 CFR Parts 12, 80, 84 and 91) issued pursuant to said Acts and now in effect, to the end that, in accordance with said Acts and regulations, no person in the United States shall, on the ground of race, color, national origin, sex, age, or handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under the program and plan referred to in condition numbered 1 above or under any other program or activity of the Grantee, its successors or assigns, to which such Acts and regulations apply by reason of this conveyance.

The Grantee, by acceptance of this deed, covenants and agrees for itself, its successors and assigns, that the Property is transferred on an "as is, where is," basis, without warranty of any kind, either expressed or implied, including as to the condition of the Property. The Grantee also covenants and agrees for itself, its successors and assigns, that the Grantor has no obligation to provide any additions, improvements, or alterations to the Property.

The Grantee is notified that hazardous substances were stored on the Property. The United States warrants that all remedial action necessary to protect human health and the environment with respect to any such substances remaining on the property has been taken before the date of this transfer. The United States further warrants that any additional remedial action found to be necessary after the date of such transfer shall be conducted by the United States. The grantee covenants and agrees on behalf of itself, its successors and assigns, that the United States of America shall have access to the property in any case in which such environmental remedial action is found to be necessary after the date of such transfer. As required by section 120(h)(3) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA), as amended, attached hereto as Exhibits "A", "B", and "C", are copies of the Hazardous Substance Activity Report, the Environmental Baseline Survey (EBS), and the Finding of Suitability to Transfer (FOST), as provided by the Air Force. Also attached hereto as Exhibits "D" and "E", respectively, are copies of the Environmental Condition Report and the Physical Condition Report, jointly prepared by the Air Force and Grantee.

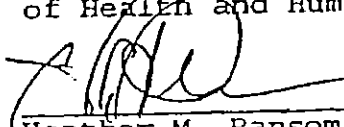

The Grantee, by acceptance of this deed, covenants and agrees for itself, its successors and assigns, and every successor in interest to the property herein described, or any part thereof, that any construction or alteration is prohibited unless a determination of no hazard to air navigation is issued by the Federal Aviation Administration in accordance with Title 14, Code of Federal Regulations, Part 77, entitled "Objects Affecting Navigable Airspace," or under the authority of the Federal Aviation Act of 1958, as amended.

The Grantee further covenants and agrees, on behalf of itself, its successors, and assigns to indemnify and hold harmless the United States, its agents and employees against any and all loss, damage, claim or liability whatsoever, due to the Grantee's use or occupancy of the property, or any other act or omission of the Grantee, including failure to comply with the obligations of this transfer. Further, the Grantee, its successors or assigns, shall be solely liable for all costs relating to any damage to property, personal injury, illness,

disability, or death, of the Grantee, or of the Grantee's successors, assigns, employees, invitees, or any other person, including members of the general public, arising from or incident to the purchase, transportation, handling, storage, use, release, or disposal or other activity causing or leading to contact of any kind whatsoever with hazardous or toxic substances, during use of the property by said Grantee, its successors or assigns.

Hazardous Substances Stored on Parcel 6

Source: Modified from Basewide EBS, Table A-1, pages A-46 through A-54

Assumptions

- For many items, quantities were recorded as non-weight or volume measurements, such as bottles, kits, tubes, etc. There were also many items for which no quantity was recorded. For the purposes of determining the weights on kilograms for the 40 CFR 373 threshold amounts, the following assumptions were made:
 - All non-weight measurements (except kits) were assumed to equal one pound (i.e., one tube - one pound, one bottle = one pound, etc.).
 - All liquid measures were assumed to have specific gravity of 1.
 - Petroleum, fuels and oils are not hazardous substances.
 - All "not recorded" amounts were assumed to equal one pound.
 - All kits were assumed to contain two (2) 1-gallon containers.

Note: Due to the destruction of records by Hurricane Andrew, many quantities were unavailable for many buildings. When records for Homestead AFB were unavailable, quantities from Myrtle Beach AFB, South Carolina and England AFB, Louisiana (with similar mission support facilities) were used for estimating.

1.0 PURPOSE OF THE ENVIRONMENTAL BASELINE SURVEY

1.1 INTRODUCTION

Purpose. This Environmental Baseline Survey (EBS) documents the physical condition of Air Force real property on Homestead Air Force Base (AFB) resulting from the storage, use, disposal, and release of hazardous substances and petroleum products or their derivatives over the base's history. The EBS collects into a single document all available information to establish a baseline for use by the Air Force in making decisions concerning real property transactions.

Although primarily a management tool, the EBS also assists the Air Force in meeting its obligations under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) as amended by the Community Environmental Response Facilitation Act (CERFA). An EBS is required by Department of Defense (DOD) policy before any property can be sold, leased, transferred, or acquired.

The EBS helps the Air Force to:

- Develop sufficient information to assess the health and safety risks on the property surveyed and determine what actions are necessary to protect human health and the environment prior to a real property transaction
- Support decisions for Finding of Suitability to Lease/Finding of Suitability to Transfer (FOSL/FOST) and aid in determining lease or deed restrictions
- Document and obtain regulatory concurrence on uncontaminated property as required and defined under CERCLA 120(h)(4)
- Support notice, when required under Section 120(h)(1) of CERCLA, of the type, quantity, and time frame of any storage, release, or disposal of hazardous substances or petroleum products or their derivatives on the property
- Identify data gaps concerning environmental contamination
- Define potential environmental liabilities associated with real property transactions
- Aid in determining possible effects on property valuation from any contamination/concerns identified.

Content of Environmental Baseline Survey Report. The information for the EBS was obtained through a records search, visual site inspections (VSIs), and interviews. The records search included a review of chain-of-title information, aerial photographs, and all available Air Force and other agency records to include environmental restoration and compliance reports, records, audits, and inspections. VSIs of the base property and facilities

were conducted. The EBS also included an assessment of environmental conditions on off-base properties immediately adjacent to or relatively near the base that could pose environmental concern and/or affect the subject property. Visual on-site inspections were also conducted on adjacent properties where access was obtained from the owner or operator. Interviews were conducted with current and former Air Force employees.

The Homestead AFB property was classified into the following seven categories:

- Category 1: Property where the records search, visual site inspection, and interviews identified no storage, release, or disposal of hazardous substances or petroleum products or their derivatives (including no migration of these substances from adjacent areas).
- Category 2: Property where only storage of hazardous substances or petroleum products or their derivatives has occurred (but no release, disposal, or migration from adjacent areas has occurred). This category also includes locations where only household and/or office chemicals were stored or used.
- Category 3: Property where storage, release, disposal, and/or migration of hazardous substances or petroleum products or their derivatives has occurred, but at concentrations that do not require a removal or remedial action.
- Category 4: Property where storage, release, disposal, and/or migration of hazardous substances or petroleum (or its derivatives) has occurred, and all remedial actions necessary to protect human health and the environment have been taken.
- Category 5: Property where storage, release, disposal, and/or migration of hazardous substances or petroleum (or its derivatives) has occurred, removal and/or remedial actions are under way, but all required remedial actions have not yet been taken.
- Category 6: Property where storage, release, disposal, and/or migration of hazardous substances or petroleum (or its derivatives) has occurred, but required response actions have not yet been implemented.
- Category 7: Properties that have not been evaluated or require additional evaluation.

In accordance with DOD policy, property in the first four categories is environmentally eligible for lease or deed transfer. Property in the last three categories may be considered for leasing on a case-by-case basis but will not be considered for transfer until the necessary actions have been taken and the property has been reclassified into one of the first four categories. Property in all seven categories is eligible for transfer between federal agencies or departments.

SUBJ: FINDING OF SUITABILITY TO TRANSFER (FOST)
PARCEL 6, HOMESTEAD AFB - MAY 31, 1995

Dear Mr. Rivero:

The Environmental Protection Agency (EPA) has completed its review of the subject document. The Agency did not comment or concur on this POST earlier, because we were under the mistaken impression that this transfer represented a "Federal to Federal" rather than a "pass through" transfer to the homeless provider.

In addition, the Agency has reviewed the February 6, 1995, Florida Department of Environmental Protection (FDEP), and the December 19, 1995, Dade County Environmental Resources Management (DERM) correspondence regarding the transfer of Parcel 6 at Homestead AFB in Homestead, Florida.

Additionally, the EPA has reviewed its own June 16, 1995 correspondence to you regarding this parcel. Through this correspondence, EPA concurred with your proposal to change the Parcel sites 990 and 996 from RCRA solid waste management units to Florida fuel sites under P.A.C. 62-770 guidelines.

To clearly understand the current remedial status of Parcel 6, the Agency has reviewed your recent Parcel 6 Environmental Status Update Memorandum, and the December 13, 1995, OHM Remediation Services Corporation Interim Status Report. Based on the above review, it is the Agency's understanding that no further remedial action is warranted for surficial (surface) soils within Parcel 6. Therefore, the potential for exposure to contaminated soil within this parcel does not exist.

However, EPA understands the remediation of the Light Nonaqueous Phase Liquid (LNAPL) found in groundwater within Parcel 6 is ongoing, and that the AFBCA will continue to pursue remediation at Building 996. We also understand that your remediation efforts will include residential standards, based on

EXHIBIT "C"

the proposed re . (homeless center) of this area of the Parcel.

Because of the ongoing remediation, the parcel falls within the purview of CERCLA 120 (h) (3). EPA concurs, based on the information provided by the AFBCA at Homestead ARB, that all remedial action necessary to protect human health and the environment with respect to any substance remaining on the property has been taken before the date of the intended transfer.

Further, EPA concurs in the finding that "all remedial action" referenced above has been taken and I, via delegation of authority from the Administrator, agree that the remedy has been demonstrated to my satisfaction to be operating properly and successfully. Concomitantly, I have notified the Assistant Administrator of the Office of Solid Waste and Emergency Response of the above determination, based on my professional judgement predicated on information provided by the AFBCA and all other available sources.

Should you have any questions, please feel free to call me at (404) 347-3555, extension 2066.

Sincerely,

Patricia J. Goldberg

DECLARATION OF RESTRICTIONS

NOW ALL BY THESE PRESENTS that the undersigned, as Owner(s) of the following described real property (the "Property"), lying, being and situated in Dade County, Florida, and legally described as:

See attached Exhibit "A"

IN ORDER TO ASSURE the *Board of County Commissioners* of Dade County, Florida that the representations made to them by the Owner during consideration of Public Hearing No. 96-122 will be abided by the Owner freely, voluntarily and without duress makes the following Declaration of Restrictions covering and running with the Property:

- (1) That the Property shall be developed substantially in accordance with the spirit and intent of the plans previously submitted, prepared by Chisholm Architects entitled, "Homeless Assistance Center No. 2" dated the 24th day of May, 1996, said plan being on file with the Dade County Department of Planning, Development and Regulation, and by reference made a part of this agreement.
- (2) That in the development of the project, residential uses be limited to no more than three hundred (300) beds to serve persons in the Homeless Assistance Center ("HAC") and no more than two hundred (200) transitional housing units.
- (3) That in the development of the property, the Dade County Department of Planning, Development and Regulation has affirmed that the plans described in condition (1) above and the terms of this Declaration of Restrictions comply with Dade County's Comprehensive Development Master Plan ("CDMP"). Any modifications prior to development must obtain written approval of continued compliance from the Dade County Department of Planning, Development and Regulation.

County Inspection. As further part of this Declaration, it is hereby understood and agreed that any official inspector of the Dade County Department of Planning, Development and Regulation or its agents duly authorized, may have the privilege at any time during normal working hours of entering and inspecting the use of the premises to determine whether or not the requirements of the building and zoning regulations and the conditions herein agreed to are being complied with.

Covenant Running with the Land. This Declaration on the part of the Owner shall constitute a covenant running with the land and may be recorded in the public records of Dade County, Florida and shall remain in full force and effect and be binding upon the Owner, and their heirs, successors and assigns until such time as the same is modified or released. These restrictions during their lifetime shall be for the benefit of, and limitation upon, all present and future owners of the real property and for the public welfare.

Term. This Declaration is to run with the land and shall be binding on all parties and all persons claiming under it for a period of thirty (30) years from the date this Declaration is recorded after which time it shall be extended automatically for successive periods of ten (10) years each, unless an instrument signed by a majority of the, then, owner(s) of the Property has been recorded agreeing to change the covenant in whole, or in part, provided that the Declaration has first been modified or released by Dade County.

Modification, Amendment, Release. This Declaration may be modified, amended or released as to the land herein described, or any portion thereof, by a written instrument executed by the, then, owner or a majority of the owners of all of the Property provided that the same is also approved by the Board of County Commissioners or the Zoning Appeals Board of Metropolitan Dade County, Florida, whichever by law has jurisdiction over such matters, after public hearing.

Should this Declaration be so modified, amended or released, the Director of the Dade County Department of Planning, Development and Regulation or the executive officer of the successor of such Department, or in the absence of such director or executive officer by his assistant in charge of the office in his absence, shall forthwith execute a written instrument effectuating and acknowledging such modification, amendment or release.

Enforcement. Enforcement shall be by action against any parties or person violating, or attempting to violate, any covenants. The prevailing party in any action or suit, pertaining to or arising out of this Declaration, shall be entitled to recover, in addition to costs and disbursements allowed by law, such sum as the Court may adjudge to be reasonable for the services of his attorney. This enforcement provision shall be in addition to any other remedies available at law or in equity or both.

Authorization for Department of Planning, Development and Regulation to Withhold Permits and Inspections. In the event payments or improvements are not made in accordance with the terms of this Declaration, in addition to any other remedies available, the Dade County Department of Planning, Development and Regulation is hereby authorized to withhold any further permits, and refuse to make any inspections or grant any approvals, until such time as this Declaration is complied with.

Election of Remedies. All rights, remedies and privileges granted herein shall be deemed to be cumulative and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude the party exercising the same from exercising such other additional rights, remedies or privileges.

Presumption of Compliance. Where construction has occurred on the Property or any portion thereof, pursuant to a lawful permit issued by the County, and inspections made and approval of occupancy given by the County, then such construction, inspection and approval shall create a rebuttable presumption that the buildings or structures thus constructed comply with the intent and spirit of this Declaration.

Severability. Invalidation of any one of these covenants, by judgment or Court, in no way shall affect any of the other provisions which shall remain in full force and effect.

Recording. This Declaration shall be filed of record in the public records of Dade County, Florida at the cost of the Owner following the adoption by the Dade County Board of County Commissioners of a resolution approving the Application.
