Ordinance No. 13-29, adopted on April 2, 2013, requires the Office of the Commission Auditor (OCA) to conduct background research on any person, organization, place or thing that is the subject of a naming, renaming or codesignation item or an item approving the codesignation of state or municipal roads and prepare a report detailing the findings of said research prior to the Commission meeting during which the item is scheduled to be considered.

Ordinance No. 18-79, adopted on July 24, 2018, relates to any item codesignating any Miami-Dade County road, facility, or property, or approving any state or municipal road codesignation, and requires that OCA prepare a report detailing: (1) whether the subject road, facility, or property has been the subject of any prior codesignation and, if so, the location or the end points of each; and (2) whether there are any other roads, facilities, or properties located in Miami-Dade County that already bear the same name as the proposed new codesignation and, if so, the location or end points of each. Moreover, pursuant to Ordinance No. 19-11, adopted on February 5, 2019, the report is also required to indicate whether the person to be honored is living or deceased.

**Informational Findings:** Pursuant to Ordinance No. 13-29, OCA completed the required background research on “John R. Branstetter” and noted no adverse findings. Pursuant to Ordinance No. 18-79, OCA determined that there is no prior Board of County Commissioners (BCC) codesignation for “John R. Branstetter.” Pursuant to Ordinance No. 19-11, OCA verified that “John R. Branstetter” is deceased. In accordance with the cited ordinances, OCA is providing this report as a Supplement to BCC Agenda File Item No. 210214.
