Subject: FY 2025-2026 Tourist Development Council Grants Program - First Quarter
Recommendations for a Total of \$280,200.00

Executive Summary

This item is requesting that the Board of County Commissioners (Board) approve the recommendations of the Fiscal Year 2025-2026 Tourist Development Council (TDC) Grants Program - First Quarter (supporting events and activities in October, November and December), totaling \$280,200.00 for 24 applicants. With four deadlines a year, this program provides support to nonprofit and for-profit organizations presenting significant cultural or special events, including sports activities and television and film origination projects that promote Miami-Dade County's appeal as a tourist destination.

The Tourist Development Council Grants Program supports approximately 100 diverse cultural projects each year, serving all thirteen Commission Districts. The Department of Cultural Affairs' (Department) grants programs are promoted to hundreds of organizations and individuals through the Department's e-newsletter, press releases, through social media, in regular ongoing workshops, through partner organizations, in collaboration with Commission District offices, grants informational flyers, and on the Department's website. Applicants are offered one-on-one consultations, workshops, and technical assistance, including a corrections process, prior to the panel review. The grant recommendations were reviewed and approved by the Tourist Development Council, chaired by County Commissioner Keon Hardemon on October 27, 2025. The funds were approved through the FY 2025-2026 County budget process.

Recommendation

It is recommended that the Board of County Commissioners approve the funding of 24 grants for a total of \$280,200.00 from the FY 2025-2026 Tourist Development Council Grants Program – First Quarter. Attached is a list describing the projects being recommended for funding. In addition, it is recommended that Resolution No. R-130-06 (requiring contracts with non-governmental entities be signed by the other parties before being submitted to the Board of County Commissioners) be waived in order to expedite the allocation of funding support for these time-sensitive, tourism-oriented, and community events.

Scope

The impact of this agenda item is countywide.

Delegation of Authority

The County Mayor or Mayor's designee is delegated the authority to execute the grant agreements and exercise all provisions, including cancellation provisions contained therein.

Fiscal Impact/Funding Source

Funding for Tourist Development Council (TDC) Grants Program comes from the two percent Tourist Development Room Tax Revenue and the two percent Hotel/Motel Food and Beverage Surtax revenues. In addition, the Greater Miami Convention and Visitors Bureau provides \$25,000.00 to the TDC pursuant to a multi-year agreement. TDC grants are disbursed through Fund ST002, Account 5606250000.

Pursuant to Ordinance No. 25-98, Attachment H, page 310, \$1.450 million has been allocated for FY 2025-2026 TDC Grants (\$1.350 million from Fund ST002 plus \$100,000.00 from Fund ST003). The current First Quarter recommendations, totaling \$280,200.00, begins the recommended TDC grant allocations for this fiscal year.

Track Record/Monitor

Each recommended organization has a track record for responding to Departmental grant requirements and contractual conditions. Ashlee Thomas, Interim Director of the Department of Cultural Affairs, is responsible for monitoring the grant contracts.

Background

The Tourist Development Council Grants Program is responsive on a quarterly basis to organizations/events, which showcase Miami-Dade County's appeal as a tourist destination by sponsoring tourist-oriented sports events, cultural and special events (visual and performing arts, including theater, concerts, recitals, opera, dance, art exhibitions and festivals), and television origination projects.

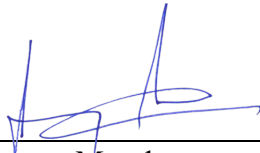

The TDC specifically evaluated each applicant organization based on the following competitive review criteria: (1) tourism impact/marketing plan; (2) hotel accommodations (3) quality and track record, event coordination, management, and efforts to comply with and incorporate the American with Disabilities Act (ADA) into projects.; and (4) fiscal feasibility.

It should be noted that the TDC Grants Program operates on a quarterly basis and, when taken together, all four quarters provide a picture of broad diversity of applicants and projects. In addition, the Department's grants programs are promoted to hundreds of organizations and individuals through the Department's e-newsletter, through social media, in open workshops and on the Department's website. The Department also works closely with the Greater Miami Convention and Visitors Bureau, the Greater Miami and the Beaches Hotel Association, and other tourism interests represented by members on the TDC to ensure that notice of the grants opportunities is widely distributed. Interested applicants are encouraged to attend free workshops that are held throughout the year and explain the grants process. One-on-one consultations are also offered in multiple languages. The Department grants administrators work closely with applicants to ensure their success and account for the

fact that virtually all of the organizations that apply are recommended for funding support. In addition, these grants administrators are friendly and knowledgeable and understand that it is essential to make applicants of all sizes and backgrounds feel welcome and well-served. Applications are fairly and thoroughly evaluated pursuant to the published review criteria in public meetings by the nine-member TDC, chaired by County Commissioner Keon Hardemon, and applicants are encouraged to attend the meetings.

It is recommended that Resolution No. R-130-06 (requiring contracts with non-governmental entities be signed by the other parties before being submitted to the Board of County Commissioners) be waived. These grant recommendations are being submitted to the Board immediately subsequent to their thorough evaluation by the TDC and while the Department of Cultural Affairs simultaneously issues grant agreements for execution by grantees, subject to the Board's approval of this agenda item. It is in the best interest of the County to waive Resolution R-130-06 and proceed in this manner in order to expedite grant allocations for time-sensitive, tourism-oriented, and community events. This "dual track" approach saves from one to two months of time in providing funding support to projects that have been evaluated through a thorough and already lengthy grants review process. As a safeguard, the Department negotiates the grant agreements by closely adhering to the descriptions of projects that are summarized in the list of grant projects attached to this memorandum. In addition, grant funds are released on a reimbursement basis to ensure that County grant funds are used strictly for the activities that are listed in this memorandum and represented in the subsequent grant agreements.

Attached is a list describing the projects being recommended for funding.

MIAMI-DADE COUNTY DEPARTMENT OF CULTURAL AFFAIRS
GENERAL TERMS AND CONDITIONS FOR TOURIST DEVELOPMENT COUNCIL GRANTS (October, 2025)
ARTICLES II, III, IV,V, VI and VII

ARTICLE II

1. **Parties:** The parties to the Grant Award Agreement, which shall be referenced herein as the "Agreement," are the Grantee listed in Article I.1, and Miami-Dade County, Florida, a political subdivision of the State of Florida ("County"). The Home Rule Charter authorizes Miami-Dade County to provide for the uniform health and welfare of the residents throughout the County and further provides that all functions not otherwise specifically assigned to others under the Charter, shall be performed under the supervision of the County Mayor or their designee. The County Mayor has delegated the responsibility of administering this grant to the Director of the Miami-Dade County Department of Cultural Affairs, who shall be referred to herein as the "Director."

2. **Amount and Payment of Grant Award:** The total amount of the grant is specified in Article I.2. By making this grant, Miami-Dade County assumes no obligation to provide financial support of any type whatever in excess of the total grant amount. Grantee acknowledges that additional funds may become available to Grantee from the County after the effective date of this Agreement, but the County has no obligation whatsoever to provide Grantee with any funds beyond the amount of the grant set forth in Article 1.2. Cost overruns are the sole responsibility of the Grantee. Grant funds will be supplied to the Grantee once the award is approved and subject to the conditions and limitations as outlined in the Agreement and its accompanying articles and attachments. If additional funds become available, the County will send written notice to the Grantee of the additional amount of funds awarded to Grantee along with a request that Grantee provide an updated budget to replace the Restatement of the Project Budget referenced in 1.4 and section 4 below and an updated project description to update the Project Description referenced in Article 1.3 and section 3 below. The County, through the Director (following consultation with the Cultural Affairs Council) shall have the sole and absolute discretion to approve, disapprove or request revisions to Grantee's proposed updated budget and project description in accordance with the award approved by the Board of County Commissioners. Upon the approval by the Director of the Grantee's updated budget and project description, this Agreement shall be amended accordingly to add any additional grant funds awarded by the Board of Commissioners to the total amount of this grant award.

Miami-Dade County's obligation to pay the award under the Agreement is contingent upon an appropriation by the Miami-Dade County Mayor and the Board of County Commissioners and on the availability of funds. In the event that County funds on which the Agreement is dependent do not materialize or are withdrawn, the Agreement is terminated, and the County has no further liability to the Grantee, beyond that already incurred by the termination date. In the event of a County revenue shortfall, the total grant will be reduced accordingly. Such termination or reduction of the total grant shall not affect the responsibility of the Grantee under the Agreement as to those funds distributed.

Tourist Development Council grants are made as either a Reimbursement Award or a Direct Award, with the type of grant determined on a case-by-case basis by the Director and on the approval of the Tourist Development Council. The type of this grant award is specified in Article I.2.

If Article I.2 designates this grant as a Reimbursement Award, the Grantee agrees to provide to the Director or his designee, within forty-five days (45) of the event, copies of original documentation conclusively demonstrating the expenditure of funds for the items indicated as grant award expenses in the Restatement of Project Budget as a condition of receiving payment of this award. Documentation shall include, but not be limited to, copies of original bills, invoices, vouchers, receipts, and canceled checks (front and back) clearly designating payment for expenses associated with the event. Cash transactions are not acceptable unless a copy of a contract, invoice, receipt or other documentation supporting such cash payment is received, marked "paid" and signed by the recipient of the cash. Documentation for credit card transactions must include a copy of the relevant monthly credit card statement highlighting the charge for the expense, and proof of remittance to the credit card issuing company confirming payment made and accepted for the expense incurred. The Director reserves the right to request original documentation to substantiate grant expenditures. Within forty-five (45) business days of receipt of satisfactory documentation described and required by this Agreement, the County shall reimburse the Grantee for the grant expenditures. If documentation as outlined above is not received within forty-five days (45) of the event, or if the Director concludes that the documentation provided by the Grantee does not definitively demonstrate that funds were expended for the purposed allowed by this Agreement, the grantee shall waive any and all rights to receive payment of the grant.

If Article I.2 designates this grant as a Direct Award, grant funds will be supplied to the Grantee once the award is approved and subject to the conditions and limitations as outlined in the Agreement and its accompanying articles and attachments.

3. Project Description: The Grantee may use the grant only for the purposes which are specifically described in Article I.3, designated "Project," as documented in the Grantee's program application and in accordance with the published guidelines of the grant program through which this grant is being awarded. Any necessary changes in the scope of the project are cited in the attached Restatement of Project Budget. Further, it is expressly understood and agreed that the Grantee's program(s) supported by these grant funds must be open and accessible to the public, provide public exposure and benefit the public unless otherwise noted under Article V, "Special Conditions," of the Agreement.

Amendments to this Agreement and/or project revisions believed to be necessary for the purpose of completing the project, but which do not increase the amount of the grant award or substantially alter the original project, its quality, impact, or benefit to the organization, the County or its citizens, must be submitted/requested in writing to the Director sufficiently prior to implementation of revisions for the Director's execution (in the case of an amendment) or approval (in the case of a revision). Such amendments and/or project revisions shall be in accordance with the Board of County Commissioners' award of funds to the Grantee. Revisions include, but are not limited to those affecting project scope, venue, artistic selections, program titles, timeframe and participants and transition to virtual programs and/or other program delivery strategies. The Director will make the final determination on revisions within fourteen (14) business days of the date of receipt of the request in the Department of Cultural Affairs' offices.

4. Project Budget: The Grantee agrees to demonstrate fiscal stability and the ability to administer grant funds responsibly and in accordance with standard accounting practices by developing and adhering to a project budget that is based upon reasonable revenue development and expenditures projected to accomplish the project covered under the Agreement. This budget is referenced in Article 1.4 and is attached to the Agreement as the Restatement of Project Budget, and the Grantee agrees that all expenditures will be subject to the terms of the Agreement and will not significantly deviate from the budget included as a part of the Grantee's program application or funding request information provided to the Miami-Dade County Department of Cultural Affairs. **The Grantee agrees and expressly understands that any grant budget revisions including line-item changes necessary for the purpose of completing the project must be requested in writing to the Director for their consideration prior to the Grant End Date stated in Article I.6 and that any requested changes may not exceed fifty percent (50%) of the total amount of the grant award.** The Director will approve or disapprove the Grantee's request in writing within fourteen (14) business days of the date of receipt of the request in the Department's offices. Any budget revisions shall be in accordance with the grant award approved by the Board of County Commissioners.

5. Grant End Date: The Grantee shall encumber all grant and matching funds on or before the Grant End Date as outlined in Article I.6. Any grant funds not encumbered by the Grant End Date or for which a project extension has not been requested, or any encumbered funds not expensed within forty-five (45) days of the Grant End Date shall revert to the Department and the Agreement shall be terminated in accordance with Article II.14. A project extension may be requested in writing from the Director at least thirty (30) business days prior to the Grant End Date. The Director, at their discretion, may grant up to two (2) one (1) year extensions of the Grant End Date so long as such extensions will not significantly alter the project including its quality, impact, or benefit to the organization, the County or its citizens.

6. Report Deadline: To demonstrate that the Grantee has used the grant award for the project as approved (Article I.3.) and the Itemized Project Budget (Article I.4.) as attached to the Agreement as the Restatement of Project Budget, and has met and fulfilled all requirements as outlined in the Agreement, original application, and any other substantive materials as may be attached or included as a condition to this grant award, the Grantee must submit to the Director or their designee, a written Final Report documenting that the Grantee is meeting or has fulfilled all project and financial requirements. This report is to be received by the Director or their designee by the date specified in Article I.7. in the form specific to the program through which this grant is being awarded. **The Grantee agrees and expressly understands that in making Final Report to the Department, any deviation from the grant expense budget attached to the Agreement as the Restatement of Project Budget must be requested in writing to the Director for their consideration prior to the Grant End Date stated in Article I.6 and that any requested changes may not exceed fifty percent (50%) of the total amount of the grant award.** The Director, at their sole discretion, may require the Grantee to submit interim reports demonstrating progress on the project and accounting for project expenses to date. The Director may also require that a compilation

statement or independent financial audit encompassing the entire grant period and accounting for the expenditure of grant funds be prepared by an independent certified public accountant at the expense of the Grantee.

Grantees of the Arts Education Initiatives, Cultural Advancement, Cultural Development, Festivals and Special Events, Hannibal Cox, Jr., Major Cultural Institutions and Youth Arts Miami grants programs shall submit an independent financial audit encompassing the grant period or financial statements encompassing the grant period or portion thereof prepared by an independent certified public accountant or corporate financial officer. If an audit or financial statements are not available, the Grantee shall attach a copy of the organization's last completed Form 990 submitted to the Internal Revenue Service. Grantees of the Developing Arts in Neighborhoods grant program with operating budgets of \$50,000 or more shall attach a copy of the organization's last completed Form 990 submitted to the Internal Revenue Service. The County reserves the right to request original documentation to substantiate grant expenditures.

Grantees of the Community Grants, Developing Arts in Neighborhoods Grant Program with operating budgets of \$50,000 or less, International Cultural Partnerships, Summer Arts & Science Camps for Kids, and Youth Arts Enrichment Grant Programs shall attach to the Final Report copies of original documentation conclusively demonstrating the expenditure of funds for the items indicated in the Restatement of Project Budget as grant award expenses. Documentation shall include, but not be limited to, copies of original bills, invoices, vouchers, receipts, and copies of canceled checks (front and rear) clearly designating payment for expenses associated with the event. Cash, money orders, and/or cashier's checks are not acceptable unless the Grantee demonstrates one of these methods of payment are the only forms of payment accepted by the vendor providing grant-related services and/or commodities. In those cases, the Grantee must provide a copy of a contract, invoice, receipt, or other documentation supporting such cash payment is received, marked "paid" and signed by the vendor. Documentation for credit card transactions must include a copy of the relevant monthly credit card statement highlighting the charge for the expense, and proof of remittance to the credit card issuing company confirming payment made and accepted for the expense incurred. Documentation for electronic peer-to-peer money transfer transactions must include a copy of the grantee's bank statement highlighting the charge for the expense and copies of service agreements, original bills, invoices, vouchers or receipts supporting the payment. The County reserves the right to request original documentation to substantiate grant expenditures.

If the Grantee fails to submit the required Final Report by the deadline date specified in Article I.7., the County may terminate the Agreement in accordance with Article II.14. Further, the Director or their designee must approve this report before the Grantee is deemed to have met all conditions of the grant award.

7. Program Monitoring and Evaluation: The Director or their designee may monitor and conduct an evaluation of the Grantee's operations and the project for which this grant is provided, which may include visits by County representatives to: observe the project or Grantee's programs, procedures, and operations; discuss the Grantee's programs with the Grantee's personnel; and/or evaluate the public impact of these funded events and activities.

Upon request, the Grantee shall provide the Director with notice of all meetings of its Board of Directors or governing board, general activities, and project-related events. In the event the Director or their designee conclude, as a result of such monitoring and/or evaluation, that the Grantee is not in compliance with the terms of the Agreement, is not fulfilling other program requirements or stipulations for which this Grant has been provided or for other reasons which significantly impact on the Grantee's ability to fulfill the conditions of this grant award, the Director or their designee must provide in writing to the Grantee, within sixty (60) days of the date of said monitoring/evaluation, notice of the inadequacy or deficiencies noted which may significantly impact on the Grantee's ability to complete the project or fulfill the terms of the Agreement within a reasonable time frame. If Grantee refuses or is unable to address the areas of concern within sixty (60) days of receipt of such notice, the Director, at their discretion, may take other actions, which may include the withholding, reduction or rescission of grant funds until such time as the Grantee can demonstrate that such issues have been corrected.

Further, in the event that the Grantee refuses or is unable to address the areas of concern and the grant award has been disbursed in full or in part, then the Director may request the return of the full or partial grant payment. At the Director's sole discretion, a Grantee found to be deficient or in default of a previous grant contract may be declared permanently ineligible to apply to the Department of Cultural Affairs' grants programs. Reinstating the Grantee's eligibility to apply is also at the Director's sole discretion and may only be considered after all deficient areas on prior grants having been addressed to the satisfaction of the Director.

If Grantee is not in compliance with the conditions of any other County agreement, the Director, at their discretion, may take other actions, which may include the withholding, reduction or rescission of grant funds until such time as the Grantee can demonstrate that such issues have been corrected.

8. Bank Accounts: Monies received pursuant to the Agreement shall be kept in accounts in established Florida banks, credit unions or savings and loan associations whose identity shall be disclosed in writing, with the identity and title of individuals whom the Grantee authorizes to withdraw or write checks on grant funds from the banking institution identified on the "Bank Account Disclosure" form submitted by the Grantee. These accounts need not be accounts which are segregated from other accounts maintained by the Grantee. However, it is highly recommended that the Grantee maintain a separate account for these grant funds.

9. Accounting and Financial Review: The Grantee must keep accurate and complete books and records for all receipts and expenditures of this grant award and any matching funds required in conformance with reasonable general accounting standards. These books and records, as well as all documents pertaining to payments received and made in conjunction with this grant, such as vouchers, bills, invoices, receipts and canceled checks, shall be retained in Miami-Dade County in a secure place and in an orderly fashion by the Grantee for at least five (5) years after: the Grant End Date specified in Article I.6.; the expiration of an extended grant period as approved by the Director; the completion of a County requested or mandated audit or compliance review; the conclusion of a legal action involving the grant award, the Grantee and/or project or activities related to the grant award.

The Director or their designee may examine these books, records and documents at the Grantee's offices or other approved site under the direct control and supervision of the Grantee during regular business hours and upon reasonable notice. Furthermore, the Director may, upon reasonable notice and at the County's expense, audit or have audited all financial records of the Grantee, whether purported to be related to this grant.

10. Publicity and Credits: The Grantee must include the following credit line in all printed and electronic promotional and marketing materials related to this grant including websites, news and press releases, public service announcements, broadcast media, event programs, videos, and publications: **"With the support of the Miami-Dade County Department of Cultural Affairs and the Cultural Affairs Council, the Miami-Dade County Mayor and Board of County Commissioners."** For radio, television and/or online broadcast, we require the following voice-over language: **"This program is supported in part by the Miami-Dade County Department of Cultural Affairs."** For television and online broadcast, display of the County logo and the "www.miamidadearts.org" web address is required. The County logo is available at www.miamidadearts.org under Grantee Resources. Grantees are required to credit the County's support in any communications about the grant-funded project on social media platforms using @MiamiDadeArts and #MiamiDadeArts.

By accepting County funds, the grantee is required to recognize and acknowledge Miami-Dade County's grant support in a manner commensurate with all contributors and sponsors of its activities at comparable dollar levels.

In addition, grantees receiving funds through the YEP, SAS-C and AKI grant programs must include The Children's Trust logo and the following statement in all printed and electronic materials related to the grant project, including but not limited to newsletters, press releases, brochures, fliers, websites, online content or any other materials for dissemination to the media or general public:

"[Grantee Program Name] is funded by The Children's Trust. The Children's Trust is a dedicated source of revenue established by voter referendum to improve the lives of children and families in Miami-Dade County by making strategic investments in their future." To download an electronic version of The Children's Trust logo, please go to: [The Children's Trust Media Kit & Logos](#).

Note: In cases where funding by The Children's Trust represents only a percentage of the grantee's overall funding, the above language can be altered to read "[Grantee Program Name] is funded in part by The Children's Trust..."

11. Liability and Indemnification: It is expressly understood and intended that the Grantee, as the recipient of grant funds, is and shall remain at all times an independent contractor and is not, under any circumstances, to be considered an officer, employee

or agent of Miami-Dade County, its Board of County Commissioners, its Mayor, the Department of Cultural Affairs or the Cultural Affairs Council.

Under no circumstances shall any relationship between the Grantee, or any of its officers, employees, agents, contractors, or subcontractors, be construed to create any form of employment, partnership, agency, joint venture, or any other affiliation with the Department of Cultural Affairs, the Cultural Affairs Council, the Miami-Dade County Mayor, the Miami-Dade County Board of County Commissioners, or its employees.

The Grantee agrees to be responsible for the acts and omissions of its officers, employees, agents, contractors, subcontractors, and assignees, and all work performed, and all expenses incurred in connection with the project. The Grantee may subcontract as necessary to perform the services set forth in the Agreement, including entering into subcontracts with vendors for services and commodities, provided that it is understood by the Grantee that Miami-Dade County shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract, and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

iv. Upon completion of the Agreement, transfer, at no cost, to the County all public records in possession of the contractor or keep and maintain public records required by the County to perform the service. If the contractor transfers all public records to the County upon completion of the Agreement, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the Agreement, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County.

b. A request to inspect or copy public records relating to this Agreement for services must be made directly to the County. If the County does not possess the requested records, the County shall immediately notify the Grantee of the request, and the Grantee must provide the records to the County or allow the records to be inspected or copied within a reasonable time.
