Subject: Fiscal Impact Statement for Ordinance Relating to the Overtown Community Benefits Program

The implementation of this ordinance may have a fiscal impact to Miami-Dade County. The proposed ordinance seeks to repeal the advisory board and transfer the administration of the Overtown Community Benefits Program functions to the County Mayor or County Mayor's designee to disburse the program funds for the intended purpose. The functions required to administer the program include making recommendations to the Board of County Commissioners (Board) of potential projects, monitoring proceeds received, providing status reports to the Board and promoting redevelopment in the Overtown area. As the program develops and the Administration is able to assess the demands required to handle its implementation, staff will have a better grasp on whether these duties can be absorbed by existing staff or if additional resources are necessary.
