Section 2-1 Rule 9.02(f) of the Code requires the Office of the Commission Auditor (OCA) to conduct background research on any person, organization, place, or thing that is the subject of a naming, renaming or codesignation item or an item approving the codesignation of state or municipal roads and prepare a report detailing the findings of said research prior to the Commission meeting during which the item is scheduled to be considered.

Commission Auditor's Conclusion:

OCA completed the required background check on "Hidden Bay Drive" and noted no adverse findings. OCA determined that there is no prior Board of County Commissioners (BCC) codesignation for "Hidden Bay Drive." OCA is providing this report as a Supplement to BCC Agenda File Item No. 230532.
