Date: April 4, 2023

To: Honorable Chairman Oliver G. Gilbert, III
and Members, Board of County Commissioners

From: Daniella Levine Cava
Mayor 

Subject: Resolution Accepting Conveyances of Six Property Interests for Road Purposes to Miami-Dade County, Florida

Executive Summary

The purpose of this item is for the Board of County Commissioners (Board) to accept the subject property conveyances, which are being obtained to fulfill various zoning and land development requirements to effectuate improvements needed within the public right-of-way to meet Miami-Dade County roadway standards. Once these conveyances are accepted by the Board, the instruments will be recorded in the Public Records of Miami-Dade County. The grantors' names, property locations, and reasons for conveyance to the County are listed below. Annual maintenance costs associated with the subject conveyances are estimated to be \$113.

Recommendation

The attached six instruments are being forwarded as one resolution for approval by the Board. The Department of Transportation and Public Works (DTPW) needs the property interests from various entities for road purposes and recommends that the Board accept the conveyances. The proposed conveyances are attached hereto as Exhibit 1 and are further described below.

Scope

The properties being conveyed are located within various Commission Districts and are thereby listed individually below.

Fiscal Impact/Funding Source

The total fiscal impact of accepting these conveyances is estimated to be \$113 annually for maintenance costs associated with the subject rights-of-way being included in the DTPW inventory. These costs will be funded through DTPW's General Fund allocation.

Track Record/Monitor

DTPW is the entity overseeing this project and the person responsible for monitoring these acquisitions is Ms. Maria D. Molina, P.E., Chief, Right-of-Way Division.

Delegated Authority

The resolution delegates authority for the Chairperson or Vice-Chairperson of this Board to execute the acceptances of the instruments of conveyances. Furthermore, the County Mayor or County Mayor's designee shall record the instruments of conveyances accepted therein in the Public Records of Miami-Dade County.

Background

These conveyances are being obtained to fulfill various zoning and land development requirements to effectuate improvements needed within the public right-of-way to meet Miami-Dade County

roadway standards. The individual sites are listed below outlining the specific requirement for each.
